After months of tests, x-rays, and inconclusive diagnoses, Alice underwent a CAT scan that revealed the truth: she was six months pregnant. At age forty-four, with no prenatal care and no insurance coverage for a high-risk pregnancy, Alice was besieged by opinions from doctors and friends about what was ethical, what was loving, what was right. ## **Hollywood's Eve**

Los Angeles in the 1960s and 70s was the pop culture capital of the world—a movie factory, a music factory, a dream factory. Eve Babitz was the ultimate factory girl, a pure product of LA, and Vanity Fair writer “Lili Anolik decodes, ruptures, and ultimately intensifies Eve’s singular irresistible glitz” (The New Yorker). The goddaughter of Igor Stravinsky and a graduate of Hollywood High, Eve Babitz posed in 1963, at age twenty, playing chess with the French artist Marcel Duchamp. She was naked; he was not. The photograph made her an instant icon of art and sex. Babitz spent the rest of the decade rocking and rolling on the Sunset Strip, honing her notoriety. There were the album covers she designed: for Buffalo Springfield and the Byrds, to name but a few. There were the men she seduced: Jim Morrison, Ed Ruscha, Harrison Ford, to name but a very few. Then, at nearly thirty, her It girl days numbered, Babitz was discovered—as a writer—by Joan Didion. She would go on to produce seven books, usually billed as novels or short story collections, always autobiographies and confessionals. Under-known and under-read during her career, she’s since experienced a breakthrough. Now in her mid-seventies, she’s on the cusp of literary stardom and recognition as an essential—as the essential—LA writer. Her prose achieves that American ideal: art that stays loose, maintains its cool, and is so simply enjoyable as to be mistaken for simple entertainment. For Babitz, life was slow days, fast company until a freak fire turned her into a recluse, living in a condo in West Hollywood, where author Lili Anolik tracked her down in 2012. Hollywood’s Eve, equal parts biography and detective story “brings a ludicrously glamorous scene back to life, adding a few shadows along the way” (Vogue) and “sends you racing to read the work of Eve Babitz” (The New York Times).

## **East of Eden**

A New York Times Bestseller “I’ll be forever changed by Dr. Eger’s story...The Choice is a reminder of what courage looks like in the worst of times and that we all have the ability to pay attention to what we’ve lost, or to pay attention to what we still have.”—Oprah “Dr. Eger’s life reveals our capacity to transcend even the greatest of horrors and to use that suffering for the benefit of others. She has found true freedom and forgiveness and shows us how we can as well.”

—Desmond Tutu, Nobel Peace Prize Laureate “Dr. Edith Eva Eger is my kind of hero. She survived unspeakable horrors and brutality; but rather than let her painful past destroy her, she chose to transform it into a powerful gift—one she uses to help others heal.” —Jeannette Walls, New York Times bestselling author of The Glass Castle Winner of the National Jewish Book Award and Christopher Award At the age of sixteen, Edith Eger was sent to Auschwitz. Hours after her parents were killed, Nazi officer Dr. Josef Mengele, forced Edie to dance for his amusement and her survival. The Choice is a life-changing book that will provide hope and comfort to generations of readers.

Here is Eve brought to life in a way religion and myth have never allowed—as a wife, a mother, and a woman. From a woman's first awakening to a mother's innermost hopes and fears, from moments of exquisite tenderness to a climax of shocking violence, Eve explores the very essence of love, womanhood, faith, and humanity.

### **Eve's Daughters**

Since antiquity, one story has stood at the center of every conversation about men and women. One couple has been the battleground for human relationships and sexual identity. That couple is Adam and Eve. Yet instead of celebrating them, history has blamed them for bringing sin, deceit, and death into the world. In this fresh retelling of their story, New York Times columnist and PBS host Bruce Feiler travels from the Garden of Eden in Iraq to the Sistine Chapel in Rome, from John Milton's London to Mae West's Hollywood, discovering how Adam and Eve should be hailed as exemplars of a long-term, healthy, resilient relationship. At a time of discord and fear over the strength of our social fabric, Feiler shows how history's first couple can again be role models for unity, forgiveness, and love. Containing all the humor, insight, and wisdom that have endeared Bruce Feiler to readers around the world, *The First Love Story* is an unforgettable journey that restores Adam and Eve to their rightful place as central figures in our culture's imagination and reminds us that even our most familiar stories still have the ability to surprise, inspire, and guide us today.

### **Becoming Eve**

The powerful coming-of-age story of an ultra-Orthodox child who was born to become a rabbinic leader and instead became a woman Abby Stein was raised in a Hasidic Jewish community in Brooklyn, isolated in a culture that lives according to the laws and practices of eighteenth-century Eastern Europe, speaking only Yiddish and Hebrew and shunning modern life. Stein was born as the first son in a dynastic rabbinical family, poised to become a leader of the next generation of Hasidic Jews. But Abby felt certain at a young age that she was a girl. She suppressed her desire for a new body while looking for answers wherever she could find them, from forbidden religious texts to smuggled secular examinations of faith. Finally, she

orchestrated a personal exodus from ultra-Orthodox manhood to mainstream femininity—a radical choice that forced her to leave her home, her family, her way of life. Powerful in the truths it reveals about biology, culture, faith, and identity, *Becoming Eve* poses the enduring question: How far will you go to become the person you were meant to be?

## **Fair Play**

Real stories. Real teens. Real crimes. A backyard brawl turned media circus filled with gang accusations turns a small, quiet town upside down in this second book in the new Simon True series. On May 22, 1995 at 7 p.m. sixteen-year-old Jimmy Farris and seventeen-year-old Mike McLoren were working out outside Mike's backyard fort. Four boys hopped the fence, and a fight broke out inside the dark fort made of two-by-four planks and tarps. Within minutes, both Mike and Jimmy had been stabbed. Jimmy died a short time later. While neighbors knew that the fort was a local hangout where drugs were available, the prosecution depicted the four defendants as gang members, and the crime as gang related. The accusations created a media circus, and added fuel to the growing belief that this affluent, safe, all-white neighborhood was in danger of a full-blown gang war. Four boys stood trial. All four boys faced life sentences. Why? Because of California's Felony Murder Rule. The law states that "a death is considered first degree murder when it is commissioned during one of the following felonies: Arson, Rape, Carjacking, Robbery, Burglary, Mayhem, Kidnapping." In other words, if you—or somebody you are with—intends to commit a felony, and somebody accidentally dies in the process, all parties can be tried and convicted of first degree murder and sentenced to life without parole, even if nobody had any intention of committing a murder. What really happened that day? Was it a case of robbery gone wrong? Gang activity? Or was it something else?

## **Gospel Principles**

"Failing schools. Underprivileged schools. Just plain bad schools." That's how Eve L. Ewing opens *Ghosts in the Schoolyard*: describing Chicago Public Schools from the outside. The way politicians and pundits and parents of kids who attend other schools talk about them, with a mix of pity and contempt. But Ewing knows Chicago Public Schools from the inside: as a student, then a teacher, and now a scholar who studies them. And that perspective has shown her that public schools are not buildings full of failures--they're an integral part of their neighborhoods, at the heart of their communities, storehouses of history and memory that bring people together. Never was that role more apparent than in 2013 when Mayor Rahm Emanuel announced an unprecedented wave of school closings. Pitched simultaneously as a solution to a budget problem, a response to declining enrollments, and a chance to purge bad schools that were dragging down the whole system, the plan was met with a roar of protest from parents, students, and teachers. But if these schools were so bad, why did people care so much about keeping them open, to the point that some would even go on a hunger strike? Ewing's answer begins with a story of systemic racism, inequality, bad faith, and distrust that stretches deep into Chicago history. Rooting her exploration in the historic African American neighborhood of Bronzeville, Ewing reveals that this issue is about much more than just schools. Black communities see the closing of their schools--schools that are certainly less than perfect but that are theirs--as one more in a long line of racist policies. The fight to keep them open is yet another front in the ongoing struggle of black people in America to build successful lives and achieve true self-determination.

## **The Truth About Eden**

The swooning Victorian ladies and the 1950s housewives genuinely needed to be liberated. That much is indisputable. So, First-Wave feminists held rallies for women's suffrage. Second-Wave feminists marched for Prohibition, jobs, and abortion. Today, Third-Wave feminists stand firmly for nobody's quite sure what. But modern women--who use psychotherapeutic antidepressants at a rate never before seen in history--need liberating now more than ever. The truth is, feminists don't know what liberation is. They have led us into a very boring dead end. Eve in *Exile* sets aside all stereotypes of mid-century housewives, of China-doll femininity, of Victorians fainting, of women not allowed to think for themselves or talk to the men about anything interesting or important. It dismisses the pencil-skirted and stiletto-heeled executives of TV, the outspoken feminists freed from all that hinders them, the brave career women in charge of their own destinies. Once those fictionalized stereotypes are out of the way--whether they're things that make you gag or things you think look pretty fun--Christians can focus on real women. What did God make real women for?

From the bestselling author of *The Vagina Monologues*--a powerful, life-changing examination of abuse and atonement. "A triumph of artistry and empathy." --Naomi Klein "A crucial step forward . . . This is an urgently needed book right now." --Jane Fonda "Unflinching candor . . . immeasurable grace." --Anita Hill "Courageous, transformative, and yes--healing." --Anne Lamott "Unflinchingly increases our understanding of the human experience." --Michael Cunningham "[The Apology] will change how all of us think about our souls." --Johann Hari "Shatteringly brilliant." --The Times "The geometry of toxic masculinity is contained within these pages." --Marc Maron Like millions of women, Eve Ensler has been waiting much of her lifetime for an apology. Sexually and physically abused by her father, Eve has struggled her whole life from this betrayal, longing for an honest reckoning from a man who is long dead. After years of work as an anti-violence activist, she decided she would wait no longer; an apology could be imagined, by her, for her, to her. *The Apology*, written by Eve from her father's point of view in the words she longed to hear, attempts to transform the abuse she suffered with unflinching truthfulness, compassion, and an expansive vision for the future. Through *The Apology* Eve has set out to provide a new way for herself and a possible road for others, so that survivors of abuse may finally envision how to be free. She grapples with questions she has sought answers to since she first realized the impact of her father's abuse on her life: How do we offer a doorway rather than a locked cell? How do we move from humiliation to revelation, from curtailing behavior to changing it, from condemning perpetrators to calling them to reckoning? What will it take for abusers to genuinely apologize? Remarkable and original, *The Apology* is an acutely transformational look at how, from the wounds of sexual abuse, we can begin to re-emerge and heal. It is revolutionary, asking everything of each of us: courage, honesty, and forgiveness.

### Ghosts in the Schoolyard

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. ### **The Book of Mormon**

This book contains Doctor Lumpkin's translation to English of the extracanonical stories describing Adam and Eve after they were cast out of the Garden of Eden. Having lain in a cave in northeast Africa for centuries prior to their discovery, the stories are intended to clarify what became of the first ever man and woman after they succumbed to temptation. Although not considered canon, they have received interest by Biblical scholars who have translated the original Ge'ez into various European languages. We hear the stories of Adam and Eve as they navigate the wilderness and eventually settle down to form a family. Their initial departure is marred by Eve fainting in shock at the landscape before them: God, however, offers encouragement and the pair are able to venture forth into the great unknown. Various other characters of the Biblical canon are introduced - Satan, having followed the pair from the Garden of Eden, attempts to further tempt and lead Adam and Eve astray by promising redemption or an easier life. The challenge of rearing and raising children is also detailed, with the formative years of Cain, Abel and their twin sisters occupying several chapters. Frequently, Adam and Eve consult with God through prayer. The Lord, although still angered by his creation's succumbing to the forbidden fruit upon the free, intervenes multiple times to offer guidance through the hardship. God teaches Adam that the difficulties of hunger, thirst, fatigue and pain are to be a part of life, but in sympathy to Adam's plight offers a bough of figs to ease his way. An intriguing supplement to the Book of Genesis, *The First and Second Books of Adam and Eve* remains a text of some interest to Biblical scholars and adherents of Christianity.

Life can be hard, cold, and painful. Or it can be pleasant, warm, and rewarding. The consequences of the choices we make in life determine which way it will be. We can't control many of life's events, but we can control how we deal with them. Our responsibility is to build a successful life in a world of confusion, pain, and disorientation. In Choices: Responsible Decisions for a Godly Life, author Dr. Robert F. Kirk explains that each of us is responsible for the outcome of our life. The individual choices we make in life determine what we will become. Kirk discusses the natural and spiritual choices that determine our success or failure, and he recommends the Book of Proverbs as a guide for Godly wisdom to assist us in those decisions. The Book of Proverbs, a powerful book that provides instruction and guidance, instructs us to partner with God in our choices using His wisdom. We don't have to travel the road of life alone. However, we must make our own choices and we need to choose wisely to be successful. Choices: Responsible Decisions for a Godly Life will help you make a plan for wise decisions in your life.
