More riders than ever are heading to the country on their mountain bikes. It's a sport that has exploded over the last twenty years, as people of all ages and walks of life are drawn to the thrill of the ride. Written by rider, racer and trainer Clive Forth, The Mountain Bike Skills Manual is the best resource for anyone who wants to know more about the sport and develop their abilities. It covers all the major disciplines including dirt biking, trail riding, cross country, 4X, enduro and slalom and is suitable for pleasure-seekers as well as the more competitive rider. Illustrated with excellent step-by-step biking trick shots and covering everything from equipment and core skills to competitions and recreational riding, it's a book no rider will want to be without.

The Manufacturers Manual and Buyers Guide

George and Ellie are just two happy sisters enjoying the freedom of the summer holidays. Then, one day, they receive a visit from the Scarlet Darter and follow his secret trail into the woods. There, they are asked to help a faery attain his dream of becoming an angel again. In return he will help rebuild their relationship with their father, lost to the world of business and driven by a desire for money. It is a trail that leads to darkness and the girls find that they are suddenly thrown into a battle against demons and angels, not just to save the world, but to save the faery realm.
