When a lonely little armadillo stumbles into Ellen and Andy's back yard, he begins a series of adventures which parallel those found in great works of literature. Because armadillos don't see well, the kids fashion special glasses for him. Once Arnold puts them on, he discovers that a whole new and amazing world exists all around him. A world of beauty, excitement, adventure, goofiness, and laughter - but most of all new and wonderful friendships. Kids ages 8 and up will love getting to know Arnold the Armadillo, following him on his adventures through this collection of short armadillo tales each with a moral message.
