wilderness he was raised in. Who wears moccasins to a grand ball? His arrogant disregard for propriety infuriates Emeline, even as his boldness excites her. TO RELEASE HER PASSION . . . But beneath Samuel's rakish manner, he is haunted by tragedy. He has come to London to settle a score, not to fall in love. And as desperately as Emeline longs to feel this shameless man's hands upon her, to taste those same lips he uses to tease her, she must restrain herself. She is not free. But some things are beyond a lady's control . . .

Will the mysterious Book of Love lead Penelope to her true love? Book 3 in the bestselling Book of Love series is now available! Read for FREE with Kindle Unlimited! Lady Penelope Sherbourne is not - absolutely not - going to fall in love with Thaddius MacLauren, Laird of Caithness, even if he is a big, handsome Scottish brute and ridiculously protective of her. But now that the Book of Love has fallen into her hands, Thad is the only one she trusts to test out the sensations she must explore in order to find the perfect husband. She wants a mild-mannered English earl, one who lives near her family, and who will not make her heart leap or her bones melt as Thad does every time he looks at her. Thaddius MacLauren intends to claim a kiss from Lady Penelope Sherbourne and nothing more. No, not a thing more, even though he's loved the sharp-tongued, vexing lass forever. She's also been kinder to him than anyone else alive, and for a boy who never felt loved by his family, Penelope's kindness has come to mean everything to him. How can he ever tell her how he feels? She's the daughter of a powerful earl and all he can offer her is a tumble-down holding at the northern tip of Scotland. It will take a miracle to win her heart. Award-winning novelist Martha Southgate (who, in the words of Julia Glass, “can write fat and hot, then lush and tender, then just plain truthful and burning with heart”) now tells the story of a family pushed to its limits by addiction over the course of two generations. Josie Henderson loves the water and is fulfilled by her position as the only senior-level black scientist at the Woods Hole Oceanographic Institute. In building this impressive life for herself, she has tried to shed the one thing she cannot: her family back in landlocked Cleveland. Her adored brother, Tick, was her childhood ally as they watched their drinking father push away all the love that his wife and children were trying to give him. Now Tick himself has been coming apart and demands to be heard. Weaving four voices into a beautiful tapestry, Southgate charts the lives of the Hendersons from the parents’ first charmed meeting to Josie’s realization that the ways of the human heart are more complex than anything seen

### **One Taste of Redemption**

A New York Times Notable Book of 2012 Food, and in particular the lack of it, was central to the experience of World War II. In this richly detailed and engaging history, Lizzie Collingham establishes how control of food and its production is crucial to total war. How were the imperial ambitions of Germany and Japan - ambitions which sowed the seeds of war - informed by a desire for self-sufficiency in food production? How was the outcome of the war affected by the decisions that the Allies and the Axis took over how to feed their troops? And how did the distinctive ideologies of the different combatant countries determine their attitudes towards those they had to feed? Tracing the interaction between food and strategy, on both the military and home fronts, this gripping, original

account demonstrates how the issue of access to food was a driving force within Nazi policy and contributed to the decision to murder hundreds of thousands of 'useless eaters' in Europe. Focusing on both the winners and losers in the battle for food, *The Taste of War* brings to light the striking fact that war-related hunger and famine was not only caused by Nazi Germany and Imperial Japan, but was also the result of Allied mismanagement and neglect, particularly in India, Africa and China. American dominance both during and after the war was not only a result of the United States' immense industrial production but also of its abundance of food. This book traces the establishment of a global pattern of food production and distribution and shows how the war subsequently promoted the pervasive influence of American food habits and tastes in the post-war world. A work of great scope, *The Taste of War* connects the broad sweep of history to its intimate impact upon the lives of individuals.

The unforgettable saga of one enslaved woman's fight for justice--and reparations Born into slavery, Henrietta Wood was taken to Cincinnati and legally freed in 1848. In 1853, a Kentucky deputy sheriff named Zebulon Ward colluded with Wood's employer, abducted her, and sold her back into bondage. She remained enslaved throughout the Civil War, giving birth to a son in Mississippi and never forgetting who had put her in this position. By 1869, Wood had obtained her freedom for a second time and returned to Cincinnati, where she sued Ward for damages in 1870. Astonishingly, after eight years of litigation, Wood won her case: in 1878, a Federal jury awarded her \$2,500. The decision stuck on appeal. More important than the amount, though the largest ever

awarded by an American court in restitution for slavery, was the fact that any money was awarded at all. By the time the case was decided, Ward had become a wealthy businessman and a pioneer of convict leasing in the South. Wood's son later became a prominent Chicago lawyer, and she went on to live until 1912. McDaniel's book is an epic tale of a black woman who survived slavery twice and who achieved more than merely a moral victory over one of her oppressors. Above all, *Sweet Taste of Liberty* is a portrait of an extraordinary individual as well as a searing reminder of the lessons of her story, which establish beyond question the connections between slavery and the prison system that rose in its place.

as a sous chef at a staid, traditional French restaurant in midtown owned by Julien Dax, a celebrated chef known for his acid tongue as well as his brilliant smile. Lumi and Julien don't get along in the kitchen--to say Lumi is irritated by Julien's smug attitude is an understatement, and she secretly vows never to taste his cooking. Little does she know that her resolve doesn't stand a chance against Julien's culinary prowess. As Julien produces one delectable dish after another, each one tempting Lumi with its overwhelming aromas and gorgeous presentations, she can no longer resist and samples one of his creations. She isn't prepared for the feelings that follow as she's overcome with intense emotions. She begins to crave his cooking throughout the day, which throws a curveball in her plan to save up enough money and move on as soon as possible. Plus, there's also the matter of Esme, Julien's receptionist who seems to always be near and watching. As the attraction between Lumi and Julien simmers, Lumi experiences a tragedy that not only complicates her professional plans, but her love life as well. God is a foodie who wants to transform your supper into sacrament. One of America's most beloved teachers and writers, Margaret Feinberg, goes on a remarkable journey to unearth God's perspective on food. She writes that since the opening of creation, God, the Master Chef, seeds the world with

pomegranates and passionfruit, beans and greens and tangerines. When the Israelites wander in the desert for forty years, God, the Pastry Chef, delivers the sweet bread of heaven. After arriving in the Promised Land, God reveals himself as Barbecue Master, delighting in meat sacrifices. Like his Foodie Father, Jesus throws the disciples an unforgettable two-course farewell supper to be repeated until his return. This groundbreaking book provides a culinary exploration of Scripture. You'll descend 400 feet below ground into the frosty white caverns of a salt mine, fish on the Sea of Galilee, bake fresh matzo at Yale University, ferry to a remote island in Croatia to harvest olives, spend time with a Texas butcher known as "the meat apostle," and wander a California farm with one of the world's premier fig farmers. With each visit, Margaret asks, "How do you read these Scriptures, not as theologians, but in light of what you do every day?" Their answers will forever change the way you read the Bible - and approach every meal. Taste and See is a delicious read that includes dozens of recipes for those who, like Margaret, believe some of life's richest moments are spent savoring a meal with those you love. Perhaps God's foodie focus is meant to do more than satisfy our bellies. It's meant to heal our souls, as we learn to taste and see the goodness of God together. After all, food is God's love made edible. See you around the table!

### **Why You Like It**

From the chief architect of the Pandora Radio's Music Genome Project comes a definitive and

groundbreaking examination of how your mind, body, and upbringing influence the music you love. Everyone loves music. But what is it that makes music so universally beloved and have such a powerful effect on us? In this sweeping and authoritative book, Dr. Nolan Gasser—a composer, pianist, and musicologist, and the chief architect of the Music Genome Project, which powers Pandora Radio—breaks down what musical taste is, where it comes from, and what our favorite songs say about us. Dr. Gasser delves into the science, psychology, and sociology that explains why humans love music so much; how our brains process music; and why you may love Queen but your best friend loves Kiss. He sheds light on why babies can clap along to rhythmic patterns and reveals the reason behind why different cultures around the globe identify the same kinds of music as happy, sad, or scary. Using easy-to-follow notated musical scores, Dr. Gasser teaches music fans how to become engaged listeners and provides them with the tools to enhance their musical preferences. He takes readers under the hood of their favorite genres—pop, rock, jazz, hip hop, electronica, world music, and classical—and covers songs from Taylor Swift to Led Zeppelin to Kendrick Lamar to Bill Evans to Beethoven, and through their work, Dr. Gasser introduces the musical concepts behind why you hum along, tap your foot, and feel deeply. *Why You Like It* will teach you how to follow the musical discourse happening within a song and thereby empower your musical taste, so you will never hear music the same way again.

These rich sermons are rooted in congregational life and steeped in Christian doctrine and the celebrations of the church year. *A Kingdom We Can Taste* reflects one preacher's effort at leading a congregation through the seasons of Advent, Christmas, Epiphany, Lent, and Easter. David Davis uses a unique combination of resources -- select Old Testament texts, the Apostles' Creed, lectionary assignments, and more -- in his progression of sermons. Readers who "listen" to these thirteen messages, or preaching conversations, will experience the gospel proclaimed and feel a comforting sense of belonging to the community of faith. This inspiring little volume is perfect for pastors preparing sermons of their own, seminary students looking for a model of good preaching, or laypeople wanting quality meditations to chew on.

Andrew Beckwith has already devoted his life to one girl-and as far as he's concerned, she's all he needs. The rough-around-the-edges bad boy left his reckless ways behind six years ago when his daughter Bell was born. To the female population's dismay, he's unapologetically single. When Bell's mother walked out on them years ago, he vowed never to let another woman close enough to hurt them again. Amelia Van Ecken isn't just another woman. She's an independent, smart, and savvy businesswoman who doesn't have time for sex, much less love. In the midst of a drawn-out, bitter divorce, all she wants is to bury herself in work. But when sharp-tongued Amelia and stubborn Andrew cross paths, sparks fly-and burn. Two things are obvious in an instant: they want each other, and they're from different worlds. It's the perfect formula for an off-the-charts one-night stand. After all, it's not as if opposites ever attract. The First Taste is a standalone, dual-POV spin-off of Amazon bestselling romance, Slip of the Tongue. It's not necessary to read them in order, however, it's recommended to avoid spoilers.

Neurology Present a New Book for Patients with Smell and Taste Disorders Over 200,000 people visit doctors each year for smell and taste problems. Since our ability to smell and taste decreases with age, up to 14 million Americans aged 55 and older may live with these disorders, undiagnosed. Smell and taste disorders affect a person's ability to enjoy food and drink and may result in decreased appetite, weight loss, and too much added sugar and salt in the diet. In severe cases they may lead to depression. Smell and taste problems can also interfere with personal safety, limiting the ability to notice smoke and potentially harmful chemicals and gases. Navigating Smell and Taste Disorders is a unique collaboration between a doctor and a food consultant that both addresses the subject of smell and taste loss and provides food preparation tips and a special recipe section that will appeal to other senses and make food attractive again. This is a must-have reference book for all those living with smell and taste disorders. The book covers the whole disorder including How smell and taste work Causes of smell and taste problems Treatments What you can expect when you visit a specialist Recipes that will appeal to other senses and make food attractive again First-person accounts of coping with this disorder Navigating Smell and Taste Disorders is the inaugural book in the series Neurology Now Books from the American Academy of Neurology. Inspired by Neurology Now, the AAN's leading neurologic patient information magazine, Neurology Now Books are written from a multidisciplinary approach, combining the expertise of a neurologist with other related experts and patients and caregivers.
