A Thousand Splendid Suns

Once upon a time there were three young ladies who, despite their fortunes, had been on the marriage mart a bit too long. They were known as “the Spinster Heiresses” . . . Is it wrong for a woman to want more? Not if she is a Spinster Heiress. They do not settle. Any young miss would be very lucky to find herself promised to a man like the Duke of Camberly. However, Miss Willa Reverly has watched her friends marry for love. Camberly may be the prize of the season, but she will not be “sold” to any man. She wants his devotion or she wants nothing at all. When is a Marriage of Convenience inconvenient? Newly named to the ducal title, Matthew Addison is determined to discover the secrets behind Mayfield, the bankrupt estate he has inherited. He doesn't have time to coddle a headstrong heiress who is determined to ditch him over something as silly as “love.” Little does he know that his questions will place her in jeopardy. Now he must do what he must to save them both. Could it be that in running from danger they might be racing headlong into a truly unexpected fate: falling in love?

Love Wins

Definitive novel of the "Lost Generation" focuses on the coming of age of Amory Blaine, a handsome, wealthy Princeton student. Fitzgerald's first novel and an immediate, spectacular success. Note.

My Marriage

The 1962 blockbuster that took on “one of the most absurd (if universal) myths of our time: that every girl must be married” (The New York Times). Helen Gurley Brown, the iconic editor in chief of Cosmopolitan for thirty-two years, is considered one of the most influential figures of Second Wave feminism. Her first book sold millions of copies, became a cultural phenomenon, and ushered in a whole new way of thinking about work, men, and life. Feisty, fun, and totally frank, *Sex and the Single Girl* offers advice to unmarried women that is as relevant today as it was when it burst onto the scene in the 1960s. This spirited manifesto puts women—and what they want—first. It captures the exuberance, optimism, and independence that have influenced the lives of so many contemporary American women.

Why Did I Marry You Anyway?

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. *The Case for Marriage* is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book’s findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. “A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical.” -- William J. Bennett, author of *The Book of Virtues* “Makes the absolutely critical point that marriage has been misrepresented and misunderstood.” -- The Wall Street Journal

Why Men Marry Bitches

Wonder why you're still single? Had you imagined you'd be settled down with the perfect man and family by now? Afraid time is running out? You might want to listen to what Lori Gottlieb has to say. When Lori found herself forty and still single, she came to an uncomfortable realisation. If so many of her friends were very happily married to 'good enough' guys, the

type of men who might not make you weak in the knees but made great partners and fathers, maybe she had been looking for the wrong man. Could her Mr Right have been, well, right in front of her all along? Funny, confronting and very very real, Marry Him is Lori Gottlieb's account of her search for a partner and the adjustments she had to make to her own expectations in order to find happiness.

Marry Him

Profiles four broad personality types that are determined by brain chemistry to explain why people are attracted to specific partners, counseling readers on how to pursue romantic relationships in accordance with natural compatibilities. 150,000 first printing.

Marry Him

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

Find a Husband After 35

The true story of a Yemeni child bride describes her forced marriage to an abusive husband three times her age, her pursuit of the marriage's dissolution, and the cultural factors that place girls at risk in Yemeni society.

How to Improve Your Marriage Without Talking About It

In this popular bestselling book (with more than 500,000 copies sold), Gary Thomas uncovers how your marriage can become a doorway to a closer walk with God and each other. Happy is good. But holy is better. Your marriage is more than a sacred covenant with another person. It is a spiritual discipline designed to help you know God better, trust him more fully, and love him more deeply. What if God's primary intent for your marriage isn't to make you happy . . . but holy? Sacred Marriage doesn't just offer techniques to make a marriage happier. It does contain practical tools, but what married Christians most need is help in becoming holier husbands and wives. Sacred Marriage offers that help with insights from Scripture, church history, time tested wisdom from Christian classics, and examples from today's marriages. Sacred Marriage reveals how marriage trains us to love God and others well, how it exposes sin and makes us more aware of God's presence, how good marriages foster good prayer, how married sex feeds the spiritual life, and more. The revised edition of Sacred Marriage takes into account the ways men's and women's roles have expanded since the book was first written. It has been streamlined to be a faster read without losing the depth that so many readers have valued. Sacred Marriage

uncovers the mystery of God's overarching purpose. This book may very well alter profoundly the contours of your marriage. It will most certainly change you. Because whether it is delightful or difficult, your marriage can become a doorway to a closer walk with God, and to a spiritual integrity that, like salt, seasons the world around you with the savor of Christ. Also available: Sacred Marriage gift edition, small group video study and study guide, Spanish edition, and more.

Marrying a Billionaire

Steeped in history and filled with heart-wrenching twists, *The Stolen Marriage* is an emotionally captivating novel of secrets, betrayals, prejudice, and forgiveness. It showcases Diane Chamberlain at the top of her talent. One mistake, one fateful night, and Tess DeMello's life is changed forever. It is 1944. Pregnant, alone, and riddled with guilt, twenty-three-year-old Tess DeMello abruptly gives up her budding career as a nurse and ends her engagement to the love of her life, unable to live a lie. Instead, she turns to the baby's father for help and agrees to marry him, moving to the small, rural town of Hickory, North Carolina. Tess's new husband, Henry Kraft, is a secretive man who often stays out all night, hides money from his new wife, and shows her no affection. Tess quickly realizes she's trapped in a strange and loveless marriage with no way out. The people of Hickory love and respect Henry but see Tess as an outsider, treating her with suspicion and disdain. When one of the town's golden girls dies in a terrible accident, everyone holds Tess responsible. But Henry keeps his secrets even closer now, though it seems that everyone knows something about him that Tess does not. When a sudden polio epidemic strikes Hickory, the townspeople band together to build a polio hospital. Tess knows she is needed and defies Henry's wishes to begin working at there. Through this work, she begins to find purpose and meaning. Yet at home, Henry's actions grow more alarming by the day. As Tess works to save the lives of her patients, can she untangle the truth behind her husband's mysterious behavior and find the love—and the life—she was meant to have? A Library Reads Top Ten Book of October 2017 Praise for *The Stolen Marriage*: "[A] well-crafted crime-tinged tale." —Publishers Weekly "The *Stolen Marriage* is the kind of story that will grab you and refuse to let you go until you turn the last page." —All About Romance "Readers will be sucked in immediately you just can't go wrong with a book with [Chamberlain's] name on the cover." —Southern Pines Pilot

Marry Her and Die for Her

Marry Him is Lori Gottlieb's account of her search for a partner and the adjustments she had to make to her own expectations in order to find happiness.

This Side of Paradise

A rugged and ruined naval officer comes to claim his bride in an unforgettable tale of love, revenge and redemption from the national bestselling author of Marry in Scandal. Lady Rose Rutherford--rebel, heiress, and exasperated target of the town's hungry bachelors--has a plan to gain the freedom she so desperately desires: she will enter into a marriage of convenience with the biggest prize on the London marriage mart. There's just one problem: the fierce-looking man who crashes her wedding to the Duke of Everingham -- Thomas Beresford, the young naval officer she fell in love with and secretly married when she was still a schoolgirl. Thought to have died four years ago he's returned, a cold, hard stranger with one driving purpose--revenge. Embittered by betrayal and hungry for vengeance, Thomas will stop at nothing to reclaim his rightful place, even if that means using Rose--and her fortune--to do it. But Rose never did follow the rules, and as she takes matters into her own unpredictable hands, Thomas finds himself in an unexpected and infuriating predicament: he's falling in love with his wife.

I Am Nujood, Age 10 and Divorced

The Importance of Being Earnest

Lady Chatterley's Lover is a novel by D. H. Lawrence. The narrative concerns Lady Chatterley, a young, middle-class married woman whose husband has been paralysed from the waist down after a grievous war injury. On top of the obvious physical problems this caused, he also emotionally neglected his wife, which caused a deep rift between the two. Eventually, this leads to Lady Chatterley's having an affair with her lower-class gamekeeper, which brings to the foreground the major motifs of the play: class dominance, and the inability to live happily with the mind alone. A masterful piece of literature sure to appeal to the discerning reader, Lady Chatterley's Lover is a worthy addition to any bookshelf and is not to be missed by fans or collectors of Lawrence's prolific work. This book was originally published in 1920, and we are proud to republish it here complete with a new prefatory biography of the author.

The Stolen Marriage

Movies like "Sleepless in Seattle" and "An Affair to Remember" bombard people with bad ideas about love. We are told that

if you meet the right person and fall in love, your marriage will thrive and you will be happy. However, while love is important, stable marriages are not based on love alone. Barbara Bartlein has worked with hundreds of couples as they have worked to save their marriages, and she is now ready to share the secrets of what they have learned together. A happy, successful marriage almost always is the result of hard work and commitment, she says, but all too often, people don't know what to do to improve their marriages. This is where "Why Did I Marry You Anyway?" fills the gap. With "12.5 strategies" that cover all the common problems in relationships - like money, children, sex, and in-laws - she tells couples what to do and shows them how to do it. Each chapter approaches these problems in the same way. First, a common complaint is explored. Second, common myths that block solutions to the problem are identified and helpful ways of countering them are suggested. Third, case studies illustrate the concepts in action. Finally, quizzes and tolls provide opportunities to practice these new skills and behaviors. The result is a helpful, humorous, and easy-to-read book. Anyone who gives it just a little thought will come away with practical insights that will result in positive growth in their lives.

Sex and the Single Girl

Wives, be submissive? Really? Well, yeah and here's why it will lead to a more fulfilling marriage and life! In *Marry Him and Be Submissive*, Constanza Miriano dishes on all the hurdles and difficulties that real women face in dating, marriage, and motherhood. In a series of letters to her closest friends, Miriano offers sage, frank, and hilarious advice."

The Poisonwood Bible

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. *The Poisonwood Bible* was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

What Shamu Taught Me About Life, Love, and Marriage

Stepsiblings in search of the truth about their mother's succession of beloved husbands—and their own surprising identities as eligible young nobles—are the endearing stars of this dazzling series from New York Times bestselling author Sabrina

Jeffries . . . A past kiss with adorably bookish Miss Olivia Norley should be barely a memory for Marlowe Drake, the Duke of Thornstock. After all, there are countless debutantes for a handsome rakehell to charm beyond a young lady whose singular passion is chemistry—of the laboratory type. But Thorn has not forgotten—or forgiven—the shocking blackmail scheme sparked by that single kiss, or the damage caused to both their names. Now Thorn’s half-brother, Grey, has hired the brilliant Miss Norley for her scientific expertise in solving a troubling family mystery. And the once-burned Thorn, suspicious of her true motives, vows to follow her every move . . . For Olivia, determining whether arsenic poisoning killed Grey’s father is the pioneering experiment that could make her career—and Thorn’s constant presence is merely a distraction. But someone has explosive plans to derail her search. Soon the most unexpected discovery is the caring nature of the reputed scoundrel beside her—and the electricity it ignites between them . . . “Anyone who loves romance must read Sabrina Jeffries!” —Lisa Kleypas, New York Times bestselling author

Marry Him

Men are right. The “relationship talk” does not help. Dr. Patricia Love’s and Dr. Steven Stosny’s *How to Improve Your Marriage Without Talking About It* reveals the stunning truth about marital happiness: Love is not about better communication. It's about connection. You'll never get a closer relationship with your man by talking to him like you talk to one of your girlfriends. Male emotions are like women's sexuality: you can't be too direct too quickly. There are four ways to connect with a man: touch, activity, sex, routines. Men want closer marriages just as much as women do, but not if they have to act like a woman. Talking makes women move closer; it makes men move away. The secret of the silent male is this: his wife supplies the meaning in his life. The stunning truth about love is that talking doesn't help. Have you ever had this conversation with your spouse? Wife: “Honey, we need to talk about us.” Husband: “Do we have to?” Drs. Patricia Love and Steven Stosny have studied this all-too-familiar dynamic between men and women and have reached a truly shocking conclusion. Even with the best of intentions, talking about your relationship doesn't bring you together, and it will eventually drive you apart. The reason for this is that underneath most couples' fights, there is a biological difference at work. A woman's vulnerability to fear and anxiety makes her draw closer, while a man's subtle sensitivity to shame makes him pull away in response. This is why so many married couples fall into the archetypal roles of nagging wife/stonewalling husband, and why improving a marriage can't happen through words. *How to Improve Your Marriage Without Talking About It* teaches couples how to get closer in ways that don't require “trying to turn a man into a woman.” Rich in stories of couples who have turned their marriages around, and full of practical advice about the behaviors that make and break marriages, this essential guide will help couples find love beyond words.

Why Him? Why Her?

Fate is late! For women 35 to 95, it's time to get proactive if you want to find a husband. The rules for finding the right mate change later in life, as there are fewer eligible men and fewer opportunities to meet them. Now successful dating coach Rachel Greenwald shares her proven 15-step action program based on simple marketing tactics she learned at Harvard Business School. These innovative and smart tactics will empower any woman to find a husband quickly and efficiently—and not just any husband: a wonderful husband. In this practical no-nonsense guide, Greenwald tells women how to package their assets, develop a personal brand, leverage niche marketing, use direct mail and telemarketing to get the word out, establish a husband-hunting budget, and hold quarterly performance reviews to assess the results. She also shows women how to use these strategies in the world of online dating and how to avoid common pitfalls. Greenwald's 15 steps form a unique and effective plan for any woman who wants to jump-start her dating life and enrich her portfolio of potential husbands.

The Shadows Between Us

A New York Times Bestseller A multigenerational saga of two families, who rose from immigrant roots to the pinnacle of wealth and power, that tracks the unraveling of American democracy. In *American Oligarchs*, award-winning investigative journalist Andrea Bernstein tells the story of the Trump and Kushner families like never before. Their journey to the White House is a story of survival and loss, crime and betrayal, that stretches from the Klondike Gold Rush, through Nazi-occupied Poland and across the American Century, to our new gilded age. In building and maintaining their dynastic wealth, these families came to embody the rising nationalism and inequality that has pushed the United States to the brink of oligarchy. Building on her landmark reporting for the acclaimed podcast *Trump, Inc.* and *The New Yorker*, Bernstein's painstaking detective work brings to light new information about the families' arrival as immigrants to America, their paths to success, and the business and personal lives of the president and his closest family members. Bernstein traces how the two families ruthlessly harnessed New York and New Jersey machine politics to gain valuable tax breaks and grew rich on federal programs that bolstered the middle class. She shows how the Trump Organization, denied credit by American banks, turned to shady international capital. She reveals astonishing new details about Charles Kushner's attempts to ensnare his brother-in-law with a prostitute and explores how Jared Kushner and his father used a venerable New York newspaper to bolster their business empire. Drawing on more than two hundred interviews and more than one hundred thousand pages of documents, many previously unseen or long forgotten, Bernstein shows how the Trumps and the Kushners repeatedly broke rules and then leveraged secrecy, intimidation, and prosecutorial and judicial power to avoid legal consequences. The result is a compelling narrative that details how the Trump and Kushner dynasties encouraged and profited from a system of corruption, dark money, and influence trading, and that reveals the historical turning points and decisions—on taxation, regulation, white-collar crime, and campaign finance laws—that have brought us to where we are today.

Unhooked

INSTANT NEW YORK TIMES BESTSELLER! Now being developed as a television series with Eva Longoria and ABC! “Rarely have I read a book that challenged me to see myself in an entirely new light, and was at the same time laugh-out-loud funny and utterly absorbing.”—Katie Couric “This is a daring, delightful, and transformative book.”—Arianna Huffington, Founder, Huffington Post and Founder & CEO, Thrive Global “Wise, warm, smart, and funny. You must read this book.”—Susan Cain, New York Times best-selling author of *Quiet* From a New York Times best-selling author, psychotherapist, and national advice columnist, a hilarious, thought-provoking, and surprising new book that takes us behind the scenes of a therapist’s world—where her patients are looking for answers (and so is she). One day, Lori Gottlieb is a therapist who helps patients in her Los Angeles practice. The next, a crisis causes her world to come crashing down. Enter Wendell, the quirky but seasoned therapist in whose office she suddenly lands. With his balding head, cardigan, and khakis, he seems to have come straight from *Therapist Central Casting*. Yet he will turn out to be anything but. As Gottlieb explores the inner chambers of her patients’ lives — a self-absorbed Hollywood producer, a young newlywed diagnosed with a terminal illness, a senior citizen threatening to end her life on her birthday if nothing gets better, and a twenty-something who can’t stop hooking up with the wrong guys — she finds that the questions they are struggling with are the very ones she is now bringing to Wendell. With startling wisdom and humor, Gottlieb invites us into her world as both clinician and patient, examining the truths and fictions we tell ourselves and others as we teeter on the tightrope between love and desire, meaning and mortality, guilt and redemption, terror and courage, hope and change. *Maybe You Should Talk to Someone* is revolutionary in its candor, offering a deeply personal yet universal tour of our hearts and minds and providing the rarest of gifts: a boldly revealing portrait of what it means to be human, and a disarmingly funny and illuminating account of our own mysterious lives and our power to transform them.

How to be Married

At age thirty-four, Jo Piazza got her romantic-comedy ending when she met the man of her dreams on a boat in the Galápagos Islands and was engaged three months later. But before long, Jo found herself riddled with questions. How do you make a marriage work in a world where you no longer need to be married? How does an independent, strong-willed feminist become someone's partner -- all the time? Journalist and author Jo Piazza writes a memoir of a real first year of marriage that will forever change the way we look at matrimony. A travel editor constantly on the move, Jo journeys to twenty countries on five continents to figure out what modern marriage means. Throughout this personal narrative, she gleans wisdom from matrilineal tribeswomen, French ladies who lunch, Orthodox Jewish moms, Swedish stay-at-home dads, polygamous warriors, and Dutch prostitutes. *How to Be Married* offers an honest portrait of a couple. When life throws more at them than they ever expected -- a terrifying health diagnosis, sick parents to care for, unemployment -- they ultimately

create a fresh understanding of what it means to be equal partners during the good and bad times.

On the Way to the Wedding

An eye-opening, funny, painful, and always truthful in-depth examination of modern relationships and a wake-up call for single women about getting real about Mr. Right. You have a fulfilling job, great friends, and the perfect apartment. So what if you haven't found "The One" just yet. He'll come along someday, right? But what if he doesn't? Or what if Mr. Right had been, well, Mr. Right in Front of You—but you passed him by? Nearing forty and still single, journalist Lori Gottlieb started to wonder: What makes for lasting romantic fulfillment, and are we looking for those qualities when we're dating? Are we too picky about trivial things that don't matter, and not picky enough about the often overlooked things that do? In *Marry Him*, Gottlieb explores an all-too-common dilemma—how to reconcile the desire for a happy marriage with a list of must-haves and deal-breakers so long and complicated that many great guys get misguidedly eliminated. On a quest to find the answer, Gottlieb sets out on her own journey in search of love, discovering wisdom and surprising insights from sociologists and neurobiologists, marital researchers and behavioral economists—as well as single and married men and women of all generations.

The Duke That I Marry

Tricia Levenseller, author of *Daughter of the Pirate King*, is back with an epic YA tale of ambition and love in *The Shadows Between Us* "They've never found the body of the first and only boy who broke my heart. And they never will." Alessandra is tired of being overlooked, but she has a plan to gain power: 1) Woo the Shadow King. 2) Marry him. 3) Kill him and take his kingdom for herself. No one knows the extent of the freshly crowned Shadow King's power. Some say he can command the shadows that swirl around him to do his bidding. Others say they speak to him, whispering the thoughts of his enemies. Regardless, Alessandra knows what she deserves, and she's going to do everything within her power to get it. But Alessandra's not the only one trying to kill the king. As attempts on his life are made, she finds herself trying to keep him alive long enough for him to make her his queen—all while struggling not to lose her heart. After all, who better for a Shadow King than a cunning, villainous queen? "Tricia Levenseller's latest, *The Shadows Between Us*, is a decadent and wickedly addictive fantasy, full of schemes and court intrigue, and delightful descriptions of food, which I am always a fan of." —Kendare Blake, #1 New York Times bestselling author of the *Three Dark Crowns* series

The Case for Marriage

The fascinating and very moving story of the lovers, lawyers, judges and activists behind the groundbreaking Supreme

Court case that led to one of the most important, national civil rights victories in decades—the legalization of same-sex marriage. In June 2015, the Supreme Court made same-sex marriage the law in all fifty states in a decision as groundbreaking as *Roe v Wade* and *Brown v Board of Education*. Through insider accounts and access to key players, this definitive account reveals the dramatic and previously unreported events behind *Obergefell v Hodges* and the lives at its center. This is a story of law and love—and a promise made to a dying man who wanted to know how he would be remembered. Twenty years ago, Jim Obergefell and John Arthur fell in love in Cincinnati, Ohio, a place where gays were routinely picked up by police and fired from their jobs. In 2013, the Supreme Court ruled that the federal government had to provide married gay couples all the benefits offered to straight couples. Jim and John—who was dying from ALS—flew to Maryland, where same-sex marriage was legal. But back home, Ohio refused to recognize their union, or even list Jim’s name on John’s death certificate. Then they met Al Gerhardstein, a courageous attorney who had spent nearly three decades advocating for civil rights and who now saw an opening for the cause that few others had before him. This forceful and deeply affecting narrative—Part Erin Brockovich, part Milk, part *Still Alice*—chronicles how this grieving man and his lawyer, against overwhelming odds, introduced the most important gay rights case in U.S. history. It is an urgent and unforgettable account that will inspire readers for many years to come.

Been There, Married That

Now a Netflix series created by Shonda Rhimes— producer and creator of *Grey’s Anatomy*, *How to Get Away with Murder*, and *Scandal*— starring Julie Andrews, Phoebe Dynevor, Regé-Jean Page, and Nicola Coughlan. A funny thing happened Unlike most men of his acquaintance, Gregory Bridgerton believes in true love. And he is convinced that when he finds the woman of his dreams, he will know in an instant that she is the one. And that is exactly what happened. Except She wasn’t the one. In fact, the ravishing Miss Hermione Watson is in love with another. But her best friend, the ever-practical Lady Lucinda Abernathy, wants to save Hermione from a disastrous alliance, so she offers to help Gregory win her over. But in the process, Lucy falls in love. With Gregory! Except Lucy is engaged. And her uncle is not inclined to let her back out of the betrothal, even once Gregory comes to his senses and realizes that it is Lucy, with her sharp wit and sunny smile, who makes his heart sing. And now, on the way to the wedding, Gregory must risk everything to ensure that when it comes time to kiss the bride, he is the only man standing at the altar

An American Marriage (Oprah's Book Club)

Man up, because Costanza Miriano is back in *Marry Her and Die for Her*. Guys, if you thought you were off the hook after Costanza's first book *Marry Him and Be Submissive*, you've got another thing coming. Now, she's here to challenge you and give it to you straight about the many ways in which you must die for the woman you love. (But don't worry she has plenty

of reminders for the women as well.) Inside, Miriano provides insight into what women want from men, and how husbands can "die" for them and their families every day.

Stick Figure

Wilde's witty and buoyant comedy of manners, filled with some of literature's most famous epigrams, reprinted from an authoritative British edition. Considered Wilde's most perfect work.

Married Love

Lillian Brunette is desperate for a job. Six months pregnant and recently divorced, she needs health insurance and an income if she's ever going to be able to take care of herself and the baby--if what happened to her first pregnancy happens again. So when her best friend tells her that the billionaire bachelor is looking for an assistant, she jumps at the opportunity to interview. Reed Williamson is trying to get over his broken heart. When he finds out that his fiancée ended up pregnant with his half-brother's baby, he's written off all relationships. Which he was doing a good job at until he finds out that in order to inherit his family's investment company, he has to be married. Out of desperation, Reed's mom puts in a call to an elite matchmaking agency to find him a contract wife. At least with that, there's no chance of falling in love. After an episode of mistaken identity, Lillian finds herself contractually obligated to marry Reed. Which is the ideal relationship for her. Faking a marriage seems easy, until she finds out that Reed is kind and incredibly handsome. And just might be what she wants in a family. If only he could accept the secret she's so desperate to hide.

Marry in Secret

The Meaning of Wife

"One part The Beauty Myth . . . and one part Backlash"*--a provocative exploration of who and what a wife really is. There is a wife crisis in North America, a brewing storm of conflicting forces swirling around what it means to be a wife at the beginning of the 21st Century. The word is so fraught with ambiguity that it has become a litmus test, eliciting from women emotions ranging from longing to antipathy, anxiety to derision. This crisis is at the heart of Anne Kingston's The Meaning of Wife. Delving into the complex, troubling, and sometimes humorous contradictions, illusions, and realities of contemporary wifehood, Kingston takes the reader on a fascinating journey into the wedding industrial complex, which elevates the bride to a potent consumer icon; through the recent romanticization of domesticity; and across the conflicted terrain of wifely

sexuality. She looks at "wife backlash," and the new wave of neo-traditionalism that urges women to marry before their "best-before" dates expire; explores the apotheosis of abused wives and the strange celebration of wives who kill; and muses on the fact that Oprah Winfrey and Martha Stewart, two of the world's wealthiest and most influential women, are both non-wives whose success has hinged on their understanding of wives. The result is an entertaining mix of social, sexual, historical, and economic commentary that is bound to stir debate even as it reframes our view of both women and marriage.

Maybe You Should Talk to Someone

Sacred Marriage

Living in Beverly Hills in the 1970's, an elevenyearold girl faced the pressures of her environment to be perfect in weight and presentation, yet when things got out of control, she needed help to return to normal and get a hold of her life once more.

Go Set a Watchman

Traditional Chinese edition of Why Men Marry Bitches:A Womans Guide to Winning Her Mans Heart. Note: the word "bitch" simply means strong women. In Chinese. Distributed by Tsai Fong Books, Inc.

American Oligarchs: The Kushners, the Trumps, and the Marriage of Money and Power

Features a new Afterword for this edition. A controversial look at today's sexual hook-up culture, and "[a] bookyou won't stop talking about."-Patricia Cornwell From the front lines of today's sexual battlefield comes an eye-opening examination of the hookup culture, seen through the personal experiences of the teenage girls and young women who live it-and who are left unprepared for its consequences. The Pulitzer Prize-winning author presents a disturbing and enlightening indictment of the hookup culture, the social forces that contribute to it, and what can be done to change it.

Lady Chatterley's Lover

A hilarious novel full of Hollywood glitz, glamour, and scandal from New York Times bestselling author Gigi Levangie. When he changes the locks, she changes the rules. Agnes Murphy Nash is the perfect Hollywood wife - she has the right friends,

the right clothes, and even a side career of her own as a writer. Her husband Trevor is a bigshot producer, and from the outside it looks like they're living a picture-perfect celebrity life, complete with tennis tournaments and lavish parties. But the job description of a Hollywood wife doesn't cover divorce, which is the way Agnes' life is headed after she comes home one day to find her credit cards cancelled and the security passwords to get into her enormous LA home changed. Oh, and there's a guy there whose job it is to tase her if she tries to enter which she does. Needless to say, Agnes' husband is dead set on making sure she loses big time, but Agnes isn't the type to just lie down and take it. In a world of frenemies and hot nannies, personal psychics and "skinny" jello shots, Agnes may be losing her husband, but could that mean getting her own life back? *Been There, Married That* is a drop-dead hilarious battle of wills that will make you laugh out loud, cringe, and keep turning the pages to see what crazy disaster will happen to Agnes next and how she'll rise from the ashes.

The Doctrine and Covenants of the Church of Jesus Christ of Latter-day Saints

A NEW YORK TIMES AND WASHINGTON POST NOTABLE BOOK A 2018 BEST OF THE YEAR SELECTION OF NPR * TIME * BUSTLE * O, THE OPRAH MAGAZINE * THE DALLAS MORNING NEWS * AMAZON.COM OPRAH'S BOOK CLUB 2018 SELECTION LONGLISTED FOR THE 2018 NATIONAL BOOK AWARD FOR FICTION "A moving portrayal of the effects of a wrongful conviction on a young African-American couple." —Barack Obama "Haunting . . . Beautifully written." —The New York Times Book Review "Brilliant and heartbreaking . . . Unforgettable." —USA Today "A tense and timely love story . . . Packed with brave questions about race and class." —People "Compelling." —The Washington Post "Epic . . . Transcendent . . . Triumphant." —Elle
Newlyweds Celestial and Roy are the embodiment of both the American Dream and the New South. He is a young executive, and she is an artist on the brink of an exciting career. But as they settle into the routine of their life together, they are ripped apart by circumstances neither could have imagined. Roy is arrested and sentenced to twelve years for a crime Celestial knows he didn't commit. Though fiercely independent, Celestial finds herself bereft and unmoored, taking comfort in Andre, her childhood friend, and best man at their wedding. As Roy's time in prison passes, she is unable to hold on to the love that has been her center. After five years, Roy's conviction is suddenly overturned, and he returns to Atlanta ready to resume their life together. This stirring love story is a profoundly insightful look into the hearts and minds of three people who are at once bound and separated by forces beyond their control. *An American Marriage* is a masterpiece of storytelling, an intimate look deep into the souls of people who must reckon with the past while moving forward—with hope and pain—into the future.

Who Wants to Marry a Duke

A historic literary event: the publication of a newly discovered novel, the earliest known work from Harper Lee, the beloved, bestselling author of the Pulitzer Prize-winning classic, *To Kill a Mockingbird*. Originally written in the mid-1950s, *Go Set a*

Watchman was the novel Harper Lee first submitted to her publishers before *To Kill a Mockingbird*. Assumed to have been lost, the manuscript was discovered in late 2014. *Go Set a Watchman* features many of the characters from *To Kill a Mockingbird* some twenty years later. Returning home to Maycomb to visit her father, Jean Louise Finch—Scout—struggles with issues both personal and political, involving Atticus, society, and the small Alabama town that shaped her. Exploring how the characters from *To Kill a Mockingbird* are adjusting to the turbulent events transforming mid-1950s America, *Go Set a Watchman* casts a fascinating new light on Harper Lee’s enduring classic. Moving, funny and compelling, it stands as a magnificent novel in its own right.

Marry Him and Be Submissive

While observing exotic animal trainers for her acclaimed book *Kicked, Bitten, and Scratched*, journalist Amy Sutherland had an epiphany: What if she used these training techniques with the human animals in her own life—namely her dear husband, Scott? In this lively and perceptive book, Sutherland tells how she took the trainers’ lessons home. The next time her forgetful husband stomped through the house in search of his mislaid car keys, she asked herself, “What would a dolphin trainer do?” The answer was: nothing. Trainers reward the behavior they want and, just as important, ignore the behavior they don’t. Rather than appease her mate’s rising temper by joining in the search, or fuel his temper by nagging him to keep better track of his things in the first place, Sutherland kept her mouth shut and her eyes on the dishes she was washing. In short order, Scott found his keys and regained his cool. “I felt like I should throw him a mackerel,” she writes. In time, as she put more training principles into action, she noticed that she became more optimistic and less judgmental, and their twelve-year marriage was better than ever. What started as a goofy experiment had such good results that Sutherland began using the training techniques with all the people in her life, including her mother, her friends, her students, even the clerk at the post office. In the end, the biggest lesson she learned is that the only animal you can truly change is yourself. Full of fun facts, fascinating insights, hilarious anecdotes, and practical tips, *What Shamu Taught Me About Life, Love, and Marriage* describes Sutherland’s Alice-in-Wonderland experience of stumbling into a world where cheetahs walk nicely on leashes and elephants paint with watercolors, and of leaving a new, improved *Homo sapiens*.
