Alaska Adventure Guide

For a limited time, receive a free Fodor's Guide to Safe and Healthy Travel e-book with the purchase of this guidebook! Go to fodors.com for details. Written by locals, Fodor's The Complete Guide to Alaska Cruises is the perfect guidebook for those looking for inside tips to make the most of their visit to Alaska by cruise ship. Complete with detailed maps and concise descriptions, this Alaska Cruise travel guide will help you plan your trip with ease. With detailed profiles of every major cruise line and ship sailing in Alaska, not to mention concise and practical overviews of more than 20 top ports and major inland destinations, this guide offers Alaska cruise passengers everything they need to know to plan their cruise. Combined with an extensive and practical cruise-planning chapter, this book really is a complete and comprehensive guide to Alaska cruises. Fodor's The Complete Guide to Alaska Cruises includes:

- UP-TO-DATE COVERAGE: From detailed information on planning an Alaska cruise to reviews on the latest big- and small-ship cruise lines and ships to head to Alaska, this new edition is the most complete guide to Alaska cruises on the market. Destinations include the top ports as well as the top inland cruise-tour destinations.
- ULTIMATE EXPERIENCES GUIDE: A spectacular color photo guide captures the ultimate unmissable experiences and attractions throughout Alaska's major cruise ports to inspire you.
- DETAILED MAPS: Full color and full-size street maps throughout will inspire and help you get around confidently.
- GORGEOUS PHOTOS AND ILLUSTRATED FEATURES: Full-color photos will help inspire you. Stunning magazine-style, illustrated color features focus on whales, glaciers, Alaska Gold Rush history, and beautiful local handicrafts you can buy in many ports. Guides to the state's flora and fauna help you spot your favorites. Illustrated cruise ship reviews help you pick the right ship and line.
- TOP RECOMMENDATIONS: Includes tips on where to eat, stay, and shop as well as

information about nightlife, sports and the outdoors. "Fodor's Choice" designates our best picks in every category. •INDISPENSABLE TRIP PLANNING TOOLS: We give you all the planning tools you need to tailor your trip and choose the cruise that best suits you: reviews of cruise lines and ships, overviews of all the major Alaska cruise itineraries, and an extensive practical planning chapter to help you understand what's included in the fare (and not) and how to make the most of your time on board your chosen ship. We recommend the top shore excursions to book as well as what to pack. •COVERS: Denali National Park, Fairbanks, Glacier Bay National Park & Preserve, Haines, Homer, Juneau, Ketchikan, Kodiak Island, Seward, Sitka, Skagway, Whittier, and more. ABOUT FODOR'S AUTHORS: Each Fodor's Travel Guide is researched and written by local experts. Fodor's has been offering expert advice for all tastes and budgets for more than 80 years. Looking for an in-depth guide about the rest of Alaska? Check out Fodor's Alaska.

Alaska Career Guide

The most comprehensive, best-selling guide book on Alaska fishing, is also the most well-endorsed title on the subject. Written by ten of Alaska's most respected experts. 464 color pages feature stellar photography by Alaskan artists. The insiders guide, now revised, and expanded, is in full-color. Covers all 17 major Alaska sport species (fresh/salt waters), all methods (fly/spin/bait), and all regions of the state, with details on over 300 of the most productive locations. Includes information on regional climate/conditions, run timing, services' costs, trophy/records, USGS map references, regulations, etc. Bonus back section with trip planner, flies for Alaska, knots, fish filleting, and a comprehensive 2,500-entry cross-referenced index. Over 500 color photos, maps, and charts/diagrams. Beautifully illustrated, Alaska Fishing offers a visual feast of this scenic wonderland, with content that not only thoroughly informs, but also captures the imagination and heart of the reader.

Beyond Mile Zero

The Mobil Travel Guide star ratings are a 45-year-old consumer advocacy concept originally developed following the introduction of the interstate highway system. The goal of the Guide is not to identify and rate every property in the country, but to recommend only the best in each category, ones that we would send our customers to. We look at the stars from a consumer's point of view, rating lodgings and restaurants across North America from the perspective of the "average traveler."The Guides feature new enhanced descriptions for 2004. Listings include lodgings, restaurants, attractions, and events in established travel destinations, as well as cities and towns on the way to established travel destinations. Our new easy-to-use format makes the Guides even more indispensable to travelers. Each regional guide is organized alphabetically by state, with introductory information about the state followed by city listings in alphabetical order. For each city, the guide lists sites and attractions, lodgings, and then restaurants. One of the features that sets the Mobil Travel Guide apart from its competitors is its proprietary Mobil star rating system. Forty-five plus years of publishing experience and the oldest non-biased rating system in North America make the Mobil Travel Guide series a must-have for travelers wanting up-to-date ratings of hotels and restaurants.

Fierce Climate, Sacred Ground

From the Arctic to Bristol Bay, this book covers all the fabulous fishing opportunities throughout Alaska. With this resource, anglers can fly into Anchorage, rent a camper, and be catching trophy salmon and trout within hours of arrival. Includes 109 detailed river and lake maps--a big book for a big state.

A Birder's Guide to Alaska

Written by locals, Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years. Alaska is a trip of a lifetime. Nowhere else can travelers kayak to glaciers; fly over the highest peak in North America; wonder at the Aurora Borealis; stay out all night celebrating the midnight sun; visit quirky towns; spot bears, eagles, moose, and whales; and learn the true meaning of the word "remote"--all in the same trip. Fodor's Alaska makes it easy to create a perfect trip from start to finish. This travel guide includes: · Dozens of full-color maps · Hundreds of hotel and restaurant recommendations, with Fodor's Choice designating our top picks · Multiple itineraries to explore the top attractions and what's off the beaten path · Major sights such as Denali National Park, Aurora Borealis and Kenai Fjords National Park · Side Trips from Ketchikan, Anchorage, and Homer · Coverage of Juneau; The Inside Passage and Southeast Alaska; Anchorage; The Kenai Peninsula and Southcentral Alaska; Denali National Park and Preserve; Fairbanks, The Yukon and the Interior; The Bush

Moon Alaska

A hiking guide to one of Alaska's most stunning outdoor getaways Alaska is vast, wild, and stunningly beautiful—and notoriously difficult to get around. The Kenai Peninsula, with its proximity to Anchorage, is the gateway to the great outdoors of Alaska for vast numbers of visitors and locals alike. The Kenai offers coastal, forest, subalpine, tundra, and even glacial hiking opportunities accessible to most. The hikes in this book range from an easy half-mile walk through a boggy lowland meadow to more challenging multi-day hikes through mountainous terrain. As with all of the 50 Hikes series, this volume provides the kind of narrative descriptions that allow you to choose which hikes to actually take and equips you with critically acclaimed maps that help you navigate to and from where you are hiking.

Flyfisher's Guide to Alaska

DK Eyewitness Travel Guide: Alaska is your in-depth guide to the very best of Alaska. From going on an adventure to spot wildlife in Denali to exploring the state's glacier-lined coast by cruise ship, Alaska offers an unforgettable experience that will exceed all your expectations. DK Choice special recommendations. With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that illuminate every page, DK Eyewitness Travel Guide: Alaska truly shows you this state as no one else can.

Alaska on the Go

At My Itchy Travel Feet, *The Baby Boomer's Guide to Travel*, writer Donna Hull and photographer Alan Hull travel the world recording their boomer travel experiences with words, photos, and videos so that you'll know exactly what to expect. Their goal? To get boomers off the couch and out into the world. In this Blog to Book, they've chosen some of their favorite journeys to share with you. Take a road trip in Northern Italy, drive the California Big Sur coast, or explore Arches, Canyonlands, Glacier, and Grand Tetons National Parks. You'll find a chapter on small ship luxury cruising and a travel tips section with advice on road trips, cruising, travel photography, and multi-generational travel. So, pull up a chair, grab a cup of coffee, and start reading about active travel for boomers. It's guaranteed to make your travel feet itchy!

Alaska Wildlife

The Alaska Purchase—denounced at the time as “Seward’s Folly” but now seen as a masterstroke—is well known in American history. But few know the rest of the story. This book aims to correct that. Lee Farrow offers here a detailed account of just what the Alaska Purchase was, how it came about, its impact at the time, and more. Farrow shows why both America and Russia had plenty of good reasons to want the sale to occur, including Russia’s desire to let go of an unprofitable, hard-to-manage colony and the belief in the United States that securing Alaska could help the nation gain control of British Columbia and generate closer trade ties with Asia . Farrow also delves into the implications of the deal for foreign policy and international diplomacy far beyond Russia and the United States at a moment when the global balance of power was in question. A thorough, readable retelling of a story we only think we know, *Seward’s Folly* will become the standard book on the Alaska Purchase.

Insight Guides Alaska (Travel Guide eBook)

The bestselling author of *The Accidental Billionaires* and *The 37th Parallel* tells the fascinating Jurassic Park-like story of the genetic restoration of an extinct species—the woolly mammoth. “Paced like a thriller...Woolly reanimates history and breathes new life into the narrative of nature” (NPR). With his “unparalleled” (Booklist, starred review) writing, Ben Mezrich takes us on an exhilarating and true adventure story from the icy terrain of Siberia to the cutting-edge genetic labs of Harvard University. A group of scientists work to make fantasy reality by splicing DNA from frozen woolly mammoth into the DNA of a modern elephant. Will they be able to turn the hybrid cells into a functional embryo and potentially bring the extinct creatures to our modern world? Along with this team of brilliant scientists, a millionaire plans to build the world’s first Pleistocene Park and populate a huge tract of the Siberian tundra with ancient herbivores as a hedge against an environmental ticking time bomb that is hidden deep within the permafrost. More

than a story of genetics, this is a thriller illuminating the real-life race against global warming, of the incredible power of modern technology, of the brave fossil hunters who battle polar bears and extreme weather conditions, and the ethical quandary of cloning extinct animals. This “rollercoaster quest for the past and future” (Christian Science Monitor) asks us if we can right the wrongs of our ancestors who hunted the woolly mammoth to extinction and at what cost?

DK Eyewitness Travel Guide Alaska

Providing a sensible, objective, consumer's guide to travel, these easy-to-use travel handbooks provide useful evaluations of local hotels, attractions, and restaurants in all price ranges, honest advice on local attractions that are worth the time and money, detailed maps, tips on special events and festivals, and extensive information on local shopping, sports, nightlife, and other activities.

Alaska

Since Alaska is so large and its options so varied, this guide is organized primarily to help travelers zero in on the activity or activities that most appeal to them. The first ten chapters focus solely on adventure travel, each devoted to a single activity. The five regional chapters that follow focus mainly on the basics in a given area of the state — getting around, shopping, lodging, dining, and entertainment. The objective is not to provide the most information about destinations or attractions, but rather, the most useful information. Any destination or outfitter listed here has made the cut by proving itself a wonderful place to visit or a reliable company with which to do business.

The Rough Guide to Alaska

A Birder's Guide to Alaska gives you the detailed information you need to find the Great Lands great birds. Over 60 locations are covered, including the state's entire road system, the Alaska Highway from Dawson Creek, British Columbia through the Yukon to Alaska, the Alaska Marine Highway ferry system, and the Alaska Marine Highway from British Columbia to Alaska. Special attention is given to providing birding information for the larger communities of Anchorage, Fairbanks, and Juneau, in addition to Alaska's popular tourist destinations: Denali National Park, the Inside Passage, the Kenai Peninsula, and Nome. Year-round birding information is included for most locations. Each chapter includes a section on local logistics and more comprehensive trip-planning information is included in the introduction.

The Milepost 2020

55 Ways to the Wilderness in Southcentral Alaska

Fully updated and revised, this guide is the perfect introduction to hiking the great state of Alaska, with millions of acres of wilderness waiting to be explored. It features one hundred hikes in Alaska's national parks, wildlife refuges, national forests, wilderness areas, and state parks. Also included are hikes for all ages and

abilities as well as maps for each hike and full-color color photos.

Traveler's Guide to Alaskan Camping

The only guide to feature the destinations in Alaska accessible by rail, car and ferry written by an author who grew up in Alaska and continues to live there today.

Mobil Travel Guide Northwest and Alaska 2005

Tourism has become integral to southeast Alaska's regional economy & has resulted in changes to the social & cultural fabric of community life as well as to natural resources used by Alaskans. This study incorporates an ethnographic approach to trace tourism development in three rural southeast Alaska communities featuring different levels & types of tourism. In addition, the effects of tourism from the perspectives of local residents are explored, including economic effects, sociocultural effects, & effects on human uses of natural resources. Illustrations.

Tourism and Its Effects on Southeast Alaska Communities and Resources

In 1942, the west coast of North America was under threat after the attack on Pearl Harbor, prompting the US government to build a military road from Dawson Creek, BC, to Delta Junction, AK. Renowned as a driving challenge and for its remote scenic beauty, the Alaska Highway opened to the public in 1948. It was the beginning of the golden age of the automobile. Silvertip, Swift River, Silver Dollar, Krak-R-Krik, Chickaloon and other quaint and quirky establishments sprang up along the highway, offering travellers coffee, gas, conversation and a place to spend the night. During the roadhouse heyday, owners and employees lived on the frontier and earned good wages. Some were looking for a life-long commitment and a place to raise a family, others relished the isolation. Aside from truckers, today most people travel the Alaska Highway in fuel-efficient cars and self-sufficient RVs—the demand for lodge services has diminished and the businesses struggle to survive. Since December 2014, Yukoners Gontard and Kelly have been visiting operating and abandoned lodges, recording the unique culture of the Alaska Highway before it disappears completely. The book includes the recollections of Gay Froclage, whose parents, Doris and Bud Simpson, ran one of the oldest roadhouses on the highway, Mile 716 Rancheria Lodge, Yukon; and Bud and Pam Johnson, who met at the Mile 1318 Tok Lodge, Alaska, were married six months later and ran the lodge for three decades; as well as Ross Peck whose parents, Don and Alene Peck, operated Mile 200 Trutch Lodge, BC, as a highway lodge and hunting outfitting base from 1950-1963. Featuring both archival and contemporary photographs, Beyond Mile Zero explores the evolution of Alaska Highway culture and will be of interest to locals and travellers alike.

Woolly

"Alaska, Yukon, British Columbia, Alberta, Northwest Territories"--Cover.

DK Eyewitness Travel Guide: Alaska

Guilt mingles with relief, leaving Drizt uniquely vulnerable to the persuasions of his newest companion--Dahlia, a darkly alluring elf and the only other member of their party to survive the cataclysm at Mount Hotenow. But traveling with Dahlia is challenging in more ways than one. As the two companions seek revenge on the one responsible for leveling Neverwinter--and nearly Luskan as well--Drizt finds his usual moral certainty swept away by her unconventional views. Forced to see the dark deeds that the common man may be driven to by circumstance, Drizt begins to find himself on the wrong side of the law in an effort to protect those the law has failed. Making new enemies, as his old enemies acquire deadly allies, Drizt and Dahlia quickly find themselves embroiled in battle--a state he's coming to enjoy a little too much.

National Geographic Guide to the National Parks

Fierce Climate, Sacred Ground is an ethnographic account of the impacts of climate change in Shishmaref, Alaska. In this small Iupiaq community, flooding and erosion are forcing community members to consider relocation as the only possible solution for long-term safety. However, a tangled web of policy obstacles, lack of funding, and organizational challenges leaves the community without a clear way forward, creating serious questions of how to maintain cultural identity under the new climate regime. Elizabeth Marino analyzes this unique and grounded example of a warming world as a confluence of political injustice, histories of colonialism, global climate change, and contemporary development decisions. The book merges theoretical insights from disaster studies, political analysis, and passages from field notes into an eminently readable text for a wide audience. This is an ethnography of climate change; a glimpse into the lived experiences of a global phenomenon.

Moon Alaska

In Paddling Alaska, you can drive to all the lakes and rivers described in this guide. This fact might sound unremarkable, but Alaska is mostly wilderness, with few highways. This is the first guidebook to organize journeys in this manner.

Moon Anchorage, Denali & the Kenai Peninsula

Detailed routes and advice for heading into the wilds of Alaska and northwestern Canada are provided in this guide for RV and tent campers. This grand tour of Alaska covers in detail the Alaskan Highway, routes throughout the Yukon and Alaskan outback, and the ferry system in southeast Alaska. Campgrounds throughout the region are listed with pictures, descriptions of amenities and recreational opportunities, maps, and contact information for each. Important details are discussed, including border crossings, budget planning, vehicle preparation or renting an RV, appropriate clothing, road conditions, and possible wildlife encounters. Recreational information on hiking, mountain biking, boating, rafting, kayaking, and viewing wildlife is also included.

DK Eyewitness Travel Guide: Alaska

Paddling Alaska

•*More than 150 stunning images, featuring the “Big Five”: caribou, Dall sheep, grizzly, moose, and wolf •*Both an educational overview and a tourist-oriented gift book •*Includes all of Alaska’s iconic wildlife species From grizzlies, Dall sheep, and the elusive wolverine to bald eagles and the common ground squirrel, photographer Tom Walker displays birds, mammals, and more from work that spans four decades. This is a “Best of” collection from a celebrated Alaskan writer and photographer. Captions focus on factual natural history interpretation; for example: “An Arctic ground squirrel’s body temperature can drop below 32 degrees F without its tissues actually freezing. Hibernating squirrels are the ‘coldest mammal alive.’ Their heart rates drop from 200 beats-per-minute to 2 bpm with a pulse every 30 seconds.” This new gift book is seasonally organized, revealing the wondrous Alaska landscape and the activities and behavior of a variety of species during spring, summer, autumn, and winter. Park visitors, families, classrooms, and readers of all ages will delight in the range of beautiful images and learn what is happening in Alaska’s natural world throughout the year.

Hiking Alaska

The guides that show you what others only tell you.

My Itchy Travel Feet: Breathtaking Adventure Vacation Ideas

The Rough Guide to Alaska is the indispensable guidebook to one of the world's greatest adventure destinations. The Rough Guide will ensure the reader gets the most from their time in this extraordinary region. The opening pages feature a full-colour introduction to Alaska's highlights, with inspirational photography of the stunning sights and activities on offer, from viewing the ethereal glow of the Northern Lights to cruising the epic highways. There are evocative accounts of the state's vast wilderness, from the majestic peak of Denali to the glaciers of Prince William Sound, and lively reports on Anchorage, Fairbanks, and all Alaska's rough-hewn towns. There is also expert advice on the multitude of outdoor activities, such as hiking, mountain biking, rafting, fishing and kayaking plus lesser known activities such as panning for gold or riding a husky sled.

Fodor's Alaska

Nearly two million people visit Alaska every year, drawn to its spectacular views and endless activities. But with such size and so many options, it can seem overwhelming when it comes to planning a family vacation to the 49th state. The best place to start? With a local, of course. Journalist and Alaska resident Erin Kirkland knows every corner of the state, and she has crossed thousands of miles with her son. In *Alaska on the Go*, she offers a fresh take on exploring some of the most beautiful land in the world, with tips and tricks that only an insider knows. Serving as the perfect tour guide, Kirkland identifies the best and most kid-friendly

destinations in cities across Alaska. She offers practical advice on everything from restaurants to rest stops and from weather surprises to wild animals. Photos, maps, and sample itineraries make it easy for parents to plan a trip that will delight and entertain everyone. The only family travel guide to Alaska written by a current Alaskan, *Alaska on the Go* makes the state more accessible than ever. Whether traveling via car, cruise ship, or dogsled, this practical, portable guide will open up a new world of memorable adventures.
