Uncle Pirate

What could be more fun than sunny days with your friends? The weather is getting warm and Mister Frog, Mistress Pig, Missy Cat, and Master Dog are looking forward to pleasant days spent in the park, rowing, and tending to their gardens. But their plans don't always turn out the way they think! Join Tomie dePaola's beloved and classic characters as they learn that it doesn't matter how those carefree days are spent -- as long as you're with your friends!

Four Friends in Summer

A child figures out the best way to hug a porcupine as he watches his friends hug other animals.

The Dragon of Doom

I've always felt that autobiographies were reserved for the ridiculously famous types in this world like The Rock, Bruce Springsteen or one of the memorable ones from Blue. Writing an autobiography seemed as elusive as getting a blue tick on Twitter. If you're not famous, off you pop- come back when you've been on Love Island. I'm not famous. You've probably never heard of me. If you have, I'm not the romantic pianist or the sarcastic murderer of the same name (Google it.) I haven't really done that much of note the last thirty years. With that in mind, I decided to write an autobiography. I used to love posting nonsense on social media about burning toast or faking injury at the gym three seconds into a failed treadmill session. Two days and two likes later (one from my Grandma) these stories would be forgotten about. Everyone has pointless anecdotes that they wish they would remember outside the one dimensional airbrushed wall of their Facebook page, but it's basically become a disposable tool, with many of these stories disappearing into the abyss. If I ever have kids, I'd want them to read about the tin of beans incident in West Linton, video shop culture, the time I threw up on my sister, my numerous failed attempts at love and the time I got a bollocking from the Home Economics teacher that looked like Big Bird from Sesame Street. I'd also like others to share my pain of having to wear tracksuits, partake in country dancing at school

and listen to Steps as a youngster growing up in the '90s.

Ebb and Flo and the New Friend

And Captain Jack wants to go to school to learn to read. Unfortunately, Very Elementary is as far from shipshape and Bristol fashion as a school could be. Until Uncle Pirate steps in, that is. Set sail for a classroom adventure from mollymockery to mathematics in this story of a boy who has what every kid wants -- a pirate for an uncle.

Chicken Cheeks (the Beginning of the Ends)
