From the Observatory

This title shows that Cortázar did not become a political writer as a result of the Cuban Revolution, as is often claimed, but rather that the representation of the political already existed in Cortázar's very first writings.

The Complete Short Stories

A series of short takes carries readers into the mind and life of one man, back out to his trendy world, and--once again--into his life, creating a rounded portrait of an individual

We Love Glenda So Much and A Change of Light

La doble vertiente que presenta este libro, al estudiar las diferentes lecturas que se han realizado de la cuentística cortazariana sin perder de vista los problemas generales de la hermenéutica literaria, puede resultar atractiva tanto para quienes se interesan por las cuestiones de teoría de la interpretación como para aquellos que se han mostrado cautivados por el carácter sugerente de los relatos del escritor argentino.

A Change of Light

One of Julio Cortázar's great early novels. 'Anyone who doesn't read Cortázar is doomed.' Pablo Neruda In its characters, themes, and preoccupations, *Final Exam* prefigures Cortázar's later fictions, including *Blow-Up* and his masterpiece, *Hopscotch*. Written in 1950 (just before the fall of Perón's government), it is Cortázar's allegorical, bitter, and melancholy farewell to an Argentina from which he was about to be permanently self-exiled. (Cortázar moved to Paris the following year.) The setting of *Final Exam* is a surreal Buenos Aires, dark and eerie, where a strange fog has enveloped the city to everyone's bewilderment. Juan and Clara, two students, meet up with their friends Andrés and Stella, as well as a journalist friend they call 'the chronicler.' Juan and Clara are getting ready to take their final exams, but instead of preparing, they wander the city with their friends, encounter strange happenings in the squares and ponder life in cafés. All the while, they are trailed by the mysterious Abel. With its daring typography, its shifts in rhythm as well as in the wildly veering directions of its characters' thoughts and speech, *Final Exam* breaks new ground in the territory of stream-of-consciousness narrative techniques. It is considered one of Cortázar's best works.

Cuentos completos

"Seven stories from Cortázar's volume *Deshoras* (see *HLAS* 48:5600). Useful afterword by Manguel places work in biographical, literary, and political context. Powerful, often fantastic narrations told from different points of view, compellingly translated by Manguel. Important contribution to Cortázar bibliography in English"--*Handbook of Latin American Studies*, v. 58.

The Complete Poetical Works of Edgar Allan Poe

Munshi Premchand, widely lauded as the greatest Hindi fiction writer of the twentieth century, wrote close to 300 short stories over the course of a prolific career spanning three decades. His range and diversity were limitless as he tackled themes of romance and satire, gender politics and social inequality, with unmatched skill and compassion. By turns poignant, acerbic, comical and tragic, many of his stories powerfully invoke the countryside—its pastoral simplicity as well as its harsh realities—while others capture the hopes and anxieties that accompany life in a teeming city where the underdog and the exploiter are caught in an age-old conflict. For the first time ever, Penguin Classics brings together Premchand's entire short-fiction oeuvre for the delight of the English-speaking world. Along with M. Asaduddin's illuminating Introduction, this pathbreaking anthology features several stories not hitherto available either in Hindi or Urdu. Also included are comprehensive notes that provide the publication history of each story—highlighting the differences, sometimes significant and radical, between the Hindi and the Urdu versions of the same story—as well as a definitive chronology, making this a truly singular collection.

The Life and Letters of John Keats

Autonauts of the Cosmoroute

First published in English in 1972 and long out of print, 62: A Model Kit is Julio Cortázar's brilliant, intricate blueprint for life in the so-called "City."

Save Twilight

"Perhaps Cortázar's most unconventional work, From the Observatory moves from descriptions of the life cycle of the Atlantic eel to glimpses of the unearthly structures of an observatory built in Jaipur by an 18th-century Indian prince. This architectural wonder is not merely a place dedicated to astronomical observation but also a space that bears witness to the dreams of those who enter it. Cortázar's haunting photos of this enigmatic creation flow into other images--streets, oceans, night skies--which then flow into his verbal dance with a dream-logic all its own. Like fish unaware of why they are migrating, readers will be pulled into this fantastic current."--P. [2] of cover.

Nicaraguan Sketches

Translated by Gregory Rabassa, winner of the National Book Award for Translation, 1967 Horacio Oliveira is an Argentinian writer who lives in Paris with his mistress, La Maga, surrounded by a loose-knit circle of bohemian friends who call themselves "the Club." A child's death and La Maga's disappearance put an end to his life of empty pleasures and intellectual acrobatics, and prompt Oliveira to return to Buenos Aires, where he works by turns as a salesman, a keeper of a circus cat which can truly count, and an attendant in an insane asylum. Hopscotch is the dazzling, freewheeling account of Oliveira's astonishing adventures.

The Night Buffalo

The Representation of the Political in Selected Writings of Julio Cortázar

"Selections from Cortázar's 1984 collection Salvo el crepúsculo (see HLAS 50:3601), including prose commentaries from that volume. En face. Highly accomplished, colloquial translations. Short translator's preface; biographical note. Selection

'attemptsto represent the range of Cortâazar's poetic accomplishment' without traditional organization, following original volume's method. Excellent contribution to bibliography"--Handbook of Latin American Studies, v. 58.

Cuentos completos 1

Unreasonable Hours

La recopilacion de todos los relatos breves de uno de los cuentistas mas reputados de la literatura universal.

Final Exam

There is considerable discussion of how Cortazar, a man whose controversial persona has often colored criticism of his work, handled the tension between aesthetic and political aims."

The Diary of Andrés Fava

Using concepts from urban and cultural studies, *City Fictions* examines the representation of the city in the works of five important late-twentieth-century Spanish American authors, Octavio Paz, Julio Cortazar, Christina Peri Rossi, Diamela Eltit, and Carlos Monsavais. While each of these authors is influenced at least partially by a specific Spanish American city, be it Mexico City, Buenos Aires, Montevideo, or Santiago, the element that brings them together is the way in which the city is fictionalized in their work: they all equate both language and the body with urban space. In these metaphors, language breaks down and the body disintegrates, creating a disturbing picture of violent decline. The poetry of Paz associates the urban surroundings with dissolving sentences and desensitized, fingertips; for Cortazar, characters walking through cities are seen as both creating and unraveling written texts;

The Secret of Evil

“One of the most adventurous and rewarding collections since the publication of Cortázar’s own Blow-up.” —Los Angeles Times A traffic jam outside Paris lasts for weeks. Che Guevara and Fidel Castro meet on a mountaintop during the Cuban Revolution. A flight attendant becomes obsessed with a small Greek island, resulting in a surreal encounter with death. In *All Fires the Fire*, Julio Cortázar (author of *Hopscotch* and the short story “Blow-Up”) creates his own mindscapes beyond space and time, where lives intersect for brief moments and situations break and refract. *All Fires the Fire* contains some of Julio Cortázar’s most beloved stories. It is a classic collection by “one of the world’s great writers” (Washington Post).

Surviving Pablo Escobar

I've begged God for forgiveness, but I won't know till the day I die if He has truly forgiven me I've paid my dues to society by serving my long sentence, but perhaps I haven't earned His indulgence Oh my God, I've lived so many different lives! I survived Pablo Escobar Gaviria, El Patrón (The Boss), and it was the strength of his indomitable spirit that kept me going all these years; I don't quite know how or why. I still feel his presence every day of my existence. The Medellin cartel's crimes weigh as heavily on my shoulders today as they did yesterday. My youth, wasted in crime, became the sword that now hangs over my graying head. To the world, I'll always be known by my alias, Popeye, the fearsome hitman of the Medellin cartel, Pablo Escobar Gaviria's right-hand man How can I make you understand I'm a new man that twenty-three years behind bars in that hellhole have transformed the person I once was. Now the freedom I yearned for is vanishing in the murderous hands of my enemies. Perhaps fate has extended my life only to toy with me by preparing my own dying moments. I survived in captivity but I don't know if I'll be able to live in freedom A prisoner of my own mind, I'll try to fight to find some peace It's very cold now it's August 2014. I'm one step from freedom and I'm still breathing still here in this dimly lit cell in the maximum security prison in Cómbita, Boyacá.

The Romantic Dogs: Poems

As Pankaj Mishra remarked in , one of the remarkable qualities of Bolano's short stories is that they can do the "work of a novel." contains tales bent on returning to haunt you. Unpredictable and daring, highly controlled yet somehow haywire, a Bolano story might concern an elusive plagiarist or an elderly lawyer giving up city life for an improbable return to the family estate, now gone to wrack and ruin. Bolano's stories have been applauded as "bleakly luminous and perfectly calibrated" () and "complex and provocative" (), and as Francine Prose said in , "something extraordinarily beautiful and (at least to me) entirely new." Two fascinating essays are also included.

Literature Class, Berkeley 1980

A master class from the exhilarating writer Julio Cortázar "I want you to know that I'm not a critic or theorist, which means that in my work I look for solutions as problems arise." So begins the first of eight classes that the great Argentine writer Julio Cortázar delivered at UC Berkeley in 1980. These "classes" are as much reflections on Cortázar's own writing career as they are about literature and the historical moment in which he lived. Covering such topics as "the writer's path" ("while my aesthetic world view made me admire writers like Borges, I was able to open my eyes to the language of street slang, lunfardo...") and "the fantastic" ("unbeknownst to me, the fantastic had become as acceptable, as possible and real, as the fact of eating soup at eight o'clock in the evening"), Literature Class provides the warm and personal experience of sitting in a room with the great author. As Joaquin Marco stated in El Cultural, "exploring this course is to dive into Cortázar designing his own creations.... Essential for anyone reading or studying Cortázar, cronopio or not!"
