From Mother to Daughter

David is a twelve-year-old boy living in Jerusalem in 1966. His best friend just happens to be seventy-year-old Heinrich Rosenthal, who lives at the Beit Hakerem Home for the Aged. Their friendship takes an unexpected turn when Mr. Rosenthal receives a threatening letter from the man he once knew as "the bully of Heidelberg University." The letter accuses Mr. Rosenthal of stealing a priceless painting and challenges him to a duel if it is not returned immediately. But Mr. Rosenthal didn't steal the

painting. Who did? Determined to find some answers and prevent the duel, David plays detective and ultimately uncovers the story of two beautiful paintings, one of a woman's eyes and the other of her mouth, given by the artist to the two men who are now willing to kill one another over them. With some brilliant sleuthing and a bit of luck, David manages to pull together the strings of a story that began more than thirty years before, preventing a tragedy by bringing a long-dead memory to back to life.

Bob Odenkirk is a legend in the comedy-writing world, winning Emmys and acclaim for his work on Saturday Night Live, Mr. Show with Bob and David, and many other seminal TV shows. This book, his first, is a spleen-bruisingly funny omnibus that ranges from absurdist monologues ("Martin Luther King, Jr's Worst Speech Ever") to intentionally bad theater ("Hitler Dinner Party: A Play"); from avant-garde fiction ("Obituary for the Creator of Madlibs") to free-verse poetry that's funnier and more powerful than the work of Calvin Trillin, Jewel, and Robert Louis Stevenson combined. Odenkirk's debut resembles nothing so much as a hilarious new sketch comedy show that's exclusively available as a streaming video for your mind. As Odenkirk himself writes in "The Second Coming of Jesus and Lazarus," it is a book "to be read aloud to yourself in the voice of Bob Newhart."

Still Talking

Joan Rivers is an enduring icon of the 20th century, and her wildly popular humor has appealed to generations of fans. With a career that began in the late 1950s, Joan kept mementos over the course of her entire working life, and *Joan Rivers Confidential* is a compilation of never-before-seen personal archives. Assembled by her daughter Melissa with Scott Currie, the book contains scripts and monologues, letters from famous friends, exchanges with fans, rare photographs, as well as classic and never-before-heard jokes—many simply scribbled on everything from hotel stationery to airplane boarding passes. Touching on subjects from her 50 years in show business (The Tonight Show, Las Vegas, Elizabeth Taylor, Heidi Abromowitz, the red carpet, and Fashion Police), this is a revelatory and humor-filled insider look at the popular, multitalented comedian.

The Style Diary of a Bollywood Diva

The definitive book about Joan Rivers' tumultuous, victorious, tragic, hilarious, and fascinating life. Joan Rivers was more than a legendary comedian; she was an icon and a role model to millions, a fearless pioneer who left a legacy of expanded opportunity when she died in 2014. Her life was a dramatic roller-coaster of triumphant highs and devastating lows: the suicide of her husband, her feud with Johnny Carson, her estrangement from her daughter, her many plastic surgeries, her ferocious ambition and her massive insecurities. But Rivers' career was also

hugely significant in American cultural history, breaking down barriers for her gender and pushing the boundaries of truth-telling for women in public life. A juicy, intimate biography of one of the greatest comedians ever—a performer whose sixty year career was borne, simply, out of a desire to make people laugh so she could feel loved—LAST GIRL BEFORE FREEWAY delves into the inner workings of a woman who both reflected and redefined the world around her.

Joan Rivers Confidential

In this raucous collection of true-life stories, Chelsea Handler recounts her time spent in the social trenches with that wild, strange, irresistible, and often gratifying beast: the one-night stand. You've either

done it or know someone who has: the one-night stand, the familiar outcome of a night spent at a bar, sometimes the sole payoff for your friend's irritating wedding, or the only relief from a disastrous vacation. Often embarrassing and uncomfortable, occasionally outlandish, but most times just a necessary and irresistible evil, the one-night stand is a social rite as old as sex itself and as common as a bar stool. Enter Chelsea Handler. Gorgeous, sharp, and anything but shy, Chelsea loves men and lots of them. My Horizontal Life chronicles her romp through the different bedrooms of a variety of suitors, a no-holds-barred account of what can happen between a man and a sometimes very intoxicated, outgoing woman during one night of passion. From her short fling with a Vegas stripper to her even shorter dalliance with a well-endowed little person, from her uncomfortable tryst with a cruise ship performer to her misguided rebound with a man who likes to play leather dress-up, Chelsea recalls the highs and lows of her one-night stands with hilarious honesty. Encouraged by her motley collection of friends (aka: her partners in crime) but challenged by her family members (who at times find themselves a surprise part of the encounter), Chelsea hits bottom and bounces back, unafraid to share the gritty details. My Horizontal Life is one guilty pleasure you won't be ashamed to talk about in the morning.

I Hate Everyone Starting with Me

Mindy Kaling has lived many lives: the obedient child of immigrant professionals, a timid chubster afraid of her own bike, a Ben Affleck-impersonating Off-Broadway performer and playwright, and, finally, a comedy writer and actress prone to starting fights with her friends and coworkers with the sentence "Can I just say one last thing about this, and then I swear I'll shut up about it?" Perhaps you want to know what Mindy thinks makes a great best friend (someone who will fill your prescription in the middle of the night), or what makes a great guy (one who is aware of all elderly people in any room at any time and acts accordingly), or what is the perfect amount of fame (so famous you can never get convicted of murder in a court of law), or how to maintain a trim figure (you will not find that information in these pages). If so, you've come to the right book, mostly! In *Is Everyone Hanging Out Without Me?*, Mindy invites readers on a tour of her life and her unscientific observations on romance, friendship, and Hollywood, with several conveniently placed stopping points for you to run errands and make phone calls. Mindy Kaling really is just a Girl Next Door—not so much literally anywhere in the continental United States, but definitely if you live in India or Sri Lanka. From the Hardcover edition.

Men Are Stupid . . . And They Like Big Boobs

This New York Times bestseller is a hilarious and inspiring tribute to the iconic comedian Joan Rivers by the person who knew her best--her daughter, Melissa. Joan and Melissa Rivers had one of the most celebrated mother-daughter relationships of all time. If you think Joan said some outrageous things to her audiences as a comedian, you won't believe what she said and did in private. Her love for her daughter knew no bounds—or boundaries, apparently. ("Melissa, I acknowledge that you have boundaries. I just choose to not respect them.") In *The Book of Joan: Tales of Mirth, Mischief and Manipulation*, Melissa shares stories (like when she was nine months old and her parents delivered her to Johnny Carson as a birthday gift), bon mots ("Missy, is there anything better than seeing a really good looking couple pushing a baby that looks like a Sasquatch who got caught in a house fire?"), and life lessons from growing up in the Rosenberg-Rivers household ("I can do tips and discounts and figure out the number of gay men in an audience to make it a good show. That's all the math you'll ever need."). These were just the tip of the iceberg when it came to life in the family that Melissa describes as more Addams than Cleaver. And at the center of it all was a tiny blond

force of nature. In *The Book of Joan*, Melissa Rivers relates funny, poignant and irreverent observations, thoughts, and tales about the woman who raised her and is the reason she considers valium one of the four basic food groups.
