Zach Gets Frustrated

For use in schools and libraries only. Proven, practical ways to avoid conflict and defuse tough situations. Essential life skills for all kids and teens.

The Fort

Too often in our classrooms, students believe that confrontation is the only solution to conflict. Patricia Sternberg offers a promising alternative. In Theatre for Conflict Resolution, she outlines a variety of playmaking activities and theatre games designed to teach students that communication is the key.

Conflict Resolution in the High School

Playful poetry to teach basic social skills in a lighthearted way. Teach and foster social skills with this lively collection of poems for children. Strong social skills are the key to getting along, succeeding in school and at home, and enjoying time with others. Yet for many kids, greetings, eye contact, playing, competing, managing emotions, apologizing, and other essential social skills feel unnatural. One thing that is natural is the appeal of rhyming poems: they are fun to read aloud and easy to remember. These poems for children teach how to improve social skills with a lighthearted touch. Photos showing diverse kids accompany the book's playful, often humorous language. Activities and lessons at the back of the book help adults guide children in learning social skills.

Setting the Conflict Compass

Zach and his family go to the beach, but Zach is having a lousy day. First, he dropped his toothbrush in the toilet. Then his best friend went to someone else's birthday party instead of joining him. But most frustrating of all, he can't get his kite to fly! Zach kicks sand, yells angry words, and asks his dad if they can just go home now. Instead, his dad teaches him a simple, three-step approach to get a handle on frustration and find a way to enjoy himself even when things aren't going his way: 1) name it (why are you frustrated?); 2) tame it (self-regulation exercises such as deep breathing or visualization); 3) reframe it (change your thoughts to change your feelings). The three-point strategy is presented as the three corners of a triangle and is illustrated as the corners of Zach's kite. Easy to understand and easy to remember. Zach Rules Series Zach struggles with social issues like getting along, handling frustrations, making mistakes, and other everyday problems typical of young kids. Each book in the Zach Rules series presents a single, simple storyline involving one such problem. As each story develops, Zach and readers learn straightforward tools for coping with their struggles and building stronger relationships now and in the future.

Adventures in Peacemaking

Teach the skills of creative conflict resolution to grades 3 through 6 with games, cooperative team challenges, dramas, crafts, and music. The hundreds of hands-on, engaging activities are designed to help students get along peacefully.

Conflict Resolution in Early Childhood

Although his father wants him to follow the family tradition and become a chef, a young boy would much rather dance.

Theatre for Conflict Resolution

The newly reformatted Young Peacemaker Set The Young Peacemaker Set includes a 200 page Teacher Manual designed in a workbook format, and the appendices can be photocopied for child or student use. Divided into three sections: Understanding, Responding and Preventing Conflict, each lesson has a goal, objectives, principle, and needs clearly outlined at the beginning, and is followed by teacher's notes on setting the stage and questions to ask. Reproducible student activity sheets for all twelve lessons are included on an enclosed CD for ease of duplication. Help illustrate the conflicts and talk about possible solutions--good and bad--and what's wrong with the "bad" solutions. A lesson summary reaffirms the lesson's main points. Recommended for grades 3-7, but can be adapted for younger or older students.

Teaching Conflict Resolution with the Rainbow Kids Program

After Katie gets caught teasing a schoolmate, she's told to meet with Mrs. Petrowski, the school counselor, so she can make right her wrong and learn to be a better friend. Bothered at first, it doesn't take long before Katie realizes that bullying has hurt not only the people around her, but her, too. Told from the unusual point of view of the bullier rather than the bullied, Confessions of a Former

Bully provides kids with real life tools they can use to identify and stop relational aggression.

Ready-to-Use Conflict Resolution Activities for Secondary Students

Provides more than 90 ready-to-use lessons for teaching peaceful and successful ways of resolving conflict, including activities with typical adolescent scenarios and nearly 150 reproducible role-plays.

Negotiating the Nonnegotiable

Noting that many teachers and parents are baffled by the repetitiveness of young children's conflict and by their own reaction to it, this book describes how adults can help children find alternatives to hurtful words and fighting by settling differences through a six-step mediation process based on several basic adult-child interaction strategies: listening actively, acknowledging feelings and ideas, and encouraging decision making. This process is explained through stories of actual conflict experiences in which adults and children resolve disputes successfully. Chapters 1 through 4 provide an overview of and a rationale for the problem-solving approach. The six steps to the approach are: (1) approach calmly, stopping any hurtful actions; (2) acknowledge children's feelings; (3) gather information; (4) restate the problem; (5) ask for ideas for solutions and choose one together; and (6) be prepared to give follow-up support. Chapter 5 describes the growth of two young problem solvers during their preschool years. Chapter 6 discusses a small-group discussion process that adults can use at non-conflict times to encourage children to talk over chronic problems. Chapter 7 discusses prevention strategies for reducing the frequency of classroom conflicts. Chapter 8 details the strategies of peer mediation in elementary schools and describes a school-wide mediation structure and group-discussion curriculum. Appended are sample letters and handouts for parents to ease the transition between school and home. (Contains 57 references.) (KB)

Solving Thorny Behavior Problems

Contains activities, discussion questions, and other exercises that teachers can use along with Julia Cook's illustrated story, "A Bad Case of Tattle Tongue," to teach students the differences between tattling and warning.

Raising a Thinking Child

The delightful Barnyard Buddies engage everyone as they show how to solve a problem with caring and empathy. This award-winning, richly illustrated, anger management and conflict resolution guide, provides a Parent, Educator, and Mentor Guide, and music as well. "A must have in children's libraries and homes" (Reader's Favorite). Kids love it.

A Bad Case of Tattle Tongue Activity and Idea Book

This unique guide uses games, music, art, drama, and storytelling to teach young children effective, nonviolent ways to resolve conflicts. It also provides caregivers with tools for helping young children develop key conflict resolution skills. This new edition contains sections on developmentally appropriate practice; tips on classroom set-up; instructions for incorporating social and emotional skills into daily routines; suggestions for when things don't go as planned; and materials and activities for parents to help reinforce the themes, skills, and concepts of a Peaceable Program at home.

Super Emma

Practical, research-based activities for educators to teach students positive skills and attitudes to increase kindness and prevent bullying. With new lessons, an added foreword, and a revised introduction, this updated edition of *No Kidding About Bullying* gives educators and youth leaders hands-on activities to prevent bullying in schools and help kids in grades 3–6 cope with the effects of bullying when it does occur. Based on a nationwide survey of more than 2,000 students and teachers, this flexible resource can be used alone or as a complement to anti-bullying and character education programs already in place. Each of the 126 lessons may be completed in 20 minutes or less and include games, role-plays, group discussions, art projects, and language arts exercises that build respect, empathy, and kindness. Digital content includes student handouts from the book and bonus materials.

A Bug and a Wish

Can a pirate and a prince learn to share? In the fort in the woods, a prince is preparing his castle for a lively feast for the royal kingdom. Unbeknownst to him, a pirate uses the same fort as her ship, planning to venture out to the open seas in search of treasure. But when a treasure map appears on the prince's party invitations, and the pirate finds that her sword has turned into a scepter, they realize there is an intruder in the castle—no, ship! Soon, a battle over the fort between the adversaries ensues, leading to a humorous showdown. When they make amends, their amazing imaginations come up with a new adventure together. Kids will revel in the spirited and imaginative battle and be thrilled by the turn of events. Dynamic and charismatic illustrations bring this witty tale and its celebration of sharing and teamwork to life.

Ready-to-Use Conflict-Resolution Activities for Elementary Students

This book is specially designed in Amazon's fixed-layout KF8 format with region magnification. Double-tap on an area of text to zoom and read. Miss Fox is tired of hearing her young students quarrel. So she announces Peace Week—no more squabbling for one whole week! The children chime in with their own rules: no fighting, don't say mean things, and help others. Throughout the week each of the little animals gets a chance to practice this new behavior. When Polecat teases Bunny for wearing a bright yellow sweater, instead of poking fun back at Polecat, Bunny admires his sweater. Soon, to their surprise, the animals are finding that it's

easy to help others, take turns, and say nice things, even when someone is grumpy to them. Wouldn't it be nice, Squirrel says, if every week could be Peace Week?

Boy, Can He Dance!

For K-6 teachers and counselors, here are over 100 step-by-step lessons and illustrated activities that give students the tools and empathy they need to solve conflicts peacefully and feel like winners. The wide variety of lessons and activities that will appeal to all students are organized into four sections: * Conflict-Resolution Activities for Educators helping the teacher model appropriate behaviors through 12 self-empowerment activities. * Building the Groundwork for Conflict Resolution 29 activities to help students build their own positive identity and deal with inner-directed anger. * Conflict-Resolution Activities for Your Classroom 69 activities develop children's conflict-solving skills and reduce their anger toward others. * Conflict-Resolution Activities for Your School 19 activities, including those that alert students to bullies and what can be done to prevent bullying.

The Happy Kid Handbook

Kids Give Advice A Conflict Resolution and Writing Workbook If you or someone you know has ever dealt with a strong-willed child, you know exactly how hard it is to turn their behavior around. A child's behavior can get in the way of their academic success and social interactions. But did you know that you can improve your child's academic performance and reverse every negative behavior at the same time with simple exercises? In this comprehensive writing workbook, a behavior/literacy coach shares fun activities, practical steps and strategies to help kids balance their emotions and succeed at school without constant struggles. "Kids Give Advice", "A Conflict Resolution and Writing Workbook" is written to help kids give advice on real-life conflicts while enhancing their reading, writing, spelling and critical thinking skills. Practicing with this interactive workbook will give your kids the ability to grow their mindsets as they practice leadership skills. Packed full of real-life conflicts, role plays, discussions, reading, writing, spelling and editing practice, this book gives your kids the practical guidance and extensive information they need to enhance their ability to make smarter choices. Author Sharita Morgan, The Behavior/Literacy Strategist, wrote with exceptional creativity and clarity in this book, pulling from her professional and personal experiences where she helped children reverse their negative behaviors and improve their overall academic performance. This book will help your kids: * Enhance their learning experiences and perform better in school * Overcome behavior challenges * Enhance their cognitive and social skills, and more! Whether you have a reluctant reader or budding booklover, this book is sure to capture the imagination of any child and they won't be able to put it down!

I Can Learn Social Skills!

Anger is a scary emotion for young children, their parents, and caregivers. As this little bunny experiences the things that make her angry, she also learns ways to

deal with her anger--ways that won't hurt others.

Teaching Conflict Resolution Through Children's Literature

When Tyler is teased by the other boys, his good friend, Danae, encourages him to give the boys A Bug and a Wish. When Tyler finds a ladybug and a dandelion seed, he is convinced that this is what Danae means. As his friend helps him learn the true meaning of her advice, Tyler soon discovers the solution to his problem.

Creative Conflict Resolution

Lesson plans for teachers of grades K-2 explain conflict and its causes, offer examples from literature, and suggest activities for resolving hypothetical conflicts

You Can't Come to My Birthday Party!

"Find out how to successfully resolve your most emotionally charged conflicts. In this landmark book, world-renowned Harvard negotiation expert Daniel Shapiro presents a groundbreaking, practical method to reconcile your most contentious relationships and untangle your toughest conflicts. Before you get into your next conflict, read *Negotiating the Nonnegotiable*. It is not just "another book on conflict resolution," but a crucial step-by-step guide to resolve life's most emotionally challenging conflicts--whether between spouses, a parent and child, a boss and an employee, or rival communities or nations. These conflicts can feel nonnegotiable because they threaten your identity and trigger what Shapiro calls the Tribes Effect, a divisive mind-set that pits you against the other side. Once you fall prey to this mind-set, even a trivial argument with a family member or colleague can mushroom into an emotional uproar. Shapiro offers a powerful way out, drawing on his pioneering research and global fieldwork in consulting for everyone from heads of state to business leaders, embattled marital couples to families in crisis. And he also shares his insights from negotiating with three of the world's toughest negotiators--his three young sons. This is a must read to improve your professional and personal relationships"--

Kids Give Advice

Confessions of a Former Bully

For courses in the Guidance and Management of Young Children. This text examines the nature of conflict among 2- to 8-year-olds from a research-based, constructivist/ecological perspective - integrating themes of caring, building classroom community, connecting curriculum, involving family and community, and responding to the current educational climate. The author thoroughly discusses children's conflicts, emphasizing that peer and community culture make up the foundation for preventing and resolving conflict, and advocates teaching conflict resolution skills via a "three-layer-cake" of understanding, management, and resolution. Coverage presents ways to create a caring classroom - both in physical environment and curriculum, to work with other adults in a child's life, and

to implement peer mediation. Throughout, the material stresses the need to understand all children in light of applicable theory and current "best practice" in culturally responsive and inclusive classrooms.

The Well-Balanced Family

Clear, simple language and realistic illustrations teach children the process of peaceful conflict resolution.

Conflict Resolution in the Middle School

Emma McGraw just can't sit back and watch someone being teased—especially one of her friends. So when class bully Jared Matthews chooses EllRay Jakes as his next target, Emma can't hold back. But unfortunately for Emma, her good deed is not appreciated. Instead of helping EllRay, Emma just embarrassed him. What boy wants to be "saved" by a girl?! Now everyone is calling her Super Emma, and Jared has set his sights on her. Who will rescue Emma now that Jared is tossing around threats? Her superhero may be someone she would never have thought of.

Early Childhood Adventures in Peacemaking

The lessons in this guide teach high school students the essential skills they'll need to manage and resolve interpersonal conflict in creative, positive ways. Along the way students will also explore diversity, power, and prejudice as they continue to develop greater emotional and social skillfulness. Conflict Resolution in the High School contains: 36 core skill lessons An exploration of 8 different implementation models In-depth information on how to infuse conflict resolution into the standard high school curriculum Ideas for assessing student learning 9 additional, multi-period activities for taking the skills and concepts further The curriculum encourages students to connect the concepts and skills taught in the lessons to their own personal experiences. Students learn to analyze conflict, deal with feelings more effectively, defuse anger, and negotiate and mediate personal and group conflicts. Students also learn how to build more positive intergroup relations and explore how they can use their new skills and understandings to make a positive difference in their communities.

Kids' Guide to Working Out Conflicts

Educational resource for teachers, parents and kids!

Peace Week in Miss Fox's Class

Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The Big Book of Conflict-Resolution Games offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the acclaimed, bestselling Big Books series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication,

cultural/personality clashes, and other specific problem areas—before they affect your organization's bottom line. Let *The Big Book of Conflict-Resolution Games* help you to: Build trust Foster morale Improve processes Overcome diversity issues And more Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict—and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in *The Big Book of Conflict-Resolution Games* delivers everything you need to make your workplace more efficient, effective, and engaged.

No Kidding About Bullying

Stressing the importance of developing thinking skills in growing children, a parent's guide introduces the I Can Problem Solve program and explains the difference between teaching children what to think and how to think. Reprint.

The Barnyard Buddies STOP for Peace

While providing a solution for helping all family members reduce their screen time, this book really is about how to use the newly available time to spend more quality time together as a family as well as supporting each other to develop a more healthy, productive and enjoyable lifestyle. The book focuses on four areas: Connectedness, Open Communication, Fitness, and Organization. Using an evidence-based approach, the author helps parents learn how to encourage developmental play activities, develop avid readers, instill cooperation and mutual respect, improve physical fitness, build self-esteem and character, and reduce struggles over bedtime, chores and homework. The book also provides tips for helping kids safely make the most of their screen time.

Easy-To-Read Folktale Plays to Teach Conflict Resolution

This collection of activities, self-assessments, and exercises is especially useful as a resource to introduce the issue of conflict and its resolution as a part of workshops on management, leadership, communication, negotiation and diversity. The book is fully reproducible and flexibly organized in two sections. Part One includes twenty-five interactive group learning activities to explore conflict and provide practice in skills that help to resolve it. Part Two consists of twenty-five individualized exercises and assessments that are ideal for pre-work prior to group training sessions, or they can be distributed to participants for their own self-development. All of the activities and assessments are reproducible and include participant materials and notes for the instructor

Selected Contents Part One:
Group Workshop Activities: Two Responses to Conflict: Fight or Flight; How Can We Both Win? A Quick Demonstration; Individual Conflict Styles: A Zoological Approach; Approaches to Conflict: Role Play Demonstration; When Conflict Creates Stress, Don't Just Stand There; Introduction to Listening: A Self Inventory; Red Flags; Benefits and Barriers: Exploring Third Party Intervention; Mismatched? Are You Reading the Non-Verbal Cues?; Constructive or Destructive Conflict: Lessons to be Learned; Gaining a Different Perspective; Assumptions: Who Needs 'Em?; Portrait of a Peacemaker; What Kind of Question is That?; Third-Party Mediation;

Formulating Clear Agreements Part Two: Individualized Exercises and Assessments: Self-Assessment in Dealing with Differences; Analyzing A Conflict: Is It Worth Getting Into?; In the Heat of the Moment; How to Deal with Hot Buttons; Resolving a Conflict through Planning; Mediation: Test Your Knowledge; First Thoughts About Others: Perception IQ Quiz; Uncovering the Hidden Agenda; Your Turn: A Non-Judgmental Exercise; Supportive Listening: What's Your Score?; Escalate vs. Acknowledge: The Choice is Yours; Eight Different Points of View

The Big Book of Conflict Resolution Games: Quick, Effective Activities to Improve Communication, Trust and Collaboration

Based on the view that making social concepts and feelings concrete would help children in primary grades to take turns, cooperate, and solve their problems respectfully, this curriculum uses a story about the Rainbow Kids, an imaginary community of children, to introduce children to social concepts and conflict resolution skills. The Rainbow Kids experience emotions that are conveyed by the weather around them. These simple "sunny" and "cloudy" metaphors turn abstract notions of behavior into physical expressions young children can easily comprehend. Part 1 of the curriculum guide describes the impetus for the program, discusses how the program works, summarizes the story, and details the procedures involved in presenting the program. Part 2 contains the seven lessons and two activities comprising the program; this part includes sample program materials in six appendices, and lists selected resources for elementary school teachers. Part 3 is a separate booklet for students containing "The Rainbow Kids" story. (Contains 15 references.) (KB)

When I Feel Angry

Hoping that the enemy pie which his father makes will help him get rid of his enemy Jeremy Ross, a little boy finds that instead it helps make a new friend. By the illustrator of Odd Velvet. Jr Lib Guild.

50 Activities for Conflict Resolution

With all the parenting information out there and the constant pressure to be the "perfect" parent, it seems as if many parents have lost track of one very important piece of the parenting puzzle: raising happy kids. Parenting today has gotten far too complicated. It's never been the easiest job in the world, but with all the "parenting advice" parents are met with at every corner, it's hard not to become bewildered. It seems that in the past it was a good deal simpler. You made sure there was dinner on the table and the kids got to school on time and no one set anything on fire, and you called it a success. But today everybody has a different method for dealing with the madness--attachment parenting, free-range parenting, mindful parenting. And who is to say one is more right or better than another? How do you choose? The truth is that whatever drumbeat you march to, all parents would agree that we just want our kids to be happy. It seems like a no-brainer, right? But in the face of all the many parenting theories out there, happiness feels like it has become incidental. That's where The Happy Kid Handbook by child and adolescent psychotherapist and parenting expert Katie Hurley comes in. She shows

parents how happiness is the key to raising confident, capable children. It's not about giving in every time your child wants something so they won't feel bad when you say no, or making sure that they're taking that art class, and the ballet class, and the soccer class (to help with their creativity and their coordination and all that excess energy). Happiness is about parenting the individual, because not every child is the same, and not every child will respond to parenting the same way. By exploring the differences among introverts, extroverts, and everything in between, this definitive guide to parenting offers parents the specific strategies they need to meet their child exactly where he or she needs to be met from a social-emotional perspective. A back-to-basics guide to parenting, *The Happy Kid Handbook* is a must-have for any parent hoping to be the best parent they can be.

Talk and Work It Out

For difficult or challenging children and teenagers in therapeutic or school settings, creative activities can be an excellent way of increasing enjoyment and boosting motivation, making the sessions more rewarding and successful for everyone involved. This resource provides over one hundred tried-and-tested fun and imaginative therapeutic activities and ideas to unleash the creativity of children and teenagers aged 5+. Employing a variety of expressive arts including art, music, stories, poetry and film, the activities are designed to teach social skills development, anger control strategies, conflict resolution and thinking skills. Also included are character education activities and ideas for conducting therapeutic day camps, including sample schedules and handouts. The activities can be used in many different settings with all ages, are flexible, and can be adapted for use with individuals or groups. Brimming with imaginative ideas, this resource will be invaluable to anyone working with children and teenagers, including school counselors, social workers, therapists, psychologists and teachers.

The Big Book of Therapeutic Activity Ideas for Children and Teens

10 reproducible plays from around the world with engaging activities that help kids build the skills they need to prevent and resolve conflicts.

Teaching Conflict Resolution Through Children's Literature

Lesson plans for teachers of grades K-2 explain conflict and its causes, offer examples from literature, and suggest activities for resolving hypothetical conflicts

Enemy Pie

Arguing, excluding classmates, forming cliques, "forgetting" to do homework, refusing to do work, balking at sharing. These problems, so common in elementary classrooms, can disrupt learning, frustrate children, and exhaust teachers. This book gives you five strategies for working with children to solve these sorts of problems. You'll learn to use: problem-solving conferences, conflict resolution, role-playing, class meetings, and individual written agreements. With warmth, wit, and deep insight into classroom life, veteran teacher Caltha Crowe guides teachers in

making the most of each strategy. She includes detailed steps, true stories from classrooms, actual conversations with students, and answers to real teachers' questions. Interactive planning pages will help you adapt the strategies for your own students.
