Is the cure for a breakup a hookup? Marissa Duplei has one mission. Pick herself up, dust the ex off, and get dirty with someone else. However, sexy, inked-up, metal-musician Jack (what was his name again?) is not the average girl's revenge fling. Women throw themselves at Jack, toss their lingerie on the stage, and scream his name. Marissa has no idea of his public identity, and while she doesn't initially throw herself at him, she does go on to toss aside her lingerie and scream his name. A one night stand gone awry. A secret to keep at all cost. A couple from two very different worlds. A second chance. Will it all lead to love? Award winning and Kindle bestselling romance Jack Who? is the first in the Silver Strings Series (G String Set) Rock Band Romance. 'Weathering Jack Storm' is second, and 'Snow Storms' is third. The Silver Strings Series will contain trilogies for each string on a guitar, and is kicked off with this G String Set.

In 1876, in the snowy wilderness of San Juan County, Colorado, a miner, Eli, was viciously murdered, causing his daughter, Luster, and adopted Ute son, John, to descend on Howardsville and Silverton to unravel the mystery of their father's death and to bring the murderers to justice. Their arrival causes unexpected incidents that spark John's memory of his past, and hurl the beautiful Luster into a cauldron of unparalleled savagery. Luster and John are caught in a perfect storm of ferocious Civil War Veterans turned miners and gunmen, and natural threats in the form of avalanches, bears, wolves, and frigid temperatures. John's untamed nature and Luster's innocent grit initially are no match for the sporting mobs. In their search the unsuspecting duo stumbles onto the secret of Dead Man's Mountain that only Eli knew and that others wanted. This revelation further makes the pair a target. The ensuing events hurl John and Luster into an interchange of pursuer and pursued, and throw them into a ferocious cycle of deception. In their quest for redemption and revenge, their search reveals the greedy hearts of evil men as well as the truth of John's past. This adventure novel is based within actual locations in Southwestern Colorado, and has been carefully researched and authenticated. If you like reading writers Jack London and Louis L'Amour, or just enjoy studying the mining history in Colorado, you will love this book.

BOOK 2 of the G-String Set in the Six Silver Strings Series Falling in love with Jack was easy, but there is nothing easy about staying in love with this arrogant rock star while settling into a new life in Los Angeles. The epic story of Jack and Marissa continues. Marissa and Tristan in his life changed his outlook. Jack feels needed. He welcomes the responsibility of a family. He embraces the love and companionship. Quickly, he whisks his son and the intriguing woman he had never forgotten to his home in LA. To Marissa, her future seems as mysterious as dusk's shimmering shadows beneath the surface of the luxurious guitar shaped pool. There is no doubt this could be her dream house, her dream life with the man she loves. Not so dreamy is all she is beginning to see packaged with him. The crazy hours of a very active life. The garbage behind the glam. Mostly, a moody and presumptuous rock star whose public persona is opposite of the sweet celebrity she fell for.

The people in its path, however, would later call it the No Name Hurricane, since it had all the force of a hurricane, but

was never officially designated as one. And because the brunt of the storm would strike the eastern seaboard around October 31, it would also acquire another name: the Halloween Gale." - Sebastian Junger, author of *The Perfect Storm* People in the Northeastern United States have been dealing with winter storms for centuries, and people in the South and on the East Coast have dealt with hurricanes and tropical storms for just as long, but it's rare for the weather systems that produce such storms to actually collide with each other and produce a more powerful storm. In fact, it's unusual enough that when it happened in late October 1991, one weatherman dubbed it the "Perfect Storm." Indeed, the Perfect Storm of 1991 was unique in many respects. By feeding off of Hurricane Grace and another storm to the south, the Nor'easter that was hitting the Northeast and Canada became an incredibly powerful storm that struck the North Atlantic before swinging back south and again developing into a tropical storm. In the process, it produced waves in excess of 100 feet tall near Nova Scotia and caused substantial flooding across the East Coast. It was also responsible for a handful of deaths throughout the region. The storm may have been one of those that residents in the area would remember and talk about in comparison to subsequent storms, but the Perfect Storm is well-known across the country thanks to Sebastian Junger's book, *The Perfect Storm*. In 2000, the movie *The Perfect Storm* dramatized Junger's book and the true story of the sinking of the *Andrea Gail*, a fishing ship based out of Gloucester, Massachusetts that got caught up in the storm and sank with all hands on board. Although there were

other dramatic events that took place in relation to the storm, including the rescue of the crew of a downed helicopter in the midst of the storm, the tragedy of the Andrea Gail continues to provide the most human face to the infamous storm. The Perfect Storm of 1991: The Story of the Nor'easter that Sank the Andrea Gail chronicles the storm from its formation to the devastating effects it had across the Atlantic. Along with pictures and a bibliography, you will learn about the Perfect Storm like never before, in no time at all.

Tod Volpe had more than an excellent eye for art. His gift of the gab took him from a start-up gallery in New York's Soho into the houses, lives and wallets of stars including Jack Nicholson, Barbra Streisand, Sylvester Stallone, Bruce Willis, Andy Warhol and Madonna. bra Appearing to live the American Dream, his high-maintenance, wheeler-dealer lifestyle became a dark

path to self-destruction. At the height of his success, Volpe crashed and burned in a widely publicized case of art fraud. Represented by top attorneys Nathan and Alan Dershowitz (of Klaus Von Bulow trial fame), his story made international headlines and threatened to blow the lid off the secret world of art dealing. With behind-the-scenes coverage, the book gives an insight into how auctions and dealers manoeuvre art around the globe. Money laundering, trading art with drug dealers, avoiding tax, and making false insurance claims are only a taste of what is revealed as the seedier side of the art world is laid bare. Framed is a fascinating blow-by-blow account of how the life of one man who 'had it all' spiralled out of control. Volpe learned the hard way that when you lose sight of who you really are nothing in the world.
