Breaking Free

“Is it working? Your belief system, that is. Is it really working? God’s intention all along has been for the believer’s life to work. From divine perspective toward terrestrial turf, God meant for his children to succeed. . . Are our Christian lives successful? Are they achieving and experiencing what Scripture said they would? In a recent sermon my son-in-law preached, Curt told us the only way we were going to impact the world and the next generation is to prove that our faith in Christ is real and that it works. For countless Christians I’m convinced it’s real. My concern is whether or not we have the fruit to suggest it works.”—Beth Moore; *Believing God*

Jesus

Enjoy this classic content from the Beth Moore library for the first time or as a refresher to your faith. It is the same great Bible study with a new look! You Are Christ's Beloved John the apostle must have thought he had seen everything. Having been with Jesus all the years of His ministry, John witnessed more miracles than he could count, saw more displays of power than he could comprehend, and experienced more love than he could fathom. John was there when Jesus turned the water to wine, offered living Water to the woman at the well, yielded to His Father's will in the garden of Gethsemane, and gave His life on a Roman cross. And one unforgettable morning young John outran Peter to his Savior's empty tomb. Yet God had more in store for the Son of Thunder. As the other disciples were martyred one by one, John remained to write his sublime Gospel proclaiming Jesus' identity as the eternal Word of God. In his three letters John left a legacy of divine love to ignite the passion of future believers. And while exiled on Patmos, John recorded His risen Lord's glorious revelation of victory and hope. John referred to himself as "the disciple whom Jesus loved." Just as Christ took John on a lifelong

Audacious

Thirty years in the making, Audacious is a deep dive into the message that has compelled Beth Moore to serve women around the globe. Glancing over the years of ministry behind her and strengthening her resolve to the call before her, she came to the realization that her vision for women was incomplete. It lacked something they were aching for. Something Jesus was longing for. Beth identifies that missing link by digging through Scripture, unearthing life experiences, and spotlighting a turning point with the capacity to infuse any life with holy passion and purpose. What was missing? Well, let's just say, it's audacious and it's for all of us. And it's the path to the life you were born to live.
