A Complete Guide to Using the iPhone 12 Pro Camera The best camera for the job is the one you have in your hands when there is an opportunity for a photoshoot, especially when that camera is the iPhone 12 Pro. Maximize the use of your iPhone 12 to take great shots A Complete Guide to Using the iPhone 12 Pro Camera The best camera for the job is the one you have in your hands when there is an opportunity for a photoshoot, especially when that camera is the iPhone 12 Pro. The question then becomes, are you making the most of that powerful tool in your pocket? Do the photos you take seem to be from an amateur because of how blurry they look,

and very different from the kind of picture you had in mind to take? If this is you and you want to be able to take incredible pictures with your iPhone, then this book is for you. At the end of this book, you should be comfortable taking great shots with your iPhone 12 Pro even in low light conditions. You will also be equipped with the skills needed to capture awesome portrait pictures of people and nail down your composition such that others can be amazed at how professional your pictures consistently look, as you create jaw-dropping landscapes, food, and travel photos of the events you are involved in. The book starts by covering some of the basic things about the iPhone 12 Pro and the relevance of some of these features on the iPhone and how they affect the quality of the pictures taken with it. In no time after you start using this book, you will begin to start snapping with your camera with far more confidence and dexterity than others who simply go through the motions of pointing their cameras at an object and taking pictures without some of these basic knowledge and skills. Some contents to expect to see in this book include:

- How to create animojis and even share memoji with other types of phone users
- How to take stunning pictures for your social media platforms
- How to take stunning pictures with the portrait mode and lots more

With this book in your hands, you can move from being just a mediocre basic iPhone user to an iPhone photography specialist. It will save you the time and energy of stumbling into some of these features by deliberately exposing you to these features and functions. If what you want is a go-to guide on matters surrounding just iPhone photography, then this is a great reference guide for

you, very different from what a generic iPhone 12 Pro manual can achieve because of how such books gross over different topics. Not only that, but you can also order this book as a gift for a friend, son, daughter, or a loved one to help them quickly get started with using their phone as soon as they start exploring the pages of this book. Special Bonus That is not all, at the end of this book, we have a special gift for you, something we believe you will love. Need help with the iPhone 6S or iPhone 6S Plus? The iPhone 6S and 6S Plus introduced the 3D Touch feature, which completely redefines how you use your iPhone. Many other new features were also introduced in iOS 9. This guide will introduce you to these new features, as well as iOS 9. The Guide to the iPhone 6S gives task-based instructions without using any technical jargon. Learning which buttons perform which functions is useless unless you know how it will help you in your everyday use of the iPhone. Therefore, this guide will teach you how to perform the most common tasks. Instead of presenting arbitrary instructions in lengthy paragraphs, this book gives unambiguous, simple step-by-step procedures. Additionally, detailed screenshots help you to confirm that you are on the right track. This guide also explains Secret Tips and Tricks to help you accomplish your day-to-day tasks much faster. If you

get stuck, refer to the Troubleshooting section to isolate and solve the problem. Help is here!
