Major Problems in American Environmental History

This unique collection of essays and documents brings to life the major topics in American western and frontier history from the sixteenth to the twentieth century.

Major Problems in American History, Volume II

Major Problems in American Military History

Designed to encourage critical thinking about history, the MAJOR PROBLEMS IN AMERICAN HISTORY series introduces readers to both primary sources and analytical essays on important topics in U.S. history. The collection of essays and documents in MAJOR PROBLEMS IN THE HISTORY OF THE AMERICAN SOUTH

Where To Download Major Problems In American History Chapter Summary

provides a comprehensive view of the culture of the American South as well as its political, social, and economic history. The documents are grouped with important secondary sources, accompanied by chapter introductions, selection headnotes, and suggested readings.

Major Problems in Asian American History

This text, appropriate for courses in U.S. women's history, presents a carefully selected group of readings that allow students to evaluate primary sources, test the interpretations of distinguished historians, and draw their own conclusions. Designed to encourage critical thinking about history, the Major Problems in American History series introduces students to both primary sources and analytical essays.

Major Problems in the History of American Sexuality

The fascinating collection of essays and documents in these volumes provides a comprehensive view of the culture of the American South as well as its political, social, and economic history. The compelling documents are grouped with important secondary sources, accompanied by chapter introductions, selection headnotes, and suggested readings.

Major Problems in Texas History

This text introduces students to both primary sources and analytical essays on important topics in U.S. history. The book asks students to evaluate primary sources, test the interpretations and draw their own conclusions.

Major Problems in American Constitutional History

This collection of primary source documents and essays provides in-depth coverage of the cultural, social, political, economic, and intellectual events of the 1920-1945 era. In keeping with the proven strengths of the Major Problems series, the compelling documents are grouped with important secondary sources, accompanied by chapter introductions, selection headnotes, and suggested readings.

Major Problems in the History of American Technology

Designed to encourage critical thinking about history, the Major Problems series introduces students to both primary sources and analytical essays on important topics in U.S. history. Major Problems in American Women's History is the leading reader for courses on the history of American women, covering the subject's entire

Where To Download Major Problems In American History Chapter Summary

chronological span. While attentive to the roles of women and the details of women's lives, the authors are especially concerned with issues of historical interpretation and historiography. The Fourth Edition features greater coverage of the experiences of women in the Midwest and the West, immigrant women, and more voices of women of color. Key pedagogical elements of the Major Problems format have been retained: 14 to 15 chapters per volume, chapter introductions, headnotes, and suggested readings. New! In Chapter 1, an exclusive essay by Kate Haulman examines the evolution of the field of women's history and the state of women's history today. New! Chapter 2 now focuses on Native American women, while a new Chapter 3 covers witches and their accusers in New England and the Salem witch trials. New! Chapter 6 draws on recent scholarship on the roles of ordinary and elite women in the numerous reform movements of the Early Republic. Revised! Chapter 7 rethinks and refocuses the text's coverage of women's roles in slavery and the Civil War, and more directly addresses the lives of African American women during and after slavery. New! Post-1960 coverage (in Chapters 15–16) has been thoroughly revised to highlight the women's movement, women's health, recent immigration, and economic changes affecting women.

Major Problems in American History, Volume I

Each topic in this text is covered by both secondary readings and a wide variety of primary source documents, including legal decisions, diary entries, newspaper

Where To Download Major Problems In American History Chapter Summary

reports, literary accounts, government hearings, and advertisements for athletic equipment.

Major Problems in African American History

Designed to encourage critical thinking about history, the Major Problems in American History series introduces students to both primary sources and analytical essays on important topics in US history. This collection, designed for courses on Texas history or the history of southwest, covers the subject's entire chronological span. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Major Problems in American Religious History

Part of the Major Problems in American History series, this text for courses in family history or history of childhood balances its discussion of marriage and gender relations with coverage on children and childhood. Offering a thorough treatment of race, ethnicity, and class from colonial times to the present, this edition grants sustained attention to Native Americans and Latinos. Relating history to larger political events, the text narrative balances coverage of public policy toward families with coverage of the experiences of family life.

Major Problems in American Immigration History

Experience, 1917-1928: Anita Edgar Jones surveys Mexican life in Chicago, 1928; Mexican immigrants in the Midwest / Z. Vargas -- Mexican Americans in the Great Depression, 1929-1941 -- Mexican Americans and World War II, 1941-1945.

A People's History of the United States

"Designed to encourage critical thinking about history, the [book] introduces students to both primary sources and analytical essays on important topics in U.S. history. [The book] presents a selected group of readings in a format that asks students to evaluate primary sources, test the interpretations of distinguished historians and others, and draw their own conclusions"--P. [4] of cover.

Major Problems in American Indian History

This unique volume explores such themes as the political and economic forces that cause immigration; the alienation and uprootedness that often follow relocation; and the difficult questions of citizenship and assimilation.

Major Problems in American History

Where To Download Major Problems In American History Chapter Summary

This text presents a carefully selected group of readings that allow students to evaluate primary sources, test the interpretations of distinguished historians, and draw their own conclusions. The volume covers World War II from the homefront and the battlefield, examining both the military and social impact of the war.

Major Problems in American History Since 1945

In this Second Edition of this radical social history of America from Columbus to the present, Howard Zinn includes substantial coverage of the Carter, Reagan and Bush years and an Afterword on the Clinton presidency. Its commitment and vigorous style mean it will be compelling reading for under-graduate and post-graduate students and scholars in American social history and American studies, as well as the general reader.

Major Problems in the History of the American West

This text delves into the many facets of the colonial uprising and its aftermath, concluding with the ratification of the Bill of Rights. The volume combines primary sources, analytical essays, chapter introductions, and headnotes to encourage students to think critically about the revolutionary era.

Race and Reunion

Designed for courses in the Gilded Age and Progressive Era, the rise of industrial America, and late 19th and early 20th century U.S. history. Follows the highly successful Major Problems format, allowing students to evaluate primary sources, test interpretations and draw their own conclusions.

Major Problems in American Business History

This second edition builds on the first, while making significant changes that reflect new trends in the study of American immigration history. The field was first centrally defined in the mid-twentieth century by the study of immigrants from Europe. Asians and Latinos were not considered "immigrants"--People who settled permanently in the United States. They were considered "birds of passage"--people who did not experience the same social processes of incorporation and assimilation as did Europeans. As immigration from Asia and Latin America to the United States surged in the last third of the twentieth century, scholars began to pay more attention to their experiences, both historical and contemporary. A much more diverse and inclusive portrait of the American immigration experience has emerged.

Major Problems in Mexican American History

The book—which is suitable for courses on the history of American sexuality, gender studies, or gay and lesbian studies—presents a carefully selected group of readings organized to allow students to evaluate primary sources, test the interpretations of distinguished historians, and draw their own conclusions.

Major Problems in American Environmental History

This entry in the Major Problems in American History series examines the history of technology in America, from colonial times to the present. Each of the 14 chapters contains an introduction, secondary readings, documents, headnotes, and suggested readings.

Major Problems in American Immigration and Ethnic History

Designed to encourage critical thinking about history, the MAJOR PROBLEMS IN AMERICAN HISTORY series introduces readers to both primary sources and analytical essays on important topics in U.S. history. This collection serves as a primary anthology for introductory U.S. history, covering the subject's entire chronological span. Comprehensive topical coverage includes politics, economics,

labor, gender, culture, and social trends. The Third Edition features greater focus on visual and cultural sources throughout. Several chapters now include images, songs and poems to give readers a better feel for the time period and events under discussion. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Major Problems in the History of the American South: The new South

This volume traces the evolution of the American military, its institutions, strategic doctrines, and technology. The selections provide a social and institutional focus of the "new" military history, and follow the metamorphosis of the militia, the professionalization of the officers' corps, and the course of civilian control of the military.

Major Problems in the Gilded Age and the Progressive Era

Designed to encourage critical thinking about history, the Major Problems series introduces students to both primary sources and analytical essays on important topics in US history. This collection, designed to be the primary anthology for the introductory survey course, covers the entire chronological span of Constitutional

Where To Download Major Problems In American History Chapter Summary

history. Tracing the historical development of American constitutional thought, the Second Edition of this anthology presents the documents critical to constitutional development, including actual legal texts as well as the reactions of prominent legal minds.

Major Problems in American Women's History

MAJOR PROBLEMS IN AMERICAN POPULAR CULTURE follows the highly successful Major Problems format. Each chapter comprises essays and documents that focus on a particular aspect of American popular culture. These essays and documents will prompt students to think about the centrality of popular culture in American life and its powerful role in forging identity, historical memory, and relationships among consumers, producers, citizens, and the state. They reinforce the idea that popular culture is the ground on which cultural and social transformations are worked. Race and class are at the center of the analysis, and these categories, along with gender and nationalism, thread through the chapters. They all argue for seeing popular audiences as active creators rather than passive receivers of popular culture. Major Problems in American History Since 1945

Where To Download Major Problems In American History Chapter Summary

Each chapter includes documents and essays relating to the chapter's central theme, many of which are written by Native Americans.

Major Problems in the History of American Families and Children

Designed to encourage critical thinking about history, the MAJOR PROBLEMS IN AMERICAN HISTORY series introduces students to both primary sources and analytical essays on important topics in U.S. history. This collection serves as the primary anthology for the introductory survey course, covering the subject's entire chronological span. Comprehensive topical coverage includes politics, economics, labor, gender, culture, and social trends. The fourth edition has been revised to reflect two new historiographical trends: the emergence of the history of religion as an exceptionally lively field and the internationalization of American history. Several chapters include images, songs, and poems to give students a better “feel” for the time period and events under discussion. Key pedagogical elements of the Major Problems format have been retained: 15 to 16 chapters per volume, chapter introductions, headnotes, and suggested readings. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Major Problems in the History of American Workers

Designed to encourage critical thinking about history, the MAJOR PROBLEMS IN AMERICAN HISTORY series introduces readers to both primary sources and analytical essays on important topics in American history. The collection of essays and documents in MAJOR PROBLEMS IN AMERICAN COLONIAL HISTORY introduces readers to American colonial history and, in this third edition, presents a radically new vision of the subject in accordance with developments in the way the subject is currently taught. Most importantly, this new edition takes a more continental and thematic approach. Each chapter contains an introduction, headnotes, and suggestions for further reading.

Major Problems in the Era of the American Revolution, 1760-1791

Designed to encourage critical thinking about history, this book introduces students to both primary sources and analytical essays on important topics in US history. It contains primary documents, secondary sources, chapter introductions, separate introductions to documents and essays in every chapter, bibliographies, and documentation of sources.

Major Problems in American History

This text, designed for courses in US labor history or the history of American workers, presents a carefully selected group of readings that allow students to evaluate primary sources, test the interpretations of distinguished historians, and draw their own conclusions. Major Problems in the History of American Workers follows the proven Major Problems format, with 14-15 chapters per volume, a combination of documents and essays, chapter introductions, headnotes, and suggested readings.
