PC World

“When we believe the Bible as it is, we will see the power of God move in our lives and in our community as it did centuries ago in Bible times.” -Mel Tari
Translated into dozens of languages, with millions of copies sold, Like a Mighty Wind remains a beloved classic from global evangelist Mel Tari. Recounting the incredible story of revival on the island of Timor during 1965 in the midst of political turmoil, the book is an amazing testament to the power of faith and the reality of God's power to work miracles in modern times. The Spirit of God that swept across the island “like a mighty wind” continues today throughout Indonesia although persecution of Christians is all too common. The story of God's powerful revival in this region remains a testament to the truth of God's Word, and serves as a reminder to all believers that the Spirit of God manifests in our world now as it did in the earliest days of the Church.

A traditional source of sexual titillation for adult readers, fairy tales historically boasted licentious themes before being cleaned up for the consumption of children in modern times. Seasoned erotica author Mitzi Szereto restores the explicit sex in these 15 tales — and adds some provocative surprises of her own. Here the bawdy humor of French fable meets the sublime eroticism of ancient Chinese myth; a not-so-virgin damsel weds a Prince Charming with a shoe fetish; Little Red Riding Hood

discovers Grandma's bed is open to any stray wolf; and a Japanese monk stumbles onto an S/M scene behind a forbidden door. Each tale is prefaced by a brief introduction telling its history and the sexual culture in which the work was originally composed.

The Peninsular Journal Of Medicine And The Collateral Sciences, Volume 5

Having translated The Diamond Sutra and The Heart Sutra, and following with The Platform Sutra, Red Pine now turns his attention to perhaps the greatest Sutra of all. The Lankavatara Sutra is the holy grail of Zen. Zen's first patriarch, Bodhidharma, gave a copy of this text to his successor, Hui-k'o, and told him everything he needed to know was in this book. Passed down from teacher to student ever since, this is the only Zen sutra ever spoken by the Buddha. Although it covers all the major teachings of Mahayana Buddhism, it contains but two teachings: that everything we perceive as being real is nothing but the perceptions of our own mind and that the knowledge of this is something that must be realized and experienced for oneself and cannot be expressed in words. In the words of Chinese Zen masters, these two teachings became known as "have a cup of tea" and "taste the tea." This is the first translation into English of the original text used

by Bodhidharma, which was the Chinese translation made by Gunabhadra in 443 and upon which all Chinese Zen masters have relied ever since. In addition to presenting one of the most difficult of all Buddhist texts in clear English, Red Pine has also added summaries, explanations, and notes, including relevant Sanskrit terms on the basis of which the Chinese translation was made. This promises to become an essential text for anyone seeking to deepen their understanding or knowledge of Zen.

A revolutionary process based on the four chambers of the heart and rooted in Toltec wisdom that brings emotional clarity, healing, and freedom The Warrior Heart Practice is a powerful new method to reconnect with our sense of authenticity and inner-knowing and realign with our true nature. Author of the bestselling book Warrior Goddess Training, HeatherAsh Amara has trained extensively in the Toltec tradition under the tutelage of don Miguel Ruiz, author of The Four Agreements. The Warrior Heart Practice is a revolutionary system based on the four chambered structure of the human heart. Walking through each of the four chambers—Feeling, Story, Truth, and Intent—readers learn to take stock of their current emotional and mental state and reframe their situation in a new healing light. The process begins in the Feeling chamber as readers accept the emotions they are currently experiencing without fighting or judging them. It then continues into the next chamber as readers witness the Story that they are telling themselves. In the Truth chamber, they learn to thoughtfully and objectively evaluate the reality of the situation. In the final chamber, they learn to define and focus their Intent. The last phase of the practice is the most profound—taking the knowledge they have gathered from the four chambers, readers then walk backwards through each of the four chambers, refocusing their Intent, Truth, Story, and Feelings based on what they've learned during the process. The Warrior Heart Practice leads to deep insights as readers learn to step outside of their preconceptions to realign with their true purposes and goals.
