### **The Complete Calvin and Hobbes**

Rapunzel's prince comes to rescuehis cats. The Little Mermaid does not follow a prince onto land--she gives up sea life for an aloof orange cat. In this charming collection, classic fairy tales are whimsically interpreted through the Cat Versus Human lens. Cat Versus Human: Fairy Tails is a themed collection of hilarious, endearing comics from creator Yasmine Surovec. Fabled characters and fairy princesses are replaced with cat ladies and gents and cats. Each comic puts a contemporary witty spin on classic stories while continuing Yasmine's brilliant comedic take on cats and their owners. The result is a collection that illustrates that cat ladies make for more interesting (and somewhat crazy) princesses.

### **Whitaker's Books in Print**

A beautiful graphic adaptation of George Orwell's timeless and timely allegorical novel. "All animals are equal, but some animals are more equal than others." In 1945, George Orwell, called "the conscience of his generation," created an enduring, devastating story of new tyranny replacing old, and power corrupting

even the noblest of causes. Today it is all too clear that Orwell's masterpiece is still fiercely relevant wherever cults of personality thrive, truths are twisted by those in power, and freedom is under attack. Now, in this fully authorized edition, the artist Odyr translates the world and message of Animal Farm into a gorgeously imagined graphic novel. Old Major, Napoleon, Squealer, Snowball, Boxer, and all the animals of Animal Farm come to life in this newly envisaged classic. From his individual brushstrokes to the freedom of his page design, Odyr's adaptation seamlessly moves between satire and fable and will appeal to all ages, just as Orwell intended.

## **The Revenge of the Baby-Sat**

Reprising the wide-open landscape format of, *The Days Are Just Packed*, *Homicidal Psycho Jungle Cat* chronicles another segment of the multifarious adventures of this wild child and his faithful, but skeptical, friend. If the best cartoons compel readers to identify themselves within the funny frames, then all who enjoy Calvin and Hobbes are creative, imaginative, and bad, bad, bad! Calvin, the irascible little boy with the stuffed tiger who comes to life are a pair bound for trouble. Boring school lessons become occasions for death-defying alien air battles, speeding snow sled descents elicit philosophical discussions on the meaning of life, and Hobbe's natural inclination to pounce on his little friend wreaks havoc on Calvin's sense of security. Calvin's the kid we all wish we'd been. Sassy, imaginative, far more verbal than his parents can manage, Calvin is the quintessential bad boy -- and the boy we love to see. He terrorizes little Susie, offers "Candid Opinions" from a neighborhood stand, and questions his parents' authority. "What assurance do I have that your parenting isn't screwing me up?" he demands. Calvin and Hobbes manages to say what needs to be said about childhood and life: "Eww, mud," says Calvin. "Look at this gooshy, dirty, slimy, thick, wet mud Bleeccch Talk about a kid magnet!"

Richard Thompson is renowned among cartoonists as an "artist's" cartoonist. Little known to all but those close to him is the extent of his art talent. This is the book that will enlighten the rest of us and delight us with the sheer beauty of his work. Divided into six sections, each beginning with an introductory conversation between Thompson and six well-known peers, including Bill Watterson, the book will present Thompson's illustration work, caricatures, and his creation, Richard's Poor Almanack. Each section is highly illustrated, many works in color, most of them large and printed one-to-a-page. The diversity of work will help cast a wider net, well beyond Cul de Sac fans.

Eisner/Miller is widely illustrated and features rare, behind-the-scenes photos of Eisner, Miller, and other notable creators.

## **Unlikely Cat Lady**

A Brooklyn woman who "has it all" gets a lot more than she bargained for when a family of wild cats moves into her backyard. This hilarious and heartwarming memoir follows author Nina Malkin's obsessive attempts to serve, protect, and befriend the feral colony as she reluctantly comes to terms with being a "crazy cat lady." Packed with insights and information on feline behavior and the nuts and bolts of cat caretaking, this book brings the feral cat epidemic home in all-too human terms.

## **The Revenge of the Baby-Sat**

From 1985 to 1995, the syndicated comic strip Calvin and Hobbes followed the antics of a precocious six-year-old boy and his sardonic stuffed tiger. At the height of its popularity, the strip ran in more than 2,400 newspapers and generated a fan base that continues to run in the millions. This critical analysis of Calvin and Hobbes explores Calvin's world and its deep reservoir of meanings. Close readings of individual strips highlight the profundity of Calvin's world with respect to a number of life's big questions, including the things that one values, friendship, God, death, and other struggles in life. By engaging with Calvin and Hobbes as more than "just" a comic strip, this work demonstrates how the imagination remains an invaluable resource for making sense of the world. Instructors considering this book for use in a course may request an examination copy here.

### **Homicidal Psycho Jungle Cat**

A fascinating investigation of a beloved comic strip The internet is home to impassioned debates on just about everything, but there's one thing that's universally beloved: Bill Watterson's comic strip Calvin and Hobbes. Until its retirement in 1995 after a ten-year run, the strip won numerous awards and drew tens of millions of readers from all around the world. The story of a boy and his best friend — a stuffed tiger — was a pitch-perfect distillation of the joys and horrors of childhood, and a celebration of imagination in its purest form. In Let's Go Exploring, Michael Hingston mines the strip and traces the story of Calvin's reclusive creator to demonstrate how imagination — its possibilities, its opportunities, and ultimately its limitations — helped make Calvin and Hobbes North America's last great comic strip.
