Healthy Snacks to Go

The founder of the Twiniversity website offers a complete guide to expectant mothers for surviving the birth of twins, including how to breastfeed for two, sticking to a single sleeping schedule and provides a list of the most essential baby items. Original. 40,000 first printing.

Travels with Baby

A parent's guide to the trials and tribulations of toddlerhood, written in the popular style of Baby 411, shares practical advice in a question-and-answer format for easy reference and covers a wide range of topics, from potty-training and picky eating habits to discipline and identifying developmental problems. Original.

Richard Scarry's A Day at the Airport

Start small for big results with this inspiring guide to lifelong wellness—from popular health blogger and author of Operation Beautiful. In Healthy Tipping Point, Caitlin Boyle shares the down-to-earth philosophy and authoritative advice that has made her websites so popular. Believing that reaching a tipping point means much more than tipping the scales, Boyle helps readers find their personal ideal balance in food, fitness, love, and life, in a breakthrough program organized around three shifts:

- Get Real: Challenge negative-thought patterns to create space for success
- Eat Clean: Ditch conventional “diet” advice and follow a simple eating plan tailored to keep energy high, while helping the environment—including forty-

five delicious vegetarian recipes for foodies on the go • Embrace Strength: Commit to a high-powered fitness program designed to help one learn to love exercise and build a strong, lean body—with targeted guidance for novice runners, bikers, swimmers, and others Featuring twenty inspiring success stories and photos of people who have transformed their lives, the book proves that a healthy body is absolutely attainable. Healthy living and a healthy self-image go hand in hand. For anyone who struggles to get fit, Healthy Tipping Point provides the drive to thrive.

Secondhand

For use in schools and libraries only. Little Critter is headed out to sea with his dad. From catching fish to searching for blue whales, spending time on the water is a splash-filled good time!

3 Day Potty Training

3 Day Potty Training is a fun and easy-to-follow guide for potty training even the most stubborn child just 3 days. Not just for pee and poop but for day and night too! Lora's method is all about training the child to learn their own body signs. If the parent is having to do all the work, then the child isn't truly trained, but with Lora's method your child will learn when their body is telling them that they need to use the potty and they will communicate that need to you.

What to Expect: Before You're Expecting

Lisa Druxman, a certified personal trainer and fitness professional, knows one of the challenges new moms face: How do I get back into shape after giving birth? After Lisa gave birth to her first child, she developed exercises that she could do with her baby, using power walks, the stroller, and exercise tubing. Now she brings the proven techniques of Stroller Strides to moms everywhere, with a total fitness program for pre- and postnatal fitness and nutrition. In addition to stroller-based workouts, Lisa outlines front-pack carrier workouts and eating plans to combat post-baby weight gain, energy loss, and mood swings. LEAN MOMMY gives moms the ability to have it all: satisfying workouts, real results, and bonding time with baby.

Frozen 2 Read-Along Storybook and CD

A little girl wants to be called by her "real" name, Princess Baby, instead of the other nicknames her parents have for her. On board pages.

The Ethanol Papers

Get the recipes everyone is talking about in the debut cookbook from the wildly popular blog, Skinnytaste. Gina Homolka is America's most trusted home cook when it comes to easy, flavorful recipes that are miraculously low-calorie and made from all-natural, easy-to-find ingredients. Her blog, Skinnytaste is the number one go-to site for slimmed down recipes that you'd swear are anything but. It only takes one look to see why people go crazy for Gina's food: cheesy, creamy Fettuccini Alfredo with Chicken and Broccoli with only 420 calories per serving, breakfast dishes like Make-Ahead Western Omelet "Muffins" that truly fill you up until lunchtime, and sweets such as Double Chocolate Chip Walnut Cookies that are low in sugar and butter-free but still totally indulgent. The Skinnytaste Cookbook features 150 amazing recipes: 125 all-new dishes and 25 must-have favorites. As a busy mother of two, Gina started Skinnytaste when she wanted to lose a few pounds herself. She turned to Weight Watchers for help and liked the program but struggled to find enough tempting recipes to help her stay on track. Instead, she started "skinny-fying" her favorite meals so that she could eat happily while losing weight. With 100 stunning photographs and detailed nutritional information for every recipe, The Skinnytaste Cookbook is an incredible resource of fulfilling, joy-inducing meals that every home cook will love.

Family Favourites

Announcing the prequel! From Heidi Murkoff, author of the world's bestselling pregnancy and parenting books, comes the must-have guide every expectant couple needs before they even conceive - the first step in What to Expect: What to Expect Before You're Expecting. Medical groups now recommend that all hopeful parents plan for baby-making at least three months before they begin trying. And who better to guide want-to-be mums and dads step-by-step through the preconception (and conception) process than Heidi Murkoff? It's all here. Everything couples need to know before sperm and egg meet. Packed with the same kind of reassuring, empathic and practical information and advice that readers have come to expect from What to Expect, only sooner. Which baby-friendly foods to order up (say yes to yams) and which fertility-busters to avoid (see you later, saturated fat); lifestyle adjustments that you'll want to make (cut back on cocktails and caffeine) and those you can probably skip (that switch to boxer shorts). How to pinpoint ovulation, keep on-demand sex sexy, and separate conception fact from myth. Plus, when to seek help and the latest on fertility treatments - from IVF to surrogacy and more. Complete with a fill-in fertility journal to keep track of the baby-making adventure and special tips throughout for hopeful dads. Next step? What to Expect When You're Expecting, of course.

Healthy Tipping Point

Presents a wealth of strategies for motivating children to assist with housekeeping responsibilities, suggesting such

methods as the creation of a family calendar, planning busy night menus, and creating personalized storage spaces. Original. 40,000 first printing.

What to Do When You're Having Two

This book is perfect for fans of the hit Disney Channel Movie Descendants 2. Uma is the breakout star of the movie, and the baddest new Villain Kid. Her "Guide to the Isle" is filled with her tips, info, stories and inside scoop, including notes from her gnarly pirate gang and photos from the Isle!

Big Dirty Money

Inside Transracial Adoption provides creative, confident and pro-active guidance on how to build close, loving, and very real families consisting of individuals who are proud and culturally competent members of differing races. Drawing on research and personal experience, Steinberg and Hall offer detailed, step-by-step, get-real guidance for families about tough issues they have to face relating to race and adoption in domestic or international transracial adoptions: What's "normal?" Where do we live and go to school? Does class have an influence? How do children develop racial identity? What kind of impact does being raised by white parents have on a black child? Combining humor with empathy and hard truths, this book is an established classic guide to living Inside Transracial Adoption. It is essential reading for parents and the people who support them: whether considering transracial adoption for the first time or experienced veterans.

Happy Mumma = Happy Baby

From snuggling with their mother for warmth to venturing outside their den for the first time, the lives of baby otters are captured as they eat, rest, play and eventually learn how to swim in the icy waters. Original.

How Maui Slowed the Sun

An award-winning social scientist uses economic tools to challenge popular misconceptions about pregnancy to counsel women on how to navigate contradictory and extreme abstinence-style advice to promote empowerment, reduce risks and enable practical choices.

Baby Otter

"Revelatory, terrifying, but, ultimately, hopeful." -Elizabeth Kolbert, Pulitzer Prize-winning author of THE SIXTH EXTINCTION
From the author of Junkyard Planet, a journey into the surprising afterlives of our former possessions. Downsizing. Decluttering. Discarding. Sooner or later, all of us are faced with things we no longer need or want. But when we drop our old clothes and other items off at a local donation center, where do they go? Sometimes across the country-or even halfway across the world-to people and places who find value in what we leave behind. In *Secondhand*, journalist Adam Minter takes us on an unexpected adventure into the often-hidden, multibillion-dollar industry of reuse: thrift stores in the American Southwest to vintage shops in Tokyo, flea markets in Southeast Asia to used-goods enterprises in Ghana, and more. Along the way, Minter meets the fascinating people who handle-and profit from-our rising tide of discarded stuff, and asks a pressing question: In a world that craves shiny and new, is there room for it all? *Secondhand* offers hopeful answers and hard truths. A history of the stuff we've used and a contemplation of why we keep buying more, it also reveals the marketing practices, design failures, and racial prejudices that push used items into landfills instead of new homes. *Secondhand* shows us that it doesn't have to be this way, and what really needs to change to build a sustainable future free of excess stuff.

The Spirit of Christmas

Provides information about buying and using safe, well-made, and inexpensive supplies for children ages two through five, including Internet web addresses and advise on such topics as furniture, potty training, clothing, and toys.

The Conservative Case for Class Actions

Winner of a Lowell Thomas Award from the Society of American Travel Writers Foundation, the Gold Prize from the North American Travel Journalists Association, and a Silver in the National Parenting Publications Awards competition for parenting Resources. *Travels with Baby*, by celebrated family travel author and blogger Shelly Rivoli, helps parents plan every trip they'll take with their child from birth through 4 years. In addition to the major modes of transport covered in great detail--air travel (50 pgs.), travels by automobile (40 pgs.), cruise vacations (31 pgs.), rail travel (53 pgs. Including USA, Canada & Europe)--this "Ultimate Guide" also includes advice for traveling with children of different temperaments, health and safety considerations, suggestions for where to travel when during a child's first years, packing lists and travel-friendly baby gear recommendations, and more. As the Society for American Travel Writers Foundation declared, this guide is "a must have even for families who only travel occasionally."

Mrs. Clean Jean's Housekeeping with Kids

The most beloved princess movie of all time—Disney's Cinderella—is retold in the classic Little Golden Book format. It's perfect for Disney Princess fans ages 2-5, and available just in time for the movie's Diamond Edition DVD and Blu-ray release in fall 2012.

Sarah Fit: Get Skinny Again!

Peter Gossage's much-loved retelling of this famous Maori myth is now available as a sturdy board book. Faced with very short days and very long nights, Maui comes up with a plan to slow the Sun's passage through the sky. Peter Gossage's much-loved retelling of this famous Maori myth has captivated young children for generations.

Expecting Better

How ordinary Americans suffer when the rich and powerful break the law to get richer and more powerful--and how we can stop it. There is an elite crime spree happening in America, and the privileged perps are getting away with it. Selling loose cigarettes on a city sidewalk can lead to a choke-hold arrest, and death, if you are not among the top 1%. But if you're rich and commit mail, wire, or bank fraud, embezzle pension funds, lie in court, obstruct justice, bribe a public official, launder money, or cheat on your taxes, you're likely to get off scot-free (or even win an election). When caught and convicted, such as for bribing their kids' way into college, high-class criminals make brief stops in minimum security "Club Fed" camps. Operate the scam from the executive suite of a giant corporation, and you can prosper with impunity. Consider Wells Fargo & Co. Pressured by management, employees at the bank opened more than three million bank and credit card accounts without customer consent, and charged late fees and penalties to account holders. When CEO John Stumpf resigned in "shame," the board of directors granted him a \$134 million golden parachute. This is not victimless crime. Big Dirty Money details the scandalously common and concrete ways that ordinary Americans suffer when the well-heeled use white collar crime to gain and sustain wealth, social status, and political influence. Profiteers caused the mortgage meltdown and the prescription opioid crisis, they've evaded taxes and deprived communities of public funds for education, public health, and infrastructure. Taub goes beyond the headlines (of which there is no shortage) to track how we got here (essentially a post-Enron failure of prosecutorial muscle, the growth of "too big to jail" syndrome, and a developing implicit immunity of the upper class) and pose solutions that can help catch and convict offenders.

Disney The Nutcracker and the Four Realms: A Center Stage Pop-Up Book

Toddler Bargains

Based on the Disney film, Frozen 2, this exciting storybook-and-CD set features thrilling sound effects, word-for-word narration, and original movie voices!

Inside Transracial Adoption

Do you ever feel caught in an endless cycle of working harder and longer to get more while enjoying life less? The Stewart family did—and they decided to make a radical change. Popular Catholic blogger and podcaster Haley Stewart explains how a year-long internship on a sustainable farm changed her family's life for the better, allowing them to live gospel values more intentionally. When Haley Stewart married her bee-keeping sweetheart, Daniel, they dreamed of a life centered on home and family. But as the children arrived and Daniel was forced to work longer hours at a job he liked less and less, they dared to break free from the unending cycle of getting more yet feeling unfulfilled. They sold their Florida home and retreated to Texas to live on a farm with a compost toilet and 650 square feet of space for a family of five. Surprisingly, they found that they had never been happier. In *The Grace of Enough*, Stewart shares essential elements of intentional Christian living that her family discovered during that extraordinary year on the farm and that they continue to practice today. You, too, will be inspired to: live simply offer hospitality revive food culture and the family table reconnect with the land nurture community prioritize beauty develop a sense of wonder be intentional about technology seek authentic intimacy center life around home, family, and relationships Drawing from Pope Francis's encyclical on the environment, *Laudato Si'*, Stewart identifies elements of Catholic social teaching that will enhance your life and create a ripple effect of grace to help you overcome the effects of today's "throwaway" culture and experience a deeper satisfaction and stronger faith.

The Naked Mom

America's best-selling and best-loved guide to baby gear is back with an updated and revised edition! Yes, a baby book that actually answers the big question about having a baby: How am I going to afford all this? This new 12th edition adds the latest tips and advice on getting bargains on baby gear, including: Streamlined recommendations by parenting lifestyle, from a crib for space-challenged urban parents to an affordable car

seat for Grandma's car. New recommendations for baby feeding, from baby food processors to storage ideas for home-made baby food. BUDGET-FRIENDLY picks for dozens of items, from high chairs to infant car seats. Expanded coverage of the price war on diapers--who's got the best deals now?

Descendants 2: Uma's Wicked Book

Labeled photographs present a number of vehicles, including a helicopter, speed boat, dump truck, steamroller, lawnmower, fire engine, train, and school bus.

Magical Moments

This board book recreates iconic Disney Princess movie moments and features LED lights that show through every page representing fireworks, twinkling stars, and other magical moments!

What Baby Needs

When a family brings a new baby home, there are many changes. Older siblings may find it hard to understand the needs of the new baby, as well as the demands placed on mom and dad. Based on the attachment-parenting theories of the foremost authorities on parenting and childcare, William Sears, M.D., and Martha Sears, R.N., this book clearly explains baby's needs. The text emphasizes how siblings can be helpers to both baby and parents, while forging their own relationships with "their baby," and outlines the positive aspects of being an older girl or boy. Here is a warm, insightful book that will help the whole family joyously and lovingly welcome the newest member into their lives.

Lean Mommy

Feeding your family just got a whole lot easier and more affordable with these delicious recipes from Bargain Box. A selection of the highest rated recipes created by Nadia Lim and the Bargain Box team, they are set to become your family's new favourites - so get stuck in. Easy to prepare and value-packed these recipes include not only hearty dinners but also irresistible sweet treats. Portion sizes are generous enough to satisfy the largest appetite, and with a whole section dedicated to using up leftovers, you'll stretch your grocery budget that little bit further. Whether you're looking for a quick mid-week dinner or a healthier takeaway substitute, you're sure to find meals the whole family will love.

The Grace of Enough

Jam packed with easy, healthy, recipes and nutrition information.

Cinderella (Disney Princess)

Toddler 411

Jingling bells, sparkling stars, and presents under the decorated tree capture the sights, sounds, and spirit of the holiday in this colorfully illustrated picture book about the wonderful traditions of Christmas.

Big and Noisy

Brooke Burke knows all too well that when raising four children, running a household, tending a relationship, building a multimillion-dollar business, and pursuing a television career, there's no room for pretense or posturing. Rejecting the idea that there's some simple step-by-step path to the Perfect Body, the Perfect Relationship, or the Perfect Career, she reveals the truths about motherhood with the sincerity that today's smart, sexy, and soulful moms need. Brooke lets readers know what really goes on behind the scenes of her surprisingly ordinary life as a celebrity mom, and how she manages to make it all work on a good day! From tips on caring for themselves, to her own stories about the missteps she's made as a mother, to advice on how to handle the tough emotional challenges moms face, Brooke paints an honest picture of motherhood that all women can relate to, insisting that it's not about being right or wrong-it's about being their authentic, naked selves.

Dory's Sea of Wonders

In this brash and audacious debunking of the myths and manipulation that brought the world to oil addiction, alt fuel expert Marc J. Rauch brilliantly lays out how ethanol can change the planet for the better--and along the way helps us navigate the noise of petroleum advocates. The Ethanol Papers is a rough-and-tumble, no holds-barred crystallization of the ethanol vs. gasoline conflict. Written in plain jargon, non-scientists, non-academics, and politicians alike will find it compelling. Yet this is no "Idiots Guide to Biofuels" or "Alt Fuels for Dummies." Rather, The Ethanol Papers is the most in-depth and complete explanation of the ethanol-oil problem now available, targeted for smart people who demand facts.

Princess Baby

Dory teaches a class about some of the amazing sea creatures in the Great Barrier Reef.

The Skinnytaste Cookbook

Sarah Dussault, one of the most viewed fitness personalities on YouTube, with over 95,000 subscribers and over 110 million views, is going to get you fit and looking great. Sarah not only knows the right exercises to keep you in shape without wasting too much time or energy, but she also offers key insider tips on how to balance your life so you can live it without fear of ruining your diet and rebounding weight. With *Sarah Fit: Get Skinny Again!*, you'll not only shed the freshman 15, you'll learn how to maintain your weight so you can continue to stay fit post college. Unlike many other internet fitness sensations, Sarah is a certified personal trainer and has worked with big names in the health industry such as Bethenny Frankel and Ellie Krieger and has appeared in *Women's Health*, *Men's Health*, and on *Glamour.com*. Sarah will be doing a much-anticipated promotional tour in which she will give demonstrations and lead discussions on health and fitness. Each of her exercises is highly effective and fun to do, and with Sarah's friendly and stress-free approach, you will want to keep it up. With exercises such as the Standing Crunch-less Ab workout, the Lean, Mean Legging Routine, and the 10-Minute Butt Lifting workout, you'll watch those pounds melt away in no time and shape your body into the fittest version of yourself. Packed with step-by-step photographs, numerous insider tips and some of Sarah's favorite recipes, this fitness guide is all you need to regain and maintain the body you've always wanted.

The Artful Parent

Since the 1960s, the class action lawsuit has been a powerful tool for holding businesses accountable. Yet years of attacks by corporate America and unfavorable rulings by the Supreme Court have left its future uncertain. In this book, Brian T. Fitzpatrick makes the case for the importance of class action litigation from a surprising political perspective: an unabashedly conservative point of view. Conservatives have opposed class actions in recent years, but Fitzpatrick argues that they should see such litigation not as a danger to the economy, but as a form of private enforcement of the law. He starts from the premise that all of us, conservatives and libertarians included, believe that markets need at least some rules to thrive, from laws that enforce contracts to laws that prevent companies from committing fraud. He also reminds us that conservatives consider the private sector to be superior to the government in most areas. And the relatively little-discussed intersection of those two beliefs is where the benefits of class action lawsuits become clear: when corporations commit misdeeds, class action lawsuits enlist the private sector to intervene, resulting in a smaller role for the government, lower taxes, and, ultimately, more effective solutions. Offering a novel argument that will surprise partisans on all sides, *The Conservative Case for Class Actions* is sure to breathe new life into this long-running debate.
