### One Love

CHAPTER I. Three invalids. - Sufferings of George and Harris. - A victim to one hundred and seven fatal maladies. - Useful prescriptions. - Cure for liver complaint in children. - We agree that we are overworked, and need rest. - A week on the rolling deep? - George suggests the River. - Montmorency lodges an objection. - Original motion carried by majority of three to one. There were four of us - George, and William Samuel Harris, and myself, and Montmorency. We were sitting in my room, smoking, and talking about how bad we were - bad from a medical point of view I mean, of course. We were all feeling seedy, and we were getting quite nervous about it. Harris said he felt such extraordinary fits of giddiness come over him at times, that he hardly knew what he was doing; and then George said that he had fits of giddiness too, and hardly knew what he was doing. With me, it was my liver that was out of order. I knew it was my liver that was out of order, because I had just been reading a patent liver-pill circular, in which were detailed the various symptoms by which a man could tell when his liver was out of order. I had them all. It is a most extraordinary thing, but I never read a patent medicine advertisement without being impelled to the conclusion that I am suffering from the particular disease therein dealt with in its most virulent form. The diagnosis seems in every case to correspond exactly with all the sensations that I have ever felt. [Picture: Man reading book] I remember going to the British Museum one day to read up the treatment for some slight ailment of which I had a touch - hay fever, I fancy it was. I got down the book, and read all I came to read; and then, in an unthinking moment, I idly turned the leaves, and began to indolently study diseases, generally. I forget which was the first distemper I plunged into - some fearful, devastating scourge, I know - and, before I had glanced half down the list of "premonitory symptoms," it was borne in upon me that I had fairly got it. I sat for awhile, frozen with horror; and then, in the listlessness of despair, I again turned over the pages. I came to typhoid fever - read the symptoms - discovered that I had typhoid fever, must have had it for months without knowing it - wondered what else I had got; turned up St. Vitus's Dance - found, as I expected, that I had that too, - began to get interested in my case, and determined to sift it to the bottom, and so started alphabetically - read up ague, and learnt that I was sickening for it, and that the acute stage would commence in about another fortnight. Bright's disease, I

was relieved to find, I had only in a modified form, and, so far as that was concerned, I might live for years. Cholera I had, with severe complications; and diphtheria I seemed to have been born with. I plodded conscientiously through the twenty-six letters, and the only malady I could conclude I had not got was housemaid's knee. I felt rather hurt about this at first; it seemed somehow to be a sort of slight. Why hadn't I got housemaid's knee? Why this invidious reservation? After a while, however, less grasping feelings prevailed. I reflected that I had every other known malady in the pharmacology, and I grew less selfish, and determined to do without housemaid's knee. Gout, in its most malignant stage, it would appear, had seized me without my being aware of it; and zymosis I had evidently been suffering with from boyhood. There were no more diseases after zymosis, so I concluded there was nothing else the matter with me. I sat and pondered. I thought what an interesting case I must be from a medical point of view, what an acquisition I should be to a class! Students would have no need to "walk the hospitals," if they had me. I was a hospital in myself. All they need do would be to walk round me, and, after that, take their diploma.

## **The Brothers Karamazov**

As the Gypsies gather in the ancient village of Les-Saintes-Maries-de-la-Mer for the annual celebration honoring their patron saint, a mystical convergence of events brings four adolescents together at a haunted house and sets them on a perilous quest to locate a centuries-old manuscript that holds the power to release the devastating force of the Ancient Ones upon the Earth. Fifteen-year-old Sarah and her younger brother Luca are lonely Gypsy kids who travel about Europe with their parents. Forced by their Gypsy father to beg and pick pockets for money, Sarah and Luca find it impossible to earn their father's approval. Fifteen-year-old Edgar cannot stand his parents (and the feeling is mutual) when the family moves from New Jersey to France so that his parents can live out their dream of being French aristocracy. Fourteen-year-old Aleck's world is turned upside down when his parents are killed in a car crash and his older sister decides that he would be better off in France with their Aunt and Uncle whose real concern is their own lavish lifestyle. Beset by their parents and guardians, the four young people must also survive the mercurial activities of a spirit haunting the house that holds clues to the location of the manuscript which is also sought by a secret society bent on locating it for their own purposes. In a frenzied chase that takes them from the ancient villages of Provence through the blood-soaked quarries of Roussillon to the macabre catacombs of Paris, the four must put aside their differences and suspicions to outwit the evil forces who would stop at nothing to get their hands on the ancient book. "From the Grave: The Prayer" is a classic tale of terror, suspense and intrigue set in southern France, written by the Master of the Macabre, William Castle.

## **The Boy with the U.S. Census**

My father taught me the importance of an eye for an eye—a cardinal rule, ingrained in every club member. A life for a life.

Seven lives in payment for an unimaginable list of sins. People might wonder why I'm doing this. If this vengeance is borne from some noble cause, that I'm trying to prevent others from suffering at the hands of Dornan Ross and his sons. But I'm no vigilante. I'm doing it for me. I'm doing it because I want to. Because the look on Maxi and Chad's faces when I killed them was a balm to my soul. This is the fate they have earned. The penance for their crimes. Two down, five to go. Time to send some of these brothers off with a bang.

## **Cruel Beginnings**

Settling into a peaceful life in Key West, Reacher is disturbed when a stranger comes looking for him, a man who turns up dead in the Old Town cemetery and who leads him on a perilous trail to New York.

## **Hollow Point: A MacKenzie Family Novella**

NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. A New York Times Notable Book One of the Best Books of the Year The Boston Globe, The Christian Science Monitor, The Denver Post, The Kansas City Star, Los Angeles Times, New York, People, Rocky Mountain News, Time, The Village Voice, The Washington Post

## **Seven Sons**

The first time Melanie Ross meets April Hall, she's not sure they have anything in common. But she soon discovers that they both love anything to do with ancient Egypt. When they stumble upon a deserted storage yard, Melanie and April decide it's the perfect spot for the Egypt Game. Before long there are six Egyptians, and they all meet to wear costumes, hold ceremonies, and work on their secret code. Everyone thinks it's just a game until strange things start happening. Has the Egypt Game gone too far?

## **Stone Princess**

Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, *The Brothers Karamazov* is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. *The Brothers Karamazov* remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Brothers Karamazov* is both modern and readable.

## **Verona Blood**

This extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities, where some 40,000 people still practice polygamy. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

## **Three Years**

\*Please note this book is dark romance and deals with serious themes including rape, violence and murder.\* This story unfolds over seven volumes approx. 25 - 30,000 words each. My father was most certainly NOT an innocent man. As the leader of the Gypsy Brothers MC, he was guilty of many things. But he died for a crime that he didn't commit, framed by an enemy within who then stole his club and everything he had ever worked to protect. Including my innocence. When Dornan Ross framed my father, he set into motion a series of events that could never be undone. My father was murdered by

Dornan Ross and his sons when I was fifteen years old. Before my father died, Dornan and his sons stole my innocence, branded my skin and in doing so, ensured that their lives would be prematurely cut short. That they would suffer. I've just turned twenty-one, and I'm out for blood. I'm out for revenge. But I didn't expect to fall for Jase, the youngest brother in the club. I didn't expect that he would turn my world upside down, yank my heart out of my chest and ride away into the sunset with it. Now, I'm faced with an impossible choice - Jase, or avenging my fathers death?

## **Going Gypsy**

### **Zero Hour**

It's 1937, the eve of World War II. At twenty-six years old, Rezi Lehrer leaves Munkacs, a small charming city located deep within a remote corner of the Carpathian mountains and travels alone to the United States. War breaks out and Eastern European borders are sealed. Rezi's family is trapped in Czechoslovakia and the packages she sends home are returned unopened. When the war ends, Rezi discovers her parents, two brothers and scores of relatives perished in the Holocaust. Gypsy Music Street is the story of one woman's endless sorrow and guilt she suffers at the loss of her family, the family she left behind "to die alone." Yet she still yearns to return to her town, "the little Paris of the East," to see it just one more time. But after the war, countries borders are redrawn and Mukacevo is no longer located in Czechoslovakia. It becomes completely closed off within the iron grip of the Soviet Union and the political climate is one of Cold War. Mukacevo is off limits for travel. As the years pass, Rezi reminisces, sharing her longing and grief about the past with her daughter Bobbie. And when she dies an old woman, her dream unfulfilled, Bobbie is driven by her own loss and grief to make this journey home for her mother, and for herself. Adventures in Budapest, Ukraine and Israel make Gypsy Music Street an enthralling memoir of love and loss. Yet, it is also a story of the overwhelming joy a daughter experiences when she travels back in time and discovers her own torn roots.

### **Six Brothers**

### **The Nursery Rhymes of England**

\*Please note this book is a dark romance and deals with serious themes\* Every day for six years, I used to pray that I would find my way back to the boy I loved. Until finally, one day, I did. But that's the funny thing about life. Nothing good ever lasts, not for me, anyway. You think you're the one with the power, at least I did, but then I got careless. One tiny mistake,

and now I am powerless to stop what comes next. People think money equals power, but all the money in my bank account, the dirty notes laundered clean that my father left for me, are useless. Money does not equal power. Power is held by the one with the knife in his hand, tracing shallow cuts into your skin. Power is held by the one who owns you. I had power once. Now, I have nothing. Three Years is the 5th book in the Gypsy Brothers series. The series should be read in the following order: Seven Sons (Gypsy Brothers, #1) Six Brothers (Gypsy Brothers, #2) Five Miles (Gypsy Brothers, #3) Four Score (Gypsy Brothers, #4) Three Years (Gypsy Brothers, #5) Two Roads (Gypsy Brothers, #6) One Love (Gypsy Brothers, #7 - final installment coming December 2014)

## **Sinfully Sexy**

USA Today bestselling author, Lili St. Germain, brings sizzle and suspense to Liliana Hart's MacKenzie family with HOLLOW POINTFormer LAPD cop turned reluctant mercenary, Elliot McRae has never set foot in Surrender, Montana. So why are the police suddenly so insistent on hauling him there, against his will, for a missing persons case? He's screwed, as one particular - particularly beautiful - FBI Agent delights in reminding him. You don't just get to blow up a warehouse full of bikers and walk away, even if you're avenging the suffering of innocents. This woman owns him. And he'll have to do whatever she damn well pleases to avoid a pretty pair of silver bracelets and life without parole. Detective Isobel Sazerac loves the thrill of the chase. Finding hidden things is this FBI agent's super power, and she always works alone. But when her latest missing 'thing' is a federal judge's 19-year-old daughter, even she may need a helping hand. Oh, she's also an unapologetic man-eater. She knows Elliot is the key to solving this case. And she'll go far beyond the call of duty to make sure he helps her succeed. Isobel and Elliot have danced this dance before, but the stakes weren't nearly as high. Isobel knows Elliot. Elliot knows Isobel. Intimately. But neither of them knows the dark things, the hollow, empty places inside each other that demand to be revealed. At least, not yet.

## **The Spirit Catches You and You Fall Down**

Katherine Gates has been in love with Cash Greer since the moment he saved her life from a runaway goat. According to Cash, she's the little sister he never had, the greatest roommate in the world and his favorite coworker. They're friends—best friends. In the dark days of her youth, it was her friendships that kept her alive and made life in a junkyard worth living. So she's learned to shove her feelings for Cash down deep, even if that means ignoring eyes that shine brighter than the Montana summer sun and the smile that illuminates the snowiest winter day. Except with every passing year, the denial takes its toll on her wounded heart until one day Katherine decides to take an impulsive road trip to the Oregon coast. Alone. That is, until Cash cons his way into the passenger seat. The farther they travel, the harder it is to pretend. And when she confesses her feelings, she learns that Cash has some secrets of his own. Secrets that will either

bond them together. Or rip them apart.

## **Quarter Miles**

A study in the collision between Western medicine and the beliefs of a traditional culture focuses on a hospitalized child of Laotian immigrants whose belief that illness is a spiritual matter comes into conflict with doctors' methods.

## **Three Years**

Juliette and Jase may be out of Dornan's immediate reach, but as tensions rise, will they end up walking right into the enemy's trap? Can Juliette forgive Jase for his devastating betrayal, or will it destroy everything they've been fighting for?

## **Two Roads**

An arranged marriage. A brutal abduction. And a love so forbidden, it might consume them both.

## **Four Score**

## **Gypsy Music Street**

Almost every couple faces a “now what?” moment as their last kid moves out of the house. There’s a big empty nest looming over this new and uncertain stage in their lives. David and Veronica James chose to look at this next phase of life as a beginning instead of an ending. Rather than staying put and facing the constant reminders of empty bedrooms and backseats, a plan began to develop to sell the nest and hit the highway. But could a homebody helicopter mom learn to let go of her heartstrings and house keys all at once? Filled with a sense of adventure and humor, *Going Gypsy* is the story of a life after raising kids that is a celebration of new experiences. Pulling the rip cord on the daily grind, David and Veronica throw caution to the wind, quit their jobs, sell their house, put on their vagabond shoes, and go gypsy in a beat-up old RV found on eBay. On a journey of over ten thousand miles along the back roads of America (and a hysterical, error-infused side trip into Italy), they conquer old fears, see new sights, reestablish bonds with family and friends, and transform their relationships with their three grown children from parent-child to adult-to-adult. Most importantly, they rediscover in themselves the fun-loving youngsters who fell in love three decades prior.

## Tripwire

A GIRL WITH A DARKNESS He comes to my room every night. Whispers sweet violence in my ear, one hand wrapped tight around my throat as we do things we shouldn't. Maybe it's wrong when my knees fall open, and his mouth drowns my moans, but I'll take the wrong. I'll take whatever he gives me, because without him, I'm nothing. Not every girl wants a happy ever after. Some of us just want to survive. 'Devastatingly good. Unputdownable. Mind Blowing.' - Desperately Seeking HEA's Book Blog

## Three Men in a Boat

The final, shocking conclusion to the #1 bestselling Gypsy Brothers series. Juliette Portland's purpose was simple: Seduce. Kill. Avenge. Once Dornan Ross and his sons were dead, her future was supposed to be clear. Her life was finally going to begin. And love Against all the odds, she had the love of a boy she never thought she'd see again. Everything should have gone according to plan. Everything should have been easy once Dornan was dead and buried. But nothing's ever that easy, is it? Juliette I might have survived Dornan's wrath, but I was different then. Younger. Stupider. I've had too much time to think since I got out of the cage he locked me in. I've had too much time to dream about all the things he did to me. I think about revenge a lot. When I'm thinking of the way the light dimmed in Dornan's dying eyes and the way he said you killed my sons. How beautiful it was, and how hollow. Jason Sometimes, I can't tell if I'm starting to become him. My father. Dornan. The way I am, the things I've done-they make Juliette's sins look like child's play. Of course, I'd never tell her that. I'll never tell her the things I've done. It doesn't mean she won't find out anyway. \*\*Zero Hour is Book 8 in the USA Today Bestselling Gypsy Brothers series. ## Gypsy Brothers

I have lied. I have cheated. I have given my body and my life to the man who destroyed my family and left me for dead. I have killed, I have sinned, and worst of all, I have enjoyed the misery of others. I have licked the salty tears of a father mourning his firstborn son, and nothing has ever tasted so sweet. I have died, and I have been resurrected, a phoenix from the ashes. I know I'm going to hell. I'll burn in the fiery pits alongside Dornan and his sons for the things I've done, and for the things I'm about to do. But I don't care. It will be worth every lick of the devil's flames on my guilty flesh to destroy Dornan Ross. One down. Six to go.

## Five Miles

My father was not an innocent man. As the leader of the Gypsy Brothers Motorcycle Club, he was guilty of many things. But he died for a crime that he didn't commit, framed by an enemy within who then stole his club and everything he had ever worked to protect. Including my innocence. When Dornan Ross framed my father, he set into motion a series of events that could never be undone. My father was murdered by Dornan Ross and his sons when I was fifteen years old. Before my father died, Dornan Ross and his sons stole my innocence, branded my skin and in doing so, ensured that their lives would be prematurely cut short. That they would suffer. ## **The Last Book in the Universe**

A TANGLE of sequestered streets lying around a triple-towered cathedral; red roofs and gables massed under the ramparts of an ancient castle; a grey Roman arch lit up every spring-time by the wallflower's mimic gold; an old-world Bailgate over whose tavern yards drifted the sleepy music of the minster chimes; a crooked by-lane leading down to a wide common loved by the winds of heaven—these were the surroundings of my childhood's home in that hilltop portion of Lincoln which has never quite thrown off its medieval drowsiness. Not far from my father's doorstep, as you looked towards the common, lay a narrow court lined with poor tenements, and terminating in a bare yard bounded by a squat wall. Every detail of this alley stands out in my memory with the sharpness of a photograph; the cramped perspective of the place as you entered it from our lane, the dreary-looking houses with their mud-floored living-rooms fronting upon the roadway, the paintless doors and windows, the blackened chimneys showing rakish against the sky, all combined to make a picture of dun-coloured misery. There were, it is true, a few redeeming features gilding the prevailing drabness of the scene. The entrance to the court had a southerly outlook upon green fields stretching up to the verge of the Castle Dyking, or, to revive its more gruesome name, "Hangman's Ditch," so called from the grim associations of a bygone day. From these fields a clean air blew through the court, rendering it a less unwholesome haunt for the strange folk who dwelt within its precincts; while not half a mile distant lay the breezy common, a glorious playground for the children of Upper Lincoln.

Practice Makes Perfect! Get the practice you need to succeed on the ACT! Preparing for the ACT can be particularly stressful. McGraw-Hill Education: 10 ACT Practice Tests, Fifth Edition explains how the test is structured, what it measures, and how to budget your time for each section. Written by a test prep expert, this book has been fully updated to match the redesigned test. The 10 intensive practice tests help you improve your scores from each test to the next. You'll learn how to sharpen your skills, boost your confidence, reduce your stress—and to do your very best on test day. Features Include:

- 10 complete sample ACT exams, with full explanations for every answer
- Fully updated content that matches the current ACT
- A bonus interactive Test Planner app to help you customize your study schedule
- Scoring worksheets to help you calculate your total score for every test
- Free access to additional practice ACT tests online

## **McGraw-Hill Education: 10 ACT Practice Tests, Fifth Edition**

The 10th-anniversary edition of the No. 1 international bestseller and modern classic beloved by millions of readers **HERE IS A SMALL FACT - YOU ARE GOING TO DIE 1939**. Nazi Germany. The country is holding its breath. Death has never been busier. Liesel, a nine-year-old girl, is living with a foster family on Himmel Street. Her parents have been taken away to a concentration camp. Liesel steals books. This is her story and the story of the inhabitants of her street when the bombs begin to fall. **SOME IMPORTANT INFORMATION - THIS NOVEL IS NARRATED BY DEATH** The 10th-anniversary edition features pages of bonus content, including marked-up manuscript pages, original sketches, and pages from the author's writing notebook.

## **From the Grave**

Love and hate aren't all that different. Two sides of the same coin, the yin and the yang. Once upon a time, Jason Ross loved me. And now that he's in danger of figuring out what I've done, I see the love and the hate warring within him. I see the way he looks at me. The way he wonders how I could do the things I've done. I hear it in the way he begs me to stop, to leave his father and this life and never look back. But there's only one way I'm leaving LA. And that'll be when Dornan and the rest of his sons are dead and buried.

## **The Gypsy's Parson: His Experiences and Adventures**

Music, magic, and a real-life miracle meld in this genre-defying masterpiece from Newbery Honoree Pam Muñoz Ryan! Winner of a 2016 Newbery Honor, **ECHO** pushes the boundaries of genre, form, and storytelling innovation. Lost and alone in a forbidden forest, Otto meets three mysterious sisters and suddenly finds himself entwined in a puzzling quest involving a prophecy, a promise, and a harmonica. Decades later, Friedrich in Germany, Mike in Pennsylvania, and Ivy in California each, in turn, become interwoven when the very same harmonica lands in their lives. All the children face daunting challenges: rescuing a father, protecting a brother, holding a family together. And ultimately, pulled by the invisible thread of destiny, their suspenseful solo stories converge in an orchestral crescendo. Richly imagined and masterfully crafted, this impassioned, uplifting, and virtuosic tour de force will resound in your heart long after the last note has been struck.

## **Flying the Line**

Will Julz complete her mission for vengeance against the Gypsy Brothers? Or is Dornan still one step ahead? More shocking secrets will come to light and lives will be lost in this devastating instalment of the Gypsy Brothers series.

## **Echo**

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

## Speak

Presley Marks has just become a cliché: the jilted bride. Wearing a white dress, standing in front of her friends and family, she announces that her fiancé—according to his text—has forgotten about the wedding. Humiliated and angry, she hides from the world in the mundane routine of her life. Working at the Clifton Forge Garage isn't glamorous, but it's safe from the spotlight. At least it was, until Shaw Valance comes to town. The notorious Hollywood actor is starring in a movie based on the town's infamous murder. When he's not on set, Shaw hovers at the garage, watching as they build his custom motorcycle and irritating her with his handsome smile. He was supposed to leave once filming wrapped and go back to his fancy life, not buy the house next door. But Shaw might regret that purchase once Presley's ex-fiancé returns, bringing with him a war between old rivals that could burn both their houses down. \*\*\*\*\* "It. Was. Perfection. This was the book I didn't realize I needed in this series. I mean I knew I needed it, but I didn't know how much." - Novel Grounds "If you love romance with a bit of an edge, this is a must-read series!" - Aestas Book Blog "It wasn't only the characters, it was the beautifully rich Montana countryside Devney Perry so vividly captures, bringing the stunning landscape into our imaginations and making it a character of its own. What a perfect way to spend a weekend reading! romance

## **Conformity and Conflict**

A vibrant new voice . . . a modern classic. For generations, the Beaumont family has harbored a magical secret. They each possess a “savvy”—a special supernatural power that strikes when they turn thirteen. Grandpa Bomba moves mountains, her older brothers create hurricanes and spark electricity . . . and now it’s the eve of Mibs’s big day. As if waiting weren’t hard enough, the family gets scary news two days before Mibs’s birthday: Poppa has been in a terrible accident. Mibs develops the singular mission to get to the hospital and prove that her new power can save her dad. So she sneaks onto a salesman’s bus . . . only to find the bus heading in the opposite direction. Suddenly Mibs finds herself on an unforgettable odyssey that will force her to make sense of growing up—and of other people, who might also have a few secrets hidden just beneath the skin.

## **The Glass Castle**

The first full length Gypsy Brothers novel from the smash hit author Lili St Germain. Now a USA Today bestseller! How much is a life worth? I grew up in Columbia, the daughter of a wealthy drug lord. I lived a life of extravagance, until one day a drug run went horribly wrong and everything came crashing down around me. I was given away. A payment for a debt. The Gypsy Brothers motorcycle club became my owners, and I did everything I could to survive. But falling in love with the man who owned me wasn't part of the plan Praise for the Cartel trilogy: 'Awesome job Lili I am ready to hop on the back of a bike and join the club!' LiteraryGossip.com 'I can't believe it took me this long to finally pick up this author sign me up for more of the Gypsy Brothers!' Jasmine, GoodReads 'Sensational, shocking, compelling and totally addictive the best when it comes to dark, brooding and bloody romance' Kelly, Perusing Princesses

## **Gun Shy**

This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel Freak the Mighty, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

## **The Road**

Every day for six years, I used to pray that I would find my way back to the boy I loved. Until finally, one day, I did. But that's the funny thing about life. Nothing good ever lasts, not for me, anyway. You think you're the one with the power, at least I did, but then I got careless. One tiny mistake, and now I am powerless to stop what comes next. People think money equals power, but all the money in my bank account, the dirty notes laundered clean that my father left for me, are useless. Money does not equal power. Power is held by the one with the knife in his hand, tracing shallow cuts into your skin. Power is held by the one who owns you. I had power once. Now, I have nothing.

## **The Book Thief**

Tired of feeling like life is passing her by, Chloe Sinclair experiences a passionate encounter with a stranger she meets at a party, but her brief affair could have unexpected repercussions when she discovers that the stranger is actually cutthroat corporate raider Sterling Prescott, the man who is threatening to take over the TV station where she works. Original.

## **Under the Banner of Heaven**

The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.
