Yacht Rosa was due to leave the San Francisco harbor in two hours. We were going on some mysterious cruise to the South Seas, the details of which I did not know. "Professor George Berry, the famous zoologist, and myself are going to do some exploring that is hazardous in the extreme," Stanley had said. "For purely mechanical reasons we need a third. You are young and have no family ties, so I thought I'd ask you to go with us. I'd rather not tell you what it's all about until we are on our way."

Everything in Progressions, 4e is geared toward helping basic writers become more confident and competent. To that end, the book has two primary thrusts: it explains and illustrates the conventions of effective writing, and it presents a range of procedures readers can follow as they work through the writing process. In short, readers learn both the characteristics of effective writing and strategies to produce such writing. Abundant support is provided: explanations are clear, concise, and friendly; illustrations come from sample writing; exercises appear frequently and are of many different kinds to suit all learners; pre-and post-tests help assess needs and progress; all writing assignments are accompanied by procedures for generating ideas and checklists for revision support; useful strategies are given for editing support; marginalia and lists provide reading support. Those who want to improve their writing.
