Paradise Lost

A sumptuously illustrated adaptation casts the powerful imagery of F. Scott Fitzgerald's great American novel in a vivid new format. From the green light across the bay to the billboard with spectacled eyes, F. Scott Fitzgerald's 1925 American masterpiece roars to life in Katharine Woodman-Maynard's exquisite graphic novel--among the first adaptations of the book in this genre. Painted in lush watercolors, the inventive interpretation emphasizes both the extravagance and mystery of the characters, as well as the fluidity of Nick Carraway's unreliable narration. Excerpts from the original text wend through the illustrations, and imagery and metaphors are taken to literal, and often whimsical, extremes, such as when a beautiful partygoer blooms into an orchid and Daisy Buchanan pushes Gatsby across the sky on a cloud. This faithful yet modern adaptation will appeal to fans with deep knowledge of the classic, while the graphic novel format makes it an ideal teaching tool to engage students. With its timeless critique of class, power, and obsession, The Great Gatsby Graphic Novel captures the energy of an era and the enduring resonance of one of the world's most beloved books.

F. Scott Fitzgerald's The Great Gatsby

“Pure and lovely...to read Zelda’s letters is to fall in love with her.” —The Washington Post Edited by renowned Jackson R. Bryer and Cathy W. Barks, with an introduction by Scott and Zelda Fitzgerald's granddaughter, Eleanor Lanahan, this

compilation of over three hundred letters tells the couple's epic love story in their own words. Scott and Zelda Fitzgerald's devotion to each other endured for more than twenty-two years, through the highs and lows of his literary success and alcoholism, and her mental illness. In *Dear Scott, Dearest Zelda*, over 300 of their collected love letters show why theirs has long been heralded as one of the greatest love stories of the 20th century. Edited by renowned Fitzgerald scholars Jackson R. Bryer and Cathy W. Barks, with an introduction by Scott and Zelda's granddaughter, Eleanor Lanahan, this is a welcome addition to the Fitzgerald literary canon.

The Sublime Dimensions of Nationalism

The *Great Gatsby* is a novel written by American author F. Scott Fitzgerald and first published in 1925. It follows a cast of characters living in the fictional town of West Egg on prosperous Long Island in the summer of 1922. The story primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion for the beautiful Daisy Buchanan. Considered to be Fitzgerald's magnum opus, *The Great Gatsby* explores themes of decadence, idealism, resistance to change, social upheaval, and excess, creating a portrait of the Jazz Age or the Roaring Twenties that has been described as a cautionary tale regarding the American Dream. Francis Scott Key Fitzgerald (1896 - 1940) was an American author of novels and short stories, whose works are the paradigmatic writings of the Jazz Age, a term he coined. He is widely regarded as one of the greatest American writers of the 20th century.

The Originals: The Great Gatsby

Hailed as the 20th century's best American novel, F. Scott Fitzgerald's *The Great Gatsby* was first published in 1925. An exploration of a variety of themes—artistic and cultural dynamism, evolution of jazz music, economic prosperity, organised crime culture, technologies in communication—*The Great Gatsby*, is a reflection of the Roaring Twenties, often described as a cautionary tale of the 'American Dream'. In the summer of 1922, Jay Gatsby, a young and enigmatic millionaire falls in love with Daisy Fay Buchanan. Nick Carraway, a veteran of the Great War from the Midwest (and Daisy Fay Buchanan's cousin), rents a small house on Long Island, next to Jay Gatsby's opulent mansion where he throws extravagant parties. A series of extraordinary events unfold and Fitzgerald presents a critical social history of America through his unusual characters. The initial response to *The Great Gatsby* was mixed and the book sold only 20,000 copies. Fitzgerald died thinking himself to be a failed writer. His work came into prominence during World War II and *The Great Gatsby* joined the ranks of the world's leading classics. A satirical exposé of the Jazz Age, *The Great Gatsby* is a must-read for literature lovers.

Tales of the Jazz Age

A beautifully illustrated version of the original 1925 edition of F. Scott Fitzgerald's classic Great American novel. Widely considered to be the greatest American novel of all time, *The Great Gatsby* is the story of the wealthy, quixotic Jay Gatsby and his obsessive love for debutante Daisy Buchanan. It is also a cautionary tale of the American Dream in all its exuberance, decadence, hedonism, and passion. First published in 1925 by Charles Scribner's Sons, *The Great Gatsby* sold modestly and received mixed reviews from literary critics of the time. Upon his death in 1940, Fitzgerald believed the book to be a failure, but a year later, as the U.S. was in the grips of the Second World War, an initiative known as Council on Books in Wartime was created to distribute paperbacks to soldiers abroad. *The Great Gatsby* became one of the most popular books provided to regiments, with more than 100,000 copies shipped to soldiers overseas. By 1960, the book was selling apace and being incorporated into classrooms across the nation. Today, it has sold over 25 million copies worldwide in 42 languages. This exquisitely rendered edition of the original 1925 printing reintroduces readers to Fitzgerald's iconic portrait of the Jazz Age, complete with specially commissioned illustrations by Adam Simpson that reflect the gilded splendor of the Roaring Twenties.

The Short Stories of F. Scott Fitzgerald

F. Scott Fitzgerald's the Great Gatsby

The "Fresh Air" book critic investigates the enduring power of *The Great Gatsby* -- "The Great American Novel we all think we've read, but really haven't." Conceived nearly a century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know *The Great Gatsby*? As Maureen Corrigan, *Gatsby* lover extraordinaire, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully comprehend its power. Offering a fresh perspective on what makes *Gatsby* great-and utterly unusual-*So We Read On* takes us into archives, high school classrooms, and even out onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include *Gatsby*'s surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its profound commentaries on the national themes of race, class, and gender. With rigor, wit, and infectious enthusiasm, Corrigan inspires us to re-experience the greatness of *Gatsby* and cuts to the heart of why we are, as a culture, "borne back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own.

Coming Soon

Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation? The "seven seals." The "dragon." The "beast." The "sea of glass." The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many. In the midst of so much discussion about the end times, what does Revelation teach us about living in the present moment, with our eyes focused on the heavenly Jerusalem? Michael Barber's Coming Soon explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy, history, and biblical allusion. Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven, demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow. Coming Soon is a verse-by-verse commentary on the Book of Revelation using the Revised Standard Version: Catholic Edition of the Bible. Barber provides a Catholic interpretation, which sees the liturgical background of this book of Scripture—a perspective missing in many Protestant commentaries.

A Study Guide for F.Scott Fitzgerald's The Great Gatsby

Tales of the Jazz Age (1922) is a collection of eleven short stories by F. Scott Fitzgerald. Divided into three separate parts, according to subject matter, it includes one of his better-known short stories, "The Curious Case of Benjamin Button". All of the stories had been published earlier, independently, in either Metropolitan Magazine (New York), Saturday Evening Post, Smart Set, Collier's, Chicago Sunday Tribune, or Vanity Fair.

The Great Gatsby : Om Illustrated Classics

Diary of Thoughts

Presents a series of critical essays discussing the structure, themes, and subject matter of Fitzgerald's story of the love between wealthy Jay Gatsby and the beautiful Daisy Buchanan.

THE VEGETABLE, OR FROM PRESIDENT TO POSTMAN

The Great Gatsby, F. Scott Fitzgerald's third book, stands as the supreme achievement of his career. This exemplary novel of the Jazz Age has been acclaimed by generations of readers. The story of the fabulously wealthy Jay Gatsby and his love for the beautiful Daisy Buchanan, of lavish parties on Long Island at a time when The New York Times noted "gin was the national drink and sex the national obsession," it is an exquisitely crafted tale of America in the 1920s. Invited to an extravagantly lavish party in a Long Island mansion, Nick Carraway, a young bachelor who has just settled in the neighboring cottage, is intrigued by the mysterious host, Jay Gatsby, a flamboyant but reserved self-made man with murky business interests and a shadowy past. As the two men strike up an unlikely friendship, details of Gatsby's impossible love for a married woman emerge, until events spiral into tragedy. In its first year, the book sold only 20,000 copies. Fitzgerald died in 1940, believing himself to be a failure and his work forgotten. However, the novel experienced a revival during World War II, and became a part of American high school curricula and numerous stage and film adaptations in the following decades. Today, The Great Gatsby is widely considered to be a literary classic and a contender for the title "Great American Novel." In 1998, the Modern Library editorial board voted it the 20th century's best American novel and second-best English-language novel of the same time period. Cover of the first edition (1925) artist: Francis Cugat. EDITOR'S ACKNOWLEDGMENTS As I got older I decided to read again all those classics from the English, French and Spanish literature. Classics from my student days. Books I loved as a teenager growing up in France and books that I am wondering how would I remember them; the plot, the characters, how would I understand them now and how would they affect me now. As I have a background in film, I decided to edit a new version because I wanted to include some stills of the different artistic adaptations that were made through the years to help the reader jump into the author's world. Hope you'll enjoy the ride! A.

The Crack-up with Other Pieces and Stories

"The finest work of fiction by any American writer No American novel comes closer than Gatsby to surpassing literary artistry, and none tells us more about ourselves" THE WASHINGTON POST "A curious book, a mystical, glamorous story that's both boisterous and tragic" THE NEW YORK TIMES "Fantastic proof that chivalry, of a sort, is not dead" LIFE MAGAZINE It's the Roaring Twenties, and New York City is the place to be. Everything can be purchased, everyone can be bought. But, can you make money erase your past? It's the Roaring Twenties, and it is the time of over-indulgence. As far as the eyes can see and the mind can perceive, there are ostentatious displays of wealth and even more lavish displays of decadency. Unapologetic decadency. But, does it ever stop? It's the Roaring Twenties, and the great American Dream has been perverted. It no longer stands for anything profound that resonates with people. But, does the Idealism even attempt to stop the Materialism? As more and more people lose themselves to the lure of money, ironically the only person who

remains unaffected is Jay Gatsby, the enigmatic host of the most extravagant parties... In this definitive tale on American culture, Fitzgerald pits a chaste dream against the corrupting influences of wealth and comes up with an epic story that can only be defined as 'A Great American novel'.

THE GREAT GATSBY

F. Scott Fitzgerald: The Great Gatsby

Presents the complete text of the early version of "The Great Gatsby" along with a history of the work, explanatory notes, and a record of variants.

Teaching F. Scott Fitzgerald's The Great Gatsby from Multiple Critical Perspectives

The Vegetable, or From President to Postman is a short story by F. Scott Fitzgerald that he developed into a play. The main character, Jerry Frost is a low-level clerk. He is in an unhappy marriage and throughout the work he is striving for something more, yet he consistently falls short. The setting is both the Midwest and the East. Francis Scott Key Fitzgerald (1896 - 1940) was an American author of novels and short stories, whose works are the paradigmatic writings of the Jazz Age, a term he coined. He is widely regarded as one of the greatest American writers of the 20th century.

F. Scott Fitzgerald: Trimalchio

F. Scott Fitzgerald at Work probes the complex story behind the sources that inspired Fitzgerald, his writing of the novel, and the enduring legacy of The Great Gatsby.

On Booze (New Directions Pearls)

The Great Gatsby

Background information accompanies the story of a young man, newly rich, who tries to recapture the past and win back his former love, despite the fact that she has married

This Side of Paradise

THE GREAT GATSBY (1925 Edition)

A collection including the last complete unpublished short stories by F. Scott Fitzgerald, the iconic American writer of *The Great Gatsby* who is more widely read today than ever. *I'd Die For You* is a collection of the last remaining unpublished and uncollected short stories by F. Scott Fitzgerald, edited by Anne Margaret Daniel. Fitzgerald did not design the stories in *I'd Die For You* as a collection. Most were submitted individually to major magazines during the 1930s and accepted for publication during Fitzgerald's lifetime, but were never printed. Some were written as movie scenarios and sent to studios or producers, but not filmed. Others are stories that could not be sold because their subject matter or style departed from what editors expected of Fitzgerald. They date from the earliest days of Fitzgerald's career to the last. They come from various sources, from libraries to private collections, including those of Fitzgerald's family. Readers will experience Fitzgerald writing about controversial topics, depicting young men and women who actually spoke and thought more as young men and women did, without censorship. Rather than permit changes and sanitizing by his contemporary editors, Fitzgerald preferred to let his work remain unpublished, even at a time when he was in great need of money and review attention. "*I'd Die For You*," the collection's title story, is drawn from Fitzgerald's stays in the mountains of North Carolina when his health, and that of his wife Zelda, was falling apart. With the addition of a Hollywood star and film crew to the Smoky Mountain lakes and pines, Fitzgerald brings in the cinematic world in which he would soon be living. Most of the stories printed here come from this time period, during the middle and late 1930s, though the collection spans Fitzgerald's career from 1920 to the end of his life. The book is subtitled *And Other Lost Stories* in recognition of an absence until now. Some of the eighteen stories were physically lost, coming to light only in the past few years. All were lost, in one sense or another: lost in the painful shuffle of the difficulties of Fitzgerald's life in the middle 1930s; lost to readers because contemporary editors did not understand or accept what he was trying to write; lost because archives are like that, and good things can wait patiently in libraries for many centuries sometimes. *I'd Die For You And Other Lost Stories* echoes as well the nostalgia and elegy in Gertrude Stein's famous phrase "a lost generation," that generation for whom Fitzgerald was a leading figure. Written in his characteristically beautiful, sharp, and surprising language, exploring themes both familiar and fresh, these stories provide new insight into the bold and uncompromising arc of Fitzgerald's career. *I'd Die For You* is a revealing, intimate look at Fitzgerald's creative process that shows him to be a writer working at the fore of modern literature—in all its developing complexities.

Provides students of American Literature with introductory critical guides to the great works of American fiction.

The Great Gatsby: a Graphic Novel Adaptation

This Side of Paradise is the debut novel by F. Scott Fitzgerald, published in 1920. The book examines the lives and morality of post-World War I youth. Its protagonist Amory Blaine is an attractive student at Princeton University who dabbles in literature. The novel explores the theme of love warped by greed and status seeking, and takes its title from a line of Rupert Brooke's poem Tiare Tahiti. The novel famously helped F. Scott Fitzgerald gain Zelda Sayre's hand in marriage; its publication was her condition of acceptance.

Dear Scott, Dearest Zelda

Originally published: London: Virago, 2013

The Great Gatsby and Other Stories

Definitive novel of the "Lost Generation" focuses on the coming of age of Amory Blaine, a handsome, wealthy Princeton student. Fitzgerald's first novel and an immediate, spectacular success. Note.

The Great Gatsby

F. Scott Fitzgerald's The Great Gatsby

In The Great Gatsby, F. Scott Fitzgerald introduces the reader to the post-war America and offers a gripping social commentary on the themes of power, crime, betrayal, greed and a vivid peek into the American life in the 1920s, also known as the 'Roaring Twenties'. In the summer of 1922, Nick Carraway arrives in New York in pursuit of the big American dream. Nick, the story's narrator, moves in next door to the mysterious millionaire Jay Gatsby, the host of lavish weekly parties for the rich and the fashionable. Across the bay reside Nick's distant cousin Daisy and her philandering husband, Tom, an old classmate from Yale. Being the only link between Gatsby and his long lost love, Nick gets drawn into the enthralling world of the rich and takes the reader along on the ride, as he bears witness to their follies and emerges a new

enlightened man.

The Great Gatsby

A collection of F. Scott Fitzgerald's best drinking stories makes this the most intoxicating New Directions Pearl yet! "First you take a drink," F. Scott Fitzgerald once noted, "then the drink takes a drink, then the drink takes you." Fitzgerald wrote alcohol into almost every one of his stories. On Booze gathers debutantes and dandies, rowdy jazz musicians, lost children and ragtime riff-raff into a newly compiled collection taken from The Crack-Up, and other works never before published by New Directions. On Booze portrays "The Jazz Age" as Fitzgerald experienced it: roaring, rambunctious, and lush — with quite a hangover.

So We Read On

Love, ambition, and wealth take center stage in this collection of classic stories from the Jazz Age. Often described as the "Great American Novel," F. Scott Fitzgerald's The Great Gatsby is the quintessential story of love, ambition, and wealth in the Roaring Twenties. In the Long Island village of West Egg, the rich and mysterious Jay Gatsby pursues the now-married Daisy Buchanan, whom he last saw five years ago, before amassing his fortune. Along with the eleven short stories from

Fitzgerald's collection Tales of the Jazz Age—including "The Curious Case of Benjamin Button"—this Word Cloud edition makes a fine addition to anyone's bookshelf.

Flappers and Philosophers

Pigeonholed as a Jazz Age epicurean and an emblem of the Lost Generation, Fitzgerald was at heart a moralist struck by the nation's shifting mood and manners after WWI. Placing him among Progressives such as Charles Beard, Randolph Bourne, and Thorstein Veblen, David Brown reveals Fitzgerald as a writer with an encompassing historical imagination.

The Great Gatsby: A Novel

Critically acclaimed novelist Michael Farris Smith pulls Nick Carraway out of the shadows and into the spotlight in this fascinating look into his life before Gatsby. Before Nick Carraway moved to West Egg and into Gatsby's periphery, he was at the center of a very different story—one taking place along the trenches and deep within the tunnels of World War I. Floundering in the wake of the destruction he witnessed firsthand, Nick delays his return home, hoping to escape the questions he cannot answer about the horrors of war. Instead, he embarks on a transcontinental redemptive journey that takes him from a whirlwind Paris romance—doomed from the very beginning—to the dizzying frenzy of New Orleans, rife with its own flavor of debauchery and violence. An epic portrait of a truly singular era and a sweeping, romantic story of self-discovery, this rich and imaginative novel breathes new life into a character that many know but few have pondered deeply. A name=_Hlk41548694Charged with enough alcohol, heartbreak, and profound yearning to paralyze even the heartiest of golden age scribes, Nick reveals the man behind the narrator who has captivated readers for decades./a
