The Companies Act, 2013 has enforced sweeping changes to the mind-set of corporate and their managers alike. Codified roles and responsibilities, higher penalties, disclosures have made the position of directors more demanding. As one moves along with complying with the letter and spirit of law, there may be many questions which are not answered by the relevant section itself. A plethora of rules, notifications, case laws and standards of the ICAI and ICs also need to be looked into. With this background, the book takes a comprehensive approach to understand the requirements of the Office of a director, his roles, responsibilities, liabilities in the light of the relevant sections, decided cases and the applicable

Secretarial standards, when it comes to procedural aspects like Board and Committee meetings. The Sales and Use Tax Answer Book is the key reference source for which practitioners have been searching. Not only is it comprehensive and clear; it also provides extensive citation to important case and statutory law. Forty-five states and the District of Columbia impose a sales tax on the retail sale of tangible personal property and selected services. In addition, there are 7,500 cities, municipalities, towns, school districts, counties, and other special taxing districts that levy sales and use taxes. The varying rates, the changing jurisdictional boundaries, the different tax bases, and the often inconsistent and contradictory interpretations of similarly worded statutes are all covered. The book also includes a chapter on sales tax reforms, particularly the Streamlined Sales Tax Project.
