Government by the People, Brief Alternate Edition

PUBLIC ADMINISTRATION IN AMERICA tackles the current and emerging trends, ethics, and challenges in public administration with the most comprehensive scholarship available. The Eleventh Edition gives you a behind the scenes look at day-to-day operations while examining the policies implemented and the procedures undertaken across the various levels of American government. The most current applications of public administration are discussed and analyzed, with up to date coverage of recent education initiatives such as Race to the Top, the ongoing health care debates, Homeland Security challenges and threats, and much more. To encourage student engagement, the Eleventh Edition introduces two new features, Point/Counterpoint and What Would You Decide?, where students are invited to play an active role in debating and discussing some of the most up-to-date topics. Presented in a comprehensive and easy-to-understand format, PUBLIC ADMINISTRATION IN AMERICA builds student knowledge of core concepts while showing them the path to an exciting and fulfilling career in politics and public administration--where they can make a difference! Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

California: The Politics of Diversity

Free and attentive news media are essential to the workings of a democratic nation. But how well does the news, in reality, actually serve the needs of citizens,

and thereby democracy? How well do the major methods of sharing national political information work, and how well-informed do they leave voters? For years, *News: The Politics of Illusion* has been the leading textbook to address that question, and in this ninth edition W. Lance Bennett brings his analysis fully up to date, exploring recent developments in news media and showing how they have improved--or hampered--the wide sharing of political news and information.

Government in America

Democracy in California

CALIFORNIA: THE POLITICS OF DIVERSITY, 9th Edition, explores the uniqueness and excitement of California's political environment through two key themes: diversity and hyperpluralism. Experienced educators with backgrounds in state and local government, Lawrence and Cummins bring an informed, insightful perspective to the examination of the numerous pressures that make governing the state increasingly challenging. This edition adds student learning outcomes, which highlight the central ideas and points that students should take away from each chapter. The text is also written in an easily accessible way that provides examples particularly interesting to students. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Govt

AMERICAN GOVERNMENT AND POLITICS TODAY: BRIEF EDITION, 2016-2017, shows you how easily and effectively you can participate in the political process. New features, up-to-date political news and analysis, and a great price make this text a top seller. Praised for its succinct format, balanced coverage, clarity, and readability, this book examines all the key concepts of American government, while providing interesting student-oriented features that further convey what active citizenship means. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Government in America

Drawing on political science as much as from legal studies, *Constitutional Law for a Changing America* helps students realize that Supreme Court cases are more than just legal names and citations. Ideal for a one-semester course, the Short Course offers all of the hallmarks of the Rights and Powers volumes in a more condensed format. The authors are known for fastidious revising and streamlining of decisions. A recipient of 12 grants from the National Science Foundation for her work on law and legal institutions, Lee Epstein has authored or co-authored over 100 articles and essays, as well as 15 books, and received the Teaching and Mentoring Award from the Law and Courts Section of the American Political Science Association. Additionally, Thomas G. Walker is the Goodrich C. White Professor of Political Science at Emory University and co-author of *A Court Divided*, which won the V. O. Key, Jr. Award for the best book on southern politics.

News

Never losing sight of the foundations of the office, *The Politics of the Presidency* maintains a balance between historical context, the current political environment, and contemporary scholarship on the executive branch, providing a solid foundation for any presidency course. New to this edition are updates--more than any previous revised edition--to include coverage of the 2016 election and first days of the new administration, and a new chapter with in-depth analysis of the Trump transition and the first 100 days of his presidency. Get the most up-to-date coverage and analysis of the American presidency with this comprehensive text.

GOVT 9

The AMA Manual of Style is a must-have guide for those seeking to publish research findings and anyone involved in medical or scientific publishing. But more than just a style manual, it offers guidance on how to navigate the dilemmas that authors, researchers and their institutions, medical editors and publishers, and members of the news media who cover scientific research confront on a daily basis. Written by an expert committee of JAMA and Archives editors, this 10th edition thoroughly covers ethical and legal issues, authorship, conflicts of interest, scientific misconduct, and intellectual property, in addition to preparation of articles for publication, style, terminology, measurement, and quantification. Customers who purchase the Special Online Bundle Package receive the hardcover 10th edition, as well as a one-year subscription to the Online Edition.

The Politics of the Presidency

The Radio Station offers a concise and insightful guide to all aspects of radio broadcasting, streaming, and podcasting. This book's tenth edition continues its long tradition of guiding readers to a solid understanding of who does what, when, and why in a professionally managed station. This new edition explains what "radio" in America has been, where it is today, and where it is going, covering the basics of how programming is produced, financed, delivered and promoted via terrestrial and satellite broadcasting, streaming and podcasting. John Allen Hendricks and Bruce Mims examine radio and its future within a framework of existing and emerging technologies. The companion website is new revised with content for instructors, including an instructors' manual and test questions. Students will discover an expanded library of audio interviews with leading industry professionals in addition to practice quizzes and links to additional resources.

American Constitutional Law, Volume II

Barron's AP United States Government & Politics

Examine Texas politics in historical, economic, and demographic contexts. *Government and Politics in the Lone Star State* guides students through the historical, economic, demographic, and political environment that has made Texas

government and political culture what it is. Drawing on their experiences in political science, journalism, and consulting, Tucker Gibson, Clay Robison, and new coauthor Joanne Connor Green explain Texas's governmental institutions, the players who influence them, and how these factors compare to those in other states. The 2014 Elections and Updates Edition has been revised to meet the outcomes instituted by the Texas education commission board, and includes updated content on the major issues in today's headlines to help students become informed voters and participants in Texas's dynamic policymaking process.

American Government, AP* Edition

In *Democracy in California: Government and Politics in the Golden State*, Brian P. Janiskee and Ken Masugi clearly explain the politics and character of California's governmental institutions and the dynamics affecting the lives of its citizens. The Post-Recall Edition is updated throughout and includes a special discussion of the effects of the unprecedented recall election. In addition to thorough coverage of California's constitution and development, this book also examines each branch of government as well as local systems. As Janiskee and Masugi explore the nature of public opinion, parties, and campaigns, they show the effects that the state's diverse population has on all levels of politics and government. Perfect for courses in American government and state and local politics, *Democracy in California* is a succinct guide to the governmental intricacies of our nation's most populous state.

Politics in America, 2014 Elections and Updates Edition

Praised for the clarity of its writing, careful research, and distinctive theme – that urban politics in the United States has evolved as a dynamic interaction between governmental power, private actors, and a politics of identity – *City Politics* remains a classic study of urban politics. Its enduring appeal lies in its persuasive explanation, careful attention to historical detail, and accessible and elegant way of teaching the complexity and breadth of urban and regional politics which unfold at the intersection of spatial, cultural, economic, and policy dynamics. Now in a thoroughly revised 10th edition, this comprehensive resource for undergraduate and graduate students, as well as well-established researchers in the discipline, retains the effective structure of past editions while offering important updates, including: All-new sections on immigration, the Black Lives Matter Movement, the downtown condo boom, and the impact of the sharing economy on urban neighborhoods (especially the rise of Airbnb). Individual chapters introducing students to pressing urban issues such as gentrification, sustainability, metropolitanization, urban crises, the creative class, shrinking cities, racial politics, and suburbanization. The most recent census data integrated throughout to provide current figures for analysis, discussion, and a more nuanced understanding of current trends. Taught on its own, or supplemented with the optional reader *American Urban Politics in a Global Age* for more advanced readers, *City Politics* remains the definitive text on urban politics – and how they have evolved in the US over time – for a new generation of students and researchers.

Government and Politics in the Lone Star State Revel Access Code

Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.

Introduction to American Government

GOVT started with student conversations, focus groups, interviews, surveys, and input from faculty members. This brief paperback includes a full suite of learning aids to accommodate the busy and diverse lifestyles of today's learners, including chapter-in-review cards and online resources such as video, simulations, an AP newsfeed, and quizzes that allow students to learn and study wherever they are and whenever they have time. GOVT provides a streamlined, debate-oriented format with exercises and applications in an appealing magazine-like format perfect for today's students.

AMA Manual of Style: A Guide for Authors and Editors

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

American Government

State and Local Government; 2017-2018 Edition

Even in the face of competition from individual candidates, interest groups, and

the mass media, American political parties have undergone a resurgence in recent years, surprising both scholars and pundits alike. It is this revitalization of the parties that authors Hetherington and Keefe explore and analyze, grappling with the question of why so many Americans today profess anti-party attitudes yet behave in party-centered ways. Firm landmarks on the political scene, parties continue to form the principal institution for popular control of government.

Cengage Advantage Books: American Government and Politics Today, Brief Edition

The Radio Station

Parties, Politics, and Public Policy In America, 10th Edition

This current, comprehensive history of American education is designed to stimulate critical analysis and critical thinking by offering alternative interpretations of each historical period. In his signature straight-forward, concise

style, Joel Spring provides a variety of interpretations of American schooling, from conservative to leftist, in order to spark the reader's own critical thinking about history and schools. This tenth edition follows the history of American education from the seventeenth century to the integration into global capitalism of the twenty-first century to the tumultuous current political landscape. In particular, the updates focus on tracing the direct religious links between the colonial Puritans and the current-day Trump administration. Chapters 1 and 2 have been rewritten to take a closer look at religious traditions in American schools, leading up to the educational ideas of the current U.S. Secretary of Education Betsy DeVos. An updated Chapter 15 further links traditional religious fundamentalist ideas and the twentieth century free market arguments of the Chicago school of economists to President Trump's administration and the influence of the Alt-Right.

Government and Politics in the Lone Star State

Examine Texas politics in historical, economic, and demographic contexts

Revel(TM) Government and Politics in the Lone Star State guides students through the historical, economic, demographic, and political environment that has made Texas government and political culture what it is. Drawing on their experiences in political science, journalism, and consulting, authors Tucker Gibson, Clay Robison, and Joanne Connor Green explain Texas's governmental institutions, the players who influence them, and how these factors compare to those in other states. In order to boost student engagement with key concepts, the 2016 Presidential Election Edition incorporates coverage of contemporary issues that dominate today's headlines, as well as the most up-to-date data. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience -- for less than the cost of a traditional textbook. NOTE: Revel is a fully digital delivery of Pearson content. This ISBN is for the standalone Revel access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use Revel.

Urban Politics

American Government 2014

Introduction to American Government 6th Edition

American Constitutional Law, Volume II provides a comprehensive account of the nation's defining document, examining how its provisions were originally understood by those who drafted and ratified it, and how they have since been interpreted by the Supreme Court, Congress, the President, lower federal courts, and state judiciaries. Clear and accessible chapter introductions and a careful balance between classic and recent cases provide students with a sense of how the law has been understood and construed over the years. The Tenth Edition has been fully revised to include twelve new cases, including key decisions *Obergefell v. Hodges*, *Burwell v. Hobby Lobby Stores*, *Shelby County v. Holder*, *Horne v. Department of Agriculture*, and *Riley v. California*. A revamped and expanded companion website offers access to even more additional cases, an archive of primary documents, and links to online resources, making this text essential for any constitutional law course.

Dg.o 2009

This comprehensive, trusted core text on media's impact on attitudes, behavior, elections, politics, and policymaking is known for its readable introduction to the literature and theory of the field. *Mass Media and American Politics*, Tenth Edition is thoroughly updated to reflect major structural changes that have shaken the world of political news, including the impact of the changing media landscape. It includes timely examples of the significance of these changes pulled from the 2016 election cycle. Written by Doris A. Graber—a scholar who has played an enormous

role in establishing and shaping the field of mass media and American politics—and Johanna Dunaway, this book sets the standard.

Public Administration in America

American Government

This popular text mixes the best classic theory and research on urban politics with the most recent developments in urban and metropolitan affairs. Its very balanced and realistic approach helps students to understand the nature of urban politics and the difficulty of finding effective solutions in a suburban and global age. The eighth edition provides a comprehensive review and analysis of urban policy under the Obama administration and brand new coverage of sustainable urban development. A new chapter on globalization and its impact on cities brings the history of urban development up to date, and a focus on the politics of local economic development underscores how questions of economic development have come to dominate the local arena. The eighth edition is significantly shorter than previous editions, and the entire text has been thoroughly rewritten to engage students. Boxed case studies of prominent recent and current urban development efforts provide material for class discussion, and concluding material demonstrates the tradeoff between more ideal and more pragmatic urban politics.

Constitutional Government

Introduction to American Government encourages students to think critically about current issues in politics and policy and to question how and why America has achieved its current position politically. Over the course of seventeen chapters, students learn the fundamentals of democracy, the Constitution, and Federalism. They become familiar with the judicial and executive branches of government, the President, and Congress. They consider the impact of social movements, interest groups, political parties, public opinion, and the media. Lastly, they examine civil rights and liberties, and social and foreign policy. In a clear and concise manner, the book engages both majors and non-majors in the field by emphasizing the fundamentals of government. Introduction to American Government provides foundational information in a student-friendly style for introductory courses in civics and American government. Laura Schneider holds a Ph.D. in political science from Purdue University and is an associate professor in the Department of Political Science at Grand Valley State University. Dr. Schneider teaches courses in introductory American government, environmental policy, the policy process, and women and politics. In addition to teaching, Dr. Schneider is a member of the Environmental Studies Interdisciplinary Advisory Board. Her professional writing has been published in the Journal of Political Science Education and Conservation and Society.

Environment

A fresh, accessible perspective on the fundamentals

Politics in America, 2014 Elections and Updates Edition

Explore American politics through the Constitution Government by the People, 2012 Election Edition continues a tradition of excellence by offering the most classroom-tested introduction to the foundational principles, processes, and institutions of American government. Emphasizing the accomplishments of a government of the people, by the people, and for the people, this text highlights the central role people play in a constitutional democracy. Government by the People inspires students to see how similarities and differences in political beliefs continue to shape government today. This text features full integration with the New MyPoliSciLab. MyPoliSciLab includes a wide array of resources to encourage students to look at American politics like a political scientist and analyze current political issues. Political Explorer lets students play the role of a political scientist by investigating issues through interactive data. Core Concept videos discuss the big ideas in each chapter and apply them to key political issues. Simulations allow students to experience how political leaders make decisions. A better teaching and learning experience This program provides a better teaching and learning experience-for you and your students. Here's how: Personalize Learning-The New MyPoliSciLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. MyPoliSciLab is now compatible with BlackBoard! Engage Students-The stunning visual design engages students in the text. Improve Critical Thinking- Learning objectives in every chapter help students focus on important topics. Analyze Current Events-Coverage of the 2012 elections keeps the study of politics relevant and shows how political scientists look at the development of the American political system.
