English Grammar

Clear Grammar is a four-book grammar series for students at the beginning, high-beginning, low-intermediate, and high-intermediate levels. The Clear Grammar series teaches basic grammatical concepts, provides ample speaking and writing practice in grammatical structures and at varying cognitive levels, offers opportunities for students to check their progress while studying grammatical structures, and serves as a grammar reference that is written with language and terms that beginning students can understand without teacher assistance. Lessons focus on one specific grammar point and include grammar presentations, lists of potential errors with corrections shown, written exercises, speaking activities, multiple choice exercises, and review tests. Book 1 (beginning/high-beginning): the verb to be, regular verbs, possessive adjectives, demonstrative adjectives, past tense of to be and regular verbs, wh- questions, word order, present progressive, count and noncount nouns, prepositions. Book 2 (high-beginning/low-intermediate): articles, to be + going to, past tense of irregular verbs, how questions, frequency adverbs, object pronouns, one/other, the possessive, words that compare, modals, problem words. Book 3 (low-intermediate/intermediate): two-word verbs, past progressive, present perfect, problematic time words, adverbs of manner, too/for, adjectives, used to, infinitives, gerunds, adverbs of purpose, sentence connectors, relative clauses. Book 4 (high-intermediate/low-advanced): past perfect tense, word forms, conditionals (if clauses and wish), adverb clauses, noun clauses, reduction of adjective and adverb clauses, past modals, subject-verb agreement, review of prepositions, and review of verb tenses. The workbook listed with each textbook is the companion workbook, designed to accompany and supplement the textbook as extra practice. Only the textbooks include the grammar instruction. To determine which level is right for your students, try the online placement test.

Teacher's Handbook to Groundwork of English Grammar

Oxford Practice Grammar knows that students need different types of explanation and practice at each stage of their study. Advanced gives challenging practice activities and in-depth explanations. Great for classroom or self-study and it helps you

prepare for standard exam questions asked in CAE, CPE, TOEFL, IELTS and other advanced-level exams.

The Elements of Grammar and Composition

English Grammar for Today seeks to promote the study of grammar in the English curriculum. It takes a new approach which gives weight not only to analytical skills but also to the integration of English grammar with other linguistic skills such as composition and comprehension.

Grammar for Teachers

Oxford Practice Grammar Advanced

'Few people understand Grammar like Craig Shrives. Best of all, no one explains it so well and so easily.' - Chief Executive of Crimestoppers and former Director of the Intelligence Corps, Mark Hallas OBE Written by a former British Army officer (also the founder of the popular website Grammar Monster), Smashing Grammar is both a go-to grammar guide and a primer for writing clear English. Smashing Grammar is divided into three sections: A-Z of Punctuation, A-Z of Grammar Essentials and A-Z of Easily Confused Words. Every entry starts with a simple explanation and some basic examples. These are followed by real-life, engaging examples, which have been painstakingly hunted down for their ability to illustrate the point. Every entry concludes with a 'Why Should I Care?' section offering great tips and advice and explaining why the grammar point matters to a writer. Imbued with 'barrack room' humour, the writing itself is entertaining and often laugh-out-loud funny, with thousands of sample quotations ranging from Groucho Marx and Homer the Simpson to Karl Marx and Homer the Greek.

Longmans' School Grammar

Updated and revised with more examples and expanded discussions, this second edition continues the aim of providing teachers with a solid understanding of the use and function of grammatical structures in American English. The book avoids

jargon and presents essential grammatical structures clearly and concisely. Dr. DeCapua approaches grammar from a descriptive rather than a prescriptive standpoint, discussing differences between formal and informal language, and spoken and written English. The text draws examples from a wide variety of authentic materials to illustrate grammatical concepts. The many activities throughout the book engage users in exploring the different elements of grammar and in considering how these elements work together to form meaning. Users are encouraged to tap into their own, often subconscious, knowledge of grammar to consciously apply their knowledge to their own varied teaching settings. The text also emphasizes the importance of understanding grammar from the perspective of English language learners, an approach that allows teachers to better appreciate the difficulties these learners face. Specific areas of difficulties for learners of English are highlighted throughout.

School Grammar

"An Advanced English Grammar with Exercises" by Frank Edgar Farley, George Lyman Kittredge. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Longmans' English Grammar

Smashing Grammar

This innovative grammar text is an ideal resource for writers, language students, and classroom teachers who need an accessible refresher in a step-by-step guide to essential grammar. Rather than becoming mired in overly detailed linguistic definitions, Nancy Sullivan helps writers and students understand and apply grammatical concepts and develop the skills they need to enhance their writing. Along with engaging discussions of both contemporary and traditional terminology, Sullivan's text provides clear explanations of the basics of English grammar and a practical, hands-on approach to mastering the use of language. Complementing the focus on constructing excellent sentences, every example and exercise set is contextually grounded in language themes. This updated edition includes new sections in each chapter on Writing

Matters (addressing key tools and concerns for writers) and Language Varieties (addressing issues of social and regional dialect variation). This is an ideal textbook for any writing course across disciplines where grammatical precision is important. Online resources including additional exercises, links, and an answer key are available at Routledge.com/9780367148683. Instructor materials accompanying the text provide teachers with activities designed for face-to-face, hybrid, and online instruction to enliven these basic grammar lessons as well as writing activities to integrate these concepts into students' own writing.
