### **Girl, Stolen**

Second novel by this chart topping author! #1 Crime Thriller #1 Conspiracies Thriller "A great spy thriller! MI5 don't know what's hit them, nor does a nation impacted by a sudden disaster. What one critic said: "I wish I could write a review as well as the author wrote this book to do it justice. Another magnificent literature masterpiece from Tim Heath. I really enjoy the concept of the story-line which I must recommend to anybody into thrillers and high tech espionage. The frightening thing about it is this could actually be fact one day!" The back cover text: "John awakes to find himself in a hospital bed with no memory of how he got there. Then the visions start. Destruction and death. A last chance. The only one who can save millions of people. He is no hero. Could he do what was being asked of him?" If you like your British thriller, boiling with espionage as various secret service teams move around a damage but not defeated London, this is the one for you! Book 1 in the 'Shadow Man' series of thrillers. Book 2 ('The Shadow Man') is due out at Nov 2016. Here are some of the reviews for The Last Prophet; "Thrillers don't normally encourage you to ask such questions: Is this all there is to life? Can there be hope despite the certainty of death? Once bad, always bad - but can a person perhaps change? Is it possible to redeem oneself - perhaps through a heroic act or through one's love for others? Can one person sacrifice himself for everyone? Is it ethical for the community to sacrifice one person's life for everyone else's survival? Is it ethical to lie or even to build a web of lies in order to save

many from destruction? And yet despite - or perhaps because of? - these deep philosophical questions we are kept in suspense until the last page." "I have to say that I massively enjoyed this book from beginning to end. I enjoyed the plot, the characters, the ideas, the developing urgency of the story and the underlying theme of sacrifice. I enjoyed the mixture of covert teams operating against each other and the ensuing action well researched and thought through. In fact I can actually see something like this taking place one day-who knows, this may well be a Prophetic book!" "International espionage and sneaky twists provide the backdrop to some heart-wrenching decisions for the people we meet along the way. Not afraid to ask the big questions, The Last Prophet foretells a journey none of us would ever wish to make. If you like your thrillers with a dash of apocalypse and a side order of sacrifice, check this one out!" "Very good read. Couldn't put it down. Brilliant from beginning to end and very thought provoking. We are going to read it at our Book Cub next time. Thank you Tim." "This is an exciting fast moving story. Just as you are beginning to understand what is going on, a new factor comes into play and new complexities appear. Right up to the end it is not clear which way it will go and I couldn't put the book down." "A thriller in the traditional sense, but with an edgy provoking setting. The use of tension and revelation perfectly balanced to keep you turning pages late into the night. Political intrigue, together with subtlety revealed plot twists keep the reader alert and motivated to uncover the truth ahead of its telling. 3D characters challenge you to examine human nature and personal boundaries. A satisfying read with refreshingly strong female

characters." "A Riveting Spy Thriller! MI5, MI6, the South African Secret Service, and the Chinese-what more could you ask for in an international spy thriller. You have shadow governments, or rogue governments-or is this really the normal operating procedures for nations who want to take down their enemies, in revenge for spying on them? I highly recommend this book."

The bombshell is dropped, the news incredible. It could mean so much for so many. People think their prayers have been answered. Scientists promise this advancement will only be used for good. Good news is scarce and so people hold onto this promise of 'help' like a life preserver since that may be what it will be to them. Meanwhile a certain element of criminals is exploding and no one knows what to do with them. Every day the newspaper reveals new horrors. Victims rise along with the perpetrators. It is obvious the battle between good and evil is heating up. It is no longer popular to believe, to have faith or profess your Christianity. It is a time when all that matters to most is what they want for themselves. Selfishness is running rampant and cold hearts and lack of love and conscience are evident. One solution found is going to pull most down to the level of those doing this evil. As has been said is all evil needs to succeed is for good men to do nothing.

adulthood, Don't Ever Punch a Rockstar somehow rationalizes playing in a few hardcore/punk bands, touring, fighting, drinking, internet bullying, celebrity encounters, satanic curses, house fires, harassment and collecting an immeasurable amount of hate mail from some of the most illiterate human beings the world has to offer. Though Oprah will never add this into her book club, it's still a good lesson in accepting the negative with a laugh and gaining a new sense of temperance and humility. At the very least I will entertain you with a campy memoir and a detailed eye-opening account of the chaos that followed the infamous event that VH1 called one of the Most Shocking Moments in Rock and Roll. This is by no means the same old autobiography that you have read before. Don't Ever Punch a Rockstar combine elements of Get in The Van, Emails from and Asshole and Shit My Dad Says all in one hot mess of a story. Praise for the book - "Danny Marianino's Never Punch A Rockstar is a sock in the jaw to punk/metal scene conformity, and it hurts so good! Final score: North Side Kings 2, Danzig, 0." - STEVEN BLUSH, author/filmmaker, American Hardcore "As trenchant, sometimes funny, insightful and shocking as a punch in the face. WHICH is incidentally what started this whole ball rolling. A pretty potent look into the power of image and the punching of the face of arguably a legend of, well, face punching, Glenn Danzig, and the ensuing firestorm that followed. I'd give it 5 black eyes." -- EUGENE S.
