Brown's Estimates and Agents' Companion

Proceedings of the American Power Conference

Power

This manual was prepared for the Bureau of Reclamation of the United States Department of the Interior. It discusses the Bureau of Reclamation's methodology for concrete repair, addresses the more common causes of damage to concrete, and identifies the methods and materials most successful in repairing concrete damage. This guide contains the expertise of numerous individuals who have directly assisted the author on many concrete repair projects or freely shared their concrete repair knowledge whenever requested.

Residential Guide to Earthquake Resistance

Find the sound investments among the foreclosures. Covering both bank-owned and government-owned properties, this book focuses on helping buyers distinguish between good foreclosure investments and those plagued with liens and other pitfalls. Readers will learn about the benefits of buying foreclosures; foreclosure timeline and process; the different types of foreclosures; finding pre-foreclosed properties; important pre-purchase pitfalls; buying at an auction; and more. • The national residential foreclosure rate rose to from 1 to 1.23% (of all mortgages) by the end of 2003—the biggest jump in 30 years • Foreclosures are expected to increase as interest rates rise and monthly payments on short-term variable rate and interest-only loans begin to follow (Realty Times)
