Europe is still a divided continent. In the place of a fallen Berlin wall, there is a chasm between the East and the West. Are these differences a communist legacy, or do they run even deeper? What divides us today? To say simply that it is the understanding of the past, or a different concept of time, is not enough. But a visitor to this part of the world will soon discover that we, the Eastern Europeans, live in another time zone. We live in the twentieth century, but at the same time we inhabit a past full of myths and fairy tales, of blood and national belonging, and the fact that most people are lying and cheating or that they have the habit of blaming others for every failure' An intimate tour of life on the streets of Budapest, Tirana, Warsaw and Zagreb, as those cities continue to acclimatise to the post-Communist thaw, Café Europa does not provide easy solutions or furnish political pallatives. Rather as a Croatian with a viewpoint of ever-widening relevance, the value of Slavenka Drakulic's wry and humane observations lie in the emotional force of their honesty and the clarity of their insight..

### **The Foxhole Court**

Dori's father has gone travelling in South America

and, suffering from some kind of breakdown, following the death of his wife, he goes missing. Dori sets out to find him, leaving his wife and young son at home in Israel. Inbar is escaping from her life – from the grief that she can't shake after her brother's death, from the boyfriend she doesn't love – and impulsively sets out for South America. While she's there she meets a man who is searching for his father In his most ambitious novel to date, Eshkol Nevo weaves a beautiful love story with two tales: the story of the wandering Jews who came to their Promised Land in the wake of the Second World War, embodied by Inbar's grandmother Lily's narrative of her sea journey over from Poland, and the story of a new generation of wandering Israelis who leave again to go backpacking, perhaps hoping that the distance will allow them to see their homeland more clearly. Neuland is a romantic adventure, a search for a father that leads to love, and a quest for an understanding of identity and for second chances. Is it ever possible to start again? Nevo has produced a daring, epic novel that asks profound questions, but the truth and warmth of his writing make it all-consuming and irresistibly loveable.

United in their fierce sense of place and infused with the fading echoes of a lost homeland, the stories in Jennine Capó Crucet's striking debut collection do for Miami what Edward P. Jones does for Washington, D.C., and what James Joyce did for Dublin: they expand our ideas and our expectations of the city by

exposing its tough but vulnerable underbelly. Crucet's writing has been shaped by the people and landscapes of South Florida and by the stories of Cuba told by her parents and abuelos. Her own stories are informed by her experiences as a Cuban American woman living within and without her community, ready to leave and ready to return, "ready to mourn everything." Coming to us from the predominantly Hispanic working-class neighborhoods of Hialeah, the voices of this steamy section of Miami shout out to us from rowdy all-night funerals and kitchens full of plátanos and croquetas and lechón ribs, from domino tables and cigar factories, glitter-purple Buicks and handed-down Mom Rides, private homes of santeras and fights on front lawns. Calling to us from crowded expressways and canals underneath abandoned overpasses shading a city's secrets, these voices are the heart of Miami, and in this award-winning collection Jennine Capó Crucet makes them sing.

A New York Times bestseller by the author of *Sophie's Choice*: Two Americans search for the truth about a mysterious long-ago murder in Italy. Shortly after World War II, in the village of Sambuco, Italy, two

men—Virginia attorney Peter Leverett and South Carolina artist Cass Kinsolving—crossed paths with Mason Flagg. They both had their own reactions to the gregarious and charismatic movie mogul’s son. For the impressionable Peter, it was something close to awe. For the alcoholic Cass, it was unsettled rage. Then, after the rape and murder of a peasant girl, Mason’s body was found at the base of a cliff—an apparent suicide. He’d been distraught, the authorities said, over committing such a heinous crime. Peter and Cass went their separate ways, and never spoke of it again. Now, years later, Peter is still haunted by what he knows—and by what he doesn’t. He’s sought out Cass in Charleston for closure, and something close to the truth. Together both men will share their tales of that terrible season in Italy, each with their own ghosts—and their own reasons to exorcise them. But neither Peter nor Cass is prepared for where this path of revenge, complicity, and atonement will take them. A profound exploration of the evil that men do, and what the innocent must endure to accommodate it, *Set This House on Fire* is more than a byzantine murder mystery, it’s “one of the finest novels of our times” from the Pulitzer Prize-winning author of *The Confessions of Nat Turner*, *Darkness Visible*, and other modern classics (*San Francisco Chronicle*). This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives.

Using archaeo-astronomy, religious stories, ancient artifacts, and our modern understanding of human evolution, Rj von-Bruening presents a compelling and thought-provoking case to suggest that it is. In 'The Forbidden Knowledge of Enoch', you'll take a unique and fascinating journey into the almost forgotten story that is told through the ancient, unhidden symbols that surround us today. Taught in the mystery schools and religions that still exist, a single, understandable story has been wove together from a great number of ancient mysteries, religious stories, and modern conspiracy theories, It will give you the first true understanding of the depth and scope of the cultural phenomenon of a Satanic New World Order. In the process, The Forbidden Knowledge of Enoch provides a radically new timeline and interpretation of the entire biblical tradition.

A book judged so dangerous in the Soviet Union that not only the manuscript but the ribbons on which it had been typed were confiscated by the state, *Life and Fate* is an epic tale of World War II and a profound reckoning with the dark forces that dominated the twentieth century. Interweaving a transfixing account of the battle of Stalingrad with the story of a single middle-class family, the Shaposhnikovs, scattered by fortune from Germany to Siberia, Vasily Grossman fashions an immense, intricately detailed tapestry depicting a time of almost unimaginable horror and even stranger hope. *Life and Fate* juxtaposes bedrooms and snipers' nests, scientific laboratories and the Gulag, taking us deep into the hearts and minds of characters ranging from a boy on his way to the gas chambers to Hitler and Stalin themselves. This novel of unsparing realism and visionary moral intensity is one of the supreme achievements of modern Russian literature.
