### The Crucible

" My inner dragon is constantly forcing me forward faster and faster. SHE pushes the boundaries of my passions. I become so strong in HER presence, yet SHE presses. I am forced to walk the line Dangling my feet over the edge, fearlessly challenging the abyss to swallow me, I enjoy it." (p241). For centuries, artists have explored the duality of the soul. We are married to both good and evil, a co-existence held in balance by the power of choice. Echoed from the pens of poets

and prose come the things that go bump in the heart, the monsters that frighten us most, the ones that live within. Wrapped in sensually seductive disguises between black covers erupts Jade and her Dragon. They are Secretly Bound. Leading a successful life with the right career, house and home, wife and child, Jade has it all. Or so it seems. Beneath the peaceful waters lies the emptiness of a relationship barely sparking. The passion is gone. Life is going through the motions, especially in the bedroom. Fantasy remains in the ashes of a once out of control fire, and Jade finds that reality is such a poor substitute. When we thirst, we seek to quench that thirst. We are built to survive, no matter the cost. Jade's soul yearns to quench the desert that has become her sexuality. Her quest for an oasis leads her to Mylifeseeker.com, an internet-based social network, and like so many who have sought out friendship through the internet, Jade ends up with so much more. A storm cloud appears and her name is Emma, bringing with her correspondence sprinkles of rain that soon bursts into a mysterious monsoon flooding Jade's desert and awakens the dragon within. With each email, readers ride on the dragon's breath, holding tightly to the scales glistening in erotic adventures that will assuredly awaken the dragon in every reader. The darkest sexual desires kept from the home are openly explored with a virtual stranger, the lover born of dreams on a screen glowing with the increasing heat of wildfire. Emma soon succeeds in flooding Jade's existence to the point that she must meet the source of her dragon's fire. But as in every cautionary tale, let the reader beware. One always pays for forbidden pleasure, and Jade's price is more than the

reader could possibly imagine. Truth turns into lies. Lies become truth. Reality is fantasy. Fantasy is reality. The beginning is an end. The end is a beginning. And just when you think you've got the answer, there's another riddle to solve. If you are ready, take this dragon by the tail and just try to hang on. You just might find that it is the dragon that has you, and that from this day forward, like Jade, you will forever be Secretly Bound. J AGuilera Professional Reviewer

Born into a Jewish ghetto in Hungary, as a child, Elie Wiesel was sent to the Nazi concentration camps at Auschwitz and Buchenwald. This is his account of that atrocity: the ever-increasing horrors he endured, the loss of his family and his struggle to survive in a world that stripped him of humanity, dignity and faith. Describing in simple terms the tragic murder of a people from a survivor's

perspective, *Night* is among the most personal, intimate and poignant of all accounts of the Holocaust. A compelling consideration of the darkest side of human nature and the enduring power of hope, it remains one of the most important works of the twentieth century. New translation by Marion Wiesel, with a new introduction by Elie Wiesel.

This Student Edition of *After the Fall* is perfect for students of literature and drama and offers an unrivalled and comprehensive guide to Miller's play. It features an extensive introduction by Katherine Egerton which includes a chronology of Miller's life and times, a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty questions for further study and detailed notes on words and phrases from the text, this is the definitive edition of the play. Set in a New England state mental hospital in the early 1990s when Prozac was routinely administered to treat depression, *The Last Yankee* sees Miller exploring aspects of the American Dream through the lives of four characters who question and grapple with definitions of success, health and fulfillment. Described by Miller as 'a comedy about a tragedy' the one act play highlights conflicts between men and women, between the working class and the

capitalist businessman and between interior and exterior realities.

### **The Crucible**

The hero-narrator of *The Catcher in the Rye* is an ancient child of sixteen, a native New Yorker named Holden Caulfield. Through circumstances that tend to preclude adult, secondhand description, he leaves his prep school in Pennsylvania and goes underground in New York City for three days. The boy himself is at once too simple and too complex for us to make any final comment about him or his story. Perhaps the safest thing we can say about Holden is that he was born in the world not just strongly attracted to beauty but, almost, hopelessly impaled on it. There are many voices in this novel: children's voices, adult voices, underground voices-but Holden's voice is the most eloquent of all. Transcending his own vernacular, yet remaining marvelously faithful to it, he issues a perfectly articulated cry of mixed pain and pleasure. However, like most lovers and clowns and poets of the higher orders, he keeps most of the pain to, and for, himself. The pleasure he gives away, or sets aside, with all his heart. It is there for the reader who can handle it to keep. J.D. Salinger's classic novel of teenage angst and rebellion was first published in 1951. The novel was included on Time's 2005 list of the 100 best English-language novels written since 1923. It was named by Modern Library and its readers as one of the 100 best English-language novels of the 20th century. It has been frequently challenged in the court for its liberal use of profanity and portrayal of sexuality and

in the 1950's and 60's it was the novel that every teenage boy wants to read.

Together with over twenty questions for further study and detailed notes on words and phrases from the text, this is the definitive edition of the play. *After the Fall* (1964) is embedded in historical events that were bound up with Arthur Miller's personal life. It is an intensely personal psychological study of its protagonist Quentin and a moral and philosophical commentary on the Holocaust, McCarthyism, and the career and death of Marilyn Monroe. The play marks the full realisation of Miller's modernist experimentation in trying to create a form that dramatises both human consciousness or subjectivity and its interrelationship with social and familial dynamics. A drama that takes place in the mind and thoughts of its protagonist, where memories are overshadowed by the Holocaust, the play is a moving study of human consciousness, morality and how we should live our lives once we have come to the realisation that we exist 'after the Fall'.

In a small tight-knit community gossip and rumour spread like wildfire inflaming personal grievances until no-one is safe from accusation and vengeance. The Crucible is Miller's classic dramatisation of the witch-hunt and trials that besieged the Puritan community of Salem in 1692. Seen as a chilling parallel to the McCarthyism and repressive culture of fear that gripped America in the 1950s, the play's timeless relevance and appeal remains as strong as when the play opened on Broadway in 1953.

AT TALE OF TWO CITIES A *Tale of Two Cities* (1859) is a novel by Charles Dickens, located in London and Paris before and during the French Revolution. The novel tells the story of the French doctor Manette, his 18 years of imprisonment at the Bastille in Paris and his release in London with his daughter Lucie, whom he had never met; Lucie's marriage and the collision between her beloved husband and the people who caused her father's imprisonment; and Mr. and Mrs. Defarge, wine sellers in a poor suburb of Paris. to the French Revolution and the reign of terror. CHARLES DICKENS Charles John Huffam Dickens (February 7, 1812 - June 9, 1870) was an English writer and social critic. He has created some of the most famous fictional characters in the world and is considered by many to be the greatest novelist of the Victorian era. His work enjoyed unprecedented popularity during his lifetime, and in the 20th century critics and scholars had recognized him as a literary genius. His novels and short stories have a lasting popularity. Born in Portsmouth, Dickens left school to work in a factory when his father was incarcerated in a debtors' prison. Despite his lack of formal education, he published a weekly newspaper for 20 years, wrote 15 novels, five short stories, hundreds of short stories and non-fiction articles, taught and played extensively, was a tireless writer and campaigned vigorously for children's rights education and other social reforms. The literary success of Dickens began with the 1836 serial publication of *The Pickwick Papers*. In a few years he had become an international literary celebrity, famous for his humor, his satire and his observation of character and society. His novels, mostly published monthly or weekly, were the pioneers of the serial publication of narrative fiction, which became the dominant Victorian mode for novel publishing. The down payment format allowed Dickens to gauge the reaction of his audience, and he often altered his plot and character development based on such reactions. For example, when his wife's podiatrist expressed his distress at the way Miss Mowcher in *David Copperfield* seemed to reflect his disabilities, Dickens improved the character with positive traits. His plots were carefully constructed, and he often woven elements

of topical events into his stories. Masses of the illiterate poor chipped in ha'pennies to be read every new monthly episode, opening and inspiring a new class of readers. Dickens was considered the literary colossus of his age. His 1843 novel, *A Christmas Carol*, remains popular and continues to inspire adaptations in every genre of art. *Oliver Twist* and *Great Expectations* are also frequently adapted, and, like many of his novels, evoke images of early Victorian London. His 1859 novel, *A Tale of Two Cities*, which takes place in London and Paris, is his best-known historical fiction. Dickens has been commended by other writers - from Leo Tolstoy to George Orwell and GK Chesterton - for his realism, comedy, prose style, unique characterizations and social criticism. On the other hand, Oscar Wilde, Henry James and Virginia Woolf complained of a lack of psychological depth, a vague writing and a vein of sacerdotal sentimentalism. The term Dickensian is used to describe something that reminds Dickens and his writings, such as poor social conditions or comically repugnant characters.

Differentiated instruction is a nice idea, but what happens when it comes to assessing and grading students? What's both fair and leads to real student learning? Fair Isn't Always Equal answers that question and much more. Rick Wormeli offers the latest research and common sense thinking that teachers and administrators seek when it comes to assessment and grading in differentiated classes. Filled with real examples and “gray” areas that middle and high school educators will easily recognize, Rick tackles important and sometimes controversial assessment and grading issues constructively. The book covers high-level concepts, ranging from “rationale for differentiating assessment and grading” to “understanding mastery” as well as the nitty-gritty details of grading and assessment, such as: whether to incorporate effort, attendance, and behavior into academic grades; whether to grade homework; setting up grade books and report cards to reflect differentiated practices; principles of successful assessment; how to create useful and fair test questions, including how to grade such prompts efficiently; whether to allow students to re-do assessments for full credit. This thorough and practical guide also includes a special section for teacher leaders that explores ways to support colleagues as they move toward successful

As a boy in Brooklyn's Red Hook projects, James McBride knew his mother was different. But when he asked about it, she'd simply say 'I'm light-skinned.' Later he wondered if he was different too, and asked his mother if he was black or white. 'You're a human being,' she snapped. 'Educate yourself or you'll be a nobody!' And when James asked what colour God was, she said 'God is the colour of water.' As an adult, McBride finally persuaded his mother to tell her story - the story of a rabbi's daughter, born in Poland and raised in the South, who fled to Harlem, married a black man, founded a Baptist church, and put twelve children through college.
