What if every young girl loved her body? Love Your Body encourages you to admire and celebrate your body for all the amazing things it can do (like laugh, cry, hug, and feel) and to help you see that you are so much more than your body. Bodies come in all different forms and abilities. All these bodies are different and all these bodies are good bodies. There is no size, ability, or color that is perfect. What makes you different makes you, you--and you are amazing! Love Your Body introduces the language of self-love and self-care to help build resilience, while representing and celebrating diverse bodies, encouraging you to appreciate your uniqueness. This book was written for every girl, regardless of how you view your body. All girls deserve to be equipped with the tools to navigate an image-obsessed world. Freedom is loving your body with all its "imperfections" and being the perfectly imperfect you!

Restless Waters

In a world where paranormals live side by side with humans, everybody knows about Ordinance 7304: the Bond Laws. Or, as the Paras snidely whisper to each other, the Claws Clause--a long and detailed set of laws that bonded couples must obey if they want their union to be recognized. Because it wasn't already damn near impossible to find a fated mate in the first place. Now the government just has to get involved I remember-- Three years ago, Maddox Wolfe lost his mate. Since there's nothing more dangerous than a bonded shifter on his own, Ordinance 7304 gave him three choices: voluntary incarceration until he's no longer deemed a threat; a lobotomy-like procedure performed by government-employed witches that would dissolve his bond; or, most final, a state-sanctioned execution so that he could be with his mate again. And while death held a certain appeal in the hazy days following the tragedy, Maddox had his family and his pack to live for. So, refusing to give up his memories of his sweet Evangeline, he chose to spend the rest of his days in the Cage. I forget-- There's a hole in Evangeline Lewis's memory. The doctors tell her that it's normal, that she'll recover fully in time. After all, it's only been three years since the accident that nearly killed her. They never thought she'd wake up; a nagging, annoying sensation that something's wrong is the least of her worries. Especially since she has so much going on: a new apartment, a new job, her mother's well-meaning attempts at match-making but tell that to her

wayward psyche. By day, she can't shake the feeling that something's missing. And, by night, she can't escape the dreams of a shadow man with glowing golden eyes. It's entirely by chance when Maddox's brother follows that familiar scent to the beautiful brunette with the haunted smile. But Colt knows immediately what he's found: Maddox's mate, alive if not altogether well. Once he learns the truth, Maddox will stop at nothing to get her back, even if it means he has to follow every twisted, convoluted letter of the ridiculous Claws Clause to do it. And when that doesn't work? Sometimes a wolf has to do what a wolf has to do. Stalking his mate, taking her captive until she remembers him if it works, he'll have his mate back. If it doesn't, he's dead. Even worse, Evangeline will probably hate him forever. Maddox is desperate enough to take those odds. *Hungry like a Wolf* is the first full-length novel (~100k words) in a paranormal romance series, featuring a determined alpha wolf shifter who goes a little dark without his mate and the woman who cheated death to find her way back to him. * With a couple destined to mate and a pair of alpha wolf brothers with potty mouths, this book is intended for adult readers due to on-page action and liberal profanity.

Tornado

One summer will challenge everything the Garrett sisters thought they knew about themselves—and each other in this captivating new novel by Jessica Spotswood. As the oldest, Des shoulders a lot of responsibility for her family and their independent bookstore. Except it's hard to dream big when she's so busy taking care of everyone else. Vi has a crush on the girl next door. It makes her happy and nervous, but Cece has a boyfriend so it's not like her feelings could ever be reciprocated, right? Kat lands the lead in the community theater's summer play, but the drama spills offstage when her ex and his new girlfriend are cast too. Can she get revenge by staging a new romance of her own? Bea and her boyfriend are heading off to college together in the fall, just like they planned when they started dating. But Bea isn't sure she wants the same things as when she was thirteen Told through four alternating points of view, readers will laugh, cry, and fall in love alongside the Garrett girls.

The Chaos of Standing Still

Every woman has had this experience: you get to the end of the day and realize you did nothing for you. And if you go days, weeks, or even months in this cycle, you begin to feel like you have lost a bit of yourself. While life is busy with a litany of must-dos--work, parenting, keeping house, grocery shopping, laundry and on

and on--women do not have to push their own needs aside. Yet this is often what happens. There's just no time, right? Wrong. In this practical and liberating book, Jessica Turner empowers women to take back pockets of time they already have in their day in order to practice self-care and do the things they love. Turner uses her own experiences and those of women across the country to teach readers how to balance their many responsibilities while still taking time to invest in themselves. She also addresses barriers to this lifestyle, such as comparison and guilt, and demonstrates how eliminating these feelings and making changes to one's schedule will make the reader a better wife, mother, and friend. Perfect for any woman who is doing everything for everyone--except herself--The Fringe Hours is ideal for both individuals and small group use.

Super Me

In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.

Just Right: Searching for the Goldilocks Planet

But really, how was this freshly-minted Boston transplant and newbie college freshman supposed to know that she would end up living with the family of an old friend of her mother's? This was all supposed to be temporary. Julie wasn't supposed to be important to the Watkins family, or to fall in love with one of the brothers. Especially the one she's never quite met. But what does that really matter? Finn gets her, like no one ever has before. They have connection. But here's the thing about love, in all its twisty, bumpy permutations—it always throws you a few curves. And no one ever escapes unscathed. New York Times best-selling author Jessica Park mines the territory of love's growing pains with wit, sharp insights, and a discernible heat and heartbeat. Her previous novels include *Relatively Famous*, and she authored the e-shorts *What the Kid Says (Parts 1 and 2)* and *Facebooking Rick Springfield*. Martin Bridge: Blazing Ahead!

In *Snow* in April, Caroline travels to Scotland, hoping to make contact with a brother she hasn't seen for years, and return in time for her wedding to the man her strong-willed stepmother thought so suitable. Then a sudden snow strands her in an isolated house with a young man recovering from tragedy. Both are on the brink of terrible mistakes, but perhaps they can save each other. When you read a novel by Rosamunde Pilcher you enter a special world where emotions sing from the heart. A world that lovingly captures the ties that bind us to one another—the

joys and sorrows, heartbreaks and misunderstandings, and glad, perfect moments when we are in true harmony. A world filled with evocative, engrossing, and above all, enjoyable portraits of people's lives and loves, tenderly laid open for us

Why Do We Need Rules and Laws?

"A funny and moving commentary on that point in a woman's life when everything seems to come into question." —Camille Perri, *The New York Times* "It's the superb insights and penetrating writing that make this book remarkable An extraordinary debut." —*The Guardian* "Enthralling, sharply observed" —*Marie Claire* "Hilarious The personal and workplace plots are woven together beautifully. Read, cringe, laugh, relate." —Lenny "In this cutting commentary on workplace toxicity and how its tendrils can strangle relationships, Winter uses humor to illuminate the state of modern work, family, and friendship." —*Elle.com* "Sassy, sarcastic and sleek, this is a wonderfully brash appraisal of how we live." —Colum McCann *One of Elle Magazine's 19 Summer Books That Everyone Will Be Talking About One of Cosmo's Reads for July One of Refinery29's Two New Books to Read in July by Brilliant Debut Authors* An irreverent and deeply moving comedy about friendship, fertility, and fighting for one's sanity in a toxic workplace. Jen has reached her early thirties and has all but abandoned a once-promising painting career when, spurred by the 2008 economic crisis, she takes a poorly defined job at a feminist nonprofit. The foundation's ostensible aim is to empower women, but staffers spend all their time devising acronyms for imaginary programs, ruthlessly undermining one another, and stroking the ego of their boss, the larger-than-life celebrity philanthropist Leora Infinitas. Jen's complicity in this passive-aggressive hellscape only intensifies her feelings of inferiority compared to her two best friends—one a wealthy attorney with a picture-perfect family, the other a passionately committed artist—as does Jen's apparent inability to have a baby, a source of existential panic that begins to affect her marriage and her already precarious status at the office. As *Break in Case of Emergency* unfolds, a fateful art exhibition, a surreal boondoggle adventure in Belize, and a devastating personal loss conspire to force Jen to reckon with some hard truths about herself and the people she loves most. Jessica Winter's ferociously intelligent debut novel is a wry satire of celebrity do-goodism as well as an exploration of the difficulty of navigating friendships as they shift to accommodate marriage and family, and the unspoken tensions that can strain even the strongest bonds. From the Hardcover edition.

Flat-Out Love

From New York Times bestselling author Jessica Park comes the long-anticipated sequel to *Left Drowning*. A storm is coming, and with storms come restless waters. Pulled from the depths of catastrophe and depression, Blythe McGuire has learned to escape from her past while embracing the future. A future now entwined in the

Shepherd siblings. With Chris, she shares a staggering romance that kicks heartbreak's ass. With Sabin, she shares an intense friendship, one that's becoming more complicated than either had expected. A friendship now being put to the test because Sabin's brutal past still haunts him. Because trauma is the gift that keeps on giving without mercy. Now Sabin is the one left drowning and struggling to breathe, and his turmoil threatens to send all three into dark currents they cannot escape. Even after going through her own hell, saving Sabin may take much more than Blythe had ever anticipated. Their connection and their love could help, but getting him to reach for her hand may be Blythe's biggest challenge ever.

Flat-Out Celeste

Stay With Me

*Please note: This is not a full retelling of Flat-Out Love, but rather a companion piece with select FOL chapters, and it is meant for readers who know the story very well.*Matt is a junior at MIT. He's geeky, he's witty, he's brilliant. And he's also very, very stupid. When beautiful, cool, insightful Julie moves in with Matt's family, why (oh why!) does he pretend to be his absent brother Finn for her alleged benefit? It seems harmless enough until her short-term stay becomes permanent. And until it snowballs into heart-squeezing insanity. And until he falls in love with Julie, and Julie falls in love with Finn. But ... Matt is the right one for her. If only he can make Julie see it. Without telling her the truth, without shattering them all. Particularly his fragile sister, Celeste, who may need Julie the most. You saw Matt through Julie's eyes in FLAT-OUT LOVE. Now go deeper into Matt's world in this FLAT-OUT MATT novella. Live his side of the story, break when his heart breaks, and fall for the unlikely hero all over again. Take an emotional skydive for two prequel chapters and seven FLAT-OUT LOVE chapters retold from his perspective, and then land with a brand-new steamy finale chapter from Julie. Author's Note: Two chapters, The Sleepover and Keep Going, contain more mature content than Flat-Out Love (Keep Going, in particular), and were written based on reader demand. They wouldn't have fit in well with the original Flat-Out Love, but given that this is a fan-driven companion piece, I think they work. While the content here is upped a bit, the scenes are tastefully done. (So, you know sorry to those who wanted lewd and graphic.) Facebook: AuthorJessicaPark

The Last Summer of the Garrett Girls

High school freshman Dani McKinley's world is rocked when she finds out that she is the daughter of B-list actor and notorious womanizer Mark Ocean. Mark is all too eager to get his acting career back on track, so he follows his agent's advice about cleaning up his image and invites his "new" daughter to spend the summer with him. Armed with credit cards, club memberships, and a new wardrobe, Dani spends the summer navigating the foreign culture of Hollywood. Her new friends school Dani in everything from attaching hair extensions to managing the paparazzi. She meets Jason, a gorgeous young personal trainer who is easy on the eyes and wildly flirtatious . . . But is this smug hottie the one for Dani? Or will she ignore her friends' eye rolling and go for Nate, the goofy but sweet surfer? Even tougher than all the new social pressures, is the challenge of trying to deal with her father. What Mark Ocean has in wealth, he sorely lacks in parenting skills. The fatherly interest Mark feigns has everything to do with charming the public and virtually nothing to do with connecting with his daughter. Dani desperately tries to teach her father that being a dad is not just about supplying her with Prada bags and trips to movie premieres, and the result of the clueless actor's attempts at fatherhood is both funny and heart-wrenching. Follow Dani and Mark while they struggle to figure out what it means to be father and daughter, and as they navigate their own complicated love lives. Humor, tears, heartache, and teen angst will leave you aching to see how their dilemmas are resolved.

The Wisdom of Crowds

He was tall, at least six feet, with dirty blond hair that hung over his eyes. His T-shirt read Nietzsche Is My Homeboy. So, that was Matt. Who Julie Seagle likes. A lot. But there is also Finn. Who she flat out loves. Complicated? Awkward? Completely. But really, how was this freshly-minted Boston transplant and newbie college freshman supposed to know that she would end up living with the family of an old friend of her mother's? This was all supposed to be temporary. Julie wasn't supposed to be important to the Watkins family, or to fall in love with one of the brothers. Especially the one she's never quite met. Hungry Like a Wolf

17-year-old Faye Aldright has never had it easy, but life gets a whole lot more complicated when her mind starts playing tricks on her. Like when she thinks she hears the radio say her name. It tells her to turn left and it keeps her from colliding with a deer in the road. But the radio couldn't have saved her life. Could it? Whatever is going on in Faye's head, it definitely doesn't feel 'super'. Unless, of course, you count feeling 'super' awkward because you think you heard someone say one thing--like ask you out--but then, actually, it turns out they definitely didn't ask you out at all. So, mostly, Faye just feels 'super' confused. And she ends up saying all the wrong things and then everything ends up so much worse. So how can what's happening to her be anything but bad news? Faye's got to get to the bottom of some stuff: What's the deal with her Mom's new boyfriend? What is going on with Faye's quirky teacher? And, most importantly, what's up with the new guy and all his secrets? Not that she cares about that guy. Not at all. As life gets more intense and snowballs out of control, Faye needs to put the pieces together in order figure out what's going on in her little town. But to do that, she must somehow embrace the super-weird, super-awkward ability she's developing and learn to trust in herself.

My Body Is Striped and Leafy

Old flames burn bright. When a disgraced starlet returns home to lick her wounds, she discovers that her high school sweetheart is just as tempting as ever. “No one writes big-hearted bad boys like Jessica Lemmon!”—New York Times bestselling author Lori Foster Allison: When I left for California, I gave myself a new name and never looked back. Now my carefully crafted good-girl image is getting torn to shreds in the press thanks to my Oscar-winning A-hole of an ex-boyfriend. So I escape to the only safe haven I know and trust—my hometown—to take a breather while I plot my triumphant Hollywood comeback. However, when I arrive at my parents’ house, Jackson Burke answers the door instead. And suddenly the past comes rushing back. . . . Jackson: First kiss. First time. First love. Yep, Allison Murphy and I shared a lot of firsts back in the day. When she left, she took half my heart with her. Now she’s back in town, and even though I swore I’d keep my distance, her parents hired me to remodel their house, and I’m going to finish the job. But one hot kiss later, suddenly the press is calling us the next big celebrity couple. Sure, I’ll play the part, for Allison’s sake—but I refuse to let her close enough to break my heart all over again. . . . Praise for America’s Sweetheart “Excellent contemporary romance—a second-chance love story that skillfully blends lighthearted sweetness and gut-wrenching emotion.”—New York Times bestselling author Lauren Layne “From Hollywood to the heartland, this sexy, poignant romance from Jessica Lemmon proves that you can go home again and rekindle your first love.”—Kate Meader, USA Today bestselling author of the Laws of Attraction series “America’s Sweetheart is the perfect second-chance reunion! Left Drowning

Weighted down by the loss of her parents, Blythe McGuire struggles to keep her head above water as she trudges through her last year at Matthews College. Then a chance meeting sends Blythe crashing into something she doesn't expect--an undeniable attraction to a dark-haired senior named Chris Shepherd, whose past

may be even more complicated than her own. As their relationship deepens, Chris pulls Blythe out of the stupor she's been in since the night a fire took half her family. She begins to heal, and even, haltingly, to love this guy who helps her find new paths to pleasure and self-discovery. But as Blythe moves into calmer waters, she realizes Chris is the one still strangled by his family's traumatic history. As dark currents threaten to pull him under, Blythe may be the only person who can keep him from drowning.

Dune

Rory Hightower had a good life. She had a loving family, great friends, and a job she adored, running Hope Valley's local watering hole, The Tap Room. But there was just one thing missing. Ever since she was a little girl she knew there was one special guy out there just for her. Her dream man. And when Cord walked into her bar, she knew instantly it was him. Which made losing him all the more painful. Cord Paulson had only ever had one person he could depend on. And that bond ran deep. But when he moved to Hope Valley and met the breathtaking bartender with the bright blue eyes and stunning smile, he felt an instant connection. He wanted Rory from the moment he laid eyes on her. But when his past came back and his loyalties were put to the test, he made the biggest mistake of his life. Then one night changes everything. After avoiding him for months, Rory has no choice but to lower her guard and let him back in. And Cord plans to use that to his full advantage. He's determined to repair the damage he caused to her heart and win her back. He may have lost the love of his life once already, but there's no way he'll make the same mistake twice.

The Prenup

Some people live their entire lives without changing their perspective. For Allison Dennis, all it takes is 180 seconds. After a life spent bouncing from one foster home to the next, Allison is determined to keep others at arm's length. Adopted at sixteen, she knows better than to believe in the permanence of anything. But as she begins her third year in college, she finds it increasingly difficult to disappear into the white noise pouring from her earbuds. One unsuspecting afternoon, Allison is roped into a social experiment just off campus. Suddenly, she finds herself in front of a crowd, forced to interact with a complete stranger for 180 seconds. Neither she, nor Esben Baylor, the dreamy social media star seated opposite her, is prepared for the outcome. When time is called, the intensity of the experience overwhelms Allison and Esben in a way that unnerves and electrifies them both. With a push from her oldest friend, Allison embarks on a journey to find out if what she and Esben shared is the real thing-and if she can finally trust in herself, in others, and in love.

America's Sweetheart

Devastated when her best friend moves away, sixteen-year-old Jessica Darling feels isolated at school and at home, as she struggles to deal with her father's obsession with her track meets, her boy-crazy peers, and her own nonexistent love life.

Clear

From the #1 New York Times bestselling author of the Ella and Micha series comes a gripping story of passion, pain, and the courage to love . . . THE TEMPTATION OF LILA AND ETHAN On the surface, Lila Summers is flawless: good looks, expensive clothes, and a big, beautiful smile. But a dark past and even darker secrets are threatening to bubble over her perfect façade. She'll do anything to keep the emptiness inside hidden—which leads her into situations that always end badly. Whenever she hits bottom, there's only one person who's there to pull her out: Ethan Gregory. Ethan set the rules a long time ago: he and Lila are just friends. He doesn't do relationships. Although his tattooed, bad boy exterior is a far cry from Lila's pretty princess image, Ethan can't deny they have a deeper connection than he's used to. If he's not careful, he could be in serious danger of becoming attached—and he's learned the hard way that attachment only leads to heartbreak. When Lila falls farther than she ever has before, can Ethan continue to help as a friend? Or is he also getting close to falling . . . for her?

A Library Journal Best Book of 2015 Go behind the scenes of seven of today's most popular narrative radio shows and podcasts, including *This American Life* and *RadioLab*, in graphic narrative. Every week, millions of devoted fans tune in to or download *This American Life*, *The Moth*, *Radiolab*, *Planet Money*, *Snap Judgment*, *Serial*, *Invisibilia* and other narrative radio shows. Using personal stories to breathe life into complex ideas and issues, these beloved programs help us to understand ourselves and our world a little bit better. Each has a distinct style, but every one delivers stories that are brilliantly told and produced. *Out on the Wire* offers an unexpected window into this new kind of storytelling—one that literally illustrates the making of a purely auditory medium. With the help of *This American Life*'s Ira Glass, Jessica Abel, a cartoonist and devotee of narrative radio, uncovers just how radio producers construct narrative, spilling some juicy insider details. Jad Abumrad of *RadioLab* talks about chasing moments of awe with scientists, while *Planet Money*'s Robert Smith lets us in on his slightly goofy strategy for putting interviewees at ease. And Abel reveals how mad—really mad—Ira Glass becomes when he receives edits from his colleagues. Informative and engaging, *Out on the Wire* demonstrates that narrative radio and podcasts are creating some of the most exciting and innovative storytelling available today. From the Trade

World's Best (and Worst) School Jokes

For high-school senior Celeste Watkins, every day is a brutal test of bravery. And Celeste is scared. Alienated because she's too smart, her speech too affected, her social skills too far outside the norm, she seems to have no choice but to retreat into isolation. But college could set her free, right? If she can make it through this grueling senior year, then maybe. If she can just find that one person to throw her a lifeline, then maybe, just maybe. Justin Milano, a college sophomore with his own set of quirks, could be that person to pull her from a world of solitude. To rescue her—that is, if she'll let him. Together, they may work. Together, they may save each other. And together they may also save another couple—two people Celeste knows are absolutely, positively flat-out in love. Whether you were charmed by Celeste in Flat-Out Love or are meeting her for the first time, this book is a joyous celebration of differences, about battling private wars that rage in our heads and in our hearts, and—very much so— this is a story about first love.

Tin Can Magic does exactly what it says on the tin – simple, delicious recipes using tinned ingredients Jessica Elliott Dennison understands the importance of having a capsule-wardrobe style cupboard of cheap, familiar tinned items that can be tweaked every week to create an interesting, seasonal menu. This book helps you do just that – focusing on easy meal solutions based around what readers might already have to hand, with smart ideas for adding flavour, freshness and contrast. Try your hand at Ramen-style miso noodles with crispy garlic and spring onion; Za'atar chicken and whipped butter bean dip, burnt greens and lemon; or Crispy coconut milk pancakes with prawns and garlic vinegar. If you're in the mood for something sweet, why not rustle up the Lemon pudding, Hazelnut frangipane cherry galettes or Miso-salted caramel? Tin Can Magic shows you that, with a little bit of guidance, and a tin or two from the back of the cupboard, you can create mouthwatering meals for any night of the week.

Sloppy Firsts

Strong winds send dirt and branches flying through the air. A huge tower of spinning air forms and destroys everything in its path. Houses are flattened and cars are tossed through the air. In this captivating introduction to tornadoes, early readers will be swept up in the dramatic text that describes the first signs of a tornado, its destructive power, and, most importantly, how to stay safe from a tornado's catastrophic winds. Each 24-page book features controlled text with age-appropriate vocabulary and simple sentence construction. Stunning photos closely align with descriptive text that will grab kids' attention. Emergent readers won't be able to stop turning the pages as they learn about the forces of nature that can wreak havoc on our world.

June O'Donnell and Saul Angert, the daughter and son of two long-feuding families, fall in love while trying to uncover the truth about a curse that has plagued their bloodlines for generations

The One and Only Bob

Being America's favorite heiress is a dirty job but someone's gotta do it. Lexington Larrabee has never had to work a day in her life. After all, she's the heiress to the multi-billion-dollar Larrabee Media empire. And heiresses are not supposed to work. But then again, they're not supposed to crash brand-new Mercedes convertibles into convenience stores on Sunset Boulevard either. Which is why, on Lexi's eighteenth birthday, her ever-absent, tycoon father decides to take a more proactive approach to her wayward life. Every week for the next year, she will have to take on a different low-wage job if she ever wants to receive her beloved trust fund. But if there's anything worse than working as a maid, a dishwasher, and a fast-food restaurant employee, it's dealing with Luke, the arrogant, albeit moderately attractive, college intern her father has assigned to keep tabs on her. In Jessica Brody's hilarious "comedy of heiress" about family, forgiveness, good intentions, and best of all, second chances, Lexi learns that love can be unconditional, money can be immaterial, and regardless of age, everyone needs a little saving. And although she might have fifty-two reasons to hate her father, she only needs one reason to love him.

Flat-Out Matt

Stella Ford's grasp on reality is already loose, and it's about to come undone. When the college junior flees Chicago and leaves her toxic family behind, she heads for coastal Maine to find the one person who brought her peace years ago: Sam Bishop. But the Sam she once knew now has painful secrets. Stella is determined to heal them both. Healing, however, is a challenge when the walls of her everyday existence collapse. And when Sam's best friend is his worst enemy. When the line between life and death blurs. When an end is just a beginning. When lust and rage rule. Yet during extraordinary chaos, there can be extraordinary love, even if that love comes with a twist. Welcome to death tripping. A thriller, a paranormal, and a passionate romance, CLEAR crosses genres and breaks boundaries. *Please note: Clear is a standalone. This book contains strong language and sexual content and is meant for mature readers. REVIEWS "This story is exquisitely twisted. It was a very psychologically demanding read for me not much catches me off guard or makes me squirm, but CLEAR manages to do both in the best possible ways! The pace is perfect, the tone is unapologetically raw and honest, and the result is intensely entertaining and mind-bending." -K and M's Book Haven "Every page is written with vivid attention to the intricate details and complex characters. Clear is poignant, raw, and sometimes downright gritty. Everything about it pushes boundaries, giving a completely new meaning to the moralities of life and death, love and loyalty, reality and perception." -Tammy and Kim Reviews "This unforgettable, incredible story will consume you. I devoured it. Clear is erotic, intense, and utterly addictive. It will mess with your mind and test your limits." -Confessions of a Book Whore "It is fast-paced, crazy, f***ed up, confusing, but an all around complete and total mind f*** that will leave you scratching your head and wanting to dive right back in to make sure you 'got' everything that happened,
