Show biz memoir at its name-dropping, bridge-burning, profane best: the music industry's most outspoken, outrageous, and phenomenally successful executive delivers a rollicking memoir of pop music's heyday. During the 1970s and '80s the music business was dominated by a few major labels and artists such as Michael Jackson, Bruce Springsteen, the Rolling Stones, Bob Dylan, Billy Joel, Paul Simon, Barbra Streisand and James Taylor. They were all under contract to CBS Records, making it the most successful label of the era. And, as the company's president, Walter Yetnikoff was the ruling monarch. He was also the most flamboyant, volatile and controversial personality to emerge from an industry and era defined by sex,

drugs and debauchery. Having risen from working-class Brooklyn and the legal department of CBS, Yetnikoff, who freely admitted to being tone deaf, was an unlikely label head. But he had an uncanny knack for fostering talent and intimidating rivals with his appalling behavior—usually fueled by an explosive combination of cocaine and alcohol. His tantrums, appetite for mind-altering substances and sexual exploits were legendary. In Japan to meet the Sony executives who acquired CBS during his tenure, Walter was assigned a minder who confined him to a hotel room. True to form, Walter raided the minibar, got blasted and, seeing no other means of escape, opened a hotel window and vented his rage by literally howling at the moon. In *Howling at the Moon*, Yetnikoff traces his journey as he climbed the corporate mountain, danced on its summit and crashed and burned. We see how Walter became the father-confessor to Michael Jackson as the King of Pop reconstructed his face and agonized over his image while constructing *Thriller* (and how, after it won seven Grammys, Jackson made the preposterous demand that Walter take producer Quincy Jones's name off the album); we see Walter, in maniacal pursuit of a contract, chase the Rolling Stones around the world and nearly come to blows with Mick Jagger in the process; we get the tale of how Walter and Marvin Gaye—fresh from the success of “Sexual Healing”—share the same woman, and of how Walter bonds with Bob Dylan because of their mutual Jewishness. At the same time we witness Yetnikoff's clashes with Barry Diller, David Geffen, Tommy Mottola, Allen Grubman and a host of others. Seemingly, the more Yetnikoff feeds his cravings for power, sex, liquor and cocaine, the more profitable CBS becomes—from \$485 million to well over \$2 billion—until he finally succumbs, ironically, not to substances, but to a corporate coup. Reflecting on the sinister cycle that left his career in tatters and CBS flush with cash, Yetnikoff emerges with a hunger for redemption and a new reverence for his working-class Brooklyn roots. Ruthlessly candid, uproariously hilarious and compulsively readable, *Howling at the Moon* is a blistering *You'll Never Eat Lunch in this Town Again* of the music industry.

Managing Stress in the Christian Family

Rantoul and the former Chanute Air Force Base are inseparably intertwined as primary players in a single historical narrative. Rantoul was first founded as an agriculturally based community in 1848 near an area known as Mink Grove. The settlement boomed with the coming of the Illinois Central Railroad in 1854; a railroad championed by the town's namesake, Robert Rantoul Jr. Disaster followed in 1899 and again in 1901 with devastating fires. Then, in 1917, a U.S. Army flying field was built on the outskirts of Rantoul. Named after the aviation pioneer Octave Chanute, Chanute Field, later Chanute Air Force Base, became a premier technical training facility. A mutually beneficial relationship quickly developed between these civilian and military establishments that would last for over 75 years. Chanute Air Force Base closed in 1993, ushering in yet another new era for the village of Rantoul.

The S-type was introduced as an additional model to the Mk II but with the benefit of the independent rear suspension from the Mk 10. It retained some of the character of the Mk II and had ample performance courtesy of the 3.4 or 3.8-litre, six-cylinder XK engine. The 420 was developed directly from the S-type but resembled the Mk 10 at the front and rear. The special version of the 4.2-litre engine gave the model its name. The equivalent Daimler, the Sovereign, bridged the gap between the 2 1/2-litre saloon and the big Majestic Major. This is a book of contemporary road tests, specification and technical data, new model introductions, driver's impressions, long term tests and buying used guide. Models include: 3.4 and 3.8 S-type, 420, 420 automatic.

CDL Study Guide Book

A collection of fine art nude photographic portraits of men captured in the classical tradition of the heroic and mythical, in the grandiose and dramatic poses of the post-renaissance tradition, shot in both contemporary, post-modernist and neo classic or painterly environments, with over 180 photographs in both colour and warm toned black and white. This collection complements and evolves the theme developed in the first 'Heroics' book published in 2011, and has been influenced by and references the male in sculpture and painting in Western European art from the Renaissance onwards. The book plays with contemporary societal attitudes to the naked male in public and art by juxtaposing our collective artistic consciousness and heritage with the reality of the contemporary naked male physique.

ABOUT THE BOOK: Younger pastors are looking for practical help in the language of their generation. Pastoral Ministry for the Next Generation integrates contemporary issues and biblical principles. Pastors of all ages will find details for the "how to's" of nearly every aspect of church ministry. Pastoral ministry is timeless. Certain aspects of this life and work endure through all generations until the Lord returns. Yet, the milieu of ministry constantly changes. Next-Gen ministry requires thoughtful processing of biblical foundations and contemporary applications. This book was written for young pastors but can help ministers of any generation, especially new pastors. **** ABOUT THE AUTHOR: Dr. Jere Phillips has served churches as pastor and church staff member in several states and has preached in over 300 churches. The Big Book of Crazy Canadian Trivia

New York Times bestseller More than 100,000 copies in print Completed just two days before Louis Zamperini's death at age ninety-seven, *Don't Give Up, Don't Give In* shares a lifetime of wisdom, insight, and humor from "one of the most incredible American lives of the past century" (People). Zamperini's story has touched millions through Laura Hillenbrand's biography *Unbroken* and its blockbuster movie adaptation directed by Angelina Jolie. Now, in his own words, Zamperini reveals with warmth and great charm the essential values and lessons that sustained him throughout his remarkable journey. He was a youthful troublemaker from California who turned his life around to become a 1936 Olympian. Putting aside his track career, he volunteered for the army before Pearl Harbor and was thrust into World War II as a B-24

bombardier. While on a rescue mission, his plane went down in the middle of the Pacific Ocean, where he survived against all odds, drifting two thousand miles in a small raft for forty-seven days. His struggle was only beginning: Zamperini was captured by the Japanese, and for more than two years he courageously endured torture and psychological abuse in a series of prisoner-of-war camps. He returned home to face more dark hours, but in 1949 Zamperini's life was transformed by a spiritual rebirth that would guide him through the next sixty-five years of his long and happy life. Louis Zamperini's *Don't Give Up, Don't Give In* is an extraordinary last testament that captures the wisdom of a life lived to the fullest.
