For the Love of God

Masterful combination of theological principles and practical application regarding divine love--the subject of Our Lord's first and greatest commandment. Based on Scripture, the Fathers, St. Thomas. An acknowledged classic which goes to the heart of our religion.

Treatise on the Love of God

In today's world, many people fail to experience the powerful freedom and healing of God's grace. Even Christians too often experience judgment rather than the love that is the vital essence of Christian life. This visionary guide calls believers back to the basics: understanding the promise of God's love to transform our most important relationships and fulfill our deepest spiritual needs. The moving insights found within illuminate the gentle nature of God's love and teach readers how to continue on the path of love by embracing it day by day.

Religious Giving

Only about the Love of God

The love of God is arguably the most central doctrine of the Christian faith, and yet, remarkably, the subject of God's love has not received the attention it deserves. In *Nothing Greater, Nothing Better* an international team of distinguished theologians and biblical scholars admirably fills this need, offering clear and inspiring discussion of the nature of God's love and its implications for the Christian life. Kevin J. Vanhoozer begins the book by outlining the proper theological context of and main issues involved in meaningful talk about God's love today. Gary D. Badcock revisits the distinction between agape and eros, crafting a fresh understanding of these terms in relation to God's loving act in Christ. Geoffrey

Grogan reviews the biblical evidence that ought to guide our thinking about God's love. Lewis Ayres examines Augustine's view of God's love as expressed in his commentary on 1 John and in his profound work on the Trinity. Trevor Hart examines the perils of using human language to speak of God, including attempts to fully grasp the concept of God's love. Alan J. Torrance looks for insight in the great Johannine assertion "God is love." Tony Lane queries the possibility of thinking about God's wrath and God's love together. Paul Helm asks whether God can love the world, turning, provocatively, to natural theology for an answer. David Fergusson takes up the vital eschatological concern: will the love of God ultimately triumph? The book closes with a sermon on Hosea 11 by Roy Clements that moves reflection on God's love from dogmatics to doxology. Though exploring the subject of God's love from many angles, these chapters are united in their understanding that it is not human love per se, but rather the love of the man Jesus -- representative both of God and of an authentic humanity -- that is the ultimate criterion for thinking about the love of God. Readers will find this volume both thought-provoking and spiritually uplifting.

Nothing Greater, Nothing Better

Complete with a daily Bible-reading plan, this devotional is sure to encourage and edify readers as they make their way through God's Word in the course of a year.

Of the Love of God

An in-depth look at a God who not only loves, but is love. Love has come to mean many things. It's used to describe emotions. It's the glue for relationships. It frames countless stories. And the greatest of these stories opens before time began and echoes throughout eternity. It's the story of God's unrelenting, overwhelming love for His people. Yet the truth of love is even more majestic, more staggering, and more extraordinary than we can understand: God doesn't just love us. He is love. Renowned theologian and teacher Dr. R.C. Sproul takes a remarkable look at this most profound truth. God's Love delves deep into Scripture to explore this dynamic attribute of God, which finds its ultimate expression in His Son. Dr. Sproul also examines seeming paradoxes of God, such as a loving God and divine hate, and how love coexists with His sovereignty. Practical, insightful, and revolutionary, God's Love compels and calls us to reflect His nature of unconditional love.

A Discourse Concerning the Love of God

The love of God is perhaps the most essential element in Judaism—but also one of the most confounding. In biblical and rabbinic literature, the obligation to love God appears as a formal commandment. Yet most people today think of love as a feeling. How can an emotion be commanded? How could one ever fulfill such a requirement? The Love of God places these scholarly and existential questions in a new light. Jon Levenson traces the origins of the concept to the ancient institution of covenant, showing how covenantal love is a matter neither of sentiment nor of dry legalism. The love of God is instead a deeply personal two-way relationship that finds expression in God's mysterious love for the people of Israel, who in turn

observe God's laws out of profound gratitude for his acts of deliverance. Levenson explores how this bond has survived episodes in which God's love appears to be painfully absent—as in the brutal persecutions of Talmudic times—and describes the intensely erotic portrayals of the relationship by biblical prophets and rabbinic interpreters of the Song of Songs. He examines the love of God as a spiritual discipline in the Middle Ages as well as efforts by two influential modern Jewish thinkers—Martin Buber and Franz Rosenzweig—to recover this vital but endangered aspect of their tradition. A breathtaking work of scholarship and spirituality alike that is certain to provoke debate, *The Love of God* develops fascinating insights into the foundations of religious life in the classical Jewish tradition.

For the Love of God

A new, inspirational collection of writings from Rabbi Harold Kushner, Mother Teresa, Dalai Lama, and other notable spiritual thinkers shares personal reflections and thoughts on spirituality, universal religious wisdom, and what meaning God holds for each of the contributors. Original. Lit Guild & Doubleday Direct.

For the Love of God, Vote!

I lift my eyes to the hills, from whence cometh my help (Psalm 121:1) I gazed out on the beauty of my native Ukraine in 1982, moved by the majesty of the Carpathian Mountains, the meadows and the Prut River, not knowing what challenges and suffering would be coming to me over the next several years. At this time, I was also not aware of how my faith through Christ and the Holy Spirit would sustain me through those times to come, living as a newly-repentant and saved Christian believer under the Communist regime, an atheistic, totalitarian, military government. With God's grace, it may also lead you to Christ through deep regeneration of your soul and being Born Again. If you already a believer, this story may reaffirm the faith you have from God, and may love of God by His Spirit fulfill your heart and you live with joy and peace with appreciation of freedom you have, which leads you to eternal life! The pictures are at the Prut River which means a mountain stick, for its beautiful nature says for its Ukrainian forests & valleys as the Ukrainian language sounds. Bukovina the name of area of Chernivtsi district, means beech tree. Looking at each leaf it always recalls my Heavenly Creator who helps me giving His faith to be loyal to my countrymen, foreigners even an enemy. The Lord who is builder and maker and also is the author and finisher of faith is always there

For the Love of God

For the Love of God, Marie!

"Oh, how I love your law. Your statutes are my heritage for ever; they are the joy of my heart " Psalm 119:97 - 111 "At their best," writes Don Carson, "Christians have saturated themselves in the Word of God." The means by which God sanctifies men and women, setting them apart as his own people, is the Word of truth. Many

people, however, would admit that they have allowed the pressures of life to crowd out serious and thoughtful reading of the Bible. Also, in a culture that has moved away from a Christian worldview, the Bible's unwavering proclamations and fantastic stories seem ever stranger. The big picture of the Bible is gradually fading from view. For the Love of God encourages us to face these challenges. Now, more than ever, the need to read the Bible and to grasp its relevance for our lives is critical. This companion volume to 'For the Love of God - Vol. 1', follows Robert Murray M'Cheyne's Bible-reading plan, taking you through the New Testament and Psalms twice and the Old Testament once. Don Carson has written thought-provoking comments and reflections to accompany one of each day's scriptural passages. And, most uniquely, he offers a perspective that places each reading into the larger framework of history and God's eternal plan, in order to deepen our understanding of his sovereignty and the unity and power of his Word.

For the Love of God (Vol. 1, Trade Paperback)

Treatise on the Love of God

Knowing the Love of God

In a world increasingly indifferent to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. Gregory Koukl demonstrates how to get in the driver's seat, keeping any conversation moving with thoughtful, artful diplomacy. You'll learn how to maneuver comfortably and graciously through the minefields, stop challengers in their tracks, turn the tables and---most importantly---get people thinking about Jesus. Soon, your conversations will look more like diplomacy than D-Day. Drawing on extensive experience defending Christianity in the public square, Koukl shows you how to: - Initiate conversations effortlessly - Present the truth clearly, cleverly, and persuasively - Graciously and effectively expose faulty thinking - Skillfully manage the details of dialogue - Maintain an engaging, disarming style even under attack Tactics provides the game plan for communicating the compelling truth about Christianity with confidence and grace.

A Treatise on the Love of God

Religious Giving considers the connection between religion and giving within the Abrahamic traditions. Each contributor begins with the assumption that there is something inherently right or natural about the connection. But what exactly is it? To whom should we give, how much should we give, what is the relationship between our giving and our relationship to God? Writing for the introspective donor, congregational leader, or student interested in ways of meeting human needs, the authors focus on the philosophical or theological dimensions of giving. The contributors' goal is not to report on institutional practices, but to provide thoughtful, constructive guidance to the reader -- informed by a critical understanding of the religious traditions under review.

Learning for the Love of God

In a world that views absolute truth, right and wrong, and salvation as being subject to individual interpretation, the Bible's unwavering proclamations and miraculous stories seem obsolete in modern times. But it is not God's Word that has changed. Indeed, its relevancy and its power to transform lives are intact. What has changed is the number of people who consult it. Now more than ever the need to read the Bible, to understand the big picture of its storyline, and to grasp the relevance this has for your life is critical. As with its companion volume, For the Love of God-Volume 2, this devotional contains a systematic 365-day plan, based on the M'Cheyne Bible-reading schedule, that will in the course of a year guide you through the New Testament and Psalms twice and the rest of the Old Testament once. In an effort to help preserve biblical thinking and living, D. A. Carson has also written thought-provoking comments and reflections regarding each day's scriptural passages. And, most uniquely, he offers you perspective that places each reading into the larger framework of history and God's eternal plan to deepen your understanding of his sovereignty-and the unity and power of his Word.

For the Love of God

For the Love of God's Word

The first and greatest commandment is this: "You shall love the Lord your God with all your heart, with all your soul, with all your strength, and with all your mind." Medieval monk and church leader St. Bernard of Clairvaux explores four stages of love by which the follower of Christ moves from selfishness deeper and deeper into a life of all-consuming love for Almighty God. His deeply insightful words, penned centuries ago, ring just as inspiring and true today as they did the day they were written.

The Love of God

Most Christian college students separate their academic life from church attendance, Bible study, and prayer. Too often discipleship of the mind is overlooked if not ignored altogether. In this lively and enlightening book, two authors who are experienced in college youth ministry show students how to be faithful in their studies, approaching education as their vocation. This revised edition of the well-received *The Outrageous Idea of Academic Faithfulness* includes updates throughout, two new substantive appendixes, personal stories from students, a new preface, and a fresh interior design. Chapters conclude with thought-provoking discussion questions.

The Love of God

The Uncontrolling Love of God

Rarely does a new theological position emerge to account well for life in the world,

including not only goodness and beauty but also tragedy and randomness. Drawing from Scripture, science, philosophy and various theological traditions, Thomas Jay Oord offers a novel theology of providence—essential kenosis—that emphasizes God's inherently noncoercive love in relation to creation. The Uncontrolling Love of God provides a clear and powerful response to one of the perennial challenges to Christian faith.

Embracing the Love of God

This is a pre-1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts - the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.

On the Love of God

In this compilation of retreat talks, the beloved Fr. Garrigou-Lagrange gives a blueprint for progress in the spiritual life.

Treatise On the Love of God

Theology has constantly wrestled with the nature of God's love and what it means for how God relates to the world. In this comprehensive canonical theology of divine love, John C. Peckham argues for an account that avoids the errors of both voluntarist and experientialist theologies and faithfully represents the full biblical witness.

Oh, for the Love of God

Cosmas

An introduction to a clear method of biblical interpretation For the Love of God's Word is an abridged, less technical version of Köstenberger and Patterson's acclaimed Invitation to Biblical Interpretation. Students, teachers, and pastors alike will find this introduction to biblical hermeneutics to be an accessible resource with both breadth and substance. Built on the premise that every passage requires careful scrutiny of its historical setting, literary dimension, and theological message, this volume teaches a simple threefold method that is applicable to every passage of Scripture regardless of genre. In addition, the book sets forth specific strategies for interpreting the various genres of Scripture, from poetry to epistle to prophecy. A final chapter is devoted to helpful Bible study resources that will equip the reader to apply Scripture to life. This book will serve as a standard text for interpreting Scripture that is both academically responsible and accessible for pastors, teachers, and college students. This volume will enable students of Scripture to grow in love for God's Word as they grow in the disciplines of study

and discernment.

The Inescapable Love of God

On the Love of God

Why the Bible? In November, we are not voting for a new pastor, priest, or Sunday school teacher; so why should we measure our candidates by the principles found in God's Word? In 2 Timothy 3:17 we are told, "It [Scripture] is God's way of preparing us in every way, fully equipped for every good thing God wants us to do." While we don't expect to see the specific words that mentions every policy in the government, it is reasonable to hope that if we can see the Lord in a candidate, they will be more likely to achieve God's will for their position. In James 2:14, we read, "Dear brothers and sisters, what's the use of saying you have faith if you don't prove it by your actions?" What is God's desire for our communities, states, and country? That we obey Him. What are His greatest commandments? To love the Lord our God and to love our neighbors as ourselves. Simple? Yes. Easy? No. Becoming more like Jesus is a lifelong process. As believers, may we be unified in our purpose to be more like Him and to vote into office individuals who practice the same principles.

The Law of the Love of God

"Oh, how I love your law. Your statutes are my heritage for ever; they are the joy of my heart " Psalm 119:97 - 111 "At their best," writes Don Carson, "Christians have saturated themselves in the Word of God." The means by which God sanctifies men and women, setting them apart as his own people, is the Word of truth. Many people, however, would admit that they have allowed the pressures of life to crowd out serious and thoughtful reading of the Bible. Also, in a culture that has moved away from a Christian worldview, the Bible's unwavering proclamations and fantastic stories seem ever stranger. The big picture of the Bible is gradually fading from view. For the Love of God encourages us to face these challenges. Now, more than ever, the need to read the Bible and to grasp its relevance for our lives is critical. This companion volume to 'For the Love of God - Vol. 1', follows Robert Murray M'Cheyne's Bible-reading plan, taking you through the New Testament and Psalms twice and the Old Testament once. Don Carson has written thought-provoking comments and reflections to accompany one of each day's scriptural passages. And, most uniquely, he offers a perspective that places each reading into the larger framework of history and God's eternal plan, in order to deepen our understanding of his sovereignty and the unity and power of his Word.

Tactics

The Love of God

For the Love of God

For the Love of God

Will the love of God save us all? In this book Thomas Talbott seeks to expose the extent to which the Western theological tradition has managed to twist the New Testament message of love, forgiveness, and hope into a message of fear and guilt. According to the New Testament proclamation, he argues, God's love is both unconditional in its nature and unlimited in its scope; hence, no one need fear, for example, that God's love might suddenly turn into loveless hatred at the moment of one's physical death. For God's love remains the same yesterday, today, and forever. But neither should one ignore the New Testament theme of divine judgment, which Talbott thinks the Western theological tradition has misunderstood entirely. He argues in particular that certain patterns of fallacious reasoning, which crop up repeatedly in the works of various theologians and Bible scholars, have prevented many from appreciating St. Paul's explicit teaching that God is merciful to all in the end. This second edition of Talbott's classic work is fully revised, updated, and substantially expanded with new material. ALSO AVAILABLE IN AUDIO FORMAT The Inescapable Love of God is also available as an unabridged audiobook wonderfully narrated by the actor George W. Sarris (running time: 11 hours and 2 minutes). The audiobook can be downloaded from christianaudio.com and Audible.

The love of God

A compelling interpretation of a foundational concept of Jewish religious life The love of God is arguably the most essential element in Judaism—but also one of the most confounding. In biblical and rabbinic literature, the obligation to love God appears as a formal commandment. Yet most people today think of love as a feeling and wonder how an emotion can be commanded. Jon Levenson traces the origins of the concept to the ancient institution of covenant, showing how covenantal love is a matter neither of sentiment nor of dry legalism. In origin, the love of God is, instead, thoroughly relational in nature, inseparable from the deeply personal two-way relationship that finds expression in God's mysterious love for the people of Israel, who in turn observe God's laws out of profound gratitude for his acts of deliverance and continuing faithfulness to him in the face of temptations to abandon the relationship.

Saint Bernard on the Love of God

Our understanding of the love of God has been tragically distorted. The comfortable, sentimentalized version we commonly encounter today is far from the biblical depiction of God's love. Featuring contributions from well-known evangelical scholars, this multi-disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology, biblical theology, apologetics, pastoral theology, and ethics. The contributors—including D. A. Carson, Andreas J. Köstenberger, Raymond C. Ortlund Jr., Robert L. Plummer, and many others—address a variety of issues related to how God's love is expressed in the Old and New Testaments, the Trinity, apologetics, Christian living, social justice, and more. This addition to the Theology in Community series will promote

clear, sound thinking about what Scripture means when it declares that “God is love.” Part of the Theology in Community series.

The Love of God

TREATISE ON THE LOVE OF GOD SAINT FRANCIS DE SALES — A Catholic Classic! — Includes Over 600 Active Linked Endnotes — Includes an Active Index, Table of Contents and Layered NCX Navigation — Includes Illustrations by Gustave Dore
Publisher: Available in Paperback: ISBN-13: 978-1-78379-449-2 This Treatise which I now present you, may be in some way serviceable to you, and that in it you will meet with many wholesome considerations which you would not elsewhere so easily find. We all look towards the glory of holy love. My intention is only to represent simply and naively, without art, still more without false colors, the history of the birth, progress, decay, operations, properties, advantages and excellences of divine love. PUBLISHER: CATHOLIC WAY PUBLISHING

The Difficult Doctrine of the Love of God

Between the third centuries BC and AD were written thousands of verses in Tamil that have collectively come to be known as Sangam literature. The expressions of love between a man and a woman in these love poems gave way to passionate expressions of devotional love, where the heroine became the devotee and the hero became God. Through the centuries of patriarchy, women negotiated varied levels of existence and largely went unnoticed until they found a path for self-expression through bhakti or devotion. While the dominant form of worship was to prostrate before God, women found innovative ways of personal expression, often seeing the lord as a lover, friend, husband, or even son. The individual outpourings and the unfettered voices of these women refused to be drowned in the din of patriarchy gathering momentum until this became a pan India movement. In *For the Love of God*, Sandhya Mulchandani delves deep into historical accounts of these women who fell in love with God.

For the Love of God, Volume 1

In *Oh, For the Love of God*, Rev. John K. Antony explores five areas where the medium of sermons helps Christians encounter Christ with ease. The general themes of "Discipleship," "Fellowship," "Grace," "Self-awareness" and "Discernment" provide the external frame within which a portrait begins to emerge: the lovely Face of Christ. *Oh, For the Love of God* will help Christians of all faiths keep their eyes on the sweet prize of salvation.

The Love of God

For those who are spiritually weary, *The Love of God* is filled with the cool refreshment of God's love through the richness and relevance of Scripture. In personal and practical terms, Oswald Chambers encourages you to step back and think about your commitment to the Lord. He plumbs the depths of God's Word to discover spiritual treasures that can help every believer “run with endurance the race that is set before us.” This updated gift edition is part of a series that includes

If You Will Ask and Christian Disciplines.

God's Love

Marie is a girl with the gift of understanding, who is often misunderstood, both at home and in her Catholic school, where she confounds her fellow pupils and teachers as she tries to understand and love those few special people who need her help to be themselves. But understanding and loving people is harder than it sounds, and Marie soon realizes that having faith and living in 1960s Britain doesn't leave much room for those who are different from the norm. They only really leave room for shame, prejudice, and, oh yeah, more shame. So Marie decides to do as she sees fit with some hilarious, moving, and unexpected results. As we follow Marie from the sixties to the nineties, we find out what it means to be a spirited young woman from a religious household who believes that maybe, just maybe, God doesn't care WHAT you do with your body as long as it makes you happy. Because really, what harm can come from loving people?"
