Alessandro Baricco, Novecento

A Dark Song of Blood

From one of Italy's most respected literary voices, a manifesto on the state of global culture and how connectivity is changing the way we experience it. For the gatekeepers of traditional high culture, the rise of young ambitious outsiders has indeed seemed like nothing short of a barbarian invasion. In this concise and powerful manifesto, Alessandro Baricco explores a handful of realms that have been "plundered"-wine, soccer, music, and books-and extrapolates that it is not a case of old values against new but a widespread mutation that we are all part of, leading toward a different way of having experiences and creating meaning.

Tangle of Time

The author of the international bestseller *Silk* now delivers a ravishing and wildly inventive novel about friendship, genius and its discontents, and the redemptive power of narrative. Somewhere in America lives a brilliant boy named Gould, an intellectual guided missile aimed at the Nobel Prize. His only companions are an imaginary giant and an imaginary mute. Improbably—and yet with impeccable logic--he falls into the care of Shatzy Shell, a young woman whose life up till that point has been equally devoid of human connection. Theirs is a relationship of stories and of stories within stories: of Gould's evolving saga of an underdog boxer and the violent Western that Shatzy has been dictating into a tape recorder since the age of six. Out of these stories, Alessandro Baricco creates a masterpiece of metaphysical pulp fiction that recalls both Scheherazade and Italo Calvino. By turns exhilarating and deeply moving, *City* is irresistible.

Lands of Glass

Patrick McGrath has created his most psychologically penetrating vision to date: a nightmare world rocked to its foundations by a passion of such force and intensity that it shatters the lives--and minds--of all who are touched by it. Stella Raphael, a woman of great beauty and formidable intelligence, is married to Max, a staid and

unimaginative forensic psychiatrist. Max has taken a job in a huge top-security mental hospital in rural England, and Stella, far from London society, finds herself restless and bored. Into her lonely existence comes Edgar Stark, a brilliant sculptor confined to the hospital after killing his wife in a psychotic rage. He comes to Stella's garden to rebuild an old Victorian conservatory there, and Stella cannot ignore her overwhelming physical attraction to this desperate man. Their explosive affair pits them against Stella's husband, her child, and the entire institution. When the crisis comes to a head, Stella makes a decision—one that will destroy several lives and precipitate an appalling tragedy that could only be fueled by illicit sexual love. *Asylum* is a terrifying exploration of the extremes to which erotic obsession can drive us. Patrick McGrath brings his own dazzling blend of cool artistry and visceral engagement to this mesmerizing story of a fatal love and its unspeakably tragic aftermath. And in *Stella Raphael*, a woman who tears down the walls of her constricted existence to pursue a dangerous passion, he has created a character who will long be remembered for her willingness to take the ultimate risk, even if she must pay the ultimate price.

The Story of Don Juan

From New York Times bestselling author comes *The Golden Braid*! The one who needs rescuing isn't always the one in the tower. Rapunzel can throw a knife better than any man. She paints beautiful flowering vines on the walls of her plaster houses. She sings so sweetly she can coax even a beast to sleep. But there are two things she is afraid her mother might never allow her to do: learn to read and marry. Fiercely devoted to Rapunzel, her mother is suspicious of every man who so much as looks at her daughter and warns her that no man can be trusted. After a young village farmer asks for Rapunzel's hand in marriage, Mother decides to move them once again—this time, to the large city of Hagenheim. The journey proves treacherous, and after being rescued by a knight—Sir Gerek—Rapunzel in turn rescues him farther down the road. As a result, Sir Gerek agrees to repay his debt to Rapunzel by teaching her to read. Could there be more to this knight than his arrogance and desire to marry for riches and position? As Rapunzel acclimates to life in a new city, she uncovers a mystery that will forever change her life. In this Rapunzel story unlike any other, a world of secrets and treachery is about to be revealed after seventeen years of lies. How will Rapunzel finally take control of her own destiny? And who will prove faithful to a lowly peasant girl with no one to turn to? “*The Golden Braid* is a delightful, page-turning retelling of the story of Rapunzel. Dickerson brings this familiar fairy tale to life with a fresh and unique plot that is full of complex characters, a sweet romance, and danger at every turn. Rapunzel's search to understand her place in the medieval world is a timeless identity struggle that modern readers will relate to. Her growing courage and faith are inspirational and will have readers cheering her on and sad to see the story come to an end.” —Jody Hedlund, bestselling author of *An Uncertain Choice*

Italian Literature since 1900 in English Translation

The secular and the pious. The rich and the poor. Those with "a capacity for destiny" and those who "cannot afford it." Emmaus is a world of stark contrasts, one in which four young men—all from proud, struggling families, and all lusting after Andre, a hyper-sexual woman—are goaded from adolescence to manhood in a torrent of exploits and crises, sexual awakenings and morbid depressions, naivety and fatalism. A brilliant portrait of the perils and uncertainties of youth and faith, Emmaus is a remarkable novel from one of the very best writers in Europe.

Stabat Mater

When four college kids are buried alive and there's only one way out, don't ask questions. Just survive. After barely escaping a torturous series of undiscovered tunnels far beneath the Sierra foothills, Mae and her friends emerge, dehydrated and nearly dead from starvation. But everything Mae knows and loves is now gone. Through some bizarre tangle in time, they've been reeled back into the past. To a time that, according to Mae—"is constipated with antiquated gender inequality." With danger lurking behind every tree and no easy way home, they must begin adapting to their new surroundings before it's too late. So, when struck with an unexpected opportunity, Mae is faced with the difficult choice of returning to her own time or living out the greatest adventure of her life and carving her own path in history. Gin Westcott's debut novel is the first in the unique Tangle of Time series that will take you through an exciting, historical, and romantic adventure

Citazioni pericolose

From one of Italy's most brilliant and most inventive writers comes the story of two visionaries of the mid-nineteenth century and a tale of angry visions, confused emotions and fantastic ambitions. Hector Horeau is an architect with a fantastical notion of whole cities made of glass, and Mr Rail has imagined sheets of glass larger than anyone thinks they will ever need. It is 1849, and the Great Universal Exposition has announced a competition. Together Horeau and Rail build a palace more beautiful than any before

K. J. Parker's new novel is the remarkable tale of the siege of a walled city, and the even more remarkable man who had to defend it. A siege is approaching, and the city has little time to prepare. The people have no food and no weapons, and the enemy has sworn to slaughter them all. To save the city will take a miracle, but what it has is Orhan. A colonel of engineers, Orhan has far more experience with bridge-building than battles, is a cheat and a liar, and has a serious problem with authority. He is, in other words, perfect for the job. Sixteen Ways To Defend a Walled City is the story of Orhan, son of Siyyah Doctus Felix Praeclarissimus, and his history of the Great Siege, written down so that the deeds and sufferings of great men may never be forgotten. Opus Magnum I

Renée is the concierge of a grand Parisian apartment building, home to members of the great and the good. Over the years she has maintained her carefully constructed persona as someone reliable but totally uncultivated, in keeping, she feels, with society's expectations of what a concierge should be. But beneath this façade lies the real Renée: passionate about culture and the arts, and more knowledgeable in many ways than her employers with their outwardly successful but emotionally void lives. Down in her lodge, apart from weekly visits by her one friend Manuela, Renée lives resigned to her lonely lot with only her cat for company. Meanwhile, several floors up, twelve-year-old Paloma Josse is determined to avoid the pampered and vacuous future laid out for her, and decides to end her life on her thirteenth birthday. But unknown to them both, the sudden death of one of their privileged neighbours will dramatically alter their lives forever.

L'idea di letteratura in Alessandro Baricco

Il Virginian era un piroscafo. Negli anni tra le due guerre faceva la spola tra Europa e America, con il suo carico di miliardari, di emigranti e di gente qualsiasi. Dicono che sul Virginian si esibisse ogni sera un pianista straordinario, dalla tecnica strabiliante, capace di suonare una musica mai sentita prima, meravigliosa. Dicono che la sua storia fosse pazzesca, che fosse nato su quella nave e da lì non fosse mai sceso. Dicono che nessuno sapesse il perché. Il libro è uscito per la prima volta nel 1994. Nel 1998 Giuseppe Tornatore ne ha tratto il film *La leggenda del pianista sull'oceano*.

The Adventure of the Devil's Foot

The bestselling author of *I'm Not Scared* "elegizes adolescence fiercely and sympathetically" in a novel that's "scary, lovely and at last a heartbreaker" (Kirkus Reviews). Lorenzo Cuni is a fourteen-year-old loner. His wealthy parents think he is away on a school skiing trip, but in fact he has stowed away in a forgotten cellar. For a week he plans to live in perfect isolation, keeping the adult world at bay. Then a visit from his estranged half-sister, Olivia, changes everything. Evoking the fierce intensity and the pulse-quickening creepiness of *I'm Not Scared*, Ammaniti's bestselling first novel, *Me and You* is a breathtaking tale of alienation, acceptance, and wanting to be loved by "a fearsomely gifted writer" (The Independent). "Immensely engaging . . . Both tender and emotionally arresting, Ammaniti's novel is unforgettable." —Publishers Weekly, starred review "Italian author Niccolò Ammaniti does a lot in 160 pages, including surprise, humor, and frighten you—sometimes simultaneously." —Daily Candy "Ammaniti's prose is nimble,

perceptive and economical . . . There's a lot to love about this book—its reticent empathy, its delicate and pragmatic treatment of addiction, its remarkable use of restricted physical space.” —Full Stop “Me and You takes a short time to read but offers a memorable experience in a mutual recognition of loneliness and grief.” —Curled Up With a Good Book “Me And You, at just over one hundred pages . . . [is a] perfect book . . . Niccolò Ammaniti disgusts me for how talented he is . . . He has written a masterpiece.” —Antonio D’Orrico, Corriere della Sera

Mr. Gwyn

The restless King Oliver VII of Alturia, an obscure Central European state whose only notable exports are wine and sardines, wants nothing more than an easy life: so, plotting a coup against himself, King Oliver VII escapes to Venice in search of ‘real’ experience. There he falls in with a team of con-men and ends up, to his own surprise, impersonating himself. His journey through successive levels of illusion and reality teaches him much about the world, about his own nature and the paradoxes of the human condition. Szerb offered Oliver VII as a translation from a non-existent English writer, A H Redcliff — typical Szerb humor, or a reflection of the fact that as a ‘rootless cosmopolitan’ his own work was banned by the Nazi regime?

La vera storia di Novecento

Citazioni pericolose (che è anche un brillante censimento delle citazioni letterarie disseminate nel cinema e nella fiction televisiva dell’ultimo decennio) tenta di porsi in una posizione indipendente rispetto a questa paradossale alleanza tra “alto” e “basso”, suggerendo al lettore le ragioni per cui – nonostante tutto – possiamo ancora provare a fidarci della letteratura.

Film has shaped modern society in part by changing its cultures of memory. Film, Music, Memory reveals that this change has rested in no small measure on the mnemonic powers of music. As films were consumed by growing American and European audiences, their soundtracks became an integral part of individual and collective memory. Berthold Hoeckner analyzes three critical processes through which music influenced this new culture of memory: storage, retrieval, and affect. Films store memory through an archive of cinematic scores. In turn, a few bars from a soundtrack instantly recall the image that accompanied them, and along with it, the affective experience of the movie. Hoeckner examines films that reflect directly on memory, whether by featuring an amnesic character, a traumatic event, or a surge of nostalgia. As the history of cinema unfolded, movies even began to recall their own history through quotations, remakes, and stories about how cinema contributed to the soundtrack of people's lives. Ultimately, Film, Music, Memory demonstrates that music has transformed not only what we remember about the cinematic experience, but also how we relate to memory itself.

Der Band vereinigt erstmalig die Interpretationen von insgesamt einundzwanzig Theaterstücken zwanzig verschiedener Autoren und bietet einen repräsentativen Querschnitt der Entwicklung des italienischen Theaters des Novecento. Den Beginn macht das „symbolistische“ Theater Gabriele D'Annunzios, gefolgt von einem Stück von Filippo Tommaso Marinetti, dem Begründer des Futurismus, sowie vom „grotesken“ Theater Luigi Chiarellis und Pier Maria Rosso di San Secondos. Es schließt sich Luigi Pirandello mit zwei berühmten Dramen an, und Roberto Bracco, Alberto Savinio und Massimo Bontempelli machen den Leser mit alternativen Theaterkonzepten bekannt. Es folgen Aldo De Benedetti, Ugo Betti, Diego Fabbri, Eduardo De Filippo, Natalia Ginzburg, Giovanni Testori, Dario Fo, Dacia Maraini, Pier Paolo Pasolini und Carmelo Bene. Das neapolitanische Theater ist durch Annibale Ruccello vertreten, und den Abschluss bildet der szenische Monolog Novecento von Alessandro Baricco. Dass natürlich gegebenenfalls auch die Debatte über den Vorrang des „teatro dei registi“ oder des „teatro della parola“ zur Sprache kommt, ist selbstverständlich.

Due to its extremely novel approach to the literary realm, and the shameful and abundant creativity displayed in the pages embraced by this cover, it is indeed impossible to write one of those customary blurbs intended to introduce the potential reader - and future enlightened being - to the charms and wonders

reflected in this book: which is unparalleled in the history of the worlds. Therefore we simply resort to explaining to you, dear reader, why the explanation itself becomes the blurb, or why the blurb is indeed part of a justification for a lack of creativity or perchance objective impossibility to summarise that which cannot be; in any case, you are already becoming part of Abu Kasem's world.

Hold Your Breath, China

Erotically charged adult fable from bestselling Italian novelist. The Young Bride is a scintillating and sensual novel about a young woman's ingress into a fantastically strange family. The hand of the young woman in question has been promised to the scion of a noble family. She is to make her preparations for marriage at the family's villa, where the inhabitants never seem to sleep. The atmosphere turns surreal as the days pass and her presence on the family estate begins to make itself felt on her future in-laws. Internationally bestselling novelist Alessandro Baricco portrays a cast of mysterious characters whose lives and every act seem to exist beyond the rules of causation as he tells a story about fate and the difficult job of confronting the Other and creating an Us.

The Elegance of the Hedgehog

Oliver VII

Italian cinema is internationally well-known for the ground-breaking experience of Neo-Realism, comedy "Italian-Style," Spaghetti Westerns, and the horror movies of the seventies. However, what is rather unfamiliar to wider audiences is Italian cinema's crucial and enduring affair with literature. In fact, since the very beginning, literature has deeply influenced how Italian cinema has defined itself and grown. This book provides an empirical approach to this complex and fruitful relationship. The aim is to present discussions dealing with significant Italian film adaptations from literary materials which greatly exemplify the variety of styles, view-points, and attitudes produced by such an alliance, throughout the different periods. Among the adaptations discussed, are those that have followed trends and critical debates, making them, at times, rather problematic.

Me and You

In thirteen stories that investigate ordinary and working-class Thailand, characters aspire for more but remain suspended in routine. They bide their time, waiting for an extraordinary event to end their stasis. A politician's wife imagines her life had her husband's accident been fatal, a man on death row requests that a friend clear up a misunderstanding with a sex worker, and an elevator attendant feels himself wasting away while trapped, immobile, at his station all day. With curious wit, this collection offers revelatory insight, subtle critique, and an exploration of class, gender, and disenchantment in a changing country.

"The crazy life and courageous death of a man who loved women too much to want only one." Don Juan is a passionate lover of life and nearly 1,000 women. One night, the Commendatore of Calatrava catches him kissing his daughter, and challenges him to a duel. Don Juan wins the duel, which of course means that the Commendatore is slain—and so begins the end for the incorrigible seducer. Dave Eggers says, of the series: "I couldn't be prouder to be a part of it. Ever since Alessandro conceived this idea I thought it was brilliant. The editions that they've compiled have been lushly illustrated and elegantly designed."

Novecento

After celebrated author Jasper Gwyn suddenly and publicly announces that he will never write another book, he embarks on a strange new career path as a "copyist," holding thirty-day sittings in a meticulously appointed room and producing, at the end, brief but profoundly rich portraits in prose. The surprising, beautiful, and even frightening results are received with rapture by their subjects—among them Gwyn's devoted assistant, Rebecca; a beautiful fabric importer; a landscape painter; Gwyn's own literary agent; two wealthy newlyweds; a tailor to the Queen; and a very dangerous nineteen-year-old. Then Gwyn disappears, leaving behind only a short note to his assistant—and the portraits. As Rebecca studies his words, she realizes that the mystery is larger than the simple fact of Gwyn's whereabouts, and she begins to unravel a lifetime's worth of clues left by a man who saw so much but said so little, a man whose solitude masked a heart as hungry as hers.

Sherlock Holmes and Dr Watson are travelling in Cornwall when Mortimer Tregennis comes to them with the strangest of cases. His sister Brenda was found dead next to their two brothers, George and Owen, who had gone mad. They had spent the evening playing whist together. Tregennis is convinced it's the work of the Devil. The housekeeper fainted upon finding them, and so did the doctor who was summoned. It seems that Sherlock Holmes will have to outsmart the Devil himself to solve this case. "The Adventure of the Devil's Foot" is part of "His Last Bow". Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh.
