Nanzan Guide to Japanese Religions

For courses in fluid mechanics. Introduces engineering students to the principles of fluid mechanics. Written and conceived by an author with decades of relevant experience in the fields of fluid mechanics, engineering, and related disciplines, this First Edition of Fluid Mechanics for Engineers effectively introduces engineering students to the principles of fluid mechanics. With the understanding that fluid mechanics is a required core course for most engineering students, the author focuses first and foremost on the most essential topics of the field. Practical applications for several engineering disciplines are considered, with a special focus on civil engineering. Elective topics are also included for instructors' consideration with regard to specific courses. Written in a stimulating style, Fluid Mechanics for Engineers fulfills the requirements of a core course while keeping students engaged. Pearson Mastering Engineering™ not included. Students, if Pearson Mastering Engineering is a recommended/mandatory component of the course, please ask your instructor for the correct ISBN and course ID. Pearson Mastering Engineering should only be purchased when required by an instructor. Instructors, contact your Pearson representative for more information. Pearson Mastering Engineering is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Interactive, self-paced tutorials provide individualized coaching to help students stay on track. With a wide range of activities available, students can actively learn, understand, and retain even the most difficult concepts.

A "real manga, real Japanese" study guide and resource for language students and teachers

English Grammar for Students of Japanese

The Nanzan Guide to Japanese Religions has been prepared as an aid for students and scholars engaged in research on Japanese religions. It is the first resource guide to encompass the entire field of Japanese religions and provide tools for navigating it.

Unlocking Japanese

Japanese Grammar

Japanese Kanji and Kana Workbook offers a systematic approach to learning Japanese characters. It is designed to be used with the best-selling Japanese Kanji & Kana: A Guide to the Japanese Writing System. Presenting all 92 Hiragana and Katakana and 617 high-frequency Kanji characters, this character workbook teaches you how to write the Kanji and Kana neatly and correctly. Included for each character are the Japanese and Chinese readings, stroke order writing guides, English meanings, vocabulary, radicals, and ample space for writing practice. This valuable Japanese language book also includes an introduction explaining how to begin learning the Japanese writing system and two Kanji indexes—one by radicals, the other by readings. The 617 kanji characters provided cover all Kanji required to take the AP Japanese Language and Culture Exam and the JLPT levels N5, N4, and N3.

A pictorial teaching resource based on the content of Textbooks I and II of the series Genki: an integrated course in elementary Japanese.

□□□□500

This is a user-friendly guide to learning Japanese Katakana and includes a set of 46 flash cards Japanese Katakana for Beginners makes learning of beginner kana fast and effective by using memorable picture mnemonics, along with clear explanations, examples and lots of fun exercises—a method that has helped thousands of students learn katakana successfully in the United States and Japan. Picture mnemonics enhance memory by associating the shape and sound of each Japanese kana character with combinations of images and English words already familiar to students. This book is organized into three main sections: The first introduces the basic 46 katakana characters along with writing tips and

opportunities to practice writing them. The second teachers the usage rules that allow students to write all Japanese sounds, providing more opportunities for practice. The third strengthens students' skills through a wide range of exercises (word searches, crossword puzzles, fill in the blanks, visual discrimination, timed recognition quizzes, etc) designed to both increase the knowledge of the Japanese language and reinforce newly acquired writing skills. A set of flash cards printed on perforated cardstock and a list of suggested flash card activities, are also provided at the end of the book. Each of these cards introduces a katakana character along with the picture mnemonic that helps to recognize and remember it.

The Genki Self Health Guide

All About Particles

Learning Hiragana and Katakana is a systematic and comprehensive Japanese workbook that is perfect for self study or in a classroom setting. Written Japanese combines three different types of characters: the Chinese characters known as kanji, and two Japanese sets of phonetic letters, hiragana and katakana, known collectively as kana, that must be mastered before the Japanese kanji can be learned. Learning Japanese Hiragana and Katakana provides beginning-level students of Japanese a thorough grounding in the basic hiragana and katakana phonetic symbols or syllabaries. A comprehensive introduction presents their basic function, origin, pronunciation and usage. The main body of the book is devoted to presenting the 92 hira and kata characters along with their variations, giving step-by-step guidelines on how to write each character neatly in the correct stroke order, with plentiful practice spaces provided for handwriting practice. This Japanese workbook includes: Systematic and comprehensive coverage of the two Japanese kana systems. Ample provision for Japanese kana practice, review, and self-testing at several levels Detailed reference section explaining the origin and function of kana, and the various kana combinations. Access to online Japanese audio files to aid in correct pronunciation. Helpful additional information for language students accustomed to romanized Japanese. Vocabulary selected for usefulness and cultural relevance. About this new edition: The new third edition has been expanded and revised to include many additional reading and writing exercises. Accompanying online recordings demonstrate the correct pronunciation of all the characters, vocabulary, and sentences in the book.

The content includes: How to Study - Tips and tricks on how to study and what to study to learn and retain the language quickly. Pronunciation - An easy and accurate guide for English speakers. Every sentence is written with English pronunciation, Japanese kana, and kanji. Grammar - All essential grammar tested in the JLPT N5 and most of the grammar tested in the JLPT N4. Vocabulary - Over 1000 of the most common Japanese words and phrases. Vocabulary nuances - Detailed explanations of how to use vocabulary correctly, that you can't find in a dictionary or other text books.

Speak Japanese in 90 Days

The international phenomenon that has sold over a million copies in Japan, *If Cats Disappeared from the World* is a funny, heartwarming, and profound meditation on the meaning of life. The postman's days are numbered. Estranged from his family, living alone with only his cat Cabbage to keep him company, he was unprepared for the doctor's diagnosis that he has only months to live. But before he can tackle his bucket list, the Devil appears to make him an offer: In exchange for making one thing in the world disappear, our narrator will get one extra day of life. And so begins a very bizarre week. With each object that disappears the postman reflects on the life he's lived, his joys and regrets, and the people he's loved and lost. Genki Kawamura's timeless tale is a moving story of loss and reconciliation, of one man's journey to discover what really matters most in life.

Learning Japanese Hiragana and Katakana

This is an invaluable study guide and practice book for learning basic Japanese kanji. Learning Japanese Kanji Practice Book is intended for beginning students, or experienced speakers who need to practice their written Japanese. Kanji are an essential part of the Japanese language and together with kana (hiragana and katakana) comprise written Japanese. This book presents the kanji characters that are most commonly used. All the kanji and related vocabulary words in this book are those that students are expected to know for Level 5 of the Japanese Language Proficiency Test. (JLPT). Characters that appear in the AP Japanese Language and Culture Exam are flagged. Readings, meanings, and common compounds are presented. The correct method of writing each character is clearly indicated and practice boxes with strokes that can be traced are provided, along with empty boxes for freehand writing practice. Lots of exercises are included to give students the opportunity to practice writing sentences containing the Kanji. Indexes at the back allow you to look up the characters by their readings and English meanings. This kanji book includes: Step-by-step stroke order diagrams for each character. Special boxes with grid lines to practice writing characters. Extra printable practice grids Words and phrases using each kanji. Romanizations (romanji) to help identify and pronounce every word.

Elementary Korean

"Every student of Japanese-and perhaps more importantly, every teacher of Japanese-should read this small book." "Is there a dark conspiracy among schools and textbooks to make Japanese seem far more complicated than it really is? Of course not. But there might as well be." So begins this ground-breaking book that sets out to demonstrate that Japanese is "simple, logical and beautiful" and that most of the apparently "arbitrary rules" that you "just have to learn" can be reduced to simple, easily intuitive patterns if you just understand how the language really works. The problem is that Japanese is continually described in terms that fit English and other European languages. This prevents us from seeing Japanese as it really is and often creates a sense of vagueness and guesswork and the illusion of multiple irregularities and exceptions. In fact, there is nothing vague about Japanese, and it has (unlike most languages) very few irregularities. It is extremely precise, economical and elegant. What is needed is a model that allows us to see Japanese on its own terms rather than trying to describe it in terms of European languages - an enterprise akin to doing electronics with a kitchen knife. Building on the pioneering work of Dr. Jay Rubin, Cure Dolly provides the foundation of a new model for understanding Japanese. One that does not involve difficult terminology or abstruse concepts, but allows us to see Japanese in easy, commonsense terms. An ambitious claim? The proof of the pudding is in the eating. Applying Cure Dolly's methods, we do indeed gain a clear, intuitive grasp of many things that seemed complex or confusing before. This is not a massive tome, but a short book, whose aim is not to deliver hundreds of Japanese grammatical fish, but to show the reader how to fish for herself. It is not aimed at the absolute beginner. The reader should know at least a little basic grammar. But arming oneself with these concepts at an early stage in Japanese will make everything much easier. However, even advanced students can benefit from these eye-opening techniques that really do help to unlock the simple elegance of Japanese. Cure Dolly is co-founder

and editor of the KawaJapa Japanese-learning website.

Remembering the Hiragana

Japanese Busy People #2 Workbook is a Kodansha International publication.

Common Japanese Collocations

NOTE: This book is the SAME as the website but for those who prefer to have a physical copy in print now. Now in a smaller size from the previous orange version! The best website for learning Japanese grammar is now in print! My website (www.guidetojapanese.org) has been helping people learn Japanese as it's really spoken in Japan for many years. If you find yourself frustrated that you can't understand Japanese movies or books despite having taken Japanese classes, then this book is for you. It will help you finally understand those pesky particles and break down grammatical concepts that will allow you to comprehend anything from simple to very complex sentences. You will also learn Japanese that's spoken by real people including casual speech patterns and slang, stuff that's often left out in most textbooks. Don't take my word for it, just check out my website and order this book to have it handy wherever you go.

Beginning Japanese

This book focuses on the pronunciation and reading of the Kanji presented in Remembering the Kanji V. 1. The Kanji in this volume are organized into groups based on the building blocks of the characters to facilitate their study.

□□□□□□□□

Students of Japanese are familiar with the term "particle," and realize that they, like English prepositions, require a special effort to master. This handbook provides all the information one would need on these tricky units of grammar. All About Particles covers more than 70 particles those that are used regularly as well as those used less frequently in more than 200 uses. The book can be approached as a guiding textbook and studied from beginning to end. It is as a reference book, however, that All About Particles shines. It is light and easy to carry, slim enough to fit into the corner of a shoulder bag, and concise enough to quickly clarify particle-related questions. It is a priceless tool for any serious student of Japanese. In its previous incarnation as a part of the Power Japanese Series, ISBN 978-0-87011-954-5, and sold more than 40,000 copies worldwide.

Reading Japanese

Explains the basic terminology and concepts of English grammar, focusing on material which will most benefit students of Japanese.

A Guide to Japanese Grammar

A complete first-year course for learning Korean.

Remembering the Kanji

The Genki Self Health Guide is a primer into Traditional Chinese Medicine. This book contains a simple explanation of its theories and principles and how this applies the human body. With a discussion of Qi/Ki energy, how stagnation of Ki flow causes disharmony in the body and other exercises and advice.

THE LEFT HAND OF DARKNESS
