Precious Little Sleep

"Revelatory, terrifying, but, ultimately, hopeful." -Elizabeth Kolbert, Pulitzer Prize-winning author of THE SIXTH EXTINCTION From the author of Junkyard Planet, a journey into the surprising afterlives of our former possessions. Downsizing. Decluttering. Discarding. Sooner or later, all of us are faced with things we no longer need or want. But when we drop our old clothes and other items off at a local donation center, where do they go? Sometimes across the country-or even halfway across the world-to people and places who find value in what we leave behind. In Secondhand, journalist Adam Minter takes us on an unexpected adventure into the often-hidden, multibillion-dollar industry of reuse: thrift stores in the American Southwest to vintage shops in Tokyo, flea markets in Southeast Asia to used-goods enterprises in Ghana, and more. Along the way, Minter meets the fascinating people who handle-and profit from-our rising tide of discarded stuff, and asks a pressing question: In a world that craves shiny and new, is there room for it all? Secondhand offers hopeful answers and hard truths. A history of the stuff we've used and a contemplation of why we keep buying more, it also reveals the marketing practices, design failures, and racial prejudices that push used items into landfills instead of new homes. Secondhand shows us that it doesn't have to be this way, and what really needs to change to build a sustainable future free of excess stuff.

Travels with Baby

From one of the nation's most trusted experts on children's bedtime and nap time comes a new guide for sleep-training twins so that everybody (including Mom and Dad) will be rested and happy! As parents of twins and multiples know, double the fun can be double the sleep deprivation. Now, in Healthy Sleep Habits, Happy Twins, beloved pediatrician and renowned sleep authority Dr. Marc Weissbluth combines specialized advice for parents of twins with his tried-and-true sleep-

training methods to show exhausted moms and dads how to get their babies to sleep on their own, stay asleep, and sleep regularly. This essential step-by-step guide to establishing good sleep patterns reveals how to build healthy habits in twins' natural slumber cycles, including • how healthy sleep differs from "junk" sleep, plus a helpful tutorial on the techniques of sleep training for new parents • the five ingredients of healthy sleep, and why daytime sleep is different from nighttime sleep but equally important to good health • why it's crucial for babies to master the ability to fall asleep unassisted, without protest or crying, and how to help them do so • essential tips for synchronizing your twins' sleep schedules, plus information about how twins sleep best--when to keep them together, and when it's time to separate them • how to recognize early drowsy cues in your babies so you can catch the sleep wave before it turns into nervous energy that will keep them awake Sleep-training twins presents a unique set of challenges. This invaluable guide will not only get your babies to sleep through the night but help you stay healthy and rested so you can enjoy the many blessings of having more than one! From the Trade Paperback edition.

Healthy Snacks to Go

Winner of a Lowell Thomas Award from the Society of American Travel Writers Foundation, the Gold Prize from the North American Travel Journalists Association, and a Silver in the National Parenting Publications Awards competition for parenting Resources. Travels with Baby, by celebrated family travel author and blogger Shelly Rivoli, helps parents plan every trip they'll take with their child from birth through 4 years. In addition to the major modes of transport covered in great detail--air travel (50 pgs.), travels by automobile (40 pgs.), cruise vacations (31 pgs.), rail travel (53 pgs. Including USA, Canada & Europe)--this "Ultimate Guide" also includes advice for traveling with children of different temperaments, health and safety considerations, suggestions for where to travel when during a child's first years, packing lists and travel-friendly baby gear recommendations, and more. As the Society for American Travel Writers Foundation declared, this guide is "a must have even for families who only travel occasionally."

indexes make finding relevant information easy and fun.

Baby's Hug-a-Bible

Grocery lists. Checklists. To-do lists. Lots of people love--and live by--lists. And parents are no exception. Today's families are busier than ever, and moms don't have the time or energy to search and scramble for the parenting information they are desperately seeking: How much should my child be sleeping at this age? What toys will most benefit my child? What items are truly essential in furnishing a nursery? What questions should I ask a potential caregiver? What are the signs of a family-friendly restaurant? The answers to these questions and more than a hundred others are at a mom's fingertips with *A Mom's Ultimate Book of Lists*. This handy, practical reference guide will save time, money, and sanity for today's busy women.

Keep God's word close to baby's heart in this perfect introduction for the very young to the stories of the Bible and to God's great love for them.

Consumer Reports 2002

How to get everything you need for your new baby—without breaking the bank. When Angela Wynne started preparing for her baby's arrival, she was overwhelmed by all the must-haves she supposedly needed. She quickly discovered that the average American family can expect to shell out more than \$23,000 for the first two years of the baby's life. Daunted by the cost of having a baby, Angela soon realized she had a gift for ferreting out the best bargains—and decided to share her findings with other parents online, with her uber-successful blog *BabyCheapskate.com*. And now, in *The Babycheapskate Guide to Bargains*, she gives you must-have advice on buying the best for your baby for less. You'll learn:

- What you need for your baby—and what you don't need
- The principles of shopping smart
- Where to find great deals on baby products, both online and off
- How to use social media to find bargains and get advice
- How to demystify couponing and other "insider" savings techniques
- And much, much more

Outlining easy-to-follow, effective saving strategies, this indispensable guide takes the financial guesswork and all the unwanted stress out of planning for a baby. From the Trade Paperback edition.

Dad's Guide to Raising Twins

Joining the mommy world is a little like going to war. It's foreign and scary, physically demanding and unpredictable, and the only people who understand what it's really like are the ones who've been through it before. Indeed, who better than to guide you through everything from morning sickness remedies your doctor doesn't know about to finding the safest, sturdiest car seat on the market? In *The Mom-to-Mom Guide to the Baby Years*, you'll discover: The ten most important

things to bring to the hospital when you're ready to deliver? Three full-proof tricks for limiting visitors (and their annoying advice) in those first few weeks? The easiest, most effortless way to lose the pregnancy weight ? plus three other weight-loss strategies that really work? The only convertible car seat we recommend and why? Our top ten list of ?must have? baby products ? and four to avoid at all costs? The three nursing accessories we can't live without? The two best web sites for baby products? The single best way to get stains out of baby clothes (and everything else)? Fifteen quick and easy recipes for time-crunched moms? Six great ideas for making kids feel special? Time-tested tricks for soothing a colicky baby? The best source for designer baby clothes at great prices (we call it the best-kept secret in babyfashion)? Seven creative ways to preserve memories from the baby years? Our number one favorite first finger food for baby? Terrific tricks for getting picky eaters to eat vegetables and much, much more. About the Authors The Mom-to-Mom Guide to the Baby Years is written by 142 moms from all over the world ?from Spokane, Washington to Okeechobee, Florida, Ontario, Canada to Kyoto, Japan. We are moms just like you ? breastfeeders and bottle-feeders, vegetarians and meat-eaters, working moms and stay-at-homers. We live in the city and the country, on military bases and in suburban neighborhoods. We differ in lifestyles, parenting styles, ages and clothing preferences, but we all share a deep desire to raise happy, healthy children, and we're happy to share whatever we've learned to help you do the same.

Healthy Child Healthy World

In this eighth edition, parents will find helpful tips on "building" the baby's nursery, from crib to diaper bag, plus ratings of car seats, carriers, play yards, and travel systems.

My Trusty Car Seat

The latest scientific research on home birth, breastfeeding, sleep training, vaccines, and other key topics—to help parents make their own best-informed decisions. In the era of questionable Internet "facts" and parental oversharing, it's more important than ever to find credible information on everything from prenatal vitamins to screen time. The good news is that parents and parents-to-be no longer need to rely on an opinionated mother-in-law about whether it's OK to eat sushi in your third trimester, an old college roommate for sleep-training "rules," or an online parenting group about how long you should breastfeed (there's a vehement group for every opinion). Credible scientific studies are out there – and they're "bottom-lined" in this book. The ultimate resource for today's science-minded generation, The Informed Parent was written for readers who prefer facts to "friendly advice," and who prefer to make up their own minds, based on the latest findings as well as their own personal preferences. Science writers and parents themselves, authors Tara Helle and Emily Willingham have sifted through thousands of research studies on dozens of essential topics, and distill them in this essential and engaging book. Topics include: Home birth * Labor induction * Vaginal birth vs. Cesarean birth * Circumcision * Postpartum depression * Breastfeeding * Vaccines * Sleep training * Pacifiers * SIDS * Bed-sharing * Potty training * Childhood obesity * Food sensitivities and allergies * BPA and plastics * GMOs vs. organic foods * The hygiene hypothesis * Spanking * Daycare vs. other

childcare options Full reference information for all citations in the book is available online at <http://theinformedparentbook.com/book-references/> From the Trade Paperback edition.

The Happiest Baby on the Block

An outcast fighting for her future Thea Knight loves a spot of mischief. She especially loves her current mischief: masquerading as her sister, while finalizing her scheme to expose the dastardly knaves whose lies ruined her life. Then big, bad-tempered Lord Luxborough upends her game by maneuvering her into marriage. But it's her sister's name on the license, so the marriage won't be valid. Thea's idea? Keep pretending to be her sister until she can run away. A recluse haunted by his past Rafe Landcross, Earl of Luxborough, has no love for mischief. Or marriage. Or people, for that matter. The last thing he wants is a wife--but if he marries, he'll receive a large sum of much-needed money. Then he learns that Thea Knight is using a false name. Rafe's idea? Pretend he doesn't know her true identity, marry her, and send her packing once the money is his. A compelling attraction that changes their lives But as passion ignites and secrets emerge, the mutual deception turns tricky fast. Rafe and Thea face irresistible temptations, unsettling revelations, and a countdown to the day when Thea must leave Fun, tender, and steamy, this Gothic-flavored historical romance tells of a fake marriage between a grumpy, scarred hero and a trickster heroine who reminds him how to play.

USA Today

Dad's Guide to Twins

America's best-selling and best-loved guide to baby gear is back with an updated and revised edition! Yes, a baby book that actually answers the big question about having a baby: How am I going to afford all this? With the average cost of a baby topping \$7400 for just the first year alone, new parents need creative solutions and innovative ideas to navigate the consumer maze that confronts all parents-to-be. BabyBargains is the answer! Inside, you'll discover:

- BEST BET PICKS for cribs, car seats, strollers, high chairs, diapers and more!
- CHEAT SHEETS for your baby registry—create a baby registry in minutes with our good, better, best ideas.
- SEVEN THINGS no one tells you about baby gear, from nursery furniture to feeding baby.
- THE TRUTH ABOUT STROLLERS—and which brands work best in the real world.
- Dozens of SAFETY TIPS to keep baby safe and affordably baby proof your home.
- DETAILED CHARTS that compare brands of cribs, high chairs, car seats and more.

This new 13th edition adds the latest tips and advice on getting bargains on baby gear, including:

1. Streamlined recommendations by parenting lifestyle, from a crib for space-challenged urban parents to an affordable car seat for Grandma's car.
2. New recommendations for baby feeding, from baby food processors to storage ideas for home-made baby food.
3. BUDGET-FRIENDLY picks for dozens of items, from high chairs to infant car seats.
4. Expanded coverage of the price war on diapers—who's got the best deals now?

What to Do When You're Having Two

Announcing the prequel! From Heidi Murkoff, author of the world's bestselling pregnancy and parenting books, comes the must-have guide every expectant couple needs before they even conceive - the first step in *What to Expect: What to Expect Before You're Expecting*. Medical groups now recommend that all hopeful parents plan for baby-making at least three months before they begin trying. And who better to guide want-to-be mums and dads step-by-step through the preconception (and conception) process than Heidi Murkoff? It's all here. Everything couples need to know before sperm and egg meet. Packed with the same kind of reassuring, empathic and practical information and advice that readers have come to expect from *What to Expect*, only sooner. Which baby-friendly foods to order up (say yes to yams) and which fertility-busters to avoid (see you later, saturated fat); lifestyle adjustments that you'll want to make (cut back on cocktails and caffeine) and those you can probably skip (that switch to boxer shorts). How to pinpoint ovulation, keep on-demand sex sexy, and separate conception fact from myth. Plus, when to seek help and the latest on fertility treatments - from IVF to surrogacy and more. Complete with a fill-in fertility journal to keep track of the baby-making adventure and special tips throughout for hopeful dads. Next step? *What to Expect When You're Expecting*, of course.

Great Expectations

Wow! A baby book that actually answers the big question about having a baby: How am I going to afford all this? Lists mail-order companies with discounted prices, featuring clothing, furniture, toys, and safety devices

The Informed Parent

Learn how to create a cleaner, greener, safer home with Christopher Gavigan and the trusted experts at Healthy Child Healthy World. *Healthy Child Healthy World* is the essential guide for parents! All parents want a happy and healthy child in a safe home, but where do they start? It starts with the small steps to creating a healthier, less toxic, and more environmentally sound home, and this is the definitive book to get you there. Unfortunately, tens of millions of Americans, overwhelmingly children, now face chronic disease and illnesses including cancer,

autism, asthma, allergies, birth defects, ADD/ADHD, obesity/diabetes, and learning and developmental disabilities. The number gets higher each year and more parents ask WHY? Scientific evidence increasingly finds chemicals in everyday products like cleaning supplies, beauty care and cosmetics, home furnishings, plastics, food, and even toys that are contributors to these ailments. The good news is that you can do something to protect your children with a few simple changes! Inside, you'll find practical, inexpensive, and easy lifestyle advice for every stage of parenting including: *Advice on preparing a nontoxic nursery for a new baby *What every expectant mom needs to do to have a safer pregnancy *Clarifying which plastics and baby products to avoid and the healthier solutions *Tips to take to the grocery store, including the most and least pesticide-laden fruits and vegetables and the best healthy kid-approved snacks *Which beauty care / cosmetic products pose the biggest risk to health *The best recipes for healthy snacks, low-cost and safe homemade cleaners, and non-toxic art supplies *How to easily minimize allergens, dust, and lead *A greener garden, yard, and outdoor spaces *Tips to keep your pets healthy, and the unwanted pests out naturally *Renovation ideas, naturally fresher indoor air, and safer sleeping options, *An 27 page extensive shopper's guide to most trusted and best products every home needs Inside is also packed with over 40 featured contributions from renowned doctors, environmental scientists, and public-health experts like Dr. Harvey Karp, Dr Philip Landrigan, and William McDonough, as well as many celebrity parents like Gwyneth Paltrow, Tobey Maguire, Sheryl Crow, Erin Brockovich and Tom Hanks. A special featured contribution from First Lady Michelle Obama on her best ways of coping with her daughter's asthma.

My First Baby Signs

"Mama Natural's Week to Week Guide to Pregnancy is the modern (and yet ancient) approach to pregnancy and childbirth. "Natural" recognizes that pregnancy and birth are normal, and that having a baby is a wondrous biological process and rite of passage--not a medical condition. This book draws upon the latest research showing how beneficial and life-changing natural birth is for both babies and moms. Full of weekly advice and tips for a healthy pregnancy, Grace details vital nutrition to take, natural remedies for common and troublesome symptoms, as well as the appropriate (and inappropriate) use of interventions. Pregnancy, childbirth, health, health and wellness, parenting, family"--

The Lilaguide: Baby Gear Guide

Nancy and her friends find themselves at a haunted inn with a mystery to solve in this thirteenth book of the Nancy Drew Diaries, a fresh approach to the classic mystery series. When Nancy and Bess accompany George to a cousin's wedding in

historic Charleston, South Carolina, they end up staying at an old inn near the family's home with the rest of the guests. But when they begin hearing strange noises and witnessing unexplained phenomena at night—they soon discover that it's one of Charleston's most haunted hotels! When the wedding rings disappear during one of these spooky evenings, Nancy knows she's got to get to the bottom of this ghostly mystery...before there isn't a happily ever after.

What to Expect: Before You're Expecting

Eight of the essential sign language words for babies, clearly and cleverly illustrated with durable pull-tabs in a charming book to read aloud with baby.

Touch and Feel Playbook

As you prepare to become a mother, you face an experience unlike any other in your life. Having a baby will redirect your preferences and pleasures and, most likely, will realign some of your values. As you undergo this unique psychological transformation, you will be guided by new hopes, fears, and priorities. In a most startling way, having a child will influence all of your closest relationships and redefine your role in your family's history. The charting of this remarkable, new realm is the subject of this compelling book. Renowned psychiatrist Daniel N. Stern has joined forces with pediatrician and child psychiatrist Nadia Bruschweiler-Stern and journalist Alison Freeland to paint a wonderfully evocative picture of the psychology of motherhood. At the heart of *The Birth of a Mother* is an arresting premise: Just as a baby develops physically in utero and after birth, so a mother is born psychologically in the many months that precede and follow the birth of her baby. The recognition of this inner transformation emerges from hundreds of interviews with new mothers and decades of clinical experience. Filled with revealing case studies and personal comments from women who have shared this experience, this book will serve as an invaluable sourcebook for new mothers, validating the often confusing emotions that accompany the development of this new identity. In addition to providing insight into the unique state of motherhood, the authors touch on related topics such as going back to work, fatherhood, adoption, and premature birth. During pregnancy, mothers-to-be talk about morning sickness and their changing bodies, and new mothers talk about their exhaustion, the benefits of nursing or bottle-feeding, and the dilemma of whether or when they should return to work. And yet, they can be strangely mute about the dramatic and often overwhelming changes going on in their inner lives. Finally, with *The Birth of a Mother*, these powerful feelings are eloquently put into words.

The Ghost of Grey Fox Inn

Perfect for expecting parents who want to provide a soothing home for the newest member of their family, *The Happiest Baby on the Block*, the national bestseller by respected pediatrician and child development expert Dr. Harvey Karp, is a revolutionary method for calming a crying infant and promoting healthy sleep from day one. In perhaps the most important parenting book of the decade, Dr. Harvey Karp reveals an extraordinary treasure sought by parents for centuries --an automatic "off-switch" for their baby's crying. No wonder pediatricians across the country are praising him and thousands of Los Angeles parents, from working moms to superstars like Madonna and Pierce Brosnan, have turned to him to learn the secrets for making babies happy. Never again will parents have to stand by helpless and frazzled while their poor baby cries and cries. Dr. Karp has found there IS a remedy for colic. "I share with parents techniques known only to the

most gifted baby soothers throughout history ...and I explain exactly how they work." In a innovative and thought-provoking reevaluation of early infancy, Dr. Karp blends modern science and ancient wisdom to prove that newborns are not fully ready for the world when they are born. Through his research and experience, he has developed four basic principles that are crucial for understanding babies as well as improving their sleep and soothing their senses: ·The Missing Fourth Trimester: as odd as it may sound, one of the main reasons babies cry is because they are born three months too soon. ·The Calming Reflex: the automatic reset switch to stop crying of any baby in the first few months of life. ·The 5 "S's": the simple steps (swaddling, side/stomach position, shushing, swinging and sucking) that trigger the calming reflex. For centuries, parents have tried these methods only to fail because, as with a knee reflex, the calming reflex only works when it is triggered in precisely the right way. Unlike other books that merely list these techniques Dr. Karp teaches parents exactly how to do them, to guide cranky infants to calm and easy babies to serenity in minutes...and help them sleep longer too. ·The Cuddle Cure: the perfect mix the 5 "S's" that can soothe even the most colicky of infants. In the book, Dr. Karp also explains: What is colic? Why do most babies get much more upset in the evening? How can a parent calm a baby--in mere minutes? Can babies be spoiled? When should a parent of a crying baby call the doctor? How can a parent get their baby to sleep a few hours longer? Even the most loving moms and dads sometimes feel pushed to the breaking point by their infant's persistent cries. Coming to the rescue, however, Dr. Karp places in the hands of parents, grandparents, and all childcare givers the tools they need to be able to calm their babies almost as easily as...turning off a light. From the Hardcover edition.

Travels with Baby

You survived the twin pregnancy and have brought the twins home. Now the real adventure begins. This guide will walk you through the challenging and exciting aspects of raising twins. You can thrive as a father of twins even during the crazy early years with twins.
