"Is my baby in heaven?" This is the most important question a grieving parent can ask. And even if the little one is someone else's child, the issue remains: What happens to children?those unborn, stillborn, or youngsters?when they die? Can you hope to see them again? Can you let go of your fear and guilt? Can God's love soothe a wound so jagged? With scriptural authority and the warmth of a pastor's heart, bestselling author John MacArthur examines the

breadth of the entire Bible and reveals in this compelling book the Heavenly Father's care for every life. "I have sat by the grave of our daughter and son and wondered out loud if my belief that Hope and Gabriel are in heaven has any solid scriptural support. John MacArthur offers truth from God's Word that puts the doubts of any grieving parent to rest. Safe in the Arms of God reveals that confidence of heaven for the child you love is based on much more than mere sentimentality; it is revealed in the Word of God and reflective of the very heart of God." ?Nancy Guthrie, author of Holding On to Hope

Anthem For Doomed Youth

Love & Misadventure

In his occasional poetry, and especially in his two elegaic Anniversary poems, Donne created a special symbolic mode in seventeenth-century poetry of praise and compliment. Barbara Kiefer Lewalski's reading of the Anniversary poems recognizes them as complex mixed-genre works which weld together formal, thematic, and structural elements from the occasional poem of praise, the funeral elegy, the funeral sermon, the hymn, the anatomy, and the Protestant meditation. Focusing especially on theme and structure, her reading demonstrates the coherent symbolic method and meaning of these poems and also their careful logical articulation, both as individual poems and as companion pieces. Essentially, the author discovers their thorough and

precise exploration, through the poetic means of figure and symbol, of the nature of man and the conditions of human life. In order to discuss the significant contexts for and influences on the Anniversary poems, the author has studied sixteenth- and seventeenth-century epideictic theory and practice, Protestant meditation, Biblical hermeneutics, and funeral sermons. She is also concerned with the effect of the poems, and of Donne's other writings of a similar kind, on contemporary and subsequent developments in the poetry of praise, especially that of Marvell and Dryden. This is a lucid and learned book that provides a major context for the Anniversary poems and gives new significance to the designation of Donne as a Metaphysical poet. Originally published in 1973. Donne's Anniversaries and the Poetry of Praise

These poetic expressions are spiritually anointed to inspire, heal, and console. As you meditate over the divinely inspired words with repetitive last-verse lines, it will leave an imprinted message in your mind and spirit that will continue to operate even after reading, inspiring you to lift other people's heavy hearts. I sometimes perceive my poetry as a continued opportunity to counsel and reach out and touch through the written form of poetic expression. My poems can be used in speaking engagements, small groups, and support groups. They have already been used in reaching out and touching others. Therefore, they can be used to reach out to friends and strangers and in places like mental health institutions, hospitals, prisons, nursing homes, and wherever people who are hurting may be.

Poetry in English: An Introduction

This poignant, haunting poem, originally written for the author's fiancée Ruth who died in a plane crash in 1943, was given to the SOE agent Violette Szabo as her code poem, before she was dropped into occupied France in 1944. It afterwards became famous through the film of her life, *Carve Her Name With Pride*, starring Virginia McKenna, and has been a source of inspiration ever since to those who have lost a loved one or are themselves facing death. Only in 1998, with the publication of Leo Marks' remarkable book about his works with SOE, *Between Silk and Cyanide*, did it become known that he was the author of this and many other poems used by SOE agents during World War II. Now one of the best loved poems in the English

language, *The Life That I Have* is presented as a special illustrated gift book, with pencil drawings by the artist Elena Gausen Marks, the author's wife. Her pencil sketch of Violette Szabo, based on a photograph, is also included.

On the "Best Poetry Books of the Year" list from Library Journal "A sophisticated and breathtaking

writer, Reeves takes the reader on a harrowing journey: each poem comes packed with arresting imagery, relentless in its examination of how tragedy and trauma become internalized — cleaning out the wounds to understand the pain.”—Los Angeles Review of Books “Roger Reeves' King Me stitches together many worlds into one startling and visceral book. His ranging, encyclopedic knowledge crosses history, medicine, biology, metapoetics and more, but he tackles it all with a bold and sonorous surrealist flow.”—American Microreviews From a horse witnessing the lynching of Emmett Till to Mikhail Bulgakov chronicling the forced famines in Poland in the 1930s, King Me examines the erotics of care and the place of song, elegy, and praise as testaments to those moments. As Roger Reeves said in an interview, “While writing King Me, I became very interested in the mythology of king, the one who is sacrificed at the end of the harvest season. . . . For me, the myth manifests in the killing of young black men, Emmett Till, and in the ways America deems young, black male bodies as expendable—Jean Michel Basquiat, Mike Tyson, Jack Johnson. These are the young kings whom we love to kill—over and over again.” From “Some Young Kings”: The hummingbirds inside my chest, with their needle-nosed pliers for tongues and hammer-heavy wings, have left a mess of ticks in my lungs and a punctured lullaby in my throat. Little boy blue come blow your horn. The cow's in the meadow. And Dorothy's alone in the corn with Jack, his black fingers, the brass of his lips, the half-moons of his fingernails clicking along her legs until she howls—Charlie Parker. Charlie Parker. Reclaim Your Headspace and Find Your One True Voice As a hospital chaplain, J.S. Park encountered hundreds of patients at the edge of life and death, listening as they urgently shared their stories, confessions, and final words. J.S. began to identify patterns in his patients' lives—patterns he also saw in his own life. He began to see that the events and traumas we experience throughout life become deafening voices that remain within us, even when the events are far in the past. He was surprised to find that in hearing the voices of his patients, he began to identify his own voices and all the ways they

could both harm and heal. In *The Voices We Carry*, J.S. draws from his experiences as a hospital chaplain to present the Voices Model. This model explores the four internal voices of self-doubt, pride, people-pleasing, and judgment, and the four external voices of trauma, guilt, grief, and family dynamics. He also draws from his Asian-American upbringing to examine the challenges of identity and feeling “other.” J.S. outlines how to wrestle with our voices, and even befriend them, how to find our authentic voice in a world of mixed messages, and how to empower those who are voiceless. Filled with evidence-based research, spiritual and psychological insights, and stories of patient encounters, *The Voices We Carry* is an inspiring memoir of unexpected growth, humor, and what matters most. For those wading through a world of clamor and noise, this is a guide to find your clear, steady voice.

Father Bill Bausch's homilies are always outstanding. He brings a deep pastoral presence and much thought and preparation to each of them. This has never been more evident than here in this book of funeral homilies. Each is crafted to reflect the person remembered as well as the message of Scripture. Each reflects the communal nature of a Catholic funeral and is sensitive to the status of the mourners: non-Catholics, lapsed Catholics, faithful parishioners, relatives, and friends. Father Bill's words are faith-filled and compassionate, comforting and challenging, communal and personal. He regards the funeral liturgy as one of the greatest teachable moments the Church offers and here this is very evident. Highly recommended for all priests, deacons, and preachers. Book jacket.

The destruction of Jerusalem by the Babylonians in 587 BC is the likely setting for the book of Lamentations. This was the most traumatic event in the whole of Old Testament history, with its extreme human suffering, devastation of the ancient city, national humiliation, and the undermining of all that was thought to be theologically guaranteed like the Davidic monarchy, the city of Zion, and the temple of the God of Israel. It is out of that unspeakable pain that Lamentations speaks, in poetry of astonishing beauty and intricacy, though soaked in tears. If we neglect this book, says Chris Wright, we miss the challenge and reward of wrestling with the massive theological issues that permeate it. How can suffering be endured alongside faith in an all-loving, good God? Even if these events are recognized and accepted as

God's judgment, has not the flood of brutality and evil gone beyond all bounds? If anarchy, death and destruction stalk the land, can the center of Israel's faith in the covenant God of faithfulness and mercy hold? In this Bible Speaks Today volume, Wright shows that as Christian readers we must not, and cannot, isolate Lamentations from the rest of the Bible; and equally, that we should not read the rest of the Bible without Lamentations. We must still let it speak for itself, as a book for today.

The Voices We Carry

Hard Night

Representative Poems

"From his earliest verses (the Latin verses written at Cambridge) to his first original English poem (the Infant ode), to his masterpiece (Lycidas) and its sad echo (Epitaphium Damonis), through his mature trilogy (Paradise Lost, Paradise Regained, and Samson Agonistes), Milton repeatedly seeks to explain why people die. Though Milton frequently changed his mind on important subjects, his fundamental view of death did not change. Milton throughout his life insists that death, both physical and spiritual, is caused by sin. In attempting to understand the significance of this belief, *Death in Milton's Poetry* will suggest some major re-evaluations of old assumptions." "This book is divided into two parts. The first part contains examples of death that support Milton's belief that death is caused by sin. The second part contains poems that focus on deaths that appear to violate this belief. Since Milton illustrates his belief in his mature works, Part 1 includes *Paradise Lost*, *Paradise Regained*, and *Samson Agonistes*. As the pattern of death emerges in these poems, the reader is able to see that *Paradise Regained* is as much about the death of Satan as it is about the life of Jesus and that Milton's drama focuses on an unregenerate Samson whose tragedy is his inability ever to reconcile with God." "The poems examined in Part 2 explain deaths that appear to violate Milton's, belief. In vindicating Milton's view of death, the Latin funeral elegies and

"On the Death of a Fair Infant Dying of a Cough" form a pattern that culminates in Lycidas. Recognizing this pattern in Lycidas is indispensable to understanding the radical statement of Epitaphium Damonis, a poem that records Milton's temporary disillusionment with Christianity." "In addition to new insights into the individual poems, two patterns are highlighted. In Milton's earlier poems, readers usually have seen classicism as complementing Christianity. When Milton turns to death, however, he opposes classicism to Christianity, contrasting (except in the case of Epitaphium Damonis) the limited pagan gods of classicism with the providence of an omnipotent God. This antagonism is reinforced by another pattern that emerges in the poems. Though all sins tend to death, some sins are more fatal than others. In much of Milton's poetry, perhaps the most consistently fatal of sins was lust; and Milton frequently represents this lust as a characteristic of classicism."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
