by John Wickersham This fourth edition of the Caravan Manual contains guidance on maintaining older caravans, it includes details about the very latest models. There s new information on caravan weights, the use of public weighbridges, and related legal issues, along with electronic and computerised wiring systems in cars. There are major updates to the chapters on chassis, running gear, body construction, gas and all electrical details. This essential manual describes all the vital maintenance tasks and repair work that keeps a caravan in tip-top condition. essential Caravan Magazine
