All Christians seek a better prayer life-ideally one where they connect with and have a closer relationship with God. Too many of us, however, have nagging feelings of guilt when it comes to asking God for what we want. Ralph Moore reminds us that it is absolutely OK to pray for God to meet our needs. In fact, we should do so with every expectancy that God will answer our prayers, because He loves us and always wants to help us. When we pray with a clear conscience and place our trust in Him, all things are indeed possible. This simple, straightforward book provides answers to basic questions on prayer for all Christians-and for anyone who wants to understand prayer and how it can transform your life.
