A persevering penguin is determined to fly in this adorably inspiring Classic Board Book from the creator of Red Hat and Red Sled. Although little Penguin has the soul of an eagle, his body wasn't built to soar. But Penguin has an irrepressible spirit, and he adamantly follows his dreams to flip, flap, fly! Even if he needs a little help with the technical parts, this penguin is ready to live on the wind.

Spartacus

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the

city itself, while celebrating New York as both a place and an idea.

World Travel Guide

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to

question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

SRDS International Media Guide

The Rough Guide to France is the ultimate travel guide with clear maps and detailed coverage of all the best French attractions. Discover the length and breadth of this majestic country, from the stunning lavender-covered fields of sunny Provence to the beautiful, languid canals of Burgundy and the mighty Cathar castles of Languedoc. Informative features explore the very best French wines and cheeses, as well as France's key walking regions and routes, while an extensive language section will get you started on all the most important French phrases and vocabulary. Find detailed practical advice on what to see and do in France while

relying on up-to-date descriptions of the best hotels in France, bars in France, restaurants in France, shops in France and French festivals for all budgets. You'll find expert tips on exploring France's varied landscapes, from the alpine slopes of the Alps to the vibrant metropolis of Paris; and authoritative background on France's history, wildlife and food, with the low-down on the top French films and books. Explore all corners of France with the clearest maps of any guide.
