## New Headway English Course

With a task-based learning approach, the main objective is for students to use the language that they know in order to achieve a particular communication goal. Generally focussed on speaking, tasks are opportunities for in-class communication which encourages fluency and confidence. From Starter to Advanced, each level of New Cutting Edge features:

- \* A comprehensive syllabus with thorough grammar, vocabulary and skills work
- \* Systematic vocabulary building which focuses on high-frequency, useful words and phrases
- \* Clearly-structured tasks to encourage student fluency and confidence

Challenge your students with the 'Study, Practice, Remember' sections. Motivate your students with the self-study CD-ROMs which have additional grammar and vocabulary practice, plus 'Real life' video sequences. Engage your students with New Cutting Edge Digital -- software for interactive whiteboards. Mini-dictionary included inside every Student's Book  
New Cutting Edge Elementary takes students from A1 to A2 level of the CEF.

Jamie Glowacki—potty-training expert, Pied Piper of Poop, and author of the popular guide, Oh Crap! Potty Training—shares her proven 6-step plan to help you toilet train your preschooler quickly and successfully. Worried about potty training? Let

Jamie Glowacki, potty-training expert, show you how it's done. Her 6-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here's the good news: your child is probably ready to be potty trained EARLIER than you think (ideally, between 20-30 months), and it can be done FASTER than you expect (most kids get the basics in a few days—but Jamie's got you covered even if it takes a little longer). If you've ever said to yourself: \*\* How do I know if my kid is ready? \*\* Why won't my child poop in the potty? \*\* How do I avoid "potty power struggles"? \*\* How can I get their daycare provider on board? \*\* My kid was doing so well—why is he regressing? \*\* And what about nighttime?! Oh Crap! Potty Training can solve all of these (and other) common issues. This isn't theory, you're not bribing with candy, and there are no gimmicks. This is real-world, from-the-trenches potty training information—all the questions and all the ANSWERS you need to do it once and be done with diapers for good.

New Headway Beginner is aimed at absolute beginners, or those who have learned a little English but lack the confidence to build on it. It provides a solid foundation for New Headway Elementary. Its measured, step-by-step approach builds both skills and confidence. The right mix of language work and plentiful practice material enables learners to consolidate their knowledge of key points before proceeding further. The clearly defined grammatical syllabus includes past, present and future time and provides a thorough basis on which to build. The presentation of new language is gradual, methodical and clearly structured, giving learners a clear sense of progression. The vocabulary syllabus focuses on high-frequency survival

terms and avoids overload. The gradual introduction of simple skills work with manageable communicative activities give learners a sense of achievement. 'Everyday English' practises social expressions in common situations and shows how learners can apply their knowledge in practical ways.
