By 250 AD, Christianity had spread throughout India and China. Known as the Shining Religion or the Luminous Teaching, it drew adherents from Buddhism and Hinduism who were seeking a faith that taught the possibility of achieving a society founded on love and compassion for their fellow man. The new doctrine reached the island nation of Japan where it was so well received that Christianity threatened to supplant Buddhism as the dominant religion. By the close of the 16th century Japanese Christians numbered in the millions. Fifty years later Christianity was officially proscribed and Christians faced execution for openly practicing their faith. Jesus and the Samurai tells their fascinating story with facts drawn from ancient and modern sources.

John O'Kane delivers a gripping tale of a life dedicated to football violence and gives an unparalleled insight into the reality of being a career hooligan. With 33 criminal convictions against him, plus a further 33 cases either dropped or with a not guilty verdict, O'Kane has been remanded nine times including one charge of attempted murder when he was aged just 18. His was a life dedicated to the gang he founded, the Celtic Soccer Crew. O'Kane describes the extraordinary struggle of a gang of football hooligans to survive, despite discovering an unexpected enemy: the indomitable Celtic support - a support that guarded its reputation and good name with a passion O'Kane hadn't reckoned with, even as a Celtic supporter himself. Once upon a time, the name Baghdad conjured up visions of the most magical, romantic city on earth, where flying carpets carried noble thieves off on wonderful adventures, and vicious viziers and beautiful princesses mingled with wily peasants and powerful genies. This is the world of the Arabian Nights, a magnificent collection of ancient tales from Arabia, India, and Persia. The tales - often stories within stories - are told by the sultana Scheherazade, who relates them as entertainments for her jealous and murderous husband, hoping to keep him amused and herself alive. Though early Islamic critics condemned the tales' 'vulgarity' and worldliness, the West has admired their robust, bawdy humour and endless inventiveness since the first translations appeared in Europe in the eighteenth century. Today these stories stand alongside the fables of Aesop, the fairy tales of the Brothers Grimm, and the folklore of Hans Christian Andersen as some of the Western literary tradition's most-quoted touchstones.

## **Sport Riding Techniques**

One of the world's great folk story-cycles adapted for the stage by leading theatre maker Tim Supple, from the stories written by the seminal Lebanese novelist Hanan al-Shaykh. This unique edition will unlock the ancient tales for a new generation of readers and performers. Written by Arabic writers from tales gathered in India, Persia and across the great Arab Empire, the One Thousand and One Nights are the never-ending stories told by Shahrazad night after night, under sentence of death, to the king Shahrayar who has vowed to marry a virgin every night and kill her in the morning. Shahrazad prolongs her life by keeping the King engrossed in a web of stories that never ends - a fascinating kaleidoscope of life, love and destiny. The tales that unfold are erotic, violent, supernatural and endlessly surprising. The web of tales woven by Shahrazad were exoticised and bowdlerised in the West under the title of the Arabian Nights. This adaptation unearths the true character of One Thousand and One Nights as it is in the oldest Arabic manuscripts. In turns erotic, brutal, witty, poetic and complex, the tales tell of love and marriage, power and punishment, rich and poor, and the endless trials and uncertainties of fate. The great cities and thriving trade routes of the Islamic world provide the setting for these stories that employ supernatural mystery and intense realism to portray the deep and endless drama of human experience.
