"As far as I'm concerned, Richard S. Prather was the King of the paperback P.I. writers of the 60s. Shell Scott should be in the Top Ten of any readers list of favorite private eyes." --Robert J. Randisi For four decades, Richard S. Prather published over 40 works of detective fiction, most featuring his clever, cad-about-

town hero, Shell Scott. Known for their arched humor, punchy dialogue, and sunny Southern California locale, the Shell Scott books represent one of the greatest private eye collections ever produced. ALWAYS LEAVE 'EM DYING A Shell Scott Mystery Shell Scott. He's a guy with a pistol in his pocket and sex and violence on his mind. Not dead or alive – just dead. Always Leave 'Em Dying is the 9th book in the Shell Scott Mysteries, but you may enjoy reading the series in any order.

"Memory of Light, An aftermath of Gettysburg, is a moving story about Jefferson Coates a 19-year-old Yankee officer in the 7th Wisconsin's Iron Brigade who fought

bravely there and won a Medal of Honor. During the battle, he was blinded by shrapnel in both eyes and lay wounded on the battle field where a Confederate soldier tried to steal his boots. Fortunately another Confederate soldier rescued him by stopping the theft, giving him some water, and moving him to a safer place. He lay unattended for days before Union soldiers found him, gave him local care, and sent him by train to the then state-of-the-art Satterlee Hospital in Philadelphia. Jefferson refused to die and his determination and medical care kept him alive. But it was the loving care of Rachel Drew, a lady who sent him a warm soft quilt as a wounded-warrior present that gave him a reason to live and saved his life. They met, fell in love, and at her insistence used his veteran`s land grant benefit to purchase a homestead in Nebraska"--Amazon.com

They marry against Vivian's family's wishes--there's something about Jack that they just don't like--and as the war draws to a close, the couple travels to Windsor to meet Jack's family. But when Vivian meets Jack's mother and brother, everything she thought she knew about her husband gets called into question. Rushmore is the second work from the team of Wes Anderson and Owen Wilson following the success of their debut screenplay and film *Bottle Rocket*. It is a refreshingly offbeat comedy about young Max Fish, a precocious pupil at a

His personal life becomes similarly complicated when he falls for his elegant teacher, Rosemary Cross, and finds himself vying for her favor with Herman Blume—who is portrayed in the film by Bill Murray—the wealthy father of two of his classmates. ## **Slate Blues**

This is the story of two girls, racing through space like shadow and light. A photo negative, together they make the perfect image of a girl. Violet is the dark one, dressed in forever black, dreaming Technicolor dreams of spinning the world into her very own silver screen creation. Claire is like a real-life Tinker Bell, radiating love and light, dressing herself in wings of gauze and glitter, writing poems to keep away the darkness. The setting is L.A., a city as beautiful as it is dangerous, and within this landscape of beauty and pain Violet and Claire vow to make their own movie. Together they will show the world the way they want it to be, and maybe then the world will become that place--a place where people no longer hate or fight or want to hurt. But when desire and ambition threaten to rip a seamless friendship apart, only one thing can make two halves whole again--the power of love.

Francesca Lia Block's latest novel is a beautifully told story that boldly combines the world of film with the lyrical graceful language of poetry. The voices of two friends--one dark, one light--combine to tell a larger tale of love and loss, and the strength that comes from believing in dreams.
