A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

The Primer will explain the content tested in the Accredited Symbian Developer exam. It will break down the subject areas examined in the online test and succinctly describe each concept as a series of exam objectives. For a more in-depth description of those areas, it will provide references to other sources of information. The book is intended to prime the candidates for the examination by explaining what they need to know. It is not intended to be a textbook for understanding Symbian OS in any depth. It will use a number of deprecated exam questions to illustrate the typical style and level of questions asked in the examination. The book is not typical of the current Symbian press range in that it will not walk through significantly sized code project examples nor provide a detailed, in-depth analysis of the fundamentals of C++ development on Symbian OS.

all the help you need to pass your Series 7 exam and to reach your goal of being a stockbroker and selling securities. But the road to stock broker success isn't easy. First, you must first pass the Series 7 exam—a 6-hour, 250-question monstrosity. Unlike many standardized tests, the Series 7 exam is harder than it seems. Luckily, there's Series 7 Exam For Dummies Premier—the perfect guide that not only shows you how to think like a financial advisor but also like the test designers. This Premier Edition of our Series 7 test guide includes 4 full-length practice exams (2 more than our standard edition). Rather than an all-encompassing, comprehensive textbook, this guide covers only what's on the test, offering formulas, tips, and basic info you need to study. It empowers you with the ability to think each problem through and get to the bottom of what's being asked, providing you with everything you need and want to know.
