him too much and wouldn't want that to be the case. His life style is very different from yours; spiritual things like prayer, study of the word, attending church services and doing those things that are in consonance with the word of God does not interest him. You have preached to him, prayed for his salvation and even asked people to pray and speak to him but he seems nothing is working - he is still the way he was; no changes has taken place. As a result, you often get discouraged when praying for his salvation and begin to wonder if your prayers would ever be answered. I've got good news for you: Your prayers for the Salvation of your husband can be answered! But you need to learn to pray the right way. I have written this book to help and guide you in praying the right way to get your loved one saved by the power of God. It is a three part prayer book: 1. Spiritual Warfare Prayers AGAINST devils keeping your husband from being saved 2. Intercession for the salvation of his soul and the activation of the SEND SOMEONE PRINCIPLE You may say: "My loved one won't listen to me!" Probably not. Many of us who are believers have at several times or one time or the other attempted to preach the gospel to a loved one and hit a brick wall doing just that. In most cases they don't take us seriously - there is this attitude of contempt and disregard we get from them. Just like Jesus was not honored in his home town, our loved ones seem not to take us seriously. Over the years, we see them drifting farther away from salvation and deeper into sin or worldly life style. We have employed fear and scare tactics about hell fire and condemnation heart target shooting and always in all cases, this worsens the situation. We must understand that there is no where it

God knows who your loved one will listen to, and He'll send that person halfway around the world to talk to your loved one if necessary to get them saved. THIS IS CALLED THE SEND MEN OR SEND SOMEONE PRINCIPLE! This supernatural event is actualized by intercession prayers and activation of the SEND SOMEONE PRINCIPLE through prayers. This prayer book will guide you and provide you with scripture based prayer points you can employ in prayers for this purpose. 3. Daily Word of God based Confession That Works for the salvation of your husband. I almost walked away from my Marriage. I had given up. The years of pain had become unbearable and the number of tears shed were innumerable. The Enemy had waged war on my marriage for many years and I was tired of fighting. So, I waved my White Flag of Surrender. But just before I could finish filling out the divorce papers, God staged a personal intervention with me. His message to me was "THIS IS WAR!" And told me that the reason I could never experience victory was because I was fighting the wrong enemy and had the wrong battle strategy. Next He gave me step by step directions on how to fight the enemy effectively on the behalf of my marriage and my husband. This book is a personal collection of the very prayers that I prayed when it seemed as if my family was being destroyed and divorce was imminent. These are the same prayers I prayed and life lessons I had to learn to turn my marriage and my husband around and to finally experience my happily ever after. This book is for the wife who is on the verge of giving up. This book is for the wife who is exhausted and tired of fighting the same battles without getting any victories. This book is for the wife who is ready to successfully engage the enemy and fight to save her husband, marriage, and family. This is War! And this book is your battle strategy.

Perhaps there is no greater gift we can give our marriage and our spouse than the gift of our prayers. As husbands and wives we entered into a covenant with our spouse and with God on our wedding day, promising to nurture this sacred relationship, which is like none other in our lives. Often we turn to frustration, disappointment, argument, hopelessness, or maybe even just forgetfulness and complacency before we turn to prayer for our marriage. Or perhaps we may pray for our spouse, but our prayer feels rote or inconsistent. Maybe none of these dispositions describe you - maybe you are already intentional, dynamic, and devout in your prayer for your spouse and your marriage and you just want to stay the course. No matter what your prayer life looks like in this regard, this journal was written for you. A Spouse Who Prays can be a powerful source for good in your marriage and in your spouse's life, if you are open to the way in which the Holy Spirit wants to work through you and through your prayers.
