### The Search for the Stone of Excalibur

In this six-session small group Bible study (DVD/digital video sold separately), Andy Stanley challenges us to stop flirting with disaster and establish personal guardrails. Guardrails. They're everywhere, but they don't really get much attention until somebody hits one. And then, more often than not, it is a lifesaver. Ever wonder what it would be like to have guardrails in other areas of your life--areas where culture baits you to the edge of disaster and then chastises you when you step across the line? Your friendships. Your finances. Your marriage. Maybe your greatest regret could have been avoided if you had established guardrails. In this six-session video-based small group bible study, Andy Stanley challenges us to stop flirting with disaster and establish some personal guardrails. Sessions include: Direct and Protect (20:00) Why Can't We Be Friends? (18:30) Flee Baby Flee! (21:30) Me and the Mrs. (15:00) The Consumption Assumption (19:00) Once and for All (17:30) Designed for use with the Guardrails Video Study (sold separately).

Until Expectations May You Part Giddy with excitement and burning with love's fire, engaged couples are filled with desires and expectations! Wonder and eager anticipation propel them forward. Then comes the marriage and if they take the wrong approach, those unrealized expectations and unmet wants can turn a life-giving covenant relationship into a dead-end contractual agreement. Suddenly your marriage has no love, joy, or peace. In this marriage-makeover DVD and study guide from Northpoint Resources, Andy Stanley 's three key teachings help you transform your expectations and examine the "I's" of marriage: "Keeping My 'I' On You," "Putting Your 'I' Out," and "It Takes Three." Broken into six DVD sessions with discussion questions, this is one lesson your marriage won't survive without. Until Expectations Do Us Part Standing at the altar we all had a picture of what our marriage would look like. The problem is this picture of marriage ends up as expectations that we unload on our spouse. The weight of these expectations will rob your marriage of love and joy. As a spouse you never feel like you measure up and you never feel like you are good enough. So what are you to do with your expectations? You can't deny them because most expectations started out as God-given desires. In this six-session companion study guide to the DVD, Andy Stanley explains that you must instead learn to transform your expectations and look to God if you are to experience marriage as it was designed. This study guide is complete with a leader's guide and six lessons including conversation-starting exercises, discussion questions and application steps. Story Behind the Book Andy Stanley is the senior pastor of three North Point Ministries campuses, with a cumulative congregation of more than twenty thousand. As couples voiced their various marital struggles to him, the common root problem became undeniably clear. The "me" syndrome, or the "I" effect, was tearing apart husbands and wives who were once head-over-heels in love. To help couples step back from their immediate circumstances and realize the bigger picture, he preached a series called "iMarriage." This DVD and study guide will empower couples everywhere to transform their marriages into the one God intends for them.

A New Generation Church is a church with attendees whose average age is at least as young as the average age of the community in which the church exists. Any church can become a New Generation Church that reaches and continues to reach the next generation. The Psalmist writes: We will not hide these truths from our children; we will tell the next generation about the glorious deeds of the Lord, about his power and his mighty wonders. (Psalm 78:4 NLT) No Christian would purposely hide the timeless truths of Christianity from the next generation. But often we do, not because of the substance of our church, but because of the approach of our church. For A New Generation is not about changing your church's statement of faith or core beliefs. It is about evaluating and changing, as needed, your church's programs, ministries and practices in order to more effectively connect with and stay connected with the next generation. Written for both church leaders and members, For a New Generation presents 5 practical strategies that will lay a foundation for a church to thrive for generations to come. It is based on the assumption that accepting the status quo is the greatest threat to your church's core mission and, perhaps, to the long-term survival of your church.

### **How to Be Rich**

Stanley Hooker joined the Bristol Aeroplane Company in 1949 and tugged a rather reluctant company into the jet age, determined to give real competition to Rolls-Royce. So successful was he that in 1966 Rolls-Royce decided the best thing to do was to spend \$63.6 million and buy its rival. By this time there was scarcely a single modern British aero-engine for which Hooker had not been responsible.

### **Collin's Awakening**

Don Keough—a former top executive at Coca-Cola and now chairman of the elite investment banking firm Allen & Company—has witnessed plenty of failures in his sixty-year career (including New Coke). He has also been friends with some of the most successful people in business history, including Warren Buffett, Bill Gates, Jack Welch, Rupert Murdoch, and Peter Drucker. Now this elder statesman reveals how great enterprises get into trouble. Even the smartest executives can fall into the trap of believing in their own infallibility. When that happens, more bad decisions are sure to follow. This light-hearted “how-not-to” book includes anecdotes from Keough's long career as well as other infamous failures. His commandments for failure include: Quit Taking Risks; Be Inflexible; Assume Infallibility; Put All Your Faith in Experts; Send Mixed Messages; and Be Afraid of the Future. As he writes, “After a lifetime in business I've never been able to develop a step-by-step formula that will guarantee success. What I could do, however, was talk about how to lose. I guarantee that anyone who follows my formula will be a highly successful loser.”

## **Kyle's Return**

The Search for the Stone of Excalibur grew from Book One. I am a huge King Arthur fan and having travelled all over Scotland, visiting castles, I decided that Britain would be the location of the boys' quest for the Second Stone of Power. The legends and stories about King Arthur and Excalibur are the perfect vehicle for this book. There is so much magic and mystery surrounding this historical figure that I had enough material to craft a fascinating adventure. If you love history, geography, action, adventure, archaeology and a story that grips you from page one (plus lots of danger!) then this is the book for you. This will also appeal to anyone who wants to save the world or (for those readers a little older) remembers their plans to do so!
