No Cross, No Crown

The Left is bulldozing through American history. We the People are the only ones who can stop them. America is on the verge of another Civil War. Socialism is on the rise. Free Speech is under assault. People of Faith are facing persecution. Gun owners are in the crosshairs. Our public schools have been turned into indoctrination centers. A leftist mob made up of socialist politicians, academic elites, raging feminists, and effete Pajama Boys has partnered with Antifa, illegal aliens, and other radical groups to finish what President Obama started—a fundamental transformation of our nation. Can America be saved? Political columnist, commentator, author, and radio host Todd Starnes addresses this issue and more in Culture Jihad. He believes that if good-hearted patriots rise up together we can stop the jihad. It is possible to keep America great.

Every Man's Bible

New York Times Bestseller: The moving, entertaining, never-before-told story of how one man found his calling: to see that

those who defend this country and its freedoms are never forgotten. "The book is called Grateful American, and I promise you after you read it you will be grateful for what Gary has accomplished and contributed to our country." -- Clint Eastwood

As a kid in suburban Chicago, Gary Sinise was more interested in sports and rock 'n' roll than reading or schoolwork. But when he impulsively auditioned for a school production of West Side Story, he found his purpose--or so it seemed. Within a few years Gary and a handful of friends created what became one of the most exciting and important new theater companies in America. From its humble beginnings in a suburban Chicago church basement and eventual move into the city, the Steppenwolf Theatre Company launched a series of groundbreaking productions, igniting Gary's career along with those of John Malkovich, Joan Allen, Gary Cole, Laurie Metcalf, Jeff Perry, John Mahoney, and others. Television and film came calling soon after, and Gary starred in Of Mice and Men (which he also directed) and The Stand before taking the role that would change his life in unforeseeable ways: Lieutenant Dan in the Academy Award-winning Forrest Gump. The military community's embrace of the character of the disabled veteran was matched only by the depth of Gary's realization that America's defenders had not received all the honor, respect, and gratitude their sacrifices deserve. In the aftermath of the September 11 attacks, this became Gary's mission. While starring in hits like Apollo 13, Ransom, Truman, George Wallace, CSI:NY, and Criminal Minds: Beyond Borders, Gary has worked tirelessly on behalf of those who serve this country, entertaining more than a half million troops around the world playing bass guitar with his Lt. Dan Band, raising funds on behalf of veterans, and eventually founding the Gary Sinise Foundation with a mission to serve and honor America's defenders, veterans, first responders, their families, and those in need. Grateful American is the moving, entertaining, profoundly gripping story of how one man found his calling: to see that those who defend this country and its freedoms are never forgotten.

NKJV, The American Patriot's Bible, eBook

Every church leader and church member want their church to grow. The promise of THE ATTRACTIVE CHURCH is that if a church experience is positive, the lost, absent, and unfilled will come and complacent people in the pew will have their faith renewed. Author Billy Hornsby says that what keeps most churches from growing are the "methods" they choose for their outreach efforts. The local church must ensure visitors and members alike a good and lasting impression of their experience in church, especially the worship service. "You must get the first impression right!" Hornsby insists. From the website, Facebook page, Twitter accounts, leadership blogs, and parking lot to the worship facility and worship service: the total church experience must speak to people's emotions and be relational and relevant. THE ATTRACTIVE CHURCH is both

motivational and practical with guidance on how to accomplish this transformation, and also presents case studies of some of the fastest-growing and most innovative churches in America. Here is a fresh vision for what the church can be.

The Founder's Bible

Both the text and the extensive references of this personal size Bible are set in easy-to-read giant print.

Mossy Oak Personal Size Giant Print Bible

Abide is a unique tool for discovering Scripture at an exciting new level. Specially crafted prompts guide readers to engage biblical passages with more depth and imagination than ever before. The Harbinger II

This expansive volume contains modern translations of all three major books making up the body of Enochian literature along with copious notes and commentary.

Un-American

A History of the American People

No book was more accessible or familiar to the American founders than the Bible, and no book was more frequently alluded to or quoted from in the political discourse of the age. How and for what purposes did the founding generation use the Bible? How did the Bible influence their political culture? Shedding new light on some of the most familiar rhetoric of the founding era, Daniel Dreisbach analyzes the founders' diverse use of scripture, ranging from the literary to the theological. He shows that they looked to the Bible for insights on human nature, civic virtue, political authority, and the rights and duties of citizens, as well as for political and legal models to emulate. They quoted scripture to authorize civil resistance, to invoke divine blessings for righteous nations, and to provide the language of liberty that would be appropriated by patriotic Americans. Reading the Bible with the Founding Fathers broaches the perennial question of whether the American founding was, to some extent, informed by religious-specifically Christian-ideas. In the sense that the founding generation were members of a biblically literate society that placed the Bible at the center of culture and discourse, the answer to that question is clearly "yes." Ignoring the Bible's influence on the founders, Dreisbach warns, produces a distorted image of the American political experiment, and of the concept of self-government on which America is built.

NKJV Word Study Bible

What Lies Ahead for Christians around the World? If you follow the works of bestselling authors Malcolm Gladwell, Faith Popcorn, Daniel Pink, and other trend forecasters, you'll appreciate learning about over 25 rings of fire that lie ahead for Christians around the world. Len Sweet once again maps the future for the church in this sweeping survey of the twenty-first century. In the face of eruptive and disruptive culture changes from economics and communications to bioethics and beyond, how do we fight fire with fire, not only catching up to our culture but leading our friends and neighbors toward the feet of Christ? No one has done more to startle the church from its slumber than Len Sweet, and no one has equipped the church as effectively. This is a benchmark book from a seminal leader of the modern evangelical movement. Mark Chironna provides incisive questions to stimulate creative thinking for individual or group study and an afterword that ties Len's expansive work together and sets us on the right course for decades to come.

Cabal

The NKJV Word Study Bible includes in-text subheadings and 1,700 easy-to-use word studies with select Hebrew, Aramaic and Greek words explained in every chapter from Genesis to Revelation, helping you dig deeper into your Bible study. By looking into these ancient texts we are able to read scripture as it was originally written and passed on from generation to generation, bringing these words to life and allowing you to almost hear Jesus teaching on the hillside or crying out to God

on the cross. As you study you will discover the richness and significance of the original languages of the Word of God and experience scripture in a whole new way. Features Include: • NKJV paragraph-style text with in-text subheadings and translators' notes • Book introductions • Words of Christ in red • Word studies • Indexes • Concordance

Billy and Blaze

02

NASB MacArthur Study Bible

"The creation of the United States of America is the greatest of all human adventures," begins Paul Johnson. "No other national story holds such tremendous lessons, for the American people themselves and for the rest of mankind." In his prize-winning classic, Johnson presents an in-depth portrait of American history from the first colonial settlements to the Clinton administration. This is the story of the men and women who shaped and led the nation and the ordinary people who collectively created its unique character. Littered with letters, diaries, and recorded conversations, it details the origins of their struggles for independence and nationhood, their heroic efforts and sacrifices to deal with the 'organic sin' of slavery and the preservation of the Union to its explosive economic growth and emergence as a world power. Johnson discusses contemporary topics such as the politics of racism, education, the power of the press, political correctness, the growth of litigation, and the influence of women throughout history. He sees Americans as a problem-solving people and the story of their country as "essentially one of difficulties being overcome by intelligence and skill, by faith and strength of purpose, by courage and persistence. Looking back on its past, and forward to its future, the auguries are that it will not disappoint humanity." Sometimes controversial and always provocative, *A HISTORY OF THE AMERICAN PEOPLE* is one author's challenging and unique interpretation of American history. Johnson's views of individuals, events, themes, and issues are original, critical, and in the end admiring, for he is, above all, a strong believer in the history and the destiny of the American people.

The Books of Enoch: The Angels, The Watchers and The Nephilim (with Extensive Commentary on the Three Books of Enoch, the Fallen Angels, T

The first book in the classic, beloved Billy and Blaze series, from renowned author C.W. Anderson. Billy was a little boy who “loved horses more than anything else in the world.” Imagine how happy he was when he got his very own pony for his birthday! From that day on, Billy was seldom seen without his new friend, Blaze. Riding through fields and woods, Billy and Blaze learned to trust and understand one another—and to jump over fences and fallen trees with ease. They were a great team, but were they good enough to win the gleaming silver cup at the Mason Horse Show? This is the first book in the classic Billy and Blaze series. Sensitive drawings and easy-to-read words capture the warmth and gentle understanding between a boy and his horse.

The Attractional Church

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

Rings of Fire

In this sequel to The harbinger, the reader witnesses the return of Nouriel, Ana Goren, and the mysterious figure known as 'the prophet.'

The NKJV, Open Bible, Imitation Leather, Black, Indexed, Red Letter Edition, Comfort Print

In Dark Agenda, New York Times bestselling author David Horowitz exposes not only the progressive war against Christianity, but also a war against America and its founding principles, which are Christian in their origin. Dark Agenda is about an embattled religion, but most of all, it is about our imperiled nation. Tackling a broad range of issues from prayer in the schools to the globalist mindset, Horowitz traces the anti-Christian movement to its roots in communism. When the communist empire fell, progressives did not want to give up their utopian anti-God illusions, so instead they merely changed the name of their dream. Instead of "communism," progressives have re-branded their movement as "social

justice.” Dark Agenda shows how the progressives are prepared to use any means necessary to stifle their opponents who support the concepts of religious liberty that America was founded on, and how the battle to destroy Christianity is really the battle to destroy America.

In God We Still Trust

The Vines Expository Bible provides the opportunity for you to be mentored by a wise minister's Scriptural insights. Delivered in Dr. Jerry Vines' characteristically warm style, each page brings you face to face with decades of his experience explaining the Word of God, helping you build your understanding of the Bible.

American Woman's Bible

The first amendment of the U.S. Constitution is discussed in regard to the intent of the Founding Fathers.

DARK AGENDA

THE ONE BIBLE THAT SHOWS HOW ‘A LIGHT FROM ABOVE’ SHAPED OUR NATION. Never has a version of the Bible targeted the spiritual needs of those who love our country more than The American Patriot’s Bible. This extremely unique Bible shows how the history of the United States connects the people and events of the Bible to our lives in a modern world. The story of the United States is wonderfully woven into the teachings of the Bible and includes a beautiful full-color family record section, memorable images from our nation’s history and hundreds of enlightening articles which complement the New King James Version Bible text.

Separation of Church & State

[€] Dimensions: 7in. x 9.5in. x 1.5in. [€] Font size: 8 point [€] Font style: New Century Schoolbook [€] Number of pages: 2151 [€] Additional 14 pages of full color maps

KJV, Bride's Bible, Leathersoft, White, Red Letter Edition, Comfort Print

For nation shall rise against nation, and kingdom against kingdom: and there shall be earthquakes in divers places, and there shall be famines and troubles: these are the beginnings of sorrows. Mark 13:8 When Agent Joshua Stone is called to a high-level meeting at the Department of Homeland Security, he learns about a new global order which will be transitioning into power. Stone is read in on the plan for a single planetary government and a world-wide cashless-currency, which will step in to fill the void left by the failing monetary system. To win wide acceptance by the nations of the world, the old system must first be allowed to fail, bringing about a state of global chaos never before seen by mankind. Once desperation has taken the place of pride and hubris, humanity will beg for the proposed one-world empire led by the charismatic tech guru Lucius Alexander. The United States will fall without a single shot being fired. While still considered a sovereign nation under the new global charter, America is required to make some major adjustments in order to fit in. One of the mandatory changes comes in the form of oppressive firearms restrictions. Agent Stone is tasked with infiltrating a group of anti-government nationalists to monitor their activities in the wake of the new gun ban. But what he learns from the group while working undercover causes him to question if he is on the right side of the fight. The final world empire will demand absolute loyalty. Stone will have to make an impossible choice. If he chooses to ignore the information gleaned during his time undercover, he will violate his deepest personal convictions. However, if he turns his back on the Global Union, he'll put not only his own life on the line, but also those of his wife and son. Don't miss this chilling depiction of what America will look like in the last days. Read *The Beginning of Sorrows, Book One: Cabal*, a heart-stopping tale of the end times, today! As with all works by Mark Goodwin, this book contains no profanity and no embarrassing sex scenes. However, if you're offended by conservative principles and references to Scripture, this book might not be for you.

Thompson Chain-Reference Bible

In this six-session small group Bible study (DVD/digital video sold separately), *Sacred Marriage*, writer and speaker Gary Thomas invites you to see how God can use marriage as a discipline and a motivation to reflect more of the character of Jesus. Your marriage is much more than a union between you and your spouse. It is a spiritual discipline ideally suited to help you know God more fully and intimately. *Sacred Marriage* shifts the focus from marital enrichment to spiritual enrichment in ways that can help you love your mate more. Whether it is delightful or difficult, your marriage can become a doorway to a closer walk with God. Everything about your marriage—from the history you and your spouse create, to the love you share, to the forgiveness you both offer and seek by turn—is filled with the capacity to help you grow in Christ's character. Sessions include: God's Purpose for Marriage: More Than We Imagine The Refining Power of Marriage The God-Centered Spouse Sacred History Sexual Saints Marriage: The Love Laboratory Designed for use with the *Sacred Marriage Video Study* (sold separately).

Battlefield of the Mind Bible

A manifesto about America's unchallenged war machine, from an Afghanistan veteran and new kind of military hero. Before engaging in war, Erik Edstrom asks us to imagine three, rarely imagined scenarios: First, imagine your own death. Second, imagine war from "the other side." Third: Imagine what might have been if the war had never been fought. Pursuing these realities through his own combat experience, Erik reaches the unavoidable conclusion about America at war. But that realization came too late-the damage had been done. Erik Edstrom grew up in suburban Massachusetts with an idealistic desire to make an impact, ultimately leading him to the gates of West Point. Five years later, he was deployed to Afghanistan as an infantry lieutenant. Throughout his military career, he confronted atrocities, buried his friends, wrestled with depression, and struggled with an understanding that the war he fought in, and the youth he traded to prepare for it, was in contribution to a bitter truth: The War on Terror is not just a tragedy, but a crime. The deeper tragedy is that our country lacks the courage and conviction to say so. Un-American is a hybrid of social commentary and memoir that exposes how blind support for war exacerbates the problems it's intended to resolve, devastates the people allegedly being helped, and diverts assets from far larger threats like climate change. Un-American is a revolutionary act, offering a blueprint for redressing America's relationship with patriotism, the military, and military spending.
