After breaking a centuries-old romantic curse, Emma Connor is (almost) glad to get back to normal problems. Although...it's not easy dealing with the jealous cliques and gossip that rule her exclusive Upper East Side prep, even for a seventeen-year-old newbie witch. Having the most-wanted boy in school as her eternal soul mate sure helps ease the pain—especially since wealthy, rocker-hot Brendan Salinger is very good at staying irresistibly close.... But something dark and hungry is using Emma's and Brendan's deepest fears to reveal damaging secrets and destroy their trust in each other. And Emma's crash course in überspells may not be enough to keep them safe...or to stop an inhuman force bent on making their unsuspected power its own.

The Infects

“A healthy dose of action, a strong thread of humor and just a touch of romance” (VOYA, starred review). A teen who is half-god, half-human must own her power whether she likes it or not in this snappy, snarky novel with a serving of smoldering romance that Kirkus Reviews calls “a dark, slyly funny read.” Zephyr Mourning has never been very good at being a Harpy. She'd rather watch reality TV than learn forty-seven ways to kill a man, and she pretty much sucks at wielding magic. Zephyr was ready for a future pretending to be a normal human instead of a half-god assassin. But all that changed when

her sister was murdered—and Zephyr used a forbidden dark power to save herself from the same fate. On the run from a punishment worse than death, an unexpected reunion with a childhood friend upends Zephyr's world—and not only because her old friend has grown surprisingly, extremely hot. It seems that Zephyr might just be the Nyx, a dark goddess that is prophesied to shift the power balance: for hundreds of years the half-gods have lived in fear, and Zephyr is supposed to change that. But how is she supposed to save everyone else when she can barely take care of herself?

Hooked

Joseph Conrad, W. Somerset Maugham, and Anthony Burgess have shaped our perceptions of Malaysia. In *Tash Aw*, we now have an authentic Malaysian voice that remaps this literary landscape. The *Harmony Silk Factory* traces the story of textile merchant Johnny Lim, a Chinese peasant living in British Malaya in the first half of the twentieth century. Johnny's factory is the most impressive structure in the region, and to the inhabitants of the Kinta Valley Johnny is a hero—a Communist who fought the Japanese when they invaded, ready to sacrifice his life for the welfare of his people. But to his son, Jasper, Johnny is a crook and a collaborator who betrayed the very people he pretended to serve, and the *Harmony Silk Factory* is merely a front for his father's illegal businesses. This debut novel from Tash Aw gives us an exquisitely written look into another culture at a moment of crisis. The *Harmony Silk Factory* won the 2005 Whitbread First Novel Award and also made it to the 2005 Man Booker longlist.

God of Darkness

"Sound is more than simply a medium of artistic expression. Sound has practical and powerful applications in the real world." Mantras, or simple chants, are short phrases packed with energy and intention--specifically designed to generate powerful sound waves that promote healing, insight, creativity, and spiritual growth. Healing Mantras is the practical, how-to guide that makes the strengths and benefits of mantras available to everyone. The transformative power of sound has been passed down to the present from the sages of India, the classical scientists of ancient Greece, and the medieval monks of Europe. Mantras, sounds, and chants have inspired, comforted, and mended the lives of individuals, religious orders, and even entire cultures. Even though the science and discipline of chanting and formal prayer are practiced in every religion around the world, this is the first time that ancient Sanskrit mantras have been explained and adapted to Western needs. One of the few Western experts in Hindu and Buddhist mantras, Thomas Ashley-Farrand has practiced mantra-based spiritual disciplines for twenty-five years. In this illuminating book, he explains how and why mantras work and shows how to use them for everything from controlling habits to overcoming fear, from curing specific ailments to finding inner peace. In each of the more than fifty mantras, all translated from the original Sanskrit, Ashley-Farrand unlocks the power of every word, explains its appropriate application, and tells you how to pronounce it in easy-to-follow phonetic symbols. Inside, you'll find mantras for - Health - Worldly Success - Habit Control - Protection - Grief - Anger - Controlling Fear - Personal Attraction - Wisdom - Concentration and Mental Clarity - Healing Life Issues - and more! These mantras can be repeated aloud or in silence and can be used by people of any religion or spiritual practice, "as you wash dishes, as you

drive on the freeway, as you meditate, or as you cook." Sound can help and sound can heal, and Healing Mantras now makes this sound medicine available to everyone.
