the woman he loves has disappeared, and he knows his "mother" is responsible. But Nicholas swears he'll find her, even if he has to go to Hell and back.

The Necronomicon Files

IN THIS DARK THRILLER FROM NANCY GIDEON'S SULTRY NEW SERIES, SEXY NEW ORLEANS COP CHARLOTTE CAISSIE GOES HEAD-TO-HEAD WITH THE LAST NEMESIS SHE EVER EXPECTED: HER SUPERNATURAL BOYFRIEND. THEIR LOVE IS JUST BEGINNING. Detective Charlotte Caissie is growing used to the secrets that come with loving the mysterious leader of a shape-shifter clan. But that doesn't mean she has to like it. She's avoided complications of the heart all her life, but when it comes to irresistible Max Savoie, she'll force the truth out of him if she has to. HIS TIME IS ALMOST UP. Hunted by the deadly trackers his nefarious father warned him about, Max is transforming into a preternatural force he can't explain and Cee Cee will never understand. He's tempting the dangerous limits of their love, but it's her curiosity that could get them both killed. WILL THEY EVER REALLY BE TOGETHER? When Max discovers the enemy's true target is someone far more vulnerable than he, he must do the unthinkable to save his own flesh and blood. But he can't fight this battle alone, and Cee Cee faces the ultimate test of loyalty: the man she'd sacrifice everything for . . . or the laws she swore her life to protect.

"I've loved every one of Susanna's books! She has bedrock research and a butterfly's delicate touch with characters—sure recipe for historical fiction that sucks you in and won't let go!"— DIANA GABALDON, #1 New York Times bestselling author of *Outlander* *An Ancient Castle*, *a Tragic Love*, and *a Web of Secrets Begins to Unravel* Emily Braden has stopped believing in fairy tales and happy endings. When her fascinating but unreliable cousin Harry invites her on a holiday to explore the legendary town of Chinon, and promptly disappears—well, that's Harry for you. As Emily makes the acquaintance of Chinon and its people, she begins to uncover dark secrets beneath the charm. Legend has it that during a thirteenth-century siege of the castle that looms over the city, Queen Isabelle, child bride of King John, hid a "treasure of great price." And in the last days of the German occupation during World War II, another Isabelle living in Chinon, a girl whose love for an enemy soldier went tragically awry. As the dangers of the past become disastrously real, Emily is drawn ever more deeply into a labyrinth of mystery as twisted as the streets and tunnels of the ancient town itself. Succubus Shadows

IN THIS STUNNING FIRST BOOK FROM NANCY GIDEON'S SIZZLING NEW SERIES, A TENACIOUS COP AND HER SHAPE-SHIFTING ENEMY SACRIFICE EVERYTHING FOR FORBIDDEN DESIRE. ALL SHE WANTS IS REVENGE. New Orleans homicide detective Charlotte Caissie is dedicated to bringing down the crime boss responsible for her father's murder. Using Jimmy Legere's mysterious and irresistible right-hand man is a dangerous gamble, and not only due to his reputation as more monster than man. Because her feelings for Max Savoie are . . . complicated. THEN HE RISKS HIS LIFE TO SAVE HERS. Rescued from the swamps as a child, Max exists silently in Legere's shadow, heeding only his voice—until Charlotte Caissie awakens his emotions and tests his loyalties. Stepping outside his cautious rules threatens more than just his heart. He could expose his darkest secret. NOW THEY'RE BOTH IN OVER THEIR HEADS. Testing boundaries they weren't meant to cross means facing the truth about who and what they are—and what they need from each other. If Max is the murderer she seeks, Charlotte could be his next victim. She can't afford to trust any man. Good thing Max isn't one.

Defeat the Darkness

Who Knew An Angel Could Get A Girl In So Much Devilish Trouble? Jackie Brighton woke up in a Dumpster this morning, and her day has only gotten weirder. Her familiar B-cups have somehow become double Ds, her sex drive is insatiable, and apparently she had her first one-night stand ever with a fallen angel. All she remembers is gorgeous Noah's oddly hypnotic blue eyes and then a dark stranger whose bite transformed her into an immortal siren with a sexy Itch. With help from Noah, Jackie begins to adapt to her new lifestyle -- until she accidentally sends Noah into the deadly clutches of the vampire queen and lands herself in a fierce battle for an ancient halo with the queen's wickedly hot righthand man. Who just happens to be the vampire who originally bit her. How's a girl supposed to save the world when the enemy's so hard to resist?

Supernatural: John Winchester's Journal

Jackie Brighton's life as a succubus is going great: she's gone from mousy to bombshell, and although she has to have sex every forty-eight hours or die, she has two hot guys—the vampire Zane and the angel Noah—to scratch her Itch. But then her Itch accelerates to every twenty-four hours, and she's suddenly waking people's unconscious just by touching them. Something's out of control so she and Remy, her mentor, go on an adventure-filled road trip to New Orleans to consult with the oldest succubus in the United States. Jackie learns she's been cursed by a vampire queen—and reversing the curse demands a price she's not willing to pay.

Tasked by the Archangel Gabriel, Jackie Brighton must find two more lost archangel halos before she's free of her deal. But she's not the only one hunting for the immense power the halos bring, and everyone around her has motives - succubi, serim, and vampire. It's a race to the finish line, and only one person is going to come out on top. But will Jackie stand tall when even her allies are set to betray her? Noah Gideon is back, and he's never liked taking 'no' for an answer. The mysterious assassin Sophie is helping out, but Sophie has her own agenda. So does Jackie's newest rival, the ancient hetaera Phryne, who wants to use the halos to give a new world to succubi everywhere - one that doesn't involve their masters. Every immortal wants those halos, but Jackie's not sure they're worth her life, or Zane's freedom. But she might not have a choice

IT SUCKS TO BE HER. Living as a succubus has a bit of a learning curve, but with sexy fallen angel Noah to scratch her sensual Itch, Jackie Brighton is finally starting to feel ahead of the game. She almost doesn't miss her gorgeous vampire master Zane—or his sinful, teasing mouth. She's trying to convince herself of that, anyway. But Jackie's past mistakes catch up with her, spinning her life out of control once more. Just as her friend Remy's inner demon comes out to play, Noah and Jackie are arrested by the angelic Serim Council. When Jackie seizes the chance to escape, she falls right into Zane's waiting arms. As she's pulled into a

game of cat and mouse between vampires and angels, she finds she must also choose between the two men in her life. Can she decide between Noah and Zane, or will she lose everything she's ever wanted? Because there's more at stake than just her heart. . . .

Gothic effigy brings together for the first time the multifarious visual motifs and media associated with Gothic, many of which have never received serious study before. This guide is the most comprehensive work in its field, a study aid that draws links between a considerable array of Gothic visual works and artifacts, from the work of Salvator Rosa and the first illustrations of Gothic Blue Books to the latest Gothic painters and graphic artists. Currently popular areas such as Gothic fashion, gaming, T.V. and film are considered, as well as the ghostly images of magic lantern shows. This groundbreaking study will serve as an invaluable reference and research book. In its wide range and closely detailed descriptions, it will be very attractive for students, academics, collectors, fans of popular Gothic culture and general readers.

The Evolution of Modesty

Of course, Magic is Magic wherever. But Ceremonial Magic - with or without a k

ending - is perceived as largely European in origin and practice. The Golden Dawn, Aurum Solis, O.T.O were European and even AMORC, B.O.T.A., G.B.G. were mostly European inspired. As valid as these esoteric orders were and are, they are at best schools and the knowledge taught is now widely available. What is key is not the knowledge but the self-accomplishment that comes only through personal experience (otherwise known as "self-initiation"). The essence of Magic is a simple formula based on the exercise of Will, Imagination, and Gnosis or Magical Trance. It is a "technology" and must be mastered like any technology through understanding and practice. Like playing the piano, it takes discipline to continue practicing basic exercises until it all becomes second nature and can function as an art as well. "And, what for? " Not to perform tricks or miracles. Not to wear fancy robes and chant barbarous words. Not to reach high degrees with grand titles in a secret order. No, it is to transform and transmute your own self and thus to become more than you were, not merely to accelerate normal human evolution but to actually move beyond and be a co-creator. And to finally answer those questions: "Who am I? Where did I come from? Where am I going?" High Magic is an active program for self-discovery and Self-Realization. This book by a famed contemporary German magician self-instructs the student through a series of basic exercises and real magical practices that train the magician through a consistent program combined with examples and explanations. Each step is thorough without extravagance; the program is effective and entirely self-directed (as must be all real learning); the book is encyclopedic in depth and inclusive even of chaos and

cyber magic. Tables and Charts simplify the learning process. The system starts with immediate immersion in ritual practice starting with the Kabbalistic Cross and Lesser Banishing Ritual of the Pentagram and moves through beginning to advanced levels of Practical Sigil Magic, Ritual Magic, Elemental Magic, the Greater Ritual of the Pentagram, Planetary Magic, the Hexagram Ritual, Mantra Meditation, the Magical Gaze, Magical Trance, the Pan Ritual, Money Magic, Talisman Magic, Moon Magic, Chaos Magic and Cyber Magic. In each case, practice is used to instruct - nothing is presented as "theory only." You will find everything analyzed, explained and justified with refreshing and truly uncommon common sense! The author fully dispels the myths and subterfuges of archaic magical orders and explores the role of the Unconscious Mind, the issues of Religion and Mysticism, the nature of High and Low Magic, the function of Myth and the role of Drama in Ritual, the Magical Nature of Reality and Magical Perception, Dream Work in relation to Magical Training, the Magical Imagination and training for Visualization, Psychic Protection, Invocation and Evocation, the Calling and Movement of Energies, Charging, Paradigm Shifting, what is really means "to Keep Silent, " the power of Intention & definition of Magical Goals, the ritual use of Symbols and Gestures, the power of Words, the Magician's Universe, the magical pronunciation of Hebrew Letters, the Magician's Tools, Mantric Sigils, the IAO formula, and much more. High Magic is as central to Western culture as are science, technology, the rule of law, democracy and the entrepreneurial economy. Its practice and application should be part of your daily life starting now.

Can't Teach an Old Demon New Tricks

Get an east Texas girl good and mad, and there's going to be hell to pay! Rachel Farnsworth doesn't believe in the paranormal—she can find plenty of evil forces right in Dogwood County, like the Mega-Mart that's driving her family's hardware store into the ground. Then there's her own little hell-raiser—a rowdy toddler who can turn his birthday candles into a blazing inferno with just one breath. But when her marriage goes up in smoke, Rachel discovers her husband, Kevin, isn't just a deadbeat, he's also a demon (a sloth demon, no less, which explains why he never helped around the house) with a renegade bounty hunter—a fallen angel named Sam—chasing down a powerful secret Kevin has kept for a millennium or two. Sam's downfall was a beautiful mortal woman . . . and now, the heavenly attraction zinging between them has down-to-earth Rachel believing in celestial magic. But will it be enough to save her and her son from the dark forces Kevin has unwittingly unleashed on Dogwood County?

divdivBritish modernist writer Mary Butts (1890–1937), now recognized as one of the most important and original authors of the interwar years, lived an unconventional life. She encountered many of the most famous figures in early twentieth-century literature, music, and art—among them T. S. Eliot, Virginia Woolf, James Joyce, and Gertrude Stein—and came to know some of them intimately. These luminaries figure prominently in journals in which Butts chronicled the development of her craft between 1916 and her untimely death in 1937. This volume is the first substantial edition of her journals. Introduced and annotated by Nathalie Blondel, the leading authority on Butts's life and works, the book reveals the workings of a complex and distinctive mind while offering vivid insights into her fascinating era. /DIV/DIV

The Tantric Alchemist is a work on alchemy as decoded by Tantra and a work on Tantra as understood by alchemists. It uncovers works by Thomas Vaughan and suggests how he and his wife—a 17th-century Welsh couple unique in the history of western alchemy—met their fate when dealing with forces they knew only too well, but which were stronger than their ability to control them. Using the works of

Vaughan as his text, Levenda applies the “twilight language” of Tantra to the surreal prose of the alchemist and in the process lays bare the lineaments of the arcane tradition that gave rise to the legend of Christian Rosenkreutz, the reputed founder of Rosicrucianism who learned his art in the East; and to the 19th- and 20th-century occult movements lead by such luminaries as P.B. Randolph, Theodore Reuss, Helena Blavatsky, and Aleister Crowley who also sought (and discovered) this technology in the religions and cultures of Asia. Readers will find that the many disparate threads of an authentic spiritual tradition are woven together here in a startling tapestry that reveals—without pretense or euphemism—the psycho-sexual technique that is at the root of both Tantra and alchemy: that is to say, of both Asian and European forms of esoteric praxis.

Sam and Dean Winchester know all the secrets their father recorded in his journal. Now you can, too. On November 2, 1983, Sam and Dean Winchester lost their mother to a demonic supernatural force. In the wake of the tragedy, their father, John, set out to learn everything he could about the paranormal evil that lives in the dark corners and on the back roads of America . . . and how to kill it. In his personal journal, he not only compiled folklore, legend, and superstition about all manner of otherworldly enemies but he also recorded his experiences—hunting the creature that killed his wife even as he raised his two sons. Part prequel, part resource guide, John Winchester's Journal finally gives fans the ultimate companion book for Supernatural. It's all here: the exorcism Sam and Dean used in "Phantom Traveler," John's notes on everything from shape-shifters to Samuel Colt, Dean's first hunt, Sam's peewee soccer team . . . and John's single-minded pursuit of a growing and deadly evil.

What if a book existed that gave answers to everything you've ever wondered about? What would you do to learn its secrets? Tales of such books have abounded for millennia and are legend in occult history. One of the most pervasive modern iterations is that of the Necronomicon, said to be a genuine occult text from the 8th century. The Necronomicon really is the creation of science fiction writer H.P. Lovecraft (1891-1937), in whose books the magic volume first appears in print. In *The Necronomicon Files* two occult authorities explore all aspects of *The Necronomicon*, from its first appearance in Lovecraft's fiction to its ongoing pervasive appearance in cult and occult circles. *The Necronomicon Files*, revised and expanded further, reveals the hoax of the Necronomicon. Harms and Gonce show that the apocryphal history of the Necronomicon was concocted by Lovecraft to lend it verisimilitude in his fiction. The magical text was transformed into an icon among Lovecraft's literary circle, who added to the book's legend by referring to it in their own writing. People became convinced that it was a real book and its references in literature and film continue to grow. The book also examines what people have undergone to find the Necronomicon and the cottage industry that has arisen over the past three decades to supply the continuing demand for a book that does not exist. Scholarly yet accessible, humorous and intriguing, *The Necronomicon Files* illuminates the depth of the creative process and the transformations of modern myth, while still managing to preserve much of the romance and fascination that surrounds the Necronomicon in our culture.
