### **The Thrill of the Haunt**

Phantom PI Paul Harrison from the national bestselling Haunted Guesthouse mysteries returns with a tale of his own in a house full of ghosts, secrets, and spectacular oceanside views... Three years ago in a large Victorian house on the Jersey Shore in the town of Harbor Haven, fledgling private investigator Paul and his client, Maxie Malone, were murdered. Since then, recent divorcee and reluctant ghost whisperer Alison Kerby and her 10-year-old daughter Melissa have moved in and converted the place to a guesthouse, where Maxie and Paul are now checked in for an eternity and ready to solve any case that comes their way—or at least spook the guests (who love it). Alison's got a lot on her plate at the moment, however, so when Paul discovers the three-hundred-year-old ghost of a small boy in the house, he decides not to involve her in the case. The boy, named Eagle of the Sun, says he's searching for his missing mother. Paul's happy to help Eagle of the Sun find her, though something about the boy's story doesn't add up. But why would a lost little ghost lie? Includes a preview of the next Haunted Guesthouse Mystery, *Chance of a Ghost*, available February 2013

Lesbian characters, stories, and images were barred from onscreen depiction in Hollywood films from the 1930s to the 1960s together with all forms of "sex perversion." Through close readings of gothics, ghost films, and maternal melodramas addressed to female audiences, Uninvited argues that viewers are "invited" to make lesbian "inferences."

## **A Haunted Love Story**

Solving a murder way too close to home, Alison Kerby can't catch a break. If Alison Kerby really wanted peace and quiet, she never should have opened the Haunted Guesthouse. The Jersey Shore lodge's latest polter-guest is Richard Harrison, the recently murdered brother of long-time resident ghost PI Paul Harrison. Alas, a beyond-the-grave brotherly reunion is nowhere in the foreseeable future—phantasmal Paul left the guesthouse months ago for parts unknown, and for all her ghost-whispering prowess, Alison has no idea how to find him. And she's going to need Paul, because Richard's isn't the only murder still unsolved. Richard, a lawyer in life, tells Alison that he had been working the case of a woman accused of murdering her stepfather. When Richard got too close to the truth, he was permanently silenced. Now, as Alison searches for Paul, she gets a creeping sensation that the murderer doesn't appreciate her snooping around. If she doesn't succeed in her hunt, she has the feeling that she'll be the next to haunt the house. Raise your spirits with *The Hostess With the Ghostess*, the latest installment of Barry Award-winning author E. J. Copperman's national bestselling Haunted Guesthouse mysteries.

Then there's her widowed mother, who hasn't just been seeing ghosts, she's been secretly dating one: Alison's father. But when he stands her up three times in a row, something's wrong. Is he a lost soul...or a missing apparition? Their only lead is an overdramatic spirit—stage name Lawrence Laurentz—who doesn't take direction well and won't talk until they find his killer. Alison will reluctantly play the part of PI, but when the clues take a sinister turn, the writing is on the wall: If Alison can't keep a level head, this will be her father's final act—and maybe her own.
