An Unseen Attraction

A beautiful, inspiring and heartwarming book about our human relationships with the birds who share our backyards. 'Do you ever wonder what birds are talking about as they fly by you? The sounds and songs of birds constantly surround us as we go about our lives. But what are they talking about? Or are they even talking or just mindlessly squawking and chirping? Why are so many urban birds so loud? Is there a message in what the birds are telling each

other?' Observing and interacting with all the different birds who visit Australian backyards leads naturally to questions about their behaviours, habits and needs. Why are they visiting? What do they want from us? For a bird, life in Australia means having mates: others who you can trust and work with to locate food and water, which can disappear as suddenly as it appears. As the humans who plant the gardens they live in and visit, what can we learn from Australia's often-cheeky birds? With a foreword by science journalist and broadcaster Robyn Williams AM, and chapters dedicated to discovering extraordinary information about Australia's innovative birds, *Your Backyard Birds* is a delightful and compelling read. With real stories from bird-loving citizen scientists, this fascinating book features new insights about the lives of our avian friends. *Your Backyard Birds*, written by a wildlife ecologist who is passionate about the vital role of citizen scientists, provides a fresh and lively perspective on human interaction with birds.

Spectred Isle

Previously published; newly revised by author I like my women like I like my whiskey: liable to kill me. The two parts of being a paranormal private investigator I could really do without are being forced to eat bananas by an animated statue with a potassium fixation, and being put on trial for murder by a self-appointed council of vampire oligarchs. To be fair, I did kind of do it (the murder, not the bananas). But I was kind of saving my girlfriend, who is kind of one of them. On top of this, I've also wound up with a

primordial queen of the damned trying to strangle me in my dreams. And the conspiracy of undead wizards who tried to sacrifice me fifteen years ago has decided that now is the best possible time to give it another go. Throw in the woman who left me for a tech start-up, the old girlfriend who I might sort of owe eternal mystical fealty to and a werewolf “it girl” who can’t decide if she wants to eat me in the good way or the bad way, and I’m beginning to think life would be easier if I made better choices. Then again, it’d be a whole lot less fun. This book is approximately 98,000 words

A Gentleman's Position

A private detective finds passion, danger, and the love of a lifetime when he hunts down a lost earl in Victorian London. On the trail of an aristocrat’s secret son, enquiry agent Mark Braglewicz finds his quarry in a music hall, performing as a trapeze artist with his twin sister. Graceful, beautiful, elusive, and strong, Pen Starling is like nobody Mark’s ever met—and everything he’s ever wanted. But the long-haired acrobat has an earldom and a fortune to claim. Pen doesn’t want to live as any sort of man, least of all a nobleman. The thought of being wealthy, titled, and always in the public eye is horrifying. He likes his life now—his days on the trapeze, his nights with Mark. And he won’t be pushed into taking a title that would destroy his soul. But there’s a killer stalking London’s foggy streets, and more lives than just Pen’s are at risk. Mark decides he must force the reluctant heir from music hall to manor house, to save Pen’s neck.

Shows how archaeologists gain knowledge about past ontologies, and explores the role that birds played in Bronze Age economy, ritual and religion.

Think of England

An embarrassment of pandas, a galaxy of starfish, a shiver of sharkstheses are all collective nouns used to describe their groups. Woop Studios, acclaimed for their work on the Harry Potter movies, has illustrated these quirky phrases, creating a series of extraordinarily beautiful art that has been collected here for the first time. The colorful introduction to animals and the alphabet is accessible for young children, while the gorgeous, whimsical art and clever wordplay make it perfect for design-savvy parents and inspired gift givers. Longer than the standard

Jackdaw

H is for Hawk meets The Duke of Deception in this wry, moving story of a young man who, as his estranged father is dying, saves a baby magpie only to find that caring for the mischievous bird has, in fact, saved him. One spring day, a baby magpie falls out of its nest and into Charlie Gilmour's hands. Magpies, he soon discovers, are as clever and mischievous as monkeys. They are also notorious thieves, and this one quickly steals his heart. By the time the creature develops shiny black feathers that inspire the name Benzene, Charlie and the bird have forged an unbreakable bond. While caring for Benzene, Charlie comes across a poem written by his biological father, an eccentric British poet named Heathcote Williams who vanished when Charlie was six months old. As he grapples with Heathcote's abandonment, Charlie is drawn to the poem, in which Heathcote describes how an impish young jackdaw—like magpies, also a member of the crow family—fell from its nest and captured his affection. Over time, Benzene helps Charlie unravel his fears about repeating the past—and embrace the role of father himself. A bird falls, a father dies, a child is born. Featherhood is the unforgettable story of a love affair between a man and a bird. It is also a beautiful and affecting memoir about childhood and parenthood, captivity and freedom, grief and love.

Blackbringer

Warrior's Way

Passion is on the cards for two reckless rogues as K. J. Charles ups the ante in her Society of Gentlemen series with a sizzling eBook short story. The youngest son and the blackest sheep in his family, Lord Gabriel Ashleigh never imagined he could sink so low. Though he's a notoriously bad gambler, he takes on the formidable but strangely alluring Francis Webster, only to lose everything: all his money, the lovely estate he inherited from his aunt, and any hope of future happiness. So it's a shock when Webster summons him to a private game for a chance to win back his possessions. The stake? If he fails, Ash must surrender his body. Francis has been waiting years for this moment. At Eton, Ash's elder brother harassed him relentlessly. Now, consumed by lust and rage, Francis is only too happy to exploit Ash's foolish indiscretions. But as Francis strips the magnificently built youth—first of his family assets, then his clothes—he begins to wonder whether he's been plotting revenge . . . or exquisite seduction. Praise for *The Ruin of Gabriel Ashleigh* "Oh my goodness, this short story was so gloriously sexy!"—Just Love Praise for the Society of Gentlemen series "The Regency period gets more rakish than ever in the Society of Gentlemen series. A Zeal of Zebras

A story too secret, too terrifying-and too shockingly intimate-for Victorian eyes. A note to the Editor Dear Henry, I have been Simon Feximal's companion, assistant and chronicler for twenty years now, and during that time my Casebooks of Feximal the Ghost-Hunter have spread the reputation of this most accomplished of ghost-hunters far and wide. You have asked me often for the tale of our first meeting, and how my association with Feximal came about. I have always declined, because it is a story too private to be truthfully recounted, and a memory too precious to be

falsified. But none knows better than I that stories must be told. So here is it, Henry, a full and accurate account of how I met Simon Feximal, which I shall leave with my solicitor to pass to you after my death. I dare say it may not be quite what you expect.

Slippery Creatures

In the sordid streets of Victorian London, unwanted desire flares between two bitter enemies brought together by a deadly secret. Crusading journalist Nathaniel Roy is determined to expose spiritualists who exploit the grief of bereaved and vulnerable people. First on his list is the so-called Seer of London, Justin Lazarus. Nathaniel expects him to be a cheap, heartless fraud. He doesn't expect to meet a man with a sinful smile and the eyes of a fallen angel—or that a shameless swindler will spark his desires for the first time in years. Justin feels no remorse for the lies he spins during his séances. His gullible clients simply bore him. Hostile, disbelieving, utterly irresistible Nathaniel is a fascinating challenge. And as their battle of wills and wits heats up, Justin finds he can't stop thinking about the man who's determined to ruin him. But Justin and Nathaniel are linked by more than their fast-growing obsession with one another. They are both caught up in an aristocratic family's secrets, and Justin holds information that could be lethal. As killers, fanatics, and fog close in, Nathaniel is the only man Justin can trust—and, perhaps, the only man he could love. Don't miss any of the captivating Sins of the Cities

Power, privilege, and the rigid rules of class leave two hearts yearning for connection in the sizzling new Society of Gentlemen novel from K. J. Charles. Among his eccentric though strictly principled group of friends, Lord Richard Vane is the confidant on whom everyone depends for advice, moral rectitude, and discreet assistance. Yet when Richard has a problem, he turns to his valet, a fixer of unparalleled genius—and the object of Richard’s deepest desires. If there is one rule a gentleman must follow, it is never to dally with servants. But when David is close enough to touch, the rules of class collide with the basest sort of animal instinct: overpowering lust. For David Cyprian, burglary and blackmail are as much in a day’s work as bootblacking—anything for the man he’s devoted to. But the one thing he wants for himself is the one thing Richard refuses to give: his heart. With the tension between them growing to be unbearable, David’s seemingly incorruptible master has left him no choice. Putting his finely honed skills of seduction and manipulation to good use, he will convince Richard to forget all about his well-meaning
