Practical Cookery

The British National Bibliography

Diploma in Dental Nursing, Level 3 is the new edition of the must-have study companion for trainee dental nurses preparing for the City & Guilds Level 3 Diploma in Dental Nursing (formerly NVQ). The book offers comprehensive support on the units assessed by portfolio - from first aid and health and safety to specific chairside support procedures - as well as the four areas of the course tested by multiple choice questions: infection control, oral health assessment, dental radiography and oral health management. This third edition of an established revision text has been substantially revised and restructured in line with the new qualification and reflects changes in the regulations and legislature affecting dentistry and dental workplaces, all of which have an effect on the daily role and working life of the dental nurse. It will be an invaluable guide for dental nurse trainees, qualified dental nurses and course providers. - Expanded and revised, with extensive coverage of the fifteen Diploma units - In full colour throughout with over 400 illustrations - Companion website with downloadable glossary and MCQs

The learning content is also closely aligned to the Level 3 S/NVQ in Management. The series consists of 35 workbooks. Each book will map on to a course unit (35 books/units).

ILM Super Series: Managing Change

"The philosophy of accident prevention is, in essence, simple: identify the hazards, and then put all necessary measures in place for eradicating them, or at the least, protecting people from them. As we will discuss, most accidents at work are the result of a failure to put this philosophy into practice in an adequate manner"--Page xiii.

Managing the Efficient Use of Materials

Counselling Skills and Studies

All the relevant management techniques and principles are explained in a clear, practical style, structured around the recently revised National Occupational Standards for Management and Leadership, and conforming to the requirements of the Qualifications and Curriculum Authority. After reading this book students will be well prepared and have everything needed to compile the portfolio of evidence and achieve the qualification. Everything you Need for an NVQ in Management is also an extremely useful and comprehensive encyclopaedia of management techniques and principles for those not wanting to gain a qualification. It is written specifically for supervisors and junior managers, middle managers and senior managers working within medium and large organisations who wish to increase

their knowledge and understanding of business and further their careers, whether or not they are working towards a specific qualification. It would also prove useful to those running and working in small businesses and to business studies students in schools and colleges.

Food Preparation and Cooking

Effective Communication

Supporting people with a variety of difficulties including hearing loss, impaired speech, visual impairment, dementia and learning disabilities requires a range of communication skills. This book will provide workers with the ability to enable adults with limited or no verbal communication skills to make decisions, and to express themselves.
