Internationally renowned motivational teacher, spiritual instructor, and popular theologian Caroline Myss has created a transcendent work of unique insight and revelation in *Entering the Castle*. This exciting new teaching of contemporary mysticism is also a brilliant synthesis of the psychology of consciousness and of Eastern and Western mystical traditions. Myss provides a highly original inner path to self-knowledge -- which is also the road into a spiritual knowledge of God and your own soul -- as she reveals a necessary external path, one that takes you out into the world to serve God and others as a mystic without a monastery -- without having to retreat into total silence, self-denial, or isolation. As her main template for this extraordinary, modern spiritual journey, Myss uses the beloved, revered writings of *The Interior Castle* by Teresa of Ávila. Adapting Teresa's vision of the soul as a beautiful crystal castle with many floors, or mansions, and many rooms within those mansions, Myss guides us from room to room, helping us meet different aspects of our self, our soul, and our spirit -- preparing us for the ultimate encounter with God and our own divinity. Through intense practices and methods of spiritual inquiry adapted for contemporary life, she helps us to develop our personal powers of prayer, contemplation, and intuition and to ascend the seven levels of soul knowledge that build an ever stronger interior castle of our own -- a soul of strength and stamina. As in all her books, Myss also recounts stories of profoundly moving real-life experiences -- of her own, as well as of her students and of renowned spiritual figures -- that bring home the universal truth

of her insights. Presiding over the entire book and journey are the great mystics, ancient and contemporary, of Christianity, Judaism, Islam, and Hinduism with their inspiring lives and discerning spirits. And over all, the benevolence, truth, and gentle and tough love of Teresa of Ávila shine through. Doubtless Myss's most deeply personal, revealing, compassionate, and transforming book yet, *Entering the Castle* is a comprehensive guidebook for the journey of your life -- a journey into the center of your soul. There, peace, God, and a fearless bliss wait for you to discover them and claim them for your own.

New York Times bestselling author Caroline Myss shares the sacred language of 100 personal prayers to inspire joy, faith and divine connection in every day. In her most personal book to date, beloved teacher and bestselling author Caroline Myss draws on her own daily practice to help us regain our fluency in the language of prayer and renew our connection to the sacred. She explains that in order to connect with divine guidance, it is vital to speak a language infused with grace - what she terms 'holy language'. *Intimate Conversations with the Divine* offers 100 of Caroline's personal prayers as a resource and inspiration to start a daily prayer practice of your own. The prayers in these pages touch on the full range of the human experience: love and loss, anxiety and hope, birth and death, joy and faith. And each illustrates a different type of grace that feeds the human soul, from healing, endurance

and awakening, to silence, surrender and trust. At the core of this book is a powerful challenge: by embracing language that undeniably brings light to the world and moving past our conditioned hesitations about the divine, our lives can be transformed forever.

The Children of Men

Caroline Myss has created a unique set of 72 Archetype Cards, each individually designed to provide the basic Light and Shadow Attributes of a different Archetype. The deck also contains six blank cards on which you can create your own Archetypes. Also includes an instruction booklet.

Archetype Cards- A 78 Card Deck and Guidebook

"The heroic quest is about saying 'yes' to yourself and in so doing, becoming more fully alive and more effective in the world. . . . The quest is replete with dangers and pitfalls, but it offers great rewards: the capacity to be successful in the world, knowledge of the mysteries of the human soul, and the opportunity to find and express your unique gifts in the world." In this bold and original work, Carol S. Pearson shows that the heroic quest isn't just for certain people under special circumstances. Exploring the many heroic paths available to each of us, at every point in our lives, her innovative program enables us to live heroically by activating and applying twelve archetypes in our lives. This companion to the

bestselling *The Hero Within* outlines twelve archetypal patterns that can aid inner development and the quest for wholeness. These archetypes are inner guides that can help us prepare for the journey, by learning how to become successful members of society; embark upon the quest, by becoming initiated into the mysteries of the human soul; and return to transform our lives as a result of claiming our uniqueness and personal power. Writing for individuals seeking to realize their full potential and professionals engaged in empowering others, Pearson shows how journeys differ by the age, gender, and cultural background of the seeker, and how archetypes help awaken the capacities of our psyches. A unique diagnostic test, the Heroic Myth Index, and exercise are included to help us understand and awaken our inner guides.

The Other Side and Back

An exhilarating novel about a group of students who take revenge on a wunderkind professor after she destroys one of their own-- a story of collective drive to create, sabotage, and ultimately, to love. It doesn't take long for the students on Fielding campus to become obsessed with Hannah, Leslie and Jimmy. The three graduate students are mysterious, inaccessible, and brilliant. Leslie, glamorous and brash, has declared that she wants to write erotica and make millions. Hannah is quietly confident, loyal, elegantly beautiful, and the person they all want to be; and Jimmy is a haunted genius with no past. After Simone - young, bestselling author and erstwhile model -

shows up as a visiting professor, and after everything that happened with her, the trio only become more notorious. Love. Death. Revenge. These age-old tropes come to life as the semesters unfold. The threesome came to study writing, to be writers, and this is the story they've woven together: of friendship and passion, of competition and envy, of creativity as life and death. Now, they submit this story, *We Wish You Luck*, for your reading pleasure.

Entering the Castle

The bestselling, beloved classic on how to go into the dark side of yourself to bring out the light -- now with new material. Debbie Ford believes that we each hold within us a trace of every human characteristic that exists, the capacity for every human emotion. We are born with the ability to express this entire spectrum of characteristics. But, Ford points out, our families and our society send us strong messages about which ones are good and bad. So when certain impulses arise, we deny them instead of confronting them, giving them a healthy voice, then letting them go. It is to these feelings that Ford turns our attention, these parts of our selves that don't fit the personae we have created for the rest of the world. She shows us the effects of living in the dark, of keeping all our supposedly unsavory impulses under wraps. We find ourselves disproportionately frustrated and angry at the selfishness of friends, the laziness of colleagues, the arrogance of siblings. When we are unable to reconcile similar impulses in ourselves, Ford explains, we waste our own energy judging others instead of

empathizing. But most important, we deny ourselves the power and freedom of living authentically. Through the stories and exercises in *The Dark Side of the Light Chasers*, Debbie Ford shows us not only how to recognize our hidden emotions, but also how to find the gifts they offer us. This is for fans of Marianne Williamson, Neale Donald Walsch, and Deepak Chopra. The very impulses we most fear may be the key to what is lacking in our lives.

The Dark Side of the Light Chasers

This is the book to go with The Oracle Cards created by Caroline Carey and Brenda May. The book 'The Oracle: Middle Earth Medicine,' describes 52 stages of growth through 'The Wheel Of Souls Return.' It includes black and white images that have been created for each stage, poetry to touch the heart and soul of the one who explores and then writing on each of these stages to deepen your search. The cards are available separately from Middle Earth Medicine Ways.

Civilization itself is crumbling as suicide and despair become commonplace. Oxford historian Theodore Faron, apathetic toward a future without a future, spends most of his time reminiscing. Then he is approached by Julian, a bright, attractive woman who wants him to help get her an audience with his cousin, the powerful Warden of England. She and her band of unlikely revolutionaries may just awaken his desire to live . . . and they may also hold the key to survival for the human race. From the Trade Paperback edition.

Sacred Contracts

In *Seven Thousand Ways to Listen*, Nepo offers ancient and contemporary practices to help us stay close to what is sacred. In this beautifully written spiritual memoir, Nepo explores the transformational journey with his characteristic insight and grace. He unfolds the many gifts and challenges of deep listening as we are asked to reflect on the life we are given. A moving exploration of self and our relationship to others and the world around us, *Seven Thousand Ways to Listen* unpacks the many ways we are called to redefine ourselves and to name what is meaningful, as we move through the changes that come from experience and ageing and the challenge of surviving loss. Filled with questions to reflect on and discuss with others, and meditations on how to return to what matters throughout the day, this enlightening book teaches us how to act wholeheartedly so we can inhabit the gifts we are born with and find the language of our own wisdom.

Anatomy of the Spirit

"The important thing is not to think much, but to love much, and so to do whatever best awakens us to love." —St. Teresa of Avila Journey to the 16th century to discover the fiery passion of Saint Teresa of Avila, one of Christianity's most inspiring saints. A tireless reformer and the mentor of Saint John of the Cross, Teresa's greatest legacy is her revelation of ecstatic love for God—a love so powerful that it pierces the heart like a burning sword. Through illness, hardship, and persecution by the Inquisition, this courageous mystic lit the way with her unquenchable spirit to an "interior castle," a place of unimaginable beauty and light where no darkness can touch us. Saint Teresa of Avila gives you a direct link to the living presence of this brave and gentle woman, to draw upon her strength in your own times of need.

common cold to arthritis, diabetes, heart disease, and cancer. After providing an introduction to intuitive medicine and its history, method of diagnosis, and relationship to traditional medicine, Myss and Shealy detail the deeper emotional and psychic reasons why illness develops in the body. Dr. Shealy offers a traditional account of a particular disease or ailment, while Dr. Myss sheds light on the deeper causes through her corresponding energy analysis. Confirming the link between illness and emotion, *The Creation of Health* puts forth a groundbreaking vision of holistic healing.

The Healing Path of Prayer

New York Times best-selling author Caroline Myss draws from her years as a medical intuitive to show that healing is not only physical; it is also a mystical phenomenon that transcends reason. Inspired by ordinary people who overcame a wide array of physical and psychological ailments - from rheumatoid arthritis to cancer - Caroline dove into the works of the great mystics to gain a deeper understanding of healing's spiritual underpinnings. Based on these studies, she demonstrates how conventional and holistic medicine often fall short in times of need. Both systems rely upon a logical approach to curing illness when there is nothing reasonable about the emotional, psychological, or spiritual influences behind any ailment. Integral to this mystical healing approach is the engagement of the soul, which we experience through exploring our seven shadow passions, building an empowered inner

writing and publication of Victor Villaseñor's national bestseller *Rain of Gold*. It captures the difficult and courageous path the author followed to ensure that his family's saga would be published as the authentic, true account it is. The real power of this book lies in the sacred relationship that Villaseñor has with his father, mother, and ancestors. In other words, *Beyond Rain of Gold* encompasses the magical messages that Villaseñor's indigenous ancestors told him are universal themes common to native peoples everywhere on this planet . . . and at one time we were all indigenous. This is an exciting, raw, and honest work, with events occurring that transcend the boundaries of what we normally call reality. And like Carlos Castaneda's *Don Juan* trilogy, *Beyond Rain of Gold* explores altered states of consciousness, revealing the wisdom and magic inherent in everyday existence. This is a book that will make you see the world in an entirely different way, and which will stimulate your mind and emotions to create a New Earth way of thinking and being!

Intimate Conversations with the Divine

What's Your Dosha, Baby?

Building on wisdom from Hindu, Christian, and Kaballah traditions, this comprehensive guide to energy healing reveals the hidden stresses, beliefs, and attitudes that cause illness. *Anatomy of the Spirit* is the boldest presentation of energy medicine to date, written by one of its premier practitioners,

Download File PDF Archetypes Who Are You Caroline Myss

internationally acclaimed medical intuitive Caroline Myss, who is amongst the "hottest new voices in the alternative health/spirituality scene" (Publishers Weekly). Based on fifteen years of research into energy medicine, Dr. Myss's work shows how every illness corresponds to a pattern of emotional and psychological stresses, beliefs, and attitudes that have influenced corresponding areas of the human body. *Anatomy of the Spirit* also presents Dr. Myss's breakthrough model of the body's seven centers of spiritual and physical power, in which she synthesizes the ancient wisdom of three spiritual traditions—the Hindu chakras, the Christian sacraments, and the Kabbalah's Tree of Life—to demonstrate the seven stages through which everyone must pass in the search for higher consciousness and spiritual maturity. With this model, Dr. Myss shows how you can develop your own latent powers of intuition as you simultaneously cultivate your personal power and spiritual growth. By teaching you to see your body and spirit in a new way, *Anatomy of the Spirit* provides you with the tools for spiritual maturity and physical wholeness that will change your life.

The Science of Medical Intuition

Making the Gods Work for You presents internationally renowned author Caroline W. Casey's remarkable doctrine of Visionary Activist Astrology. In this reverently irreverent mystery school disguised as a book (in which each of the planetary gods is a professor), we are invited to think of our lives as spiritual detective novels. For example, Venus

teaches us that our affinities and quirks are clues to our unique mission and contribution to the world. The astrological language of the psyche is a tool for deciphering and revitalizing this sense of mission. Casey teaches you how to expand your range of intimacy with the ten parts of yourself represented by the planets, here called gods. You will learn how to use this language to reverence and feed the forces of your psyche that connect you to very real external forces. This book intends to catalyze a movement to engage the imagination of all people with a sense of humor and a desire to do collaborative good in the world. Expanding on the ideas first presented in her popular audiotape series, Inner and Outer Space, Casey explores the archetypes at the heart of human relationships, aspirations, and spiritual quests. In an engaging narrative enlivened by stories, fables, exercises, and meditations developed through her work as an astrological counselor, she provides a practical system of personal and collective liberation. Making the Gods Work for You provides us with innovative principles to live by and rituals inviting us to become active, dynamic participants in the dance of life. We can then become increasingly conscious players on the team of creation, capable of sharing our gifts with the world at this crucial historical time. From the Trade Paperback edition.

Prayer is the key to tapping into the healing energy of the Divine. Yet for many people, prayer has been reduced to a rote practice that has lost its basic meaning and efficacy. In his long-awaited first book for an ecumenical readership, internationally renowned spiritual healer Ron Roth teaches his unique approach to prayer as energy medicine. The Healing Path of Prayer explains in detail the connection between healing, faith, and prayer. Roth shows you how to find your own path to prayer in a way that connects with God's healing energy. As Roth explains, you can use this energy not only for physical healing but also, perhaps more significantly, for healing emotional and spiritual wounds that may be at the root of physical maladies. The Healing Path of Prayer gives you specific guidance in setting up a daily healing prayer practice. Through a series of simple but effective exercises and rituals, Roth shows you how to celebrate your own sacraments and become a mystic in the course of your everyday life. Each chapter offers a new, higher level of prayer, enabling you to acquire more advanced techniques of focus, intention, and insight. As Roth revitalizes many tired, traditional prayers with his fresh and inspiring reinterpretations from original scripture, he also recounts the dramatic story of when he discovered his healing abilities, as well as true cases of healing in which he has participated. The Healing Path of Prayer

is a blueprint for a truly democratic spirituality. Roth's instruction on how to pray and establish a daily practice of meditation will lead readers into a vital path of everyday mysticism and personal power.

Four Archetypes

A new, fully revised edition. The culture of an organisation can mean the difference between success and failure. Leaders cast long shadows, and if you want to change the culture you have to walk the talk. This book shows you how. *Walking the Talk* covers everything from measuring corporate culture to changing people's behaviour (including your own) and describes in detail six archetypes of company culture: Achievement, Customer-Centric, One-Team, Innovative, People-First and Greater-Good. Packed with fascinating examples and case histories, and drawing extensively on Carolyn Taylor's twenty years' experience of building great cultures, it will give you the confidence to build a culture of success in your own organisation.

A bold account of the development of human consciousness and spirituality over the ages and an examination of the dynamic global transformation of attitudes about healing. For more than fifteen years, Caroline Myss has studied why some people heal, while others do not. In her previous book, *Anatomy of the Spirit*, Dr. Myss illuminated the hidden interactions of belief and body, soul and cell to show how, as she inimitably puts it, "your biography becomes your biology." In *Why People Don't Heal and How They Can*, she builds on her earlier teachings of the seven different energy centers of the body to provide a vital self-healing program for physical and spiritual disorders. With her characteristic no-nonsense style and high-voltage storytelling, she exposes and explodes the five myths about healing, explains the cultural and individual contexts in which people become physically and spiritually ill and invested in "woundology," and teaches new methods of working with the challenges that the seven energy centers embody. To help you get and stay on the path to wellness, Dr. Myss provides rituals and prayers for gaining a symbolic perspective on your life issues; for bolstering your personal power; and for connecting with a universal divine energy. Dr. Myss's breakthrough views on energy medicine and her active approach to healing life issues and physical illness will help you overcome the mental blocks that keep you from becoming well.

one evening in 1955. He contacted her from the Other Side to ask if she would serve as a channel so that he could dictate his autobiography for his "fellow American Patriots," believing that he had kept his personal feelings about his life far too private. Edith agreed, although she was nearly blind and in her mid-70s. So began a most extraordinary partnership between Edith Ellis and the "Founding Father of America." The result is this remarkable book that has taken more than 60 years to reach the public. This book is a must-read for everyone who feels the spirit of the Founding Fathers surrounding us again.

Closure and the Law of Relationship

Love on the Kitchen Table

Thousands of years ago, philosophers and scientists in ancient India devised a system called Ayurveda, or "the science of life," which explains the nature of everything in the universe. Now, in *What's Your Dosha, Baby?*, author Lisa Marie Coffey applies this ancient wisdom to modern-day relationships, offering readers an exciting new way to measure their compatibility with lovers, friends, co-workers, and family, and arming them with the insight they need to make all their relationships work. After determining their personal dosha—one of three personality types based on physical features and personality traits—readers can learn how their dosha interacts with the others, their physical and emotional communication styles, instinctual preferences

Archetypes, the latest work from New York Times best-selling author Caroline Myss, offers readers an engaging and illuminating way to better understand themselves and those closest to them. Whether we're aware of it or not, each of us identifies with certain universal myths and symbols, otherwise known as Archetypes. In this new work, Myss covers ten primary archetypes: Caregiver, Artist, Fashionista, Intellectual, Rebel, Queen/Executive, Advocate, Visionary, Athlete, and Spiritual Seeker. She helps us to determine which archetypes best define us as individuals, laying out each archetype's unique path, hidden strengths, and potential weaknesses. By identifying our personal archetypes, we can gain the knowledge necessary to consciously define and live an authentic life that reflects who we really are. Myss also includes suggestions for embracing one's archetype to the fullest, providing tools for avoiding common pitfalls and daily practices for enhancing the positive qualities of each archetype. In addition to the ten archetypes above, there's a glossary covering more than 20 sub-archetypes. Much like highly popular books on the enneagram, Myers & Briggs,

and astrology, which also allow people to type themselves, Archetypes is destined to become a classic. Its publication is set to coincide with the launch of a major new social platform, www.ArchetypeMe.com, where users can take a quiz to discover their archetype and find an individualized experience around content and community.

Awakening the Heroes Within

The Complete Writer's Guide to Heroes and Heroines

Hans Christian Andersen was a Danish author best known for writing children's stories including "The Little Mermaid" and "The Ugly Duckling." But he didn't just write short stories, and his intended audience wasn't restricted to children. In addition to his fairy tales, Andersen wrote poems, plays, novels, travel books, essays, and more. He hungered for recognition at home (Denmark) and abroad-and he got it! Eventually. Today, his stories can be read in over one hundred languages. But no matter what language they're in, Andersen's tales have got something for everyone. In them, you'll find beauty, tragedy, nature, religion, artfulness, deception, betrayal, love, death, judgment, penance, and-occasionally-a happy ending.

They're complex tales, but since Andersen himself was pretty complex, we like to think that art imitates life. Or something like that. "The Wild Swans" is a literary fairy tale by Hans Christian Andersen about a princess who rescues her eleven brothers from a spell cast by an evil queen. Includes vintage illustration!

The writings of C. G. Jung himself are the best place to read about all his main ideas—but where to start, when Jung's Collected Works run to more than eighteen volumes? Robert H. Hopcke's guide to Jung's voluminous writings shows exactly the best place to begin for getting a handle on each of Jung's key concepts and ideas—from archetypal symbols to analytical psychology to UFOs. Each chapter explains one of Jung's principal concerns, then directs the reader where to read about it in depth in the Collected Works. Each chapter includes a list of secondary sources to approach for further study—which the author has updated for this edition to include books published in the ten years since the Guided Tour's first appearance.

Archetype Cards

Each day we are bombarded with mixed messages and beliefs about what it means to be in a relationship. We encounter shocking statistics on divorce rates and examples on where it all goes wrong. Yet where is the focus on success? What if your relationship could be saved or enhanced based on your understanding of some simple yet powerful insights to human behaviour? Challenging the trends of society, *Love on the Kitchen Table* flips common relationship complaints on their heads. With a focus on success, it details one couple's search to discovering the intentional efforts that make love work and better than ever. Through her creative approach, author and human behaviour coach Aleisha Coote uses the setting of the kitchen table as a powerful metaphor to illustrate key themes to creating, embracing, and nurturing a connection that

Relationships do not really end -- they only become redefined. And no matter what experiences we may have, they all afford us opportunities for growth and greater self-realization.

The Oracle

Almost 20 years ago, a Harvard-trained neurosurgeon and researcher named Norman Shealy was introduced to a young woman with a special gift: she could see illness in other people with only her intuition to guide her. After extensive testing, Dr. Shealy concluded that her ability to diagnose illness even from remote distances was 93% accurate. Today that medical intuitive Caroline Myss is a legend in the field of intuition and energy healing, with three New York Times bestsellers to her credit, including the blockbuster *Sacred Contracts*. And now, in a major publishing event, these two pioneering voices are together again in a revolutionary self-care curriculum, on *The Science of Medical Intuition*. First presented by Myss and Shealy at a series of influential workshops, *The Science of Medical Intuition* is designed to help

Don't Heal and How They Can, presents an exciting, highly original program in this long-awaited book. Based on her internationally popular workshop of the same name, Sacred Contracts is a brilliant synthesis of psychology, healing guidance, and spiritual insight. As a medical intuitive, Myss has found that people often don't understand their purpose in life, which has led to a spiritual malaise of epidemic proportions. This metaphysical disease in turn leads to depression, anxiety, fatigue, and eventually physical illness. But our purpose—our individual Sacred Contract—is often difficult to apprehend. For this reason, Myss developed an enjoyable and ingenious process for deciphering your own Contract using a new theory of archetypes that builds on the works of Jung, Plato, and contemporary thinkers. She first recounts how the concept of Sacred Contracts took form in myths and other cultural traditions through the ages. She then examines the lives of the spiritual masters and prophets—Abraham, Jesus, the Buddha, and Muhammad—whose archetypal journeys illustrate the four stages of a Sacred Contract and provide clues for discovering your own. With her signature motivational style and stories, Myss explains how you can identify your particular spiritual energies, or archetypes—the gatekeepers of your higher purpose—and use them to help you find out what you are here on earth to learn and whom you are meant to meet. In coming to know your archetypal companions, you also begin to see how to live your life in ways that make the best use of your personal power and lead you to fulfill your greatest—in fact, your divine—potential. In this process, you learn how to see your life—and the lives of others—symbolically, allowing you to manage your

personal power without getting caught up in emotional drama. You will also learn how to fulfill your Sacred Contract: what you and only you are here on earth to do. Finally, Myss offers specific guidance for locating your physical and emotional vulnerabilities and healing any susceptible areas. Both visionary and practical, Sacred Contracts is a completely unique process of self-discovery and spiritual archaeology and a bold, powerful work of spiritual wisdom.
